- great news - consistent w/ her view. Kyr w/ not telling her anything. She not responding. In terms of relationships w/ victims - how to communicate where we are.
 - ↳ victims counsel asked for updates + frustrated by lack of decision. most recent discussion was in December. if we decide not to do something they'd understand.
 - ↳ some of the attorneys rep. testifying victims
- 2 victims we reached out to to ask to testify @ Fabica - asked what's happened.
- Brad Edwards holding clients back from oped rec.
- option - conversation - looking less likely, not a final determination. Start to convey level of victimization we are aware of.
- unlikely matter resolved before or after the summer
