Hi Kevin,

Tova Noel received the below threat, and her attorney has asked that FBI conduct a threat assessment. Her plea to the DP is tomorrow I know that [REDACTED] is on leave, and I asked the case team to also reach out to Det. [REDACTED], although I'm not sure if he's available. Would it be possible to assign someone to do a threat assessment if [REDACTED] cannot do it? Happy to discuss further by phone, and I'm sure the AUSAs would be happy to cut any needed subpoenas. Thanks very much.

Good afternoon. At 12:22pm my partner, James Sepowitz, received the email below. I interpret the email as a threat against Tova's safety. I am requesting that the Government use its resources to thoroughly expeditiously investigate the

perceived threat and let us know whether it is credible.

Note that I believe the email went to my partner because when people email us from the link on our website, it goes to my partner and not me. Please give me a call to discuss in further detail. Thank you.

Jason
