

11/15/21

- not really comfortable w/ ST
misprison or accessory after the fact
- get an understanding of where we are - where is client? Accept
misprison AAF?
- not looking to send her to jail - agree non-jail sentence

Maxwell

1/21/21

- could prove up what happened w/ [redacted] too? exposed scope of conspiracy or?
- Fr Epstein victim [redacted] brings her in. scheduled / in apt and sometimes Maxwell called. Maxwell saw her naked, touched breast, made comment re body.
- call w/ [redacted] have had a hard time getting expert - Maxwell expert found. Really like her. But she has oral marks

created victim - from Epstein case ([redacted])
did not decline since brought that case.

- had calls w/ Kaplan/Hedeker & understand why we
want to call Dr. Hughes but conveyed it as
a conflict of interest

- if call Dr. Hughes - would tell defense that they
that Epstein victim. w/n be opinion about client
only background no psych. or abuse. But
disclose that she knew about case.

- [redacted] is concerned abt vs turning over expert
materials on [redacted]. she would be ok
trying to get on board if we could get a
court order w/o disclosing [redacted] identity.
- issue is how to get that before HSN.

old

- Another person in RI who is good but not great.

- participating in victim compensation fund - report
conveyed to program. + called in crisis

- never adverse to Maxwell litig. never met
Maxwell

- will disclose unredacted 3500 for victim.

- order would permit vs to turn over v

- 2005 conduct in New York
