Thanks for reaching out! I'm new in this role, but I'm aware of our HQ squad C20 having the open investigation you reference below. Not sure of the status of that investigation, though. Looping in the SSA of C20 [REDACTED]
Maybe sometime next week we can all chat.

Hi!
Just wanted you to know that [REDACTED] helped our squad out a lot today (see below). [REDACTED] called me regarding some time-sensitive checks on a high profile individual tied to Epstein. We were out on our search though so I asked [REDACTED] if she could help out. I think she spent most of her morning pulling stuff on [REDACTED] and determined the scope of his nexus to Vegas. She did an awesome job finding everything even though some of it was gross/disturbing to read. It was a high priority for EM this morning, and I know [REDACTED] was super grateful, so just figured you should know too!
Thanks,
Laura

I tried to narrow down the scope of [REDACTED] ties to the Las Vegas AOR with a Sentinel search and the information below is what I have found. I think this information will be helpful.
For your reference, see below e-mail for initial write up. Also just finished up another mini write up identifying ties to Vegas (attached). Let me know if you (or [REDACTED]) have any further questions!

Hi there!

I apologize in advance, this was an extremely quickly drafted "write-up" of [REDACTED] I can absolutely find additional information, but please see the attached word document (with supporting LV-HSI documentation). I have included a financial record from DIVS in this mini write-up so please keep that in mind when if further dissemination of any sort is considered. Reach out if you have any questions, or need any additional checks completed.
