

6/23/21

one 17 + June 22 - OIG insisted in person,
called in but didn't attend, recorded
OIG - [redacted] + SSA out of Boston, FBI passed
spoke to DC + agents

Thomas: admitted no rounds + counts; slept; didn't recall b/c sleeping. Didn't think he was lying b/c admitted not doing rounds/counts in the past
Didn't fill out forms; didn't speak abt plan in advance
He wakes up, goes down tier, gets to JE cell, banged, went in, sees JE hanging by fabric coming off bedpost in vertical position - standing + leaned forward calls out for cutter, tower body alarm, pulls him down + tie unfastened. Attempts CPR
not sure if forthcoming on other contraband but nothing to confirm +

Noel: didn't do 12, 3, 5 or any counts, 4 pm admission she did 10 pm, showed video, she credibly seems to think she did it
pre-filled forms: saw other emp do in past on computer, claims didn't get enough training
MCC culture no falsify records - [redacted] 2 others never spoke, Manast [redacted] passed out

agents
- think [redacted] info. unlikely flw. Transcripts go to OIG atty.
