NOTES

Civil Rights Division
 United States Attorney Office
 Southern District of N.Y.
 Dear Sirs/Madams

I am contacting you in regards to the Christine Maxwell case, and the multiple young women/girls who had had civil rights violated by potential co-conspirators that acted in concert with Ms Maxwell. Regularly I heard on the media that several prominent actors would be pursued or at least brought into the open. At present there is no mention of their potential crimes. Please inform me what action, if any the D.J. plans to take, or direct me to the section of the Southern District that could provide me with that information. Your information will be greatly appreciated.

James Dentice
