Dear Jeffrey,

I previewed this house last week. Appropriate for you – off Brattle Street, short walk to Harvard Square, very good condition which is remarkable for most Cambridge properties.

If you wish to view property between Tuesday the 20th and Saturday the 24th call Gail Roberts at [REDACTED] and set up a time with her assistant Abby. I will return to Boston on the 24th and can show property after that time. Any questions call me at [REDACTED] - [REDACTED].

Suzanne E. Helm
Vice President for Development

September 15, 2005

Mr. Jeffrey Epstein
President
J. Epstein & Co., Inc.
457 Madison Avenue
4th Floor
New York, NY 10022

Dear Mr. Epstein:

I just joined the Council on Foreign Relations as its new Vice President for Development, and I wanted to take a moment to introduce myself. As a member of the Chairman's Circle of the Harold Pratt Associates, you clearly understand the importance of investment in the Council. Along with Richard Haass, it will be my privilege to work with you to help further the Council's goals and make it even more of a force in the policy debate in this country and beyond.

I have more than 20 years experience in the non-profit sector, working in organizations ranging from colleges and universities to museums to think tanks ...and no where have I have found a more stimulating and satisfying work environment than the policy world. At this moment in our nation's history, when foreign relations issues are at the forefront of our national debate, I am particularly excited about joining the Council's management team. Betsy Gude has also joined the staff as Development Manager, and we both are benefiting from the wisdom and experience of Jeff Reinke, Director of Member Relations (NY) and Special Projects, and Betty Kurdys, Director of Annual and Planned Giving, who continue in their important roles on the development team.

I am dividing my time between New York and Washington, and I hope to have the opportunity to meet you sometime very soon. I can be reached at [REDACTED], and welcome your ideas, suggestions and input into the Council's development and outreach efforts at any time.

Sincerely,

Suzanne E. Helm
