Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Important Changes to Your Account Terms

We are making changes to the American Express Cardmember Agreement ("Agreement") and other terms governing your account referenced in this notice. We urge you and any Additional Card members on your account to read the below notice carefully and file it along with your Agreement in a safe place for future reference.

Important Changes to Your Account Terms

Important Notice Regarding Your Late Payment Fees

The following is a summary of the change that is being made to your account terms. For more detailed information, please see the reverse side of this page.

Revised Terms, as of June 6, 2014	
Late Payment Fee	Up to **$37**. However, if your account does not have a Pay Over Time feature or balance and you do not pay for two billing periods in a row, your fee will be **$37** or **2.99%** of the past due amount, whichever is greater.
Returned Payment Fee	Up to **$37**

Summary of Other Changes	
Changing the Agreement	We are clarifying that the Agreement cannot be changed orally.
Credit Reports	We are adding language concerning income and employment verification to your Cardmember Agreement to clarify that we will verify and re-verify your employment and income.
AMEX Assurance Company Policies	We are providing policy updates for residents of Colorado and Vermont as well as updating the collect phone number to be used for filing claims under the Car Rental Loss and Damage Insurance Policy.
Delta SkyClub Lounge Access	Delta Air Lines has modified the Delta Sky Club® access policy when visitors bring guests into a lounge. As a result, beginning May 1, 2014, Centurion® Members will no longer receive complimentary admittance for spouses, domestic partners, and children under age 21 or up to two traveling companions. Instead, Delta will offer a reduced rate of $29 per person for these guests for passes purchased at the lounge (this reduced rate is subject to change by Delta and is not available for lounge passes purchased online). For the most current information about your Card benefits, please call the number on the back of your Card. For the most current Delta Sky Club access policy, please visit https://www.delta.com/skyclub.

See the reverse side for the Detail of Changes

Detail of Changes to Your Cardmember Agreements

The terms of the account referenced in or with this notice are subject to change in accordance with the Cardmember Agreement and the Insurance Policies underwritten by AMEX Assurance Company (collectively, the "Agreements"). This notice formally amends the Agreements as described below. Any terms in the Agreements conflicting with these changes is replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Card members on your account, and file it for future reference. If you have any questions about these changes, please call the number on the back of your Card.

Late Payment and Return Payment Fees

We are increasing the late payment and return payment fees on your account. Effective June 6, 2014, the *Rates and Fees Table* section on page 1 of Part 1 of the Cardmember Agreement is amended by deleting the *Penalty Fees* row and replacing it with the following:

Penalty Fees	
• Late Payment	Up to **$37**. However, if your account does not have a Pay Over Time feature or balance and you do not pay for two billing periods in a row, your fee will be **$37** or **2.99%** of the past due amount, whichever is greater.
• Returned Payment	Up to $**37**.

Late Payment Fee

We are increasing the late payment fees on your account:

- If your account has a Pay Over Time feature or balance, your late fee will be up to **$37**.
- If your account does not have a Pay Over Time feature or balance, your late fee will be up to **$37**. However, if you do not pay for two billing periods in a row, your late fee will be **$37** or **2.99%** of the past due amount, whichever is greater.

Effective June 6, 2014, the *How Rates and Fees Work* section on page 2 of Part 1 of the Cardmember Agreement is amended by deleting the *Late Payment* row and replacing it with the following:

Late Payment	Accounts without a Pay Over Time Feature or Balance: Up to $37. However, if you do not pay the Amount Due for two billing periods in a row, your late fee will be $37 or 2.99% of the past due amount, whichever is greater. • Your first late fee is $26. This late fee will be charged if you do not pay the Amount Due on your billing statement before the 20th day after the Closing Date shown on your next billing statement. If you do this again within the next 6 billing periods, your late fee is $37 instead. • However, if you do not pay the Amount Due for two or more billing periods in a row, your late fee will be $37 or 2.99% of the past due amount, whichever is greater. This late fee will be charged on the Closing Date of the second consecutive billing period, and, if an Amount Due remains unpaid, on each Closing Date after that. • Your late fee will never exceed the Amount Due. Accounts with a Pay Over Time Feature or Balance: Up to $37. • Your first late fee is $26. If you pay late again within the next 6 billing periods, your late fee is $37 instead. However, your late fee will never exceed the Minimum Payment Due. • The applicable late fee will be charged if you do not pay the Minimum Payment Due on your billing statement before the 20th day after the Closing Date shown on your next billing statement, and, if the Minimum Payment Due remains unpaid, on each Closing Date after that. • Paying late may also result in a Penalty APR. See *Penalty APR for new transactions and Penalty APR for existing balances* above. In certain circumstances, because of the timing of the late fee charges described above, a billing statement may reflect two late fees, each one charged with respect to a different billing period.

To help you make payments on time, every time, we offer a suite of account management tools:

- Pay online or by phone 24/7 – Login to your account online or call 1-800-I-PAY-AXP (1-800-472-9297).
- AutoPay – Have your payment automatically deducted from your bank account each month.
- Account alerts – Get email or text alerts when your payment due date is approaching.
- Mobile services – View and manage your Card account from anywhere.

Go to **americanexpress.com/consumerresources** to learn more.

Returned Payment Fee
We are increasing the returned payment fees on your account. Effective June 6, 2014, your returned payment fee will be up to $37. The *How Rates and Fees Work* section on page 2 of Part 1 of the Cardmember Agreement is amended by deleting the *Returned Payment* row and replacing it with the following:

Returned Payment	Up to $37. If you make a payment that is returned unpaid the first time we present it to your bank, the fee is $26. If you do this again within the same billing period or the next 6 billing periods, the fee is $37. However, the returned payment fee will not exceed the applicable Minimum Payment Due. A returned payment may also result in a penalty APR. See *Penalty APR for new transactions* above.

Changing the Agreement
Effective June 1, 2014, the following is added immediately after the second sentence of the *Changing the Agreement* section in Part 2 of your Cardmember Agreement:

"This written Agreement is a final expression of the agreement governing the Account. The written Agreement may not be contradicted by any alleged oral agreement."

Credit Reports
Effective immediately, we are amending the *Credit Reports* section contained in Part 2 of your Cardmember Agreement by adding at the end of the first sentence, "including information to verify and re-verify your employment and income."

Notice of Change to Your AMEX Assurance Company Policies
We are making Important Changes to your insurance policies ("Policies") underwritten by AMEX Assurance Company.
Applicable for Residents of Colorado
Effective January 1, 2014, all definitions, terms and provisions within the Policies wherever appearing and denoting a marital relationship or family relationship arising out of marriage will include parties to a civil union established in the State of Colorado according to Colorado law and their families. The terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Colorado law. AEREG1013CO
Applicable for Residents of Vermont for Purchase Protection and Extended Warranty
Effective immediately, the Termination or Cancellation section is replaced with the following: We may cancel this policy only for the reasons stated in this condition by notifying you in writing of the date cancellation takes effect. This cancellation notice may be delivered to you, or mailed by certified mail to you at your mailing address shown in the Declarations except that in the case of cancellation for non-payment of premium, the cancellation notice will be by certified mail or certificate of mailing. Proof of mailing will be sufficient proof of notice. 1) When you have not paid the premium, or there is a substantial increase in hazard, we may cancel at any time by notifying you at least 15 days before the date cancellation takes effect. (2) When this policy has been in effect for less than 60 days and is not a renewal with us, we may cancel for any reason by notifying you at least 45 days before the date cancellation takes effect. (3) When this policy has been in effect for 60 days or more or at any time if it is a renewal with us, we may cancel for one or more of the following reasons: (a) Non-payment of premium or substantial increase in hazard provided that in the case of substantial increase in hazard, we have secured approval for the cancellation from the commissioner of insurance. This can be done by notifying you 15 days before the date cancellation takes effect; or (b) Fraud or material misrepresentation affecting the policy or in the presentation of a claim, or violation of any provisions of the policy. This can be done by letting you know 45 days before the date cancellation takes effect. (4) When this policy is written for a period of more than one year, we may cancel for any reason at anniversary by letting you know at least 45 days before the date cancellation takes effect. *Nonrenewal:* We may elect not to renew this policy. We may do so by delivering to you, or mailing by certified mail to you at your mailing address shown in the Declarations, written notice at least 45 days before the expiration date of this policy. Proof of mailing will be sufficient proof of notice. This condition does not apply: a. If we have manifested our willingness to renew; or b. In the case of non-payment of premium; or c. If you fail to pay any advance premium required by us for renewal; or d. If any insured property designated in the policy is insured under any other insurance policy. *Renewal Of The Policy:* a. If we elect to renew this policy and have the necessary information to issue the renewal policy, we will confirm in writing at least 45 days prior to the expiration our intention to renew the policy and confirm the premium at which the policy is to be renewed. b. If we do not comply with the conditions set forth in the above paragraph, you will be granted renewal coverage at the rate or premium in effect on the expiration date, which has been approved by the Commissioner. This will be done on a pro rata basis and will continue for 45 days after his company confirms renewal coverage and premium. This provision will not apply if you accept the renewal policy. There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you are notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
If you have a Pay Over Time feature, unless we notify you otherwise your Pay Over Time limit is $35,000. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement. You may ignore this message if you no longer have a Pay Over Time feature or your use of it has been suspended.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

(2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Renewal Notice

Your Account renews next month. The following terms will be in effect when your Account renews, unless we tell you otherwise. Please refer to Page 2 for more information about your Account, including How We Calculate Your Balance and Paying Interest.

Please refer to page 2 for further important information regarding your account

Payment Information: All charges made on this charge card, that are not included in a Pay Over Time balance, are due and payable when you receive your periodic statement.

Annual Membership Fee: The annual membership fee for your Account is $2,500.00. When you receive the statement in which the annual fee is billed, you can avoid paying the annual fee by calling the Customer Care phone number on Page 2 to cancel your Account.

APR Information: The Annual Percentage Rates (APRs) for each billing period may vary based on the Prime Rate. We use the Prime Rate published in *The Wall Street Journal* 2 days before the Closing Date of the billing period. *The Wall Street Journal* may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published.

The Penalty APR will apply to a Feature if you make a late payment or a payment that is returned. If the Penalty APR is applied for either of these reasons, it will apply for at least 6 months. We will review your Account every 6 months after the Penalty APR is applied. The Penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

You may have access to one or more Pay Over Time Features on your Account. The following APRs apply to the Features noted as of the Closing Date of this statement. (v) indicates variable rate.

Notice of Important Membership Rewards® Program Change

We are making a change to the Membership Rewards Program Terms & Conditions. A summary of the change appears below. The detailed change can be found after the summary chart.

Summary of Change	
Reinstating Membership Rewards points that have been forfeited for making late payments	We are reducing the amount of time you have to reinstate Membership Rewards points that are forfeited for making a late payment. When you forfeit points in billing periods ending on or after October 1, 2014 for late payment, you will have 12 months instead of 24 months to request reinstatement of those points. You will continue to have 24 months to request reinstatement of points forfeited in billing periods ending prior to October 1, 2014. The $35 fee will remain in effect for each billing period and for each Card account for which you reinstate points.

Detail of the Change

The terms of the account referenced in or with this notice are subject to change in accordance with the Membership Rewards Program Terms & Conditions (collectively, the "Agreement"). This notice formally amends the Agreement as described below. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card.

Reinstating Membership Rewards points that have been forfeited for making late payments

Effective in billing periods ending on or after October 1, 2014, in the Membership Rewards Program Terms & Conditions, the *For making late payments* section of *Forfeiting and Getting Points Back* section, is modified as follows: the last sentence is deleted in its entirety and replaced with:

"You must reinstate points within 12 months of forfeiting them in order to get them back."

Important Change to Your Account Benefits
On September 1, 2014, Sony will discontinue its Sony Cierge service. As of that date, the Sony Cierge service will no longer be available, as a Card benefit or otherwise. You can enroll in and use the service through August 31, 2014.

For more details about this change, call Centurion® Member Services at 1-877-877-0987 and select option 3. To learn more about the benefits your Centurion Card offers, visit americanexpress.com/centurion.

See Page 9 for an important Privacy Notice and the following pages for important notices about Your Billing Rights, Electronic Fund Transfer Error Resolution and a notice for WA residents.

We will debit your bank account for your payment of $21,386.13 on 08/02/14. This date may not be the same date your bank will debit your bank account. Any inquiry to American Express concerning this debit should be made by 07/31/14. If your AutoPay payment is less than your New Balance, we must receive an additional payment for at least the difference by your next Closing Date.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

FACTS WHAT DOES AMERICAN EXPRESS DO WITH YOUR PERSONAL INFORMATION?

Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.
What?	The types of personal information we collect and share depend on the product or service you have with us. This information can include: • Social Security number and income • transaction history and account history • insurance claim history and credit history
How?	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons American Express chooses to share; and whether you can limit this sharing.

Reasons we can share personal information	Does American Express share?	Can you limit this sharing?
For our everyday business purposes – such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus	Yes	No
For our marketing purposes – to offer our products and services to you	Yes	No (but please see the "To limit direct marketing" box below for additional privacy choices)
For joint marketing with other financial companies	Yes	No
For our affiliates' everyday business purposes – information about your transactions and experiences	Yes	No
For our affiliates' everyday business purposes – information about your creditworthiness	Yes	Yes
For our affiliates to market to you	Yes	Yes
For nonaffiliates to market to you	No (although we may share aggregated or de-identified data)	We don't share personal information

To limit our sharing	• Visit us online: www.americanexpress.com/communications or • Call us at 1-855-297-7748 - our menu will prompt you through your choices *Please note:* If you are a *new* customer, we can begin sharing your personal information 30 days from the date we sent this notice. When you are *no longer* our customer, we continue to share your personal information as described in this notice. However, you can contact us at any time to limit our sharing.
To limit direct marketing	We provide additional privacy choices to customers. Privacy elections you make for any one product or service may not automatically be applied to other products and services. To let us know if you do not want us to use your personal information to communicate with you about offers by mail, telephone, and/or e-mail: • Visit us online: www.americanexpress.com/communications or • Call us at 1-855-297-7748 (except for choices about e-mail communications)
Questions?	Call 1-800-528-4800 or go to americanexpress.com/contact.

Who we are	
Who is providing this notice?	American Express Travel Related Services Company, Inc. and other American Express Affiliates that provide financial products or services, including American Express Centurion Bank, American Express Bank, FSB, and AMEX Assurance Company.

What we do	
How does American Express protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
How does American Express collect my personal information?	We collect your personal information, for example, when you • open an account or pay your bills • give us your income information or give us your contact information • use your credit card We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing of personal information?	Federal law gives you the right to limit only • sharing for affiliates' everyday business purposes – information about your creditworthiness • affiliates from using your information to market to you • sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply to everyone on your account.

Definitions	
Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. • *Our affiliates include companies with the American Express name, including financial companies such as American Express Travel Related Services Company, Inc. and nonfinancial companies such as American Express Publishing. Affiliates may also include other companies related by common ownership or control, such as Serve Virtual Enterprises, Inc. and AMEX Assurance Company, a provider of American Express Card-related insurance services.*
Nonaffiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. • *Nonaffiliates with which we share personal information include service providers, including, for example, direct marketers, that perform services or functions on our behalf.*
Joint marketing	A formal agreement between nonaffiliated companies that together market financial products or services to you. • *Our joint marketing partners include financial companies.*

Other important information
We may transfer personal information to other countries, for example, for customer service or to process transactions. **AMEX Assurance Company customers**: You may have the right to access and correct recorded personal information. Personal information may be disclosed by us to detect fraud or misrepresentation, to verify insurance coverage, to an insurance regulatory authority, law enforcement or other governmental authority pursuant to law, or to a group policyholder for purposes of reporting claims experience or conducting an audit. Personal information related to insurance claim activity obtained from a report prepared by an insurance-support organization on our behalf may be retained by such organization and disclosed as required by law. State law may be more protective than federal law. **California**: If your American Express account has a California billing address, we will not share your personal information except to the extent permitted under California law. **Vermont**: If your American Express account has a Vermont billing address, we will automatically treat your account as if you have directed us not to share information about your creditworthiness with our affiliates.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at PO Box 981535, El Paso TX 79998-1535. In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake*: You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first $50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at PO Box 981535, El Paso TX 79998-1535. While we investigate, the same rules apply to the disputed amount as discussed above.

After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Annual EFT Error Resolution Notice

This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including Express Cash transactions, or electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You can telephone us at 1-800-IPAY-AXP for Pay By Phone and Pay By Computer questions, and at 1-800-CASH-NOW for Express Cash and Automatic Payment questions. Alternatively, you may write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531, or contact us online at www.americanexpress.com/inquirycenter. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose.

When you contact us, please provide the following information:

(1) Your name and card account number.

(2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information.

(3) The dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call.

We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your bank account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

Notice for residents of Washington State

In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of interest charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your account within three working days of our receipt of the credit.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

If you would like a printed version of the Terms and Conditions, please call the number on the back of your Card.

The insurance products are no longer available in certain territories.
Effective August 1, 2014, the insurance products that come as a benefit of your Cardmembership are not available for residents of the Federated States of Micronesia, The Marshall Islands, and the Republic of Palau. Depending on your Card, the insurance products may include: Purchase Protection, Extended Warranty, Event Ticket Protection Plan, Car Rental Loss and Damage Insurance, Travel Accident Insurance, Baggage Insurance Plan or/and Employee Card Misuse Protection.

Effective December 1, 2014, the Event Ticket Protection Plan[1] benefit will no longer be available.
The Event Ticket Protection Plan[1] benefit will be discontinued as of December 1, 2014. Event Ticket Protection Plan[1] claims may be filed for a loss that occurs before December 1, 2014. You must file a claim for any loss within 180 calendar days after the loss occurred. Claims will not be accepted for a loss that occurred on or after December 1, 2014. For copies of the insurance documents which are effective until November 30, 2014, or for questions, please call the number on the back of your Card. Please note that this benefit is not presently available to residents of New York State, Puerto Rico, U.S. Virgin Islands, American Samoa, Federated States of Micronesia, Marshall Islands, Palau and the U.S. Minor Outlying Islands, and will remain unavailable after December 1, 2014.

Notice or Terms Information

[1] Event Ticket Protection Plan is underwritten by AMEX Assurance Company, Administrative Office, Phoenix, AZ under Policy AX0974 or Policy ETP-IND. For residents of GU and MP, the Plan is underwritten by Tokio Marine Pacific Insurance Limited, Hagatna, Guam under Policy CRCB000000103. Coverage is determined by the terms, conditions, and exclusions of the Policies applicable to your Card and is subject to change with notice. This document does not supplement or replace the Policies. Certain incidents are not covered, including but not limited to, non-emergency illness. You may be required to send additional documentation to us such as proof of loss or the unused ticket, in which case we will reimburse you for the shipping cost. This benefit is not available to residents of New York State, Puerto Rico, U.S. Virgin Islands, American Samoa, Federated States of Micronesia, Marshall Islands, Palau and the U.S. Minor Outlying Islands. This product provides secondary coverage. This means it pays eligible benefits not paid by any primary insurance that you have. The terms of the account referenced in or with this notice are subject to change in accordance with Your Agreement for Transferring Funds Electronically (the "EFT Agreement"). This notice formally amends the Agreements as described below. Any terms in the Agreement conflicting with these changes is replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about these changes, please call the number on the back of your Card.

Effective immediately, the *How to contact us about the services* section of Your Agreement for Transferring Funds Electronically is deleted and replaced with the following:

> "You can call us at 1-800-IPAY-AXP for Pay By Phone questions, at 1-800-528-2122 for Pay By Computer questions, at 1-800-528-4800 for AutoPay questions, and at 1-800-CASH-NOW for Express Cash questions. You may also write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531."

Notice of Change to Your Account Benefits

As of January 21, 2014, Centurion members are eligible to enroll in either Hertz® Platinum status or Hertz Gold Plus Rewards® status as a complimentary benefit of Cardmembership. Hertz Platinum status was not available as a benefit of Cardmembership prior to January 21, 2014. Hertz Platinum status includes all the same membership benefits as Hertz Gold Plus Rewards status, plus some additional benefits that are not available with Hertz Gold Plus Rewards status. You must enroll in order to receive the membership benefits associated with either status. Centurion members who are already enrolled in Hertz Gold Plus Rewards status will continue to have the same membership benefits available to them with such status unless they change their status to Hertz Platinum in order to receive the Hertz Platinum membership benefits.

You can enroll in Hertz Gold Plus Rewards or Hertz Platinum or change your current Hertz status by calling American Express at 1-877-877-0987.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Important Notice About a Change to Membership Rewards® Program Redemption Options

Delta SkyMiles Program Transfer Allowance
Effective January 1, 2015, Delta is making a program-wide change limiting the number of points that can be transferred into a SkyMiles account from any partner loyalty program, including the Membership Rewards Program. As a result, there will be 2 important changes that will limit the total number of Membership Rewards points that you can redeem for Delta SkyMiles: (1) the total number of Membership Rewards points that can be transferred out of any Membership Rewards account into one or more Delta SkyMiles accounts will be limited to 250,000 points per calendar year, and (2) the total number of Membership Rewards points that can be transferred *into* any individual Delta SkyMiles account will be limited to 250,000 points per calendar year. (A "calendar year" is 12:00 am MST Jan 1 through 11:59 pm MST Dec 31). To view additional information regarding these changes, please visit membershiprewards.com/delta or call 1-800-AXP-EARN (1-800-297-3276) or the number on the back of your Card.

As a reminder, through December 31, 2014, you may transfer a maximum of 999,000 points to a single SkyMiles account on any given day.

The detailed change to Membership Rewards Program Terms can be found below.

Detail of the Change

The terms of the Membership Rewards program are subject to change in accordance with the program's Terms & Conditions. This notice formally amends the Terms & Conditions as described below. Any terms in the Terms & Conditions conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice and file it for future reference. If you have any questions about this change, please call the number on the back of your Card.

Effective January 1, 2015, the **Who can transfer points** subparagraph of paragraph 1 of the "Using Points" section of the Membership Rewards Program Terms & Conditions is amended by inserting the following sentence at the end thereof:

"You can only transfer 250,000 Membership Rewards points per calendar year into the Delta SkyMiles Program."

Important Notice About a Change to your Cardmember Benefits

Starting March 1, 2015, and effective for the 2015 Medallion® year, the Platinum Medallion status offered as part of your Centurion® Membership will change from "earned" to "complimentary." Currently, there are two differences between earned and complimentary Platinum Medallion status:

(1) Complimentary status does not include the Medallion mileage bonus on paid flights, and

(2) Access to Platinum Medallion Choice Benefits will become available only after you fly a minimum of eight Delta-marketed and operated flight segments during the Medallion year.

All other Platinum Medallion benefits remain unchanged and Centurion Members will still receive the following as part of their Platinum Medallion status:

- **Access:** Access to The Delta Sky Priority® suite of services featuring Priority Boarding, Priority Check-In and accelerated security lines at select airports
- **Upgrades**: Unlimited Complimentary Upgrades on eligible paid and Award Tickets
- **Convenience:** Waived baggage fees, complimentary Economy Comfort™ and Preferred Seats, waived same-day standby and confirmed fees, expedited baggage service

Centurion Members who have otherwise earned Platinum status based on Delta's published qualification criteria will continue to receive the benefits of earned Platinum Medallion status.

This change will have no impact on the complimentary airport lounge access to Delta Sky Clubs® as part of Centurion Membership.

The terms of Platinum Medallion status are subject to change by Delta Air Lines. For more information or to view the latest Medallion terms and conditions please visit: delta.com/medallionterms.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Changes to Your Account Terms

We are making changes to the American Express Cardmember Agreement ("Agreement") and other terms governing your account referenced in this notice. A summary of the changes appears below. Changes to your Agreement can be found below under "Detail of Changes to your Cardmember Agreement." We urge you and any Additional Cardmembers on your account to read the below notice carefully and file it along with your Agreement in a safe place for future reference.

Important Changes to Your Account Terms

Important Notice Regarding Your Late Payment and Returned Payment Fees

The following is a summary of the changes that are being made to your account terms. For more detailed information, please see the Detail of Changes on the following page(s).

Revised Terms, effective for billing periods ending on or after January 1, 2015	
Late Payment Fee	Up to **$38**. However, if your account does not have a Pay Over Time feature or balance and you do not pay for two billing periods in a row, your fee will be **$38** or **2.99%** of the past due amount, whichever is greater.
Returned Payment Fee	Up to **$38**.

Summary of Other Changes	
Late Payment Fee Assessment Date	Effective for billing periods ending on or after January 1, 2015, if you do not pay the required payment by the Next Closing Date shown at the top of your billing statement, we will charge a late fee. Previously, you had to make the required payment within 20 days after the Next Closing Date to avoid the late fee. With this change, you will need to make the required payment by the Next Closing Date to avoid a late fee. As a reminder, your payment is still due upon receipt of your billing statement, or on the Payment Due Date if your statement includes a Pay Over Time balance. Your billing statement states the time and manner by which you must make your payment for it to be credited as of the same day it is received.
Determining the Prime Rate	We are clarifying that to calculate interest we use the Prime Rate published in the rates section of *The Wall Street Journal*.

See the following page(s) for the Detail of Changes

Detail of Changes to Your Cardmember Agreement

The terms of the account referenced in or with this notice are subject to change in accordance with the Cardmember Agreement (the "Agreement"). This notice formally amends the Agreement as described below. Any terms in the Agreement conflicting with these changes are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about these changes, please call the number on the back of your Card.

Late Payment Fees and Returned Payment Fees

Effective for billing periods ending on or after January 1, 2015, the *Rates and Fees Table* on page 1 of Part 1 of the Cardmember Agreement is amended by deleting the *Penalty Fees* row and replacing it with the following:

Penalty Fees	
• Late Payment	Up to **$38**. However, if your account does not have a Pay Over Time feature or balance and you do not pay for two billing periods in a row, your fee will be **$38** or **2.99%** of the past due amount, whichever is greater.
• Returned Payment	Up to **$38**.

Late Payment Fees and Late Payment Fee Assessment Date

Effective for billing periods ending on or after January 1, 2015, the *How Rates and Fees Work* section on page 2 of Part 1 of the Cardmember Agreement is amended by deleting the *Late Payment* sub-section in its entirety and replacing it with the following:

Late Payment	Accounts without a Pay Over Time Feature or Balance: Up to $38. However, if you do not pay the Amount Due for two billing periods in a row, your late fee will be $38 or 2.99% of the past due amount, whichever is greater. • Your first late fee is $27. This late fee will be charged if you do not pay the Amount Due on your billing statement by the Next Closing Date shown on that billing statement. • If you do this again within 6 billing periods, your late fee is $38 instead. • However, if you do not pay the Amount Due for two or more billing periods in a row, your late fee will be $38 or 2.99% of the past due amount, whichever is greater. • Your late fee will never exceed the Amount Due. Accounts with a Pay Over Time Feature or Balance: Up to $38. • Your first late fee is $27. This fee will be charged if you do not pay the Minimum Payment Due on your billing statement by the Next Closing Date shown on that billing statement. • If you do this again within 6 billing periods, your late fee is $38 instead. • Your late fee will never exceed the Minimum Payment Due. • Paying late may also result in a Penalty APR. See *Penalty APR for new transactions* and *Penalty APR for existing balances* above.

Returned Payment Fee

Effective for billing periods ending on or after January 1, 2015, the *How Rates and Fees Work* section on page 2 of Part 1 of the Cardmember Agreement is amended by deleting the *Returned Payment* sub-section and replacing it with the following:

Returned Payment	Up to $38. If you make a payment that is returned unpaid the first time we present it to your bank, the fee is $27. If you do this again within the same billing period or the next 6 billing periods, the fee is $38. However, the returned payment fee will not exceed the applicable Minimum Payment Due. A returned payment may also result in a penalty APR. See *Penalty APR for new transactions* above.

About your payments

Effective December 1, 2014, the *When you must pay* section of *About your payments* in Part 2 of the Cardmember Agreement is amended by inserting the following sentence after the last sentence:

"Each statement also shows a Next Closing Date."

Determining the Prime Rate

Effective immediately, the *Determining the Prime Rate* sub-section of the *About interest charges on Pay Over Time balances* section in Part 2 of the Cardmember Agreement is amended by deleting the first sentence and replacing it with:

"We use the Prime Rate from the rates section of *The Wall Street Journal*."

Important Changes to Your Agreement for Transferring Funds Electronically

We are making changes to Your Agreement for Transferring Funds Electronically (the "EFT Agreement"). A summary of the changes can be found in the table below.

A copy of the new EFT Agreement can be found on the following pages. This EFT Agreement replaces any previous EFT Agreement you may have received, and contains important information regarding Electronic Funds Transfers. Please take time to familiarize yourself with the EFT Agreement and retain it for future reference.

Summary of Changes	
Limits on amounts and frequency of withdrawals	We are clarifying that you can only make 7 withdrawals in a single day, regardless of the dollar amount of the withdrawals.
Express Cash activity	We are clarifying that your Express Cash activity will be shown on your card account statement.
In case of errors or questions	We are clarifying that if we need more time to investigate after you have reported an error to us, we will credit your bank account within 10 business days.

See the following pages for your new EFT Agreement

Your Agreement for Transferring Funds Electronically

This *EFT Agreement* is between American Express Travel Related Services Company, Inc. and you, once you enroll in an Electronic Funds Transfer Service of ours (*service*) such as AutoPay, Pay By Computer, or Pay By Phone. This replaces any previous agreement you may have with us for the services.

Words we use in this agreement
In this EFT Agreement, *you* and *your* mean, in addition to the Basic Cardmember, any Additional Cardmembers who have enrolled in the service. *We*, *our*, and *us* mean American Express Travel Related Services Company, Inc. Your *card account* means the American Express card account. Your *bank* is the bank, securities firm, or other financial institution that holds your bank account. Your *bank account* is the bank account you use to pay for any transactions you make through the service. *Withdraw or withdrawal* means an electronic debit or deduction of funds from your bank account. Our *business days* are Monday through Friday, excluding holidays.

How Express Cash works
Express Cash enables you to withdraw cash from your bank account at participating automated teller machines (*ATMs*). If you enroll in Express Cash, we will issue or allow you to choose a Personal Identification Number (*PIN*). You must use this PIN along with your card when withdrawing cash from an ATM. Keep your PIN confidential.
Each time you withdraw cash using Express Cash, we will charge a fee of 3% of the amount of the transaction or $5, whichever is more. The amount of the transaction is the total of the:

- amount of the withdrawal or funds transfer,
- amount of goods or services received, and
- any fee charged by the ATM operator or network used for the withdrawal.

The amount of the transaction and the fee that we charge will be withdrawn from your bank account. For each withdrawal made in a foreign currency, we charge a fee of 2.7% of the converted U.S. dollar amount of the transaction. This fee will be withdrawn from your bank account. However, we do not charge this fee for ATM withdrawals made using cards issued on U.S. Consumer or OPEN Platinum Card or Centurion Card accounts. See *Converting charges made in a foreign currency* in Part 2 of the Cardmember Agreement.

If a transaction is not honored by your bank, we will charge the amount of the transaction and a fee of $38 to your card account, or we may collect them directly from you.

Limits on amounts and frequency of withdrawals
We apply the following limits to the amount that can be withdrawn in a 30-day period. In addition, there is a limit of 7 withdrawals in a single day (regardless of the dollar amount of such withdrawals). The ATM operator may also impose limits.

One from American Express®	$3,000 in a 30-day period
Zync Card®	$3,000 in a 30-day period
Green Card	$3,000 in a 30-day period
Gold Card	$8,500 in a 30-day period
Platinum Card®	$10,000 in a 30-day period
Centurion® Card	$10,000 in a 30-day period

You can get a receipt from the ATM each time you withdraw money from your bank account using Express Cash. Your monthly statement for your card account will show any Express Cash transactions in that billing period.

AutoPay, Pay By Computer, Pay By Phone
With these services, you can initiate electronic payments to your card account. When you do so, you allow us or our agent to draw a check on or initiate an automated clearing house (ACH) withdrawal from your bank account in the amount you authorize.
If your bank returns a check or ACH withdrawal unpaid the first time we submit it for payment, we may cancel your right to use the service. Your bank may charge you a fee if this happens.

How to stop AutoPay payments
If you have told us to make AutoPay payments from your bank account, you can stop any of these payments by calling us at 1-800-227-4669or writing to American Express, Electronic Funds Services, P.O. Box 981540, El Paso, TX 79998-1540 in time for us to receive your request at least 2 business days before the payment is scheduled to be made. We will tell you, at least 10 days before each payment, when it will be made and how much it will be. If we receive your request to stop one of these payments at least 2 business days before the payment is scheduled to be made and we do not stop it, we will be liable for your losses or damages.

Unauthorized transactions
Tell us AT ONCE if you believe your card or PIN has been lost, stolen or used without your permission, or if you believe that a transaction has been made without your permission. Calling is the best way of keeping your possible losses down. You could lose all the money in your bank account (plus your maximum overdraft line of credit, if applicable). If you tell us within 2 business days after you learn of the loss, theft or unauthorized use of your card or PIN, you can lose no more than $50 if someone used your card or PIN without your permission.
If you do NOT tell us within 2 business days after you learn of the loss or theft of your card or PIN, and we can prove we could have stopped someone from using your card or PIN without your permission if you had told us, you could lose as much as $500.
Tell us if you believe that someone has used or may use your card or PIN to use the EFT service without your permission. Call anytime at 1-800-528-4800 (or 1-336-393-1111 collect, if not in the U.S.). You may also write to us at American Express, Electronic Funds Services, P.O. Box 981532, El Paso, TX 79998-1532.

Improper transactions or payments
If we do not complete a transfer to or from your bank account on time or in the correct amount, according to this EFT Agreement, we will be liable for your losses or damages.
There are some exceptions. We are not liable:

- if, through no fault of ours, you do not have enough money in your bank account;
- if the transfer would go over the credit limit on any overdraft line you may have;
- if the ATM where you are making the transfer does not have enough cash;
- if the funds in your bank account were subject to legal process or other encumbrance that restricted the transaction;
- if circumstances beyond our control (such as fire or flood) prevented the transaction, despite our reasonable precautions; or
- if the terminal or system was not working properly and you knew about the breakdown when you started the transfer.

Privacy
We will disclose information to third parties about your transactions:

- when necessary for completing transactions;
- to comply with government agency or court orders; or
- as stated in our Privacy Notice, which covers your use of the services.

Arbitration
The Arbitration section, in Part 2 of the Cardmember Agreement, applies to this EFT Agreement and the services.

How to contact us about the services
You can call us at 1-800-IPAY-AXP for Pay By Phone questions, at 1-800-528-2122 for Pay By Computer questions, at 1-800-528-4800 for AutoPay questions, and at 1-800-CASH-NOW for Express

Cash questions. You may also write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531.

In case of errors or questions
If you think your statement or receipt is wrong, or if you need more information about a transaction on your statement or receipt, call or write us as soon as you can. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared. If you do not contact us because of certain circumstances (such as you are in the hospital), we may extend the 60-dayperiod for a reasonable time. When you contact us:

- tell us your name and account number.
- describe the error or the transaction you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information.
- tell us the amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days after you called us. Within 10 business days after we hear from you we will determine whether an error has occurred. We will correct any error promptly.
However, if we need more time, we may take up to 45 calendar days to investigate. If we do take more time, we will credit your bank account within 10 business days for the amount you think is in error so that you will have use of the funds during the time it takes to complete our investigation.
If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your bank account for the amount you question.
We will tell you the results within 3 business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation. If we have credited your bank account and find no error, we will tell you when we will withdraw that amount from your bank account again.
You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use a service.

We may end the services
We, or any bank or financial institution that participates in the Express Cash service, may add to or remove any ATMs from the service. We may extend or limit the services at any location without telling you ahead of time.
Also, we may stop a service at any time. We may cancel your participation in a service at any time. If we do, we will write to you, but we may not send you the notice until after we cancel. Also, we may refuse to authorize a transaction at our discretion.
We will end or suspend use of a service if:

- you do not use it for 18 months in a row,
- your card account is in default,
- your card account is cancelled or suspended,
- you cancel the authorization you gave your bank to pay for any transactions you make through the service, or
- your bank account is closed to withdrawals by us or our agents.

You may choose to stop using any service. If you do, you must write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531.

Assignment
We may assign this EFT Agreement to a subsidiary or affiliate at any time.

Note for Massachusetts residents

General disclosure statement: Any documentation given to you which shows that an electronic funds transfer was made will be admissible as evidence of that transfer and will constitute prima facie proof that the transfer was made.
Except as explained in this EFT Agreement, if you initiate an electronic funds transfer from your bank account, you cannot stop payment of the transfer.

Unless otherwise provided in this EFT Agreement, you may not stop payment of electronic funds transfers. Therefore, do not use electronic transfers for purchases or service unless you are satisfied that you will not need to stop payment.

Disclosure of bank account information to third parties: If you give us your written authorization to disclose information about you, your bank account, or the transactions that you make to any person, that authorization will automatically expire 45 days after we receive it.
Optional limit on obtaining cash: You can ask us to limit the total amount of cash that you may get from ATMs in a single day to $50. If you choose this option, we will take all reasonable steps to comply with your request.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Changes to the Membership Rewards® Program

Delta: We recently informed you of an annual limit on the number of Membership Rewards points that you can transfer into the SkyMiles® Program. This change is **canceled.** There is no annual limit to the number of points you can transfer to the SkyMiles Program. Remember, you may only transfer a maximum of 999,000 points to a single SkyMiles account per day.

Frontier: Effective March 5, 2015, Frontier Airlines will no longer be a point transfer airline in the Membership Rewards program. Any Membership Rewards point transfers for Frontier Airlines must be made by March 4, 2015. These transfers will be considered final, non-refundable, and subject to the EarlyReturns® program terms and conditions. To transfer points to Frontier, please visit membershiprewards.com/travel.

We will debit your bank account for your payment of $6,040.15 on 02/02/15. This date may not be the same date your bank will debit your bank account. Any inquiry to American Express concerning this debit should be made by 01/31/15. If your AutoPay payment is less than your New Balance, we must receive an additional payment for at least the difference by your next Closing Date.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

Please refer to page 2 for further important information regarding your account

You may have access to one or more Pay Over Time features as part of your Card account. These features allow you to carry a balance on certain purchases.

Current APR
The following are the current Annual Percentage Rates (APRs) for Pay Over Time Features:
(v) indicates variable rate

For Select & Pay Later, the APR is 9.15% (v).

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Notice of Important Change to Your Account Terms

We are making a change to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. Any language in the Agreement contrary to or conflicting with the terms amended below is deleted in its entirety to the extent of the conflict. All terms of the Agreement not amended herein remain in full force and effect. We urge you and any Additional Cardmembers on your Account to read the below notice carefully and file it along with your Agreement in a safe place for future reference. The detailed change to your Cardmember Agreement can be found after the summary chart.

[redacted]

Important Notice Regarding Your Penalty Annual Percentage Rate

The following is a summary of the change that is being made to your account terms. For more detailed information, please see the reverse side of this page.

	Revised Term, as of April 18, 2015
Penalty APR	**29.24%** This APR will vary with the market based on the Prime Rate. This APR will apply to your account if you: 1) make one or more late payments; or 2) make a payment that is returned. **How Long Will the Penalty APR Apply?** If the penalty APR is applied, it will apply for at least 6 months. We will review your Account every 6 months after the penalty APR is applied. The penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

ID 10141

Reason for Our Decision

- The Penalty APR on your card is lower than typical Penalty APRs for similar cards in the marketplace.

See the reverse side for the detail of changes to your Cardmember Agreement.

Detail of Changes to Your Cardmember Agreement

The terms of the account referenced in or with this notice are subject to change in accordance with the Cardmember Agreement (the "Agreement"). This notice formally amends the Agreement as described below. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card.

Penalty APR and When it Applies

Effective April 18, 2015, we are amending the *Rates and Fees* table on page 1 of Part 1 of your Agreement by deleting the *Penalty APR and When it Applies* row and replacing it with the following:

Penalty APR and When it Applies	**29.24%** This APR will vary with the market based on the Prime Rate. This APR will apply to your account if you: 1) make one or more late payments; or 2) make a payment that is returned. **How Long Will the Penalty APR Apply?** If the penalty APR is applied, it will apply for at least 6 months. We will review your Account every 6 months after the penalty APR is applied. The penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

How Rates and Fees Work

Effective April 18, 2015, we are amending the *Calculating APRs and DPRs* section of the *How Rates and Fees Work* table on page 2 of Part 1 of your Agreement by replacing the APRs and Daily Periodic Rates (DPRs) for Penalty with the following:

Calculating APRs and DPRs	Rate Description	Prime + Margin	APR	DPR
	Penalty APR	Prime + 25.99%	29.24%	0.0801%

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

Please refer to page 2 for further important information regarding your account

You may have access to one or more Pay Over Time features as part of your Card account. These features allow you to carry a balance on certain purchases.

Current APR
The following are the current Annual Percentage Rates (APRs) for Pay Over Time Features:
(v) indicates variable rate

For Select & Pay Later, the APR is 9.15% (v).

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Renewal Notice

Your Account renews next month. The following terms will be in effect when your Account renews, unless we tell you otherwise. Please refer to Page 2 for more information about your Account, including How We Calculate Your Balance and Paying Interest.

Please refer to page 2 for further important information regarding your account

Payment Information: All charges made on this charge card, that are not included in a Pay Over Time balance, are due and payable when you receive your periodic statement.

Annual Membership Fee: The annual membership fee for your Account is $2,500.00. When you receive the statement in which the annual fee is billed, you can avoid paying the annual fee by calling the Customer Care phone number on Page 2 to cancel your Account.

APR Information: The Annual Percentage Rates (APRs) for each billing period may vary based on the Prime Rate. We use the Prime Rate published in the rates section of *The Wall Street Journal* 2 days before the Closing Date of the billing period. *The Wall Street Journal* may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published.

The Penalty APR will apply to a Feature if you make a late payment or a payment that is returned. If the Penalty APR is applied for either of these reasons, it will apply for at least 6 months. We will review your Account every 6 months after the Penalty APR is applied. The Penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

You may have access to one or more Pay Over Time Features on your Account. The following APRs apply to the Features noted as of the Closing Date of this statement. (v) indicates variable rate.

Notice of Important Membership Rewards® Program Changes

We are making changes to the Membership Rewards Program Terms & Conditions. A summary of the changes appears below. The detailed changes can be found after the summary chart.

Summary of Changes	
Conversion Rates	Effective October 1, 2015, when transferring points from Membership Rewards to British Airways and Iberia, the number of Avios you receive will change. From this date, for every 250 Membership Rewards points you transfer to the British Airways Executive Club and Iberia Plus programs, you will receive 200 Avios (the previous conversion rate was 1,000 Membership Rewards points for 1,000 Avios). As of October 1, 2015, you must transfer points to these loyalty programs in increments of 250.
Transferring Points to Plenti	Starting May 4, 2015, all Card Members enrolled in Membership Rewards may transfer points to the Plenti℠ rewards program.
Operating Organization	We are adding language to specify that the Membership Rewards program is owned and operated by American Express Travel Related Services Company, Inc.

Details of the Changes

The Membership Rewards program Terms and Conditions ("Terms and Conditions") are subject to change. This notice formally amends the Terms and Conditions as described below. Any terms in the Terms and Conditions conflicting with these changes are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

Conversion Rates

Effective October 1, 2015, the Terms and Conditions are amended by inserting the following in the *Conversion rates and increments* sub-section of the *Transferring Points to Frequent Customer Programs* section:

- British Airways and Iberia: 250 points = 200 Avios; must be transferred in 250-point increments

Transferring Points to Plenti

Effective May 4, 2015, the Terms and Conditions are amended by inserting the following in the *Using Points* section:

2. TRANSFERRING POINTS TO PLENTI

All Card Members may transfer points to the Plenti℠ rewards program. You must finish signing up for the Plenti rewards program before you can transfer points to Plenti. 500 Membership Rewards points will equal 400 Plenti points. Membership Rewards points must be transferred in 500 point increments. Membership Rewards point transfers to Plenti cannot be reversed. Points transferred are subject to the terms and conditions of the Plenti program, **including those terms providing that on December 31, each year, any Plenti points that are at least two years old will expire.** You may transfer points only to a Plenti account in your name or in the name of an Additional Card Member on your Linked Account.

Additional Terms

Effective immediately, the Terms and Conditions are amended by inserting the following at the end of the *Additional Terms* section:

The Membership Rewards program is owned and operated by American Express Travel Related Services Company, Inc.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

FACTS WHAT DOES AMERICAN EXPRESS DO WITH YOUR PERSONAL INFORMATION?

Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.
What?	The types of personal information we collect and share depend on the product or service you have with us. This information can include: • Social Security number and income • transaction history and account history • insurance claim history and credit history
How?	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons American Express chooses to share; and whether you can limit this sharing.

Reasons we can share personal information	Does American Express share?	Can you limit this sharing?
For our everyday business purposes – such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus	Yes	No
For our marketing purposes – to offer our products and services to you	Yes	No (but please see the "To limit direct marketing" box below for additional privacy choices)
For joint marketing with other financial companies	Yes	No
For our affiliates' everyday business purposes – information about your transactions and experiences	Yes	No
For our affiliates' everyday business purposes – information about your creditworthiness	Yes	Yes
For our affiliates to market to you	Yes	Yes
For nonaffiliates to market to you	No (although we may share aggregated or de-identified data)	We don't share personal information

To limit our sharing	• Visit us online: www.americanexpress.com/communications or • Call us at 1-855-297-7748 - our menu will prompt you through your choices *Please note:* If you are a *new* customer, we can begin sharing your personal information 30 days from the date we sent this notice. When you are *no longer* our customer, we continue to share your personal information as described in this notice. However, you can contact us at any time to limit our sharing.
To limit direct marketing	We provide additional privacy choices to customers. Privacy elections you make for any one product or service may not automatically be applied to other products and services. To let us know if you do not want us to use your personal information to communicate with you about offers by mail, telephone, and/or e-mail: • Visit us online: www.americanexpress.com/communications or • Call us at 1-855-297-7748 (except for choices about e-mail communications)
Questions?	Call 1-800-528-4800 or go to americanexpress.com/contact.

Who we are	
Who is providing this notice?	American Express Travel Related Services Company, Inc. and other American Express Affiliates that provide financial products or services, including American Express Centurion Bank, American Express Bank, FSB, and AMEX Assurance Company.

What we do	
How does American Express protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
How does American Express collect my personal information?	We collect your personal information, for example, when you • open an account or pay your bills • give us your income information or give us your contact information • use your credit card We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing of personal information?	Federal law gives you the right to limit only • sharing for affiliates' everyday business purposes – information about your creditworthiness • affiliates from using your information to market to you • sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply to everyone on your account.

Definitions	
Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. • *Our affiliates include companies with the American Express name, including financial companies such as American Express Travel Related Services Company, Inc. and nonfinancial companies such as American Express Publishing. Affiliates may also include other companies related by common ownership or control, such as Serve Virtual Enterprises, Inc. and AMEX Assurance Company, a provider of American Express Card-related insurance services.*
Nonaffiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. • *Nonaffiliates with which we share personal information include service providers, including, for example, direct marketers, that perform services or functions on our behalf.*
Joint marketing	A formal agreement between nonaffiliated companies that together market financial products or services to you. • *Our joint marketing partners include financial companies.*

Other important information
We may transfer personal information to other countries, for example, for customer service or to process transactions. **AMEX Assurance Company customers**: You may have the right to access and correct recorded personal information. Personal information may be disclosed by us to detect fraud or misrepresentation, to verify insurance coverage, to an insurance regulatory authority, law enforcement or other governmental authority pursuant to law, or to a group policyholder for purposes of reporting claims experience or conducting an audit. Personal information related to insurance claim activity obtained from a report prepared by an insurance-support organization on our behalf may be retained by such organization and disclosed as required by law. State law may be more protective than federal law. **California**: If your American Express account has a California billing address, we will not share your personal information except to the extent permitted under California law. **Vermont**: If your American Express account has a Vermont billing address, we will automatically treat your account as if you have directed us not to share information about your creditworthiness with our affiliates.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at PO Box 981535, El Paso TX 79998-1535. In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first $50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at PO Box 981535, El Paso TX 79998-1535. While we investigate, the same rules apply to the disputed amount as discussed above.
After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Annual EFT Error Resolution Notice
This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including Express Cash transactions, or electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You can call us at 1-800-IPAY-AXP for Pay By Phone questions, at 1-800-528-2122 for Pay By Computer questions, at 1-800-528-4800 for AutoPay questions, and at 1-800-CASH-NOW for Express Cash questions. You may also write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531 or contact us online at www.americanexpress.com/inquirycenter. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose.

When you contact us, please provide the following information:

(1) Your name and card account number.

(2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information.

(3) The dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call.

We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your bank account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

Notice for residents of Washington State
In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of interest charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your account within three working days of our receipt of the credit.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

(2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Notice of Important Changes to the Additional Benefits of Your Card

Important expansion to your Return Protection[1] coverage
We are expanding Return Protection coverage to American Samoa, Federated States of Micronesia, Marshall Islands, Palau, Guam and Northern Mariana Islands. Until October 14, 2015, your Card provides Return Protection for eligible purchases made in the 50 United States of America, the District of Columbia, Puerto Rico and the U. S. Virgin Islands. Effective October 15, 2015, your Card will provide Return Protection for eligible purchases made in the 50 United States of America, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, American Samoa, Federated States of Micronesia, Marshall Islands, Palau, Guam and Northern Mariana Islands.

Additionally, to be eligible, an item must be in the original purchase condition (not visibly used, defective, or damaged in any way) and must be in working order.

[1] Return Protection can refund you for eligible purchase(s) charged entirely on an eligible American Express® Card. Coverage is limited to 90 days from purchase, up to $300 per item and up to a maximum of $1,000 per Card Member account per calendar year based on the date of purchase. Shipping and handling costs for the purchase will not be refunded. Items are eligible if they are in the original purchase condition and if they cannot be returned to the merchant from which they were originally purchased. Certain purchases are not eligible for refund, e.g. motorized vehicles, perishable items, computer software, and jewelry. Other important exclusions apply. Purchases must be made in the 50 United States of America, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, American Samoa, Federated States of Micronesia, Marshall Islands, Palau, Guam and Northern Mariana Islands. You may be required to send the purchased item to us, in which case we will reimburse you for that shipping cost. To be eligible for claim payment, your account must be in good standing on the eligible card that maintains the original charge. Return Protection is subject to additional important terms, conditions and exclusions. For full Terms and Conditions, see americanexpress.com/CenturionRPterms or call 1-800-297-8019.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Notice of Important Change to Your Account Terms

We are making a change to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. Any language in the Agreement contrary to or conflicting with the terms amended below is deleted in its entirety to the extent of the conflict. All terms of the Agreement not amended herein remain in full force and effect. We urge you and any Additional Cardmembers on your Account to read the below notice carefully and file it along with your Agreement in a safe place for future reference. The detailed change to your Cardmember Agreement can be found on the following page.

[redacted]

We are changing your late payment fee and returned payment fee, effective for fees assessed on or after December 1, 2015. The following is a summary of the changes that are being made to your account terms. For more detailed information, please see the reverse side of this page.

[redacted]

Late Payment Fee	Up to **$37.** However, if your account does not have a Pay Over Time feature or balance and you do not pay for two billing periods in a row, your fee will be **$37** or **2.99%** of the past due amount, whichever is greater.
Returned Payment Fee	Up to **$37**

To help you make payments on time, every time, we offer a suite of account management tools:

- Pay online or by phone 24/7 - Login to your account online or call 1-800-I-PAY-AXP (1-800-472-9297).
- AutoPay - Have your payment automatically deducted from your bank account each month.
- Account alerts - Get email or text alerts when your payment due date is approaching.
- Mobile services - View and manage your Card account from anywhere.

Go to **americanexpress.com/consumerresources** to learn more.

See the reverse side for the Detail of Changes to your Cardmember Agreement.

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card.

Late Payment Fees and Returned Payment Fees

Effective December 1, 2015, the *Rates and Fees Table* on page 1 of Part 1 of the Cardmember Agreement is amended by deleting the *Penalty Fees* row and replacing it with the following:

Penalty Fees	
• Late Payment	Up to **$37.** However, if your account does not have a Pay Over Time feature or balance and you do not pay for two billing periods in a row, your fee will be $37 or 2.99% of the past due amount, whichever is greater.
• Returned Payment	Up to **$37**

Late Payment Fee

Effective December 1, 2015, the *How Rates and Fees Work* section on page 2 of Part 1 of the Cardmember Agreement is amended by deleting the *Late Payment* row and replacing it with the following:

Late Payment	
	Accounts without a Pay Over Time Feature or Balance: Up to $37. However, if you do not pay the Amount Due for two billing periods in a row, your late fee will be $37 or 2.99% of the past due amount, whichever is greater. • Your first late fee is $27. This late fee will be charged if you do not pay the Amount Due on your billing statement by the Next Closing Date shown on that billing statement. • If you do this again within 6 billing periods, your late fee is $37 instead. • However, if you do not pay the Amount Due for two or more billing periods in a row, your late fee will be $37 or 2.99% of the past due amount, whichever is greater. • Your late fee will never exceed the Amount Due. Accounts with a Pay Over Time Feature or Balance: Up to $37. • Your first late fee is $27. This fee will be charged if you do not pay the Minimum Payment Due on your billing statement by the Next Closing Date shown on that billing statement. • If you do this again within 6 billing periods, your late fee is $37 instead. • Your late fee will never exceed the Minimum Payment Due. • Paying late may also result in a Penalty APR. See *Penalty APR for new transactions* and *Penalty APR for existing balances* above.

Returned Payment Fee

Effective December 1, 2015, the *How Rates and Fees Work* section on page 2 of Part 1 of the Cardmember Agreement is amended by deleting the *Returned Payment* row and replacing it with the following:

Returned Payment	Up to $37. If you make a payment that is returned unpaid the first time we present it to your bank, the fee is $27. If you do this again within the same billing period or the next 6 billing periods, the fee is $37. However, the returned payment fee will not exceed the applicable Minimum Payment Due. A returned payment may also result in a penalty APR. See *Penalty APR for new transactions* above.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Notice of Important Change to Your Account Terms

We are making a change to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. Any language in the Agreement contrary to or conflicting with the terms amended below is deleted in its entirety to the extent of the conflict. All terms of the Agreement not amended herein remain in full force and effect. We urge you and any Additional Cardmembers on your Account to read the below notice carefully and file it along with your Agreement in a safe place for future reference. The detailed change to your Cardmember Agreement can be found after the summary chart.

[redacted]

We are changing when the Penalty Annual Percentage Rate *(APR)* may apply to the Pay Over Time features on your account. The change is shown below and will take effect on April 18, 2016. For more detailed information, please see the reverse side of this page.

How to avoid the change on Pay Over Time feature(s): You have the right to reject this change. If you do reject the change, your enrollment in these feature(s) will be cancelled and you will not be able to extend payment on new transactions. **You must reject this change by calling us at 1-855-865-1451 or by calling us collect at 1-336-291-1361 no later than 5pm Eastern time on April 17, 2016.**

	Revised Term, as of April 18, 2016
Penalty APR and When it Applies	**29.49%** This APR will vary with the market based on the Prime Rate. This APR may be applied to your account if: 1) you make one or more late payments; or 2) your payment is returned by your bank. We may also consider your creditworthiness in determining whether or not to apply the penalty APR to the Pay Over Time feature(s) on your Account. **How Long Will the Penalty APR Apply?** If the penalty APR is applied, it will apply for at least 6 months. We will review your Account every 6 months after the penalty APR is applied. The penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

ID 10944

Please note, this notice does not indicate that you have triggered the penalty APR for the Pay Over Time feature(s) on your Account. If you do trigger the penalty APR for the Pay Over Time feature(s) on your Account, we will send you a separate notice. In addition, the penalty APR for the Pay Over Time feature(s) on your Account is not changing.

See the reverse side for the Detail of Changes to Your Cardmember Agreement

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card.

Penalty APR and When it Applies

Effective April 18, 2016, we are amending the *Rates and Fees* table on page 1 of Part 1 of your Agreement by deleting the *Penalty APR and When it Applies* row and replacing it with the following:

Penalty APR and When it Applies	**29.49%** This APR will vary with the market based on the Prime Rate. This APR may be applied to your account if: 1) you make one or more late payments; or 2) your payment is returned by your bank. We may also consider your creditworthiness in determining whether or not to apply the penalty APR to the Pay Over Time feature(s) on your Account. **How Long Will the Penalty APR Apply?** If the penalty APR is applied, it will apply for at least 6 months. We will review your Account every 6 months after the penalty APR is applied. The penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

How Rates and Fees Work

Effective April 18, 2016, we are amending the *How Rates and Fees Work* table on page 2 of Part 1 of your Agreement by deleting the *Penalty APR for new transactions* row and replacing it with the following:

Penalty APR for new transactions	The penalty APR may apply to new transactions if: • you do not pay at least the Minimum Payment Due by the Closing Date of the billing period in which it is due on one or more occasions; or • your payment is returned by your bank. We may also consider your creditworthiness in determining whether or not to apply the penalty APR to the Pay Over Time feature(s) on your Account.	If the penalty APR applies to a balance, it will apply to charges added to that balance 15 or more days after we send you notice. We will review your Account every 6 months after the penalty APR is applied. The penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Membership Rewards® Program Changes

We are making changes to the Membership Rewards Program Terms & Conditions that affect Corporate Card Members. A summary of the changes appears below. The detailed changes can be found after the summary chart.

Summary of Changes, effective immediately	
Reinstating points forfeited for cancelling your account (*Corporate Cards*)	If the Linked Card Account that we cancel is a Corporate Card and we subsequently reinstate that Corporate Card, you must call us in order to reinstate points associated with that Card.

G MAXWELL
Closing Date 03/18/16

Account Ending [redacted]

Detail of the Changes

This notice amends the Membership Rewards Program Terms & Conditions (collectively, the "Terms & Conditions") as described below. We have the right to amend as described in the Terms & Conditions. Any terms in the Terms & Conditions conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card.

Reinstating points forfeited for cancelling your account

Effective immediately, in the Terms & Conditions, we are deleting the body of the *For Canceling Your Account* sub-section of the *Forfeiting and Getting Points Back* section and replacing it with:

> If we cancel your Linked Card Account for any of the following reasons, you'll forfeit all points in your program account except as noted:
>
> - If we cancel your Linked Card Account due to inactivity, you have 90 days to use points in your program account before they are forfeited.
> - If we cancel your Linked Card Account in the event of your death, your executor or personal representative may request to use the points in your program account in a one-time redemption by calling us.
> - If we cancel your Linked Card Account by accident, points in your program account will not be forfeited.
>
> If we cancel your Linked Card Account for any other reason (including bankruptcy or insolvency), you'll forfeit all points in your program account. If we reinstate the Linked Card Account within one year, these forfeited points will be returned to your program account.
>
> If the only Linked Card Account is a Corporate Card and has been reinstated within one year, you must contact Membership Rewards at 1-800-AXP-EARN to have the forfeited points returned to your account.
>
> If you voluntarily cancel your enrollment in the program but keep at least one American Express® Card open and in good standing, you'll have up to 30 days from the date of cancellation to use any points in your program account. If you cancel your enrollment in the program and don't keep open any American Express Cards, all points in your program account will be immediately forfeited.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more. To request a refund, contact us at the address or phone number as noted below for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Important Change to Your Account Benefits

We are changing how you receive additional Membership Rewards® points when you book vacation packages within the Platinum Destinations® Vacations (PDV) Program with a participating supplier. Starting June 1, 2016, you will receive 1 additional point (for a total of 2 points) per eligible dollar you spend with the PDV Program for a qualifying independent or escorted vacation package with your eligible Centurion® Card, after you pay in full for the package.

Currently and through May 31, 2016, all bookings made with the PDV Program for qualifying independent or escorted vacation packages to travel by December 31, 2017, will receive 5,000, 10,000 or 25,000 Membership Rewards points (depending on price of the booking).

To learn more about the benefits your Centurion Membership offers, visit centurion.com.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Notice of Important Membership Rewards® Program Changes

We are making changes to the Membership Rewards Program Terms & Conditions that affect OPEN Business Card Members. A summary of the changes appears below. The detailed changes can be found after the summary chart.

Summary of Changes, effective September 9, 2016 (Please note that these changes apply only to OPEN Business Card Members.)	
Who can use the program	The Basic Business Card Member must be enrolled in the Membership Rewards program in order for an Additional Business Card Member to have his or her own Membership Rewards program account. If the Basic Business Card Member exits the program, we will cancel an Additional Business Card Member's participation in Membership Rewards and, if applicable, that Card Member's Membership Rewards account. An Additional Business Card Member who has a separate Membership Rewards account may not link other program-eligible Cards to that account.
Buying points	If an Additional Business Card Member has a separate Membership Rewards account and chooses to buy points for that separate Membership Rewards account, the Basic Business Card Member on the Business Card account will be responsible for the buying points fee.
Reinstating points forfeited for making late payments	Points forfeited for late payment on a Business Card account (including points which would have been awarded to an Additional Business Card Member with a separate Membership Rewards account) can be reinstated only by the Basic Business Card Member on the Business Card account. The fee for reinstating points (currently $35) will be charged to the Business Card account. By paying this reinstatement fee, the Basic Business Card Member may reinstate all points which would have been awarded to all Card Members on the Business Card account for a single billing period.
Forfeiting and getting points back for canceling your account	If the Basic Business Card Member voluntarily cancels enrollment in the program, this will also cancel the Additional Business Card Member's separate Membership Rewards account. However, if the Additional Business Card Member has at least one American Express Card open and in good standing, the Additional Business Card Member will have up to 30 days from the date of cancellation to use any points in the separate Membership Rewards account. If the Additional Business Card Member doesn't have any open American Express Cards, all points in the separate Membership Rewards account will be immediately forfeited.
Excise tax offset fee	We have added clarifying language confirming that the Basic Business Card Member on the Business Card account will be responsible for any excise tax offset fees incurred by Additional Business Card Members who have their own Membership Rewards accounts.

Detail of the Changes

This notice amends the Membership Rewards Program Terms & Conditions (the "Terms & Conditions") as described below. We have the right to amend as described in the Terms & Conditions. Any terms in the Terms & Conditions conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Card Members on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. **All changes are effective September 9, 2016**. *See the following page(s) for the Detail of the Changes.*

Who Can Use the Program

We are amending the *Who Can Use the Program & Annual Fees* sub-section of the *About the Program* section by deleting in their entirety the first two full paragraphs after the table and replacing them with:

> For a Business Card account, any Additional Business Card Members can be permitted to have their own separate program account by the Basic Business Card Member. In order to permit any Additional Business Card Members to have their own separate program account, the Basic Business Card Member must be enrolled in the program. We will cancel an Additional Business Card Member's participation in the program and, if applicable, separate program account if the Basic Business Card Member exits the program. Additional Card Members on a Consumer Card account must be enrolled by the basic Card Member. Eligible Corporate Card Members are only able to enroll in the program with a Corporate Card issued in their name. Enrolled Corporate Cards from the same company can't be linked to the same program account.
>
> Please note that if you already have a Card enrolled in Membership Rewards when you enroll a Business Charge or Credit Card, the Cards may be automatically linked. Additional Business Card Members who have a separate program account may not link other program-eligible Cards to the separate program account created for them as an Additional Business Card Member.

Buying Points

We are amending the *Buying Points* sub-section of the *Getting Points* section by inserting the below after the second sentence of the first paragraph:

> For Additional Business Card Members who have a separate program account, this fee will be charged to the Business Card account, for which the Basic Business Card Member is responsible to pay.

We are amending the *Buying Points* sub-section of the *Getting Points* section by deleting the third and fourth sentences of the second full paragraph and replacing them with:

> If you have a Card enrolled in Membership Rewards when you enroll a second Card, the Cards may be linked to the same program account unless one or both of those Cards is enrolled in Membership Rewards through a separate program account created for you as an Additional Business Card Member. If the Cards are linked to the same program account, both Cards will be eligible for the benefits available to the Card with the greater benefits.

Reinstating points forfeited for making late payments

We are amending the *For Making Late Payments* sub-section of the *Forfeiting and Getting Points Back* section by inserting the following at the end of the second full paragraph:

> Points forfeited for late payment of a Business Card account (including points which would have been awarded to an Additional Business Card Member having a separate program account) can be reinstated only by the Basic Business Card Member on the Business Card account. The $35 fee will be charged to the Business Card account (for which the Basic Business Card Member is responsible to pay) to reinstate points which would have been awarded to all Card Members on the Business Card account for a billing period.

Forfeiting and getting points back for canceling your account

We are amending the *For Canceling Your Account* sub-section of the *Forfeiting and Getting Points Back* section by deleting the last 2 sentences in their entirety and replacing them with:

> If you voluntarily cancel your enrollment in the program (or if you are an Additional Business Card Member with your own separate program account and the Basic Business Card Member voluntarily cancels his/her enrollment in the program), but you keep at least one American Express® Card open and in good standing, you'll have up to 30 days from the date of cancellation to use any points in your program account.
>
> If you voluntarily cancel your enrollment in the program (or if you are an Additional Business Card Member with your own separate program account and the Basic Business Card Member voluntarily cancels his/her enrollment in the program) and you don't keep open any American Express Cards, all points in your program account will be immediately forfeited.

Transferring points

We are amending the *Transferring Points to Frequent Customer Programs* sub-section of the *Using Points* section by deleting the second and third sentences of the second paragraph of the *Who can transfer points* sub-section and replacing them with:

> If you have a Card enrolled in Membership Rewards when you enroll another Card, the Cards may be linked to the same program account unless one or both of those Cards is enrolled in Membership Rewards through a separate program account created for you as an Additional Business Card Member. If the Cards are linked to the same program account, both Cards will be eligible for the benefits available to the Card with the greater benefits.

Excise tax offset fee

We are amending the *Transferring Points to Frequent Customer Programs* sub-section of the *Using Points* section by inserting the following after the last sentence of the *Excise tax offset fee* paragraph:

> For Additional Business Card Members who have a separate program account, any fee(s) associated with transferring points into a participating frequent flyer program will be charged to the Business Card account, for which the Basic Business Card Member is responsible to pay.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Renewal Notice

Your Account renews next month. The following terms will be in effect when your Account renews, unless we tell you otherwise. Please refer to Page 2 for more information about your Account, including How We Calculate Your Balance and Paying Interest.

Please refer to page 2 for further important information regarding your account

Payment Information: All charges made on this charge card, that are not included in a Pay Over Time balance, are due and payable when you receive your periodic statement.

Annual Membership Fee: The annual membership fee for your Account is $2,500.00. When you receive the statement in which the annual fee is billed, you can avoid paying the annual fee by calling the Customer Care phone number on Page 2 to cancel your Account.

APR Information: The Annual Percentage Rates (APRs) for each billing period may vary based on the Prime Rate. We use the Prime Rate published in the rates section of *The Wall Street Journal* 2 days before the Closing Date of the billing period. *The Wall Street Journal* may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published.

The Penalty APR may apply to a Feature if you make one or more late payments or if your payment is returned. We may also consider your creditworthiness in determining whether or not to apply the penalty APR to the Pay Over Time feature(s) on your Account. If the Penalty APR is applied, it will apply for at least 6 months. We will review your Account every 6 months after the Penalty APR is applied. The Penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

You may have access to one or more Pay Over Time Features on your Account. The following APRs apply to the Features noted as of the Closing Date of this statement. (v) indicates variable rate.

Notice of Important Change to Your Account Terms

We are making a change to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. Any language in the Agreement contrary to or conflicting with the terms amended below is deleted in its entirety to the extent of the conflict. All terms of the Agreement not amended herein remain in full force and effect. We urge you and any Additional Cardmembers on your Account to read the below notice carefully and file it along with your Agreement in a safe place for future reference. The detailed change to your Cardmember Agreement can be found after the summary chart.

Summary of Changes	
Penalty APR for existing balances	Effective immediately, we are removing the section on *Penalty APR for existing balances* from Your Cardmember Agreement. This language will no longer apply to your account. Please see the sections titled *Penalty APR and When It Applies* and *Penalty APR for new transactions* for information on the Penalty APR.
Using the card	Currently, you may arrange for merchants to store certain account information for certain purposes (for example, for recurring billing). When you arrange for merchants to store this information, you acknowledge that we may share updates to this information with these merchants. Effective August 15, 2016, we are updating your Cardmember Agreement to say that if you choose to store your account information with any third parties, we may also share updates to this information with these third parties. Please note that this only applies to third parties with whom you elect to share this information.
Converting charges made in a foreign currency	Effective August 15, 2016, we are updating your Cardmember Agreement to state that, for any charges you make in a foreign currency, AE Exposure Management Ltd. ("AEEML") will convert that charge into U.S. dollars.
Closing your Account	We are changing our policy for refunding Annual Membership fees for voluntary account cancellations taking place on or after September 1, 2016. If an Annual Membership fee applies to your Account, we will refund this fee if you notify us that you are voluntarily closing your Account within 30 days of the Closing Date of the billing statement on which that fee appears. For cancellations after this 30 day period, the Annual Membership fee is non-refundable. *For example, if your Annual Fee is charged on a billing statement on which the Closing Date is April 2, you have until May 2 to voluntarily cancel your Account and receive a full refund.* Please note that any Annual Membership fees for additional cards may appear on a different billing statement than the Annual Membership fee for the Basic Card Member's Account. This means that additional card fees may not be refunded if you cancel your Account.

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card.

How Rates and Fees Work

Effective immediately, we are amending the *How Rates and Fees Work* table on page 2 of Part 1 of your Agreement by deleting the *Penalty APR for existing balances* row in its entirety.

Using the Card

Effective August 15, 2016, in Part 2 of the Cardmember Agreement, we are amending the *Using the card* sub-section of the *About using your card* section by deleting the third paragraph (including the bullet points) and the fourth paragraph in their entirety and replacing them with the following:

> You may arrange for certain merchants and third parties to store your card number and expiration date, so that, for example:
> - the merchant may charge your account at regular intervals; or
> - you may make charges using that stored card information.
>
> We may (but are not required to) tell these merchants and third parties if your expiration date or card number changes or if your account status is updated, including if your account is cancelled. You must notify the merchants and third parties directly if you want them to stop charging your Account.

Converting charges made in a foreign currency

Effective August 15, 2016, in Part 2 of the Cardmember Agreement, we are amending the *Converting charges made in a foreign currency* sub-section in the *Other important information* section by deleting the text in its entirety and replacing it with:

> If you make a charge in a foreign currency, AE Exposure Management Ltd. ("AEEML") will convert it into U.S. dollars on the date we or our agents process it, so that we bill you for the charge in U.S. dollars based upon this conversion. Unless a particular rate is required by law, AEEML will choose a conversion rate that is acceptable to us for that date. The rate AEEML uses is no more than the highest official rate published by a government agency or the highest interbank rate AEEML identifies from customary banking sources on the conversion date or the prior business day. This rate may differ from rates that are in effect on the date of your charge. We will bill charges converted by establishments (such as airlines) at the rates they use.

Closing your Account

Effective September 1, 2016, in Part 2 of the Cardmember Agreement, we are amending the *Closing your Account* sub-section in the *Other important information* section by inserting a new paragraph after the first sentence:

> If an Annual Membership fee applies, we will refund this fee if you notify us that you are voluntarily closing your Account within 30 days of the Closing Date of the billing statement on which that fee appears. For cancellations after this 30 day period, the Annual Membership fee is non-refundable. If an Annual Membership fee applies to your Account, it is shown on page 1 and page 2 of Part 1 of the Cardmember Agreement.
>
> If your billing address is in the Commonwealth of Massachusetts at the time you close your account, this policy will not apply to you.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

FACTS WHAT DOES AMERICAN EXPRESS DO WITH YOUR PERSONAL INFORMATION?

Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.
What?	The types of personal information we collect and share depend on the product or service you have with us. This information can include: • Social Security number and income • transaction history and account history • insurance claim history and credit history
How?	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons American Express chooses to share; and whether you can limit this sharing.

Reasons we can share personal information	Does American Express share?	Can you limit this sharing?
For our everyday business purposes – such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus	Yes	No
For our marketing purposes – to offer our products and services to you	Yes	No (but please see the "To limit direct marketing" box below for additional privacy choices)
For joint marketing with other financial companies	Yes	No
For our affiliates' everyday business purposes – information about your transactions and experiences	Yes	No
For our affiliates' everyday business purposes – information about your creditworthiness	Yes	Yes
For our affiliates to market to you	Yes	Yes
For nonaffiliates to market to you	No (although we may share aggregated or de-identified data)	We don't share personal information

To limit our sharing	• Visit us online: www.americanexpress.com/communications or • Call us at 1-855-297-7748 - our menu will prompt you through your choices *Please note:* If you are a *new* customer, we can begin sharing your personal information 30 days from the date we sent this notice. When you are *no longer* our customer, we continue to share your personal information as described in this notice. However, you can contact us at any time to limit our sharing.
To limit direct marketing	We provide additional privacy choices to customers. Who we are	
Who is providing this notice?	American Express Travel Related Services Company, Inc. and other American Express Affiliates that provide financial products or services, including American Express Centurion Bank, American Express Bank, FSB, and AMEX Assurance Company.

What we do	
How does American Express protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
How does American Express collect my personal information?	We collect your personal information, for example, when you • open an account or pay your bills • give us your income information or give us your contact information • use your credit card We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing of personal information?	Federal law gives you the right to limit only • sharing for affiliates' everyday business purposes – information about your creditworthiness • affiliates from using your information to market to you • sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply to everyone on your account.

Definitions	
Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. • *Our affiliates include companies with the American Express name, including financial companies such as American Express Travel Related Services Company, Inc. and nonfinancial companies such as American Express Publishing. Affiliates may also include other companies related by common ownership or control, such as Serve Virtual Enterprises, Inc. and AMEX Assurance Company, a provider of American Express Card-related insurance services.*
Nonaffiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. • *Nonaffiliates with which we share personal information include service providers, including, for example, direct marketers, that perform services or functions on our behalf.*
Joint marketing	A formal agreement between nonaffiliated companies that together market financial products or services to you. • *Our joint marketing partners include financial companies.*

Other important information
We may transfer personal information to other countries, for example, for customer service or to process transactions. **AMEX Assurance Company customers**: You may have the right to access and correct recorded personal information. Personal information may be disclosed by us to detect fraud or misrepresentation, to verify insurance coverage, to an insurance regulatory authority, law enforcement or other governmental authority pursuant to law, or to a group policyholder for purposes of reporting claims experience or conducting an audit. Personal information related to insurance claim activity obtained from a report prepared by an insurance-support organization on our behalf may be retained by such organization and disclosed as required by law. State law may be more protective than federal law. **California**: If your American Express account has a California billing address, we will not share your personal information except to the extent permitted under California law. **Vermont**: If your American Express account has a Vermont billing address, we will automatically treat your account as if you have directed us not to share information about your creditworthiness with our affiliates.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at PO Box 981535, El Paso TX 79998-1535. In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first $50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at PO Box 981535, El Paso TX 79998-1535. While we investigate, the same rules apply to the disputed amount as discussed above.
After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Annual EFT Error Resolution Notice
This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including Express Cash transactions, or electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You can call us at 1-800-IPAY-AXP for Pay By Phone questions, at 1-800-528-2122 for Pay By Computer questions, at 1-800-528-4800 for AutoPay questions, and at 1-800-CASH-NOW for Express Cash questions. You may also write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531 or contact us online at www.americanexpress.com/inquirycenter. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose.

When you contact us, please provide the following information:

(1) Your name and card account number.

(2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information.

(3) The dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call.

We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your bank account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

Notice for residents of Washington State
In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of interest charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your account within three working days of our receipt of the credit.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Notice of Important Change to Your Account Terms

We are making changes summarized below to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to your Cardmember Agreement can be found on the following page.

[redacted]

The following is a summary of changes to important terms of your account. The detailed changes to your Cardmember Agreement appear on the reverse side of this page.

How to avoid these changes: You have the right to reject these changes. If you do reject these changes, your enrollment in any Pay Over Time feature will be cancelled, and you will not be able to re-enroll in this or any other Pay Over Time feature in the future for this account. You also will not be able to extend payment on new transactions. **You must reject these changes by calling us at 1-855-865-1451 or by calling us collect at 1-336-291-1361 no later than 5pm Eastern time on January 18, 2017.**

Summary of Changes, effective January 19, 2017	
Penalty APR for New Transactions	The penalty APR may apply to new transactions if you do not pay at least the Minimum Payment Due by the Payment Due Date of the billing period in which it is due. (Previously, the penalty APR may have applied to new transactions if you did not pay at least the Minimum Payment Due by the Closing Date of the billing period in which it was due.) As a reminder, the penalty APR may apply to new transactions if your payment is returned by your bank. For more information, please see *Penalty APR for new transactions* under the *How Rates and Fees Work* table of your Cardmember Agreement.
When we charge interest	We are changing how you can avoid interest on transactions added automatically to a pay over time balance. We will not charge interest on these transactions if you pay the *Account Total Previous Balance* for each of the previous two billing periods in full by the Payment Due Date shown on your respective statements. (Previously, you were required to pay by the Closing Date.) Please see *When we charge interest* under the *About interest charges on Pay Over Time balances* table of your Cardmember Agreement.

See the following page(s) for the Detail of Changes to Your Cardmember Agreement

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

How Rates and Fees Work

Effective January 19, 2017, we are amending the *How Rates and Fees Work* table on page 2 of Part 1 of your Agreement by deleting the *Penalty APR for new transactions* row and replacing it with the following:

Penalty APR for new transactions	The penalty APR may apply to new transactions if: • you do not pay at least the Minimum Payment Due by the Payment Due Date of the billing period in which it is due on one or more occasions; or • your payment is returned by your bank. We may also consider your creditworthiness in determining whether or not to apply the penalty APR to the Pay Over Time feature(s) on your Account.	If the penalty APR applies to a balance, it will apply to charges added to that balance 15 or more days after we send you notice. We will review your Account every 6 months after the penalty APR is applied. The penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

About interest charges on Pay Over Time balances

Effective January 19, 2017, we are amending the *About interest charges on Pay Over Time balances* section on page 2 of Part 2 of your Agreement. In the *When we charge interest* section, we are deleting the second bullet under "For transactions added automatically to a pay over time balance," and replacing it with the following:

- you paid the *Account Total Previous Balance* for each of the previous two billing periods in full by the Payment Due Date shown on each of those statements.

We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to your Cardmember Agreement can be found on the following page.

[redacted]

The following is a summary of the changes that are being made to your account terms. These changes will take effect on January 1, 2017. For more detailed information, please see the Detail of Changes on the following page(s).

- We are eliminating the 2.99% late fee. As described below, the late payment fee will be a maximum of $38.
- The late payment fee and returned payment fee will be changed from a maximum of $37 to a maximum of $38.

[redacted]	
Late Payment Fee	Up to **$38.**
Returned Payment Fee	Up to **$38.**

Summary of Other Changes	
Late Payment Fee Assessment Date	Effective January 1, 2017, if we do not receive the required payment by the Payment Due Date shown at the top of your billing statement, we will charge a late fee. (Previously, you had to make the required payment by the Next Closing Date in order for you to avoid the late fee.)
Penalty APR for new transactions	Effective January 1, 2017, if your Account is not enrolled in a Pay Over Time feature, this section will no longer appear. If your Account is not enrolled in a Pay Over Time feature, the Penalty APR will not apply to your Account.
When you must pay	Effective January 1, 2017, you must pay at least the Minimum Payment Due no later than the Payment Due Date to avoid a late payment fee. We are also removing from this section the sentence that reads "Each statement also shows a Next Closing Date."

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

Late Payment Fees and Returned Payment Fees

Effective January 1, 2017, the *Rates and Fees Table* on page 1 of Part 1 of the Cardmember Agreement is amended by deleting the *Penalty Fees* row and replacing it with the following:

Penalty Fees	
• Late Payment	Up to **$38.**
• Returned Payment	Up to **$38.**

Rates for Pay Over Time balances

Effective January 1, 2017, the *Rates for Pay Over Time balances* table on page 2 of Part 1 of the Cardmember Agreement is deleted if the Account is not enrolled in a Pay Over Time feature.

Late Payment Fees and Late Payment Fee Assessment Date

Effective January 1, 2017, the *How Rates and Fees Work* section on page 2 of Part 1 of the Cardmember Agreement is amended by deleting the *Late Payment* sub-section in its entirety and replacing it with the following:

Late Payment	• Your first late fee is $27. This late fee will be charged if you do not pay the Amount Due (Minimum Payment Due if you have a Pay Over Time balance) on your billing statement by the Payment Due Date shown on that billing statement. • If you do this again within 6 billing periods, your late fee is $38. • If you are enrolled in a Pay Over Time feature, paying late may also result in a Penalty APR. See *Penalty APR for new transactions* above.

Returned Payment Fee

Effective January 1, 2017, the *How Rates and Fees Work* section on page 2 of Part 1 of the Cardmember Agreement is amended by deleting the *Returned Payment* sub-section and replacing it with the following:

Returned Payment	Up to $38. If you make a payment that is returned unpaid the first time we present it to your bank, the fee is $27. If you do this again within the same billing period or the next 6 billing periods, the fee is $38. However, the returned payment fee will not exceed the applicable Minimum Payment Due. A returned payment may also result in a penalty APR, if your Account is enrolled in a Pay Over Time feature (see *Penalty APR for new transactions* above).

About your payments

Effective January 1, 2017, the *When you must pay* section of *About your payments* in Part 2 of the Cardmember Agreement is amended as follows:

- by inserting a new sentence after the first sentence: "You must pay no later than the Payment Due Date to avoid a late payment fee."
- by removing the last sentence of the section, which reads "Each statement also shows a Next Closing Date."

Notice of Important Changes to the Membership Rewards® Program Terms

We are making changes summarized below to the Membership Rewards program terms. We encourage you to read this notice and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to the Membership Rewards program terms can be found on the following page.

Important Information about the Membership Rewards Program

According to the Membership Rewards® program Terms and Conditions, when you receive a statement credit for a returned purchase, we will reverse the points you earned for that purchase. Effective January 1, 2017, we are changing the Terms and Conditions to clarify that, if your point balance is insufficient to cover point reversals for this or other reasons, your point balance will be negative. If this happens, any points you receive thereafter will be applied first to the negative balance and you will not have points available for redemption until your point balance becomes positive.

See the reverse side for the Detail of Changes to the Membership Rewards program Terms and Conditions

Detail of Changes to the Membership Rewards Program Terms

This notice amends the Membership Rewards program Terms and Conditions (the "Terms and Conditions") as described below. We have the right to amend as described in the Terms and Conditions. Any provisions in the Terms conflicting with this change are replaced fully and completely. Provisions not changed by this notice remain in full force and effect.

Membership Rewards Program

Effective January 1, 2017, the *Forfeiting and Getting Points Back* section of the Terms and Conditions is amended by adding the following additional section after the "*4. For Cancelling Your Account*":

5. Negative Point Balance

In certain circumstances (for example, if points you received for a purchase are reversed because you returned that purchase and your point balance is insufficient to cover the reversal; or, if we determine that you are ineligible for an additional points incentive award that you received and your point balance is insufficient to cover the reversal of the incentive award) your point balance can be negative. If this happens, any points you receive thereafter will be applied first to the negative balance, and you will not have points available for redemption until your point balance becomes positive.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement.

Notice of Important Change to Your Account Terms

We are making changes summarized below to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to your Cardmember Agreement can be found after the summary table.

Summary of Change	
When you must pay	As we notified you last month, effective January 1, 2017, you must pay no later than the Payment Due Date to avoid a late payment fee. Accordingly, we are removing the first sentence from the *When you must pay* section, which reads "Payment of the New Balance is due upon receipt of your statement."

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

About your payments

Effective January 1, 2017, the *When you must pay* section of *About your payments* in Part 2 of the Cardmember Agreement is deleted in its entirety and replaced with:

When you must pay	You must pay no later than the Payment Due Date to avoid a late payment fee. If a statement includes a Pay Over Time balance, it will show a Minimum Payment Due. In this case, you must pay at least the Minimum Payment Due by the Payment Due Date. Each statement also states the time and manner by which you must make your payment for it to be credited as of the same day it is received.	Each statement also shows a Closing Date. The Closing Date is the last day of the billing period covered by the statement. Each Closing Date is about 30 days after the previous statement's Closing Date.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance by the Payment Due Date.

Notice of Important Changes to the Membership Rewards® Program Terms

We are making changes summarized below to the Membership Rewards program terms. We encourage you to read this notice and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to the Membership Rewards program terms can be found on the following page.

Important Information about the Membership Rewards Program

Effective June 1, 2017, we are making two changes to the Terms and Conditions of the Membership Rewards® program: (1) If we cancel your Linked Card Account on or after June 1, 2017, we will no longer return points to your program account if your Linked Card Account (including a Corporate Card) is reinstated within one year after it is cancelled; and (2) Corporate Card Members can begin using points for charges at Ticketmaster and Telecharge.

Effective immediately, we are replacing the first paragraph of the "Using Your Card" subsection of the "Getting Points" section to clarify how you can earn points and when they will be available for use.

See the reverse side for the Detail of Changes to the Membership Rewards program Terms and Conditions

ID 12454

Detail of Changes to the Membership Rewards Program Terms

This notice amends the Membership Rewards program Terms and Conditions (the "Terms and Conditions") as described below. We have the right to amend as described in the Terms and Conditions. Any provisions in the Terms conflicting with this change are replaced fully and completely. Provisions not changed by this notice remain in full force and effect.

Membership Rewards Program

Effective June 1, 2017, (1) the following two sentences are deleted from the "For Canceling Your Account" subsection of the "Forfeiting And Getting Points Back" section of the Membership Rewards Terms and Conditions: "If we reinstate the Linked Card Account within one year, these forfeited points will be returned to your program account. If the only Linked Card Account is a Corporate Card and has been reinstated within one year, you must contact Membership Rewards at 1-800-AXP-EARN to have the forfeited points returned to your account.", and (2) the following sentence is deleted from the "Using Pay With Points To Book Travel On American Express® Travel, For Products Through Membershiprewards.com, And Elsewhere" subsection of the "Using Points" section of the Membership Rewards Terms and Conditions: "Corporate Card Members are not eligible to use points for Ticketmaster or Telecharge if the Corporate Card is the only Linked Card Account."

Effective immediately, the following language will replace the first paragraph of the "Using Your Card" subsection of the "Getting Points" section:

"Most Card Members will earn one point for every dollar charged for an eligible purchase to their Linked Card Account. Some Card Members will earn additional points for every dollar charged for an eligible purchase to their Linked Card Account, as noted in the Getting Additional Points section immediately below. To use points you have earned, including these additional points, you must pay the amount due on your Linked Card Account statement on time. If it's necessary for you to enroll your Card in Membership Rewards in order to participate in the program, you won't earn points for eligible purchases that you made before your enrollment date. As long as you pay the minimum amount due, you will earn points for the full amount of any charge applied to the following:

- Sign & Travel®
- Extended Payment Option
- Flexible Payment Option
- Select & Pay Later
- Eligible American Express Credit Card purchases

From time to time, we may make promotional offers of points. These offers include terms about how you can earn the points and when you can use them. These offer terms may differ from the terms above concerning points earned for charges to your Linked Card account, including when you can use the points.

You can view your point balance by logging onto your online account at www.americanexpress.com and viewing your account summary page. Some points may be shown as pending points. Pending points are points you will be able to use after we receive timely payment of the related amount due or in accordance with the terms of the offer for which the promotional points are awarded."

‡**Late Payment Warning:** If we do not receive your payment by the Payment Due Date of 04/12/17, you may have to pay a late fee of up to $38.00.

See page 2 for important information about your account.

We will debit your bank account for your payment of $13,712.25 on 04/01/17. This date may not be the same date your bank will debit your bank account. Any inquiry to American Express concerning this debit should be made by 03/30/17. If your AutoPay payment is less than your New Balance, we must receive an additional payment for at least the difference by the Payment Due Date.

As a valued Card Member we want to make you aware that, if you have a Pay Over Time feature and should variable APRs increase, the Penalty APR on your account will not exceed 29.99%. Your APRs may be increased to the Penalty APR if we do not receive your payment on time or if your payment is returned by your bank.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

‡**Late Payment Warning:** If we do not receive your payment by the Payment Due Date of 05/12/17, you may have to pay a late fee of up to $38.00.

See page 2 for important information about your account.

See page 8 for Important Changes to Your Account Terms.

We will debit your bank account for your payment of $28,121.75 on 05/02/17. This date may not be the same date your bank will debit your bank account. Any inquiry to American Express concerning this debit should be made by 04/30/17. If your AutoPay payment is less than your New Balance, we must receive an additional payment for at least the difference by the Payment Due Date.

Important Information: To access the most up to date version of your Cardmember Agreement, please log in to your Account at **www.americanexpress.com.**

As a valued Card Member we want to make you aware that, if you have a Pay Over Time feature and should variable APRs increase, the Penalty APR on your account will not exceed 29.99%. Your APRs may be increased to the Penalty APR if we do not receive your payment on time or if your payment is returned by your bank.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Changes to Your Account Terms

We are making changes summarized below to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to your Agreement can be found below.

Summary of Changes, Effective Immediately	
Annual Membership	We are removing the Annual Fee for additional Gold Cards. Effective immediately, the annual fee for additional Gold Cards will be $0 (Previously we charged $45 for up to 5 additional Gold Cards and $45 for each additional Gold Card thereafter). You will receive a prorated refund for any additional Gold Card annual fee charged in the previous 11 months.

ID 12467

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

Annual Membership fee for Additional Gold Cards

Effective immediately, the *How Rates and Fees Work* table on page 2 of Part 1 of the Agreement is amended by deleting the *Annual Membership* row and replacing it with the following:

Annual Membership	This fee is on the *Rates and Fees* Table on page 1 of Part 1. We will charge $2,500 for each additional Centurion Card, $175 for up to 3 additional Platinum Cards, $175 for each additional Platinum Card after the first 3, and $0 for additional Gold Cards. You may have up to 2 additional Centurion Cards.

‡**Late Payment Warning:** If we do not receive your payment by the Payment Due Date of 06/12/17, you may have to pay a late fee of up to $38.00.

See page 2 for important information about your account.

We will debit your bank account for your payment of $30,120.52 on 06/02/17. This date may not be the same date your bank will debit your bank account. Any inquiry to American Express concerning this debit should be made by 05/31/17. If your AutoPay payment is less than your New Balance, we must receive an additional payment for at least the difference by the Payment Due Date.

As a valued Card Member we want to make you aware that, if you have a Pay Over Time feature and should variable APRs increase, the Penalty APR on your account will not exceed 29.99%. Your APRs may be increased to the Penalty APR if we do not receive your payment on time or if your payment is returned by your bank.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance by the Payment Due Date.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has a no pre-set spending limit.

There is a limit to your Pay Over Time feature balance
Your Pay Over Time limit is $35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance by the Payment Due Date.

Renewal Notice

Your Account renews next month. The following terms will be in effect when your Account renews, unless we tell you otherwise. Please refer to Page 2 for more information about your Account, including How We Calculate Your Balance and Paying Interest.

Please refer to page 2 for further important information regarding your account

Payment Information: All charges made on this charge card, that are not included in a Pay Over Time balance, are due and payable by the Payment Due Date.

Annual Membership Fee: The annual membership fee for your Account is $2,500.00. When you receive the statement in which the annual fee is billed, you can avoid paying the annual fee by calling the Customer Care phone number on Page 2 to cancel your Account.

APR Information: The Annual Percentage Rates (APRs) for each billing period may vary based on the Prime Rate. We use the Prime Rate published in the rates section of *The Wall Street Journal* 2 days before the Closing Date of the billing period. *The Wall Street Journal* may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published.

The Penalty APR may apply to a Feature if you make one or more late payments or if your payment is returned. We may also consider your creditworthiness in determining whether or not to apply the penalty APR to the Pay Over Time feature(s) on your Account. If the Penalty APR is applied, it will apply for at least 6 months. We will review your Account every 6 months after the Penalty APR is applied. The Penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

You may have access to one or more Pay Over Time Features on your Account. If you are enrolled in a Feature or have a Feature balance, the APRs that apply will be noted below as of the Closing Date of this statement.

(v) Indicates variable rate
* Indicates variable penalty APR will not exceed 29.99%

Notice of Important Changes to Your Account Terms

We are making changes summarized below to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to your Agreement can be found on the following page.

Summary of Changes, Effective Immediately	
How Rates and Fees Work - *Calculating APRs and DPRs*	If you have a Pay Over Time feature, we are adding a cap on your variable penalty APR. Your variable penalty APR will not exceed 29.99%.

ID 12472

See the reverse side for the detail of changes to your Agreement.

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

How Rates and Fees Work

Effective immediately, if you have a Pay Over Time feature, we are amending the *Calculating APRs and DPRs* section of the *How Rates and Fees Work* table on page 2 of Part 1 of your Agreement by inserting the following footnote to apply to the Penalty APR row:

*The variable penalty APR will not exceed 29.99%.

Notice of Updates to the Additional Benefits of Your Card

We are making several updates to your Centurion benefits. These benefits are provided to you as part of your Centurion Membership at no additional charge. Key updates are described in more detail below. If you would like more information about these updates or to receive a Description of Coverage, please visit Centurion.com and click on Card Membership Benefits or call 1-800-854-9783 Monday-Friday 8 am to 8 pm and Saturday 9 am to 6 pm ET.

Starting on September 1, 2017, unless otherwise noted:

Car Rental Loss and Damage Insurance* coverage

- Car Rental Loss and Damage Insurance coverage will now apply to vehicles rented in Ireland, Israel and Jamaica. Consistent with your current benefit, coverage will not apply to vehicles rented in Australia, Italy, and New Zealand.
- In addition to the vehicle types currently covered, eligible rental vehicles will now include certain types of full sized sport utility vehicles, exotic/expensive cars, full sized vans, trucks, pick-ups and cargo vans.

Purchase Protection* coverage

- In addition to your current coverage, Purchase Protection will now include incidents related to Natural Disasters with a maximum per occurrence limit of $500 per incident.

Extended Warranty*+, Baggage Insurance Plan*+, Travel Accident Insurance*+, Purchase Protection*+ and Car Rental Loss and Damage Insurance*+ coverage, as applicable to your Card.

We have updated several definitions and exclusions to clarify our claim administration process and the Description of Coverage. For example, your Baggage Insurance Plan is clarified to advise that medications, prosthetics, perishables, eyeglasses and hearing aids are ineligible for benefits. Similarly, certain exclusions are clarified to state that losses caused by civil disturbance, riot or participation in a felony are ineligible for benefits.

Additionally, we have clarified that benefits above and Return Protection will be applicable when you activate the benefit by using your Card to make a purchase.

Premium Global Assist® Hotline service

- Premium Global Assist® Hotline will no longer provide the Destination Guide, an online resource for travel information. For more information please call 1-800-333-2639.

Lost Wallet Protector

- Effective July 1, 2017, Lost Wallet Protector will be serviced by Optima Alliance, LLC. There will be no change to the current services provided. For more information please call 1-855-597-2639.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Select & Pay Later
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

FACTS WHAT DOES AMERICAN EXPRESS DO WITH YOUR PERSONAL INFORMATION?

Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.
What?	The types of personal information we collect and share depend on the product or service you have with us. This information can include: • Social Security number and income • transaction history and account history • insurance claim history and credit history
How?	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons American Express chooses to share; and whether you can limit this sharing.

Reasons we can share personal information	Does American Express share?	Can you limit this sharing?
For our everyday business purposes – such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus	Yes	No
For our marketing purposes – to offer our products and services to you	Yes	No (but please see the "To limit direct marketing" box below for additional privacy choices)
For joint marketing with other financial companies	Yes	No
For our affiliates' everyday business purposes – information about your transactions and experiences	Yes	No
For our affiliates' everyday business purposes – information about your creditworthiness	Yes	Yes
For our affiliates to market to you	Yes	Yes
For nonaffiliates to market to you	No (although we may share aggregated or de-identified data)	We don't share personal information

To limit our sharing	• Visit us online: www.americanexpress.com/communications or • Call us at 1-855-297-7748 - our menu will prompt you through your choices *Please note:* If you are a *new* customer, we can begin sharing your personal information 30 days from the date we sent this notice. When you are *no longer* our customer, we continue to share your personal information as described in this notice. However, you can contact us at any time to limit our sharing.
To limit direct marketing	We provide additional privacy choices to customers. Privacy elections you make for any one product or service may not automatically be applied to other products and services. To let us know if you do not want us to use your personal information to communicate with you about offers by mail, telephone, and/or e-mail: • Visit us online: www.americanexpress.com/communications or • Call us at 1-855-297-7748 (except for choices about e-mail communications)
Questions?	Call 1-800-528-4800 or go to americanexpress.com/contact.

Who we are	
Who is providing this notice?	American Express Travel Related Services Company, Inc. and other American Express Affiliates that provide financial products or services, including American Express Centurion Bank, American Express Bank, FSB, and AMEX Assurance Company.

What we do	
How does American Express protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
How does American Express collect my personal information?	We collect your personal information, for example, when you • open an account or pay your bills • give us your income information or give us your contact information • use your credit card We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing of personal information?	Federal law gives you the right to limit only • sharing for affiliates' everyday business purposes – information about your creditworthiness • affiliates from using your information to market to you • sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply to everyone on your account.

Definitions	
Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. • *Our affiliates include companies with the American Express name, including financial companies such as American Express Travel Related Services Company, Inc. and nonfinancial companies such as American Express Publishing. Affiliates may also include other companies related by common ownership or control, such as Serve Virtual Enterprises, Inc. and AMEX Assurance Company, a provider of American Express Card-related insurance services.*
Nonaffiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. • *Nonaffiliates with which we share personal information include service providers, including, for example, direct marketers, that perform services or functions on our behalf.*
Joint marketing	A formal agreement between nonaffiliated companies that together market financial products or services to you. • *Our joint marketing partners include financial companies.*

Other important information
We may transfer personal information to other countries, for example, for customer service or to process transactions. **AMEX Assurance Company customers**: You may have the right to access and correct recorded personal information. Personal information may be disclosed by us to detect fraud or misrepresentation, to verify insurance coverage, to an insurance regulatory authority, law enforcement or other governmental authority pursuant to law, or to a group policyholder for purposes of reporting claims experience or conducting an audit. Personal information related to insurance claim activity obtained from a report prepared by an insurance-support organization on our behalf may be retained by such organization and disclosed as required by law. State law may be more protective than federal law. **California**: If your American Express account has a California billing address, we will not share your personal information except to the extent permitted under California law. **Vermont**: If your American Express account has a Vermont billing address, we will automatically treat your account as if you have directed us not to share information about your creditworthiness with our affiliates.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at PO Box 981535, El Paso TX 79998-1535. In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first $50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at PO Box 981535, El Paso TX 79998-1535. While we investigate, the same rules apply to the disputed amount as discussed above.
After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Annual EFT Error Resolution Notice
This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including Express Cash transactions, or electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You can call us at 1-800-IPAY-AXP for Pay By Phone questions, at 1-800-528-2122 for Pay By Computer questions, at 1-800-528-4800 for AutoPay questions, and at 1-800-CASH-NOW for Express Cash questions. You may also write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531 or contact us online at www.americanexpress.com/inquirycenter. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose.

When you contact us, please provide the following information:

(1) Your name and card account number.

(2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information.

(3) The dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call.

We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your bank account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

Notice for residents of Washington State
In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of interest charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your account within three working days of our receipt of the credit.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Select & Pay Later
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

Notice of Important Membership Rewards® Program Change

We are making a change to the Membership Rewards Program Terms & Conditions. We encourage you to read this notice, share it with Additional Card Members on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. A summary of the change appears below. The detailed change can be found after the summary chart.

Summary of Changes, effective November 1, 2017	
Using Points - Transferring Points to Frequent Customer Programs	Virgin America will no longer participate in the U.S. Membership Rewards® program as an eligible airline point transfer partner. Therefore, all mentions of Virgin America will be struck from the Membership Rewards program Terms and Conditions and Card Members will no longer be able to transfer Membership Rewards points to a Virgin America Elevate account. Any transfers made to a Virgin America Elevate account before November 1, 2017 will be honored by American Express and Virgin America.

ID 12492

Detail of Changes to the Membership Rewards Program Terms & Conditions

This notice amends the Membership Rewards Program Terms & Conditions (the "Terms & Conditions") as described below. We have the right to amend as described in the Terms & Conditions. Any terms in the Terms & Conditions conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

Using Points: Transferring Points to Frequent Customer Programs

Effective November 1, 2017, in the *Transferring Points to Frequent Customer Programs* sub-section of the *Using Points* section of the Terms & Conditions, the seventh bullet point under *Conversion Rates and Increments* is deleted in its entirety.

Information on Pay Over Time Features

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Select & Pay Later
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Change to Your Account Terms

We are making a change to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. Any language in the Agreement contrary to or conflicting with the terms amended below is deleted in its entirety to the extent of the conflict. All terms of the Agreement not amended herein remain in full force and effect. We urge you and any Additional Cardmembers on your Account to read the below notice carefully and file it along with your Agreement in a safe place for future reference. The detailed change to your Cardmember Agreement can be found after the summary chart.

Summary of Changes, effective immediately	
Using the card	Currently, you may arrange for merchants and third parties to store certain account information for certain purposes (for example, for recurring billing). When you arrange for merchants and third parties to store this information, you acknowledge that we may share updates to this information with these merchants and third parties. Effective immediately, we are updating your Agreement to say that if you decide that you do not want us to share updated information as described, then you may contact the number on the back of your card and request that such information no longer be shared.

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card.

Using the Card

Effective immediately, in Part 2 of the Agreement, we are amending the *Using the card* sub-section of the *About using your card* section by deleting the following paragraph:

> We may (but are not required to) tell these merchants and third parties if your expiration date or card number changes or if your account status is updated, including if your account is cancelled. You must notify the merchants and third parties directly if you want them to stop charging your Account.

And replacing with the following paragraph:

> We may (but are not required to) tell these merchants and third parties if your expiration date or card number changes or if your account status is updated, including if your account is cancelled. If you do not want us to share your updated account information, please contact us using the number on the back of your card.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Select & Pay Later
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Changes to Your Account Terms

We are making changes summarized below to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to your Cardmember Agreement can be found on the following page.

Summary of Changes, Beginning in April 2018	
Determining the Prime Rate	Currently on your Pay Over Time feature, the Prime Rate used to calculate interest is the Prime Rate published by the Wall Street Journal 2 days prior to the Closing Date of your billing period. Effective for your billing period beginning in April 2018, we are updating your Agreement to say that the Prime Rate used to calculate interest will be the Prime Rate published by the Wall Street Journal on the Closing Date of your billing period.

See the following page for the Detail of Changes to your Cardmember Agreement.

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

Determining the Prime Rate

Effective with billing periods beginning in April 2018, in Part 2 of the Agreement, we are amending the *Determining Prime Rate* sub section of the *About Interest Charges on Pay Over Time Balance* section by deleting the following paragraph:

> We use the Prime Rate from the rates section of *The Wall Street Journal*. The Prime Rate for each billing period is the Prime Rate published in *The Wall Street Journal* 2 days before the Closing Date of the billing period.

And replacing with the following paragraph:

> We use the Prime Rate from the rates section of *The Wall Street Journal*. The Prime Rate for each billing period is the Prime Rate published in *The Wall Street Journal* on the Closing Date of the billing period.

Notice of Important Changes to Your Account Terms

We are making changes to your Cardmember Agreement referenced in this notice. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. The detailed changes to your Cardmember Agreement can be found after the below summary chart.

[redacted]

The following is a summary of changes that are being made to your account terms. Unless otherwise noted, these changes will take effect on June 1, 2018.

We are amending your Cardmember Agreement to change the names of the Pay Over Time feature: Select & Pay Later will be known as Select, Extended Payment Option will be known as Direct, and Sign & Travel® will be known as Pay Over Time Travel.

We are amending the Cardmember Agreement so that if you are enrolled in both Pay Over Time Select and Pay Over Time Direct, you will be able to alternate between those Pay Over Time settings by visiting us online at **americanexpress.com/payovertime**, if you have an online account, or by calling the number on the back of your Card.

Starting on July 1, 2018, you will no longer be able to enroll in Pay Over Time Travel. If you are eligible for Pay Over Time Travel and wish to enroll (and have not already), you must do so before July 1, 2018. If your Account is enrolled in Pay Over Time Travel, we will automatically place eligible travel-related charges in your Pay Over Time Travel balance. If you cancel Pay Over Time Travel after July 1, 2018, you will not be able to re-enroll.

[redacted]

Pay Over Time Limit	We are adding this limit above the *Rates and Fees Table* on Page 1 of Part 1 of the Cardmember Agreement.
Paying Interest	Your due date is at least 25 days after the close of each billing period. For transactions added to a Pay Over Time balance at your request, we will begin charging interest as of the date they are added to your Pay Over Time balance. For transactions added automatically to a Pay Over Time balance, we will charge interest beginning on the date of each transaction. We will not charge interest on charges added to your Pay Over Time balances automatically if you pay the Account Total New Balance by the due date each month.

ID 12557

Summary of Other Changes, as of June 1, 2018	
Late Payment	We are revising this row to clarify how late payments work under *How Rates and Fees Work* on Page 2 of Part 1 of the Cardmember Agreement.
About Pay Over Time	We are adding a new row called *About Pay Over Time* under *How Rates and Fees Work* on Page 2 of Part 1 of the Cardmember Agreement to provide details about the Pay Over Time feature. Effective July 1, 2018, ***disregard*** the Pay Over Time Travel paragraph in *About Pay Over Time feature* if you have not enrolled in Pay Over Time Travel by such date. It will not be part of your Cardmember Agreement.
About Pay Over Time features	We are deleting this sub-section and replacing it with a new sub-section called *More About Pay Over Time* to provide additional details about the Pay Over Time feature in Part 2 of the Cardmember Agreement.
How we calculate your Minimum Payment Due	We are revising this sub-section under *About your Minimum Payment Due* to reflect the terminology used in your billing statement.
When we charge interest	We are revising this sub-section under *About interest charges on Pay Over Time balances* to explain when we charge interest on transactions added to the Pay Over Time feature.
How we calculate interest	We are revising this sub-section under *About interest charges on Pay Over Time balances* to reflect the new Pay Over Time balance options.

The following new Pay Over Time terms have been added to the Cardmember Agreement to conform with the above changes: Pay Over Time Direct balance, Pay Over Time Select balance, and Pay Over Time Travel balance.

For ease of reference, you will find these terms and other general updates in the following rows and sub-sections of the Cardmember Agreement.

Page 1 and Page 2 of Part 1:

- *Annual Percentage Rate (APR)* row of the *Rates and Fees Table*
- *Penalty APR and When It Applies* row of the *Rates and Fees Table*
- *Penalty APR for New Transactions* row under *How Rates and Fees Work*
- *Returned Payment* row under *How Rates and Fees Work*

Part 2:

- *When you must pay* sub-section under *About your payments*
- *How to make payments* sub-section under *About your payments*
- *How we apply payments and credits* sub-section under *About your payments*

Detail of Changes to Your Cardmember Agreement

This notice amends your American Express Cardmember Agreement ("Cardmember Agreement") as described below. Any terms in the Cardmember Agreement conflicting with this change are completely replaced. Terms not changed by this notice continue to apply. If you have any questions, please call the number on the back of your Card.

Effective June 1, 2018, your Cardmember Agreement will be amended as follows:

Your Pay Over Time Limit amount is added above the *Rates and Fees Table* on Page 1 of Part 1 of the Cardmember Agreement.

The *Rates and Fees Table* on Page 1 of Part 1 of the Cardmember Agreement is amended by deleting the *Paying Interest* row and replacing it with the following:

Paying Interest	Your due date is at least 25 days after the close of each billing period. For transactions added to a Pay Over Time balance at your request, we will begin charging interest as of the date they are added to your Pay Over Time balance. For transactions added automatically to a Pay Over Time balance, we will charge interest beginning on the date of each transaction. We will not charge interest on charges added to your Pay Over Time balances automatically if you pay the Account Total New Balance by the due date each month.

How Rates and Fees Work on Page 2 of Part 1 of the Cardmember Agreement is amended by deleting the *Late Payment* row and replacing it with the following:

Late Payment	Up to $38. If we do not receive the Amount Due (Minimum Payment Due if you have a Pay Over Time balance) by its Payment Due Date, the fee is $27. If this happens again within the next 6 billing periods, the fee is $38. However, the late fee will not exceed the Amount Due or the Minimum Payment Due, as applicable. Paying late may also result in a penalty APR. See *Penalty APR for new transactions* above.

How Rates and Fees Work on Page 2 of Part 1 of the Cardmember Agreement is further amended by adding the following new row called *About Pay Over Time;* however, effective July 1, 2018, the third paragraph in the new row regarding Pay Over Time Travel will be deleted from your Cardmember Agreement if you have not enrolled in Pay Over Time Travel by such date:

About Pay Over Time See *More About Pay Over Time* in Part 2 of this Agreement for important additional information about the Pay Over Time feature.	We may add a feature to your Account that allows you to pay certain charges over time, with interest (*Pay Over Time*). If the Pay Over Time feature on your Account is set to Select, you may request to place eligible purchases from the current or preceding billing period in your Pay Over Time Select balance. If we approve your request, we will place the charge in your Pay Over Time Select balance. If we decline your request, you must pay the charge in full by the Payment Due Date. A charge is eligible for Pay Over Time if it equals or is more than a certain dollar amount. We will tell you this amount when you enroll, and it is subject to change. We will tell you if we change it. If we allow you to enroll in the Pay Over Time Direct feature, we will automatically place eligible purchases in your Pay Over Time Direct balance. You may alternate between the Select and Direct settings. You can do so by visiting us online at **americanexpress.com/payovertime** or by calling the number on the back of your Card. If your Account is enrolled in Pay Over Time Travel, we will automatically place eligible travel-related charges in your Pay Over Time Travel balance regardless of whether your Pay Over Time feature is set to Select or Direct. Some examples are airfare and cruise ship tickets, hotels, car rentals and charges made outside the U.S. If you request to cancel your Pay Over Time Travel feature at any time, you will not be able to re-enroll.

About using your card in Part 2 of the Cardmember Agreement is amended by deleting the *About Pay Over Time features* sub-section and replacing it with the following:

More About Pay Over Time	With Pay Over Time, you have the option to pay your Account Total New Balance each month, the Minimum Payment Due or anything in between. On each statement, your Account Summary will show your Pay Over Time New Balance, which is the amount that is eligible to be paid over time (see *When you must pay* in Part 2). We apply a charge to the relevant Pay Over Time balance in accordance with the selection in effect at 8 p.m. Eastern Time on the transaction date provided by the merchant. The transaction date provided by the merchant may differ from the date you made the charge if, for example, there is a delay in the merchant submitting the transaction to us or if the merchant uses the shipping date as the transaction date.	Certain charges are not eligible for Pay Over Time, such as cash and similar transactions. We may change which charges are eligible to be placed into your Pay Over Time feature. We assign a Pay Over Time limit to your Account. We will not place any charge into a Pay Over Time balance if it would cause the total of your Pay Over Time balances to go over your Pay Over Time Limit. Your Pay Over Time Limit is shown on page 1 of Part 1 and on each statement. We may increase or reduce your Pay Over Time Limit. We may do so even if you pay on time and your Account is not in default. We will tell you if we change that amount. You must pay in full all charges that are not placed into a Pay Over Time balance.

About your Minimum Payment Due in Part 2 of the Cardmember Agreement is amended by deleting the *How we calculate your Minimum Payment Due* sub-section and replacing it with the following:

How we calculate your Minimum Payment Due	The Minimum Payment Due is the Pay In Full New Balance plus any Pay Over Time Minimum Due. To calculate the Pay Over Time Minimum Due for each statement, we start with the *higher* of: **(1)** interest charged on the statement plus 1% of the Pay Over Time New Balance (excluding interest on the statement); or **(2)** $35. Then we round to the nearest dollar and add any Pay Over Time amount past due. Your Pay Over Time Minimum Due will not exceed your Pay Over Time New Balance. You may pay more than the Minimum Payment Due, up to your entire outstanding balance, at any time. ***EXAMPLE:*** *Assume that you have a Pay Over Time New Balance of $3,000, interest of $29.57, no amounts past due, and a $400 Pay In Full New Balance.* **(1)***$29.57 + 1% multiplied by ($3,000 - $29.57) =$59.27* **(2)** *$35* *The higher of (1) or (2) is $59.27, which rounds to $59.00. The Pay Over Time Minimum Due of $59.00 plus the Pay In Full New Balance of $400 together make up the Minimum Payment Due of $459.00.*

About interest charges on Pay Over Time balances in Part 2 of the Cardmember Agreement is amended by deleting the *When we charge interest* sub-section and replacing it with the following:

When we charge interest	**For transactions added to a Pay Over Time balance at your request** (for example, if your Pay Over Time feature is set to "Select"), we charge interest from the date they are added to a Pay Over Time balance until they are paid. **For transactions added automatically to a Pay Over Time balance** (for example, if your Pay Over Time feature is set to "Direct"), we charge interest from the transaction date until they are paid. However, we will not charge interest on these transactions in a billing period if: • your *Pay Over Time Previous Balance* for the billing period is zero; or • you paid the *Account Total New Balance* on your statement, if any, for each of the previous two billing periods in full by the Payment Due Date shown on each of those statements.

About interest charges on Pay Over Time balances in Part 2 of the Cardmember Agreement is further amended by deleting the *How we calculate interest* sub-section and replacing it with the following:

How we calculate interest	We calculate interest for a billing period by first figuring the interest on each balance. Balances within the Pay Over Time feature -such as "Select" and "Direct" - may have different interest rates. We use the **Average Daily Balance method (including new transactions)** to figure interest charges for each balance. The total interest charged for a billing period is the sum of the interest charged on each balance. **Interest** The interest charged for a balance in a billing period, except for variations caused by rounding, equals: **(1)** Average Daily Balance (*ADB*) multiplied by **(2)** Daily Periodic Rate (*DPR*) multiplied by **(3)** number of days the DPR was in effect. **ADB** To get the ADB for a balance, we add up its *daily balances*. Then we divide the result by the number of days the DPR for that balance was in effect. If the daily balance is negative, we treat it as zero. **DPR** A DPR is 1/365th of an APR, rounded to one ten-thousandth of a percentage point. Your DPRs are shown in *How Rates and Fees Work* in Part 1. ***EXAMPLE: Calculating Interest*** *Assume that you have a single interest rate of 15.99%, your ADB is $2,250 and there are 30 days in the billing period.* *The **DPR** is 15.99% divided by 365 days = 0.0438%* *The **Interest** is $2,250 multiplied by 0.0438% multiplied by 30 days = $29.57* **Daily Balance** For each day a DPR is in effect, we figure the daily balance for each balance by: • taking the *beginning balance* for the day, • adding any new charges, • subtracting any payments or credits; and • making any appropriate adjustments. We add a new charge to a daily balance as of its transaction date.

How we calculate interest	**Beginning balance** For the first day of a billing period, the beginning balance is the ending balance for the prior billing period, including unpaid interest. For the rest of the billing period, the beginning balance is the previous day's daily balance *plus an amount of interest equal to the previous day's daily balance multiplied by the DPR for that balance. This method of figuring the beginning balance results in daily compounding of interest.* When an interest rate changes, the new DPR may come into effect during-not just at the beginning of- the billing period. When this happens, we will create a new balance and apply the new DPR to it. To get the beginning balance on the first day for this new balance, we multiply the previous day's daily balance by the old DPR and add the result to that day's daily balance. **Other methods** To figure the ADB and interest charges, we may use other formulas or methods that produce equivalent results. Also, we may choose not to charge interest on certain types of charges.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Select & Pay Later
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Sign & Travel and Extended Payment Option)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Pay Over Time Select
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

Renewal Notice

Your Account renews next month. The following terms will be in effect when your Account renews, unless we tell you otherwise. Please refer to Page 2 for more information about your Account, including How We Calculate Your Balance and Paying Interest.

Please refer to page 2 for further important information regarding your account

Payment Information: All charges made on this charge card, that are not included in a Pay Over Time balance, are due and payable by the Payment Due Date.

Annual Membership Fee: The annual membership fee for your Account is $2,500.00. When you receive the statement in which the annual fee is billed, you can avoid paying the annual fee by calling the Customer Care phone number on Page 2 to cancel your Account.

APR Information: The Annual Percentage Rates (APRs) for each billing period may vary based on the Prime Rate. We use the Prime Rate published in the rates section of *The Wall Street Journal* on the Closing Date of the billing period. *The Wall Street Journal* may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published.

The Penalty APR may apply to a Feature if you make one or more late payments or if your payment is returned. We may also consider your creditworthiness in determining whether or not to apply the penalty APR to the Pay Over Time feature(s) on your Account. If the Penalty APR is applied, it will apply for at least 6 months. We will review your Account every 6 months after the Penalty APR is applied. The Penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

You may have access to one or more Pay Over Time Features on your Account. If you are enrolled in a Feature or have a Feature balance, the APRs that apply will be noted below as of the Closing Date of this statement.

(v) Indicates variable rate
* Indicates variable penalty APR will not exceed 29.99%

Notice of Important Changes to Your Cardmember Agreement

We are making changes summarized below to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to your Cardmember Agreement can be found on the following page.

Summary of Changes, Effective Immediately	
Credit Reports	Currently, the Credit Reports section of your Agreement states that you agree that we may use credit reports and other information about you for any purpose, subject to applicable law. Effective Immediately, we are updating your Agreement to provide two examples of how we may use credit reports and other information about you.
We may contact you	Effective Immediately, we are adding language to clarify the various ways we, our affiliates, agents and contractors can contact you, including email notifications, in order to service your account or collect amounts you owe to us.

ID 12655

See the following page for the Detail of Changes to your Cardmember Agreement.

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement ("Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

Effective Immediately, we are deleting the last sentence of the first paragraph of the *Credit Reports* subsection of the *Other important information* section in Part 2 of the Agreement and replacing it with the following:

> And you agree that we will use such information for any purposes (for example, marketing to you or evaluating you for a new account), subject to applicable law.

Effective Immediately, we are deleting the *We may contact you* subsection of the *Other important information* section in Part 2 of the Agreement and replacing it with the following:

We may contact you	**Servicing and Collections** If we need to contact you to service your account or to collect amounts you owe, you authorize us (and our affiliates, agents and contractors, such as debt collection agencies and service providers) to contact you at any phone number or email address you provide, from which you contact us, or at which we believe we can reach you. We may contact you in any way, such as calling, texting, emailing, sending mobile application push notifications or using any other method of communication permitted by law. We may contact you using an automated dialer or prerecorded messages. We may contact you on a mobile, wireless or similar device, even if you are charged for it. **Call monitoring** We may monitor and record any calls between you and us.

Notice of Important Changes to the Membership Rewards® Program Terms

We are making a change to the Membership Rewards Program Terms & Conditions. We encourage you to read this notice, share it with Additional Card Members on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. A summary of the change appears below. The detailed change can be found after the summary chart.

Summary of Changes, effective Immediately	
About The Program and Getting Points	The Gold Card from American Express will now be known as the American Express Classic Gold Card.
Getting Points & Using Points	We are changing the Pay Over Time feature names which will also impact the Membership Rewards T&Cs: Previously, the feature was known as Select & Pay Later. The feature will now be known as Pay Over Time Select. Previously, the feature was known as Expo. The feature will now be known as Pay Over Time Direct. Previously, the feature was known as Sign & Travel. The feature will now be known as Pay Over Time Travel.

Summary of Changes, effective August 1, 2018	
Using Points - Transferring Points to Frequent Customer Programs	SPG® has announced changes to its loyalty program and how its members will earn Starpoints: Starpoints will be referred to as points. These points do not refer to Membership Rewards points. On August 1, 2018, Starpoint balances in loyalty member accounts will convert to points at a 1:3 ratio (one Starpoint will convert to three points). For example, 1,000 Starpoints will become 3,000 points. In general, the number of points needed to redeem in the loyalty program will have corresponding changes. To align with this, we are making changes to the Membership Rewards Program Terms & Conditions that impact Card Members who are enrolled in the Membership Rewards program and are eligible for a Membership Rewards point transfer. Membership Rewards points can now be transferred at a 1:1 ratio into the Starwood Preferred Guest® program and can be transferred in increments of 1,000 points.

Summary of Changes, effective September 1, 2018	
Using Points - Shop with Points at Amazon.com	We are making enhancements on how your eligible purchases made at **Amazon.com**, using only points or a combination of points and your Card, will appear on your billing statement.

ID 12644

See the following page(s) for the Detail of Changes to the Membership Rewards Program Terms & Conditions.

Detail of Changes to the Membership Rewards Program Terms & Conditions

This notice amends the Membership Rewards Program Terms & Conditions (the "Terms & Conditions") as described below. We have the right to amend as described in the Terms & Conditions. Any terms in the Terms & Conditions conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

A. **Effective immediately**, your Terms & Conditions will be amended as follows:

ABOUT THE PROGRAM: WHO CAN USE THE PROGRAM & ANNUAL FEES, GETTING POINTS: GETTING ADDITIONAL POINTS and GETTING POINTS: BUYING POINTS

All references to the Gold Card from American Express, located in the *Who Can Use the Program & Annual Fees* sub-section under the *About the Program* section and the *Getting Additional Points* and *Buying Points* sub-sections under the *Getting Points* section, will be deleted and replaced with American Express Classic Gold Card.

B. **Effective immediately**, your Terms & Conditions will be amended as follows:

GETTING POINTS: USING YOUR CARD

In the *Using Your Card* sub-section of the *Getting Points* section of the Terms & Conditions, the bullets in the first paragraph will be deleted in their entirety and replaced with the following:

For Consumer Cards:
- Pay Over Time
- Eligible American Express Credit Card purchases

For Business Cards:
- Extended Payment Option
- Eligible American Express Credit Card purchases

USING POINTS: USING PAY WITH POINTS TO BOOK TRAVEL ON AMEXTRAVEL.COM, FOR PRODUCTS THROUGH MEMBERSHIPREWARDS.COM, AND ELSEWHERE

In the *Using Pay with Points to Book Travel on AMEXTRAVEL.COM, for Products Through MEMBERSHIPREWARDS.COM, and Elsewhere* sub-section of the *Using Points* section of the Terms & Conditions, the first sentence in the final paragraph will be deleted in its entirety and replaced with the following:

If you use a Pay Over Time feature (such as Pay Over Time Direct for Consumer Cards, or the Extended Payment Option for Business Cards) for a purchase using Pay with Points, the statement credit you get may not be applied to that feature.

C. **Effective August 1, 2018**, your Terms & Conditions will be amended as follows:

USING POINTS: TRANSFERRING POINTS TO FREQUENT CUSTOMER PROGRAMS

In the *Transferring Points to Frequent Customer Programs* sub-section of the *Using Points* section of the Terms & Conditions, the last bullet point under *Conversion Rates and Increments*, which states "Starwood Preferred Guest®: 1,000 Membership Rewards=333 Starpoints®", will be deleted in its entirety.

D. **Effective September 1, 2018**, your Terms & Conditions will be amended as follows:

USING POINTS: SHOP WITH POINTS AT AMAZON.COM

In the *Shop with Points at Amazon.com* sub-section of the *Using Points* section of the Terms & Conditions, the *Ordering* language will be deleted in its entirety and replaced with the following:

Ordering

Card Members may make eligible purchases at Amazon.com using only points, or a combination of points and your American Express Card. When you use points at Amazon.com for your entire purchase, American Express will charge your purchase to your Card account and deduct the points you used from your program account, and you will see a corresponding statement credit for the points you used. If you elect to use points for only a portion of your purchase, American Express will separately charge the portion of your purchase that you did not cover with points to your Card account after the purchase ships. For example, if you make a $500 purchase and elect to cover $300 of that purchase with points, American Express will:

- Charge your Card account $300,
- Apply a $300 credit to your Card account, and
- After your purchase ships, charge your Card account $200.

Returning products purchased at Amazon.com

Returns are subject to Amazon.com's policies and must be authorized by Amazon.com before you receive a statement credit for the points you used.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Pay Over Time Select
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at PO Box 981535, El Paso TX 79998-1535. In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first $50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at PO Box 981535, El Paso TX 79998-1535. While we investigate, the same rules apply to the disputed amount as discussed above.

After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Annual EFT Error Resolution Notice

This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including Express Cash transactions, or electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You can call us at 1-800-IPAY-AXP for Pay By Phone questions, at 1-800-528-2122 for Pay By Computer questions, at 1-800-528-4800 for AutoPay questions, and at 1-800-CASH-NOW for Express Cash questions. You may also write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531 or contact us online at www.americanexpress.com/inquirycenter. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose.

AMEX001620

When you contact us, please provide the following information:
(1) Your name and card account number.
(2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information.
(3) The dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call.

We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your bank account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

AN/CC/EFT/11-2014

Notice for residents of Washington State
In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of interest charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your account within three working days of our receipt of the credit.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Changes to the Membership Rewards® Program Terms

We are making a change to the Membership Rewards Program Terms & Conditions. We encourage you to read this notice, share it with Additional Card Members on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. A summary of the changes appear below. The detailed changes can be found after the summary chart.

Summary of Changes, effective Immediately	
About The Program and Getting Points	The Premier Rewards Gold Card from American Express will now be known as the American Express® Gold Card. We are changing how additional points are awarded on this product to award more additional points for purchases at U.S. restaurants and U.S. supermarkets and to no longer award additional points for purchases at U.S. gas stations. All existing Premier Rewards Gold Card Members will continue to receive one (1) additional point (for a total of two (2) points) on gasoline purchase at gas stations located in the U.S. (superstores, supermarkets and warehouse clubs that sell gasoline are not considered gas stations) until October 4, 2019.
Using Points	The functionality to use points for Pending Charges on your Mobile App is no longer available.

Summary of Changes, effective November 1, 2018	
About The Program and Getting Points	The International Dollar Platinum Card® Card Members will be eligible to earn 2X Membership Rewards points on dining charges, according to applicable Terms and Conditions.

Summary of Changes, effective January 11, 2019	
About The Program and Getting Points	The Mercedes-Benz Credit Card from American Express and The Platinum Card® from American Express Exclusively for Mercedes-Benz will no longer be part of the Membership Rewards program.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Pay Over Time Select
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time continued

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Pay Over Time Select
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

Notice of Important Changes to Your Card Account Terms

Effective **May 1, 2019**, we will no longer offer the Express Cash service for your Card account. When you use your Card to obtain cash or make certain cash equivalent transactions, we will treat those transactions as cash advances. We will charge interest and a fee on cash advances. For more information about cash advances, please call the number on the back of your Card or on your billing statement.

Accordingly, we are making changes summarized below to the Cardmember Agreement governing your account referenced above. We encourage you to read this notice, share it with any Additional Cardmembers on your account, and file it for future reference. The detailed changes to your Cardmember Agreement can be found on the following pages.

[redacted]

The following is a summary of changes that are being made to your account terms. These changes will take effect on **May 1, 2019 at 12:01 a.m. MST**. The date of a cash advance transaction is the date the ATM operator or merchant provides to us. For more detailed information, please see the Detail of Changes on the following page(s).

Revised Terms, as of May 1, 2019	
APR for Cash Advances	**27.49%** This APR will vary with the market based on the Prime Rate.
Paying Interest	Your due date is at least 25 days after the close of each billing period. For transactions added to a Pay Over Time balance at your request, we will begin charging interest as of the date they are added to your Pay Over Time balance. For transactions added automatically to a Pay Over Time balance, we will charge interest beginning on the date of each transaction. We will not charge interest on transactions added to your Pay Over Time balances automatically if you pay the Account Total New Balance by the due date each month. We will begin charging interest on cash advances on the transaction date.
For Credit Card Tips from the Consumer Financial Protection Bureau	**To learn more about factors to consider when applying for or using a credit card, visit the website of the Consumer Financial Protection Bureau at http://www.consumerfinance.gov/learnmore.**

Revised Terms, as of May 1, 2019	
Transaction Fees • Cash Advance	Either **$10** or **5%** of the amount of each cash advance, whichever is greater.

See reverse page for additional Changes to Your Agreement

Summary of Other Changes, as of May 1, 2019	
Cash Advance	We are changing the name of the first section of the *How Rates and Fees Work* table on Page 2 of Part 1 of the Cardmember Agreement to *Rates for Pay Over Time and/or Cash Advances* and we are adding a new Rate Description, Prime + Margin, APR and DPR for cash advances in the row called *Calculating APRs and DPRs*. We are also adding a new row called *Cash Advances* in the *Fees* section of the *How Rates and Fees Work* table on Page 2 of Part 1 of the Cardmember Agreement to add a cash advance fee. The cash advance fee will be 5% of the amount of cash obtained from an ATM (including any fee charged by the ATM operator) or other cash advance transaction, with a minimum of $10. We will add this fee to the Cash Advance balance.
Words we use in the Agreement	We are updating this sub-section under *Introduction* in Part 2 of the Cardmember Agreement to define what we mean by "cash advance" when we use this word in your Cardmember Agreement. We are also updating this sub-section to reflect that a "charge" includes a cash advance.
Using the card	We are updating this sub-section under *About using your card* in Part 2 of the Cardmember Agreement to reflect that we may permit you to make cash advances at our discretion and that cash from an ATM will no longer be withdrawn from your checking account. Instead, it will be charged to your Card account.
Limits on cash advances	We are adding a new row called *Limits on Cash Advances* under *About using your card* in Part 2 of the Cardmember Agreement to explain the maximum Cash Advance balance based on the Card you have.
More About Pay Over Time	We are changing the second sentence of the last paragraph of this sub-section in Part 2 of the Cardmember Agreement to clarify that we will not place a charge into a Pay Over Time balance if doing so would cause the total of your Pay Over Time balances and your Cash Advance balance to exceed your Pay Over Time Limit.
When you must pay	We are changing the second sentence of this sub-section in Part 2 of the Cardmember Agreement to clarify that your statement will show a Minimum Payment Due if it includes either a Pay Over Time balance or a Cash Advance balance.
How we apply payments and credits	We are updating this sub-section under *About your payments* in Part 2 of the Cardmember Agreement to reflect how we apply payments and credits when you have a Cash Advance balance on your account.
How we calculate your Minimum Payment Due	We are updating this sub-section under *About your Minimum Payment Due* in Part 2 of the Cardmember Agreement to reflect how we calculate your Minimum Payment Due when you have a Cash Advance balance on your account.

When we charge interest	We are updating this sub-section under *About interest charges on Pay Over Time balances* in Part 2 of the Cardmember Agreement to reflect that cash advances will be charged interest from the date of the transaction and you cannot avoid paying interest on cash advances.
How we calculate interest	We are updating this sub-section under *About interest charges on Pay Over Time balances* in Part 2 of the Cardmember Agreement to reflect that cash advances may have a different interest rate than other balances on your account.

See the following page(s) for the Detail of Changes to Your Cardmember Agreement.

Detail of Changes to Your Cardmember Agreement

This notice amends your American Express Cardmember Agreement ("Cardmember Agreement") as described below. Any terms in the Agreement conflicting with this change are completely replaced. Terms not changed by this notice continue to apply. If you have any questions, please call the number on the back of your Card or on your billing statement.

Effective May 1, 2019, your Cardmember Agreement will be amended as follows:

The *Rates and Fees Table* on Page 1 of Part 1 of the Cardmember Agreement is amended by adding the *APR for Cash Advances* row under *Interest Rates*:

APR for Cash Advances	**27.49%** This APR will vary with the market based on the Prime Rate.

The *Rates and Fees Table* on Page 1 of Part 1 of the Cardmember Agreement is further amended by deleting the *Paying Interest* row under *Interest Rates* and replacing it with the following:

Paying Interest	Your due date is at least 25 days after the close of each billing period. For transactions added to a Pay Over Time balance at your request, we will begin charging interest as of the date they are added to your Pay Over Time balance. For transactions added automatically to a Pay Over Time balance, we will charge interest beginning on the date of each transaction. We will not charge interest on transactions added to your Pay Over Time balances automatically if you pay the Account Total New Balance by the due date each month. We will begin charging interest on cash advances on the transaction date.

The *Rates and Fees Table* on Page 1 of Part 1 of the Cardmember Agreement is further amended by adding a *For Credit Card Tips from the Consumer Financial Protection Bureau* row under *Interest Rates*:

For Credit Card Tips from the Consumer Financial Protection Bureau	**To learn more about factors to consider when applying for or using a credit card, visit the website of the Consumer Financial Protection Bureau at http://www.consumerfinance.gov/learnmore.**

The *Rates and Fees Table* on Page 1 of Part 1 of the Cardmember Agreement is further amended by adding a *Cash Advance* row to the *Transaction Fees* row under *Fees*:

Transaction Fees • Cash Advance	Either **$10** or **5%** of the amount of each cash advance, whichever is greater.

The heading of the *Rates for Pay Over Time balances* section of *How Rates and Fees Work* on Page 2 of Part 1 of the Cardmember Agreement is changed to *Rates for Pay Over Time and/or Cash Advance balances.*

The *Rates for Pay Over Time and/or Cash Advances* sub-section of *How Rates and Fees Work* on Page 2 of Part 1 of the Cardmember Agreement is amended by adding the following APR and Daily Periodic Rate (*DPR*) for Cash Advance:

Calculating APRs and DPRs	**Rate Description**	**Prime + Margin**	**APR**	**DPR**
	Cash Advance	Prime + 21.99%	27.49%	0.0753%

The *Fees* sub-section of *How Rates and Fees Work* on Page 2 of Part 1 of the Cardmember Agreement is amended in the *Late Payment* row by replacing the second sentence with the following sentence:

Late Payment	If we do not receive the Amount Due (Minimum Payment Due if you have a Pay Over Time or Cash Advance balance) by its Payment Due Date, the fee is $27.

The *Fees* sub-section of *How Rates and Fees Work* on Page 2 of Part 1 of the Cardmember Agreement is amended in the *Returned Payment* row by replacing the fourth and fifth sentences with the following sentences:

Returned Payment	However, the returned payment fee will not exceed the Amount Due or, if you have a Pay Over Time or Cash Advance balance, the Minimum Payment Due. A returned payment may also result in a penalty APR for any Pay Over Time balances you may have.

How Rates and Fees Work on Page 2 of Part 1 of the Cardmember Agreement is amended by adding the following new row called *Cash Advance* under the *Fees* sub-section:

Cash Advance	5% of an ATM cash advance (including any fee charged by the ATM operator) or other cash advance, with a minimum of $10. We will add this fee to the Cash Advance balance.

How Your American Express Account Works in Part 2 of the Cardmember Agreement is amended by deleting the second paragraph in the *Words we use in the Agreement* sub-section and replacing it with the following:

> ***Card*** means any card or other device that we issue to access your Account. A ***charge*** is any amount added to your Account, such as purchases, cash advances, fees and interest charges. A ***purchase*** is a charge for goods or services. A ***cash advance*** is a charge to get cash or cash equivalents, including travelers cheques, gift cheques, foreign currency, money orders, casino gaming chips, race track wagers or similar offline and online betting transactions.

About using your card in Part 2 of the Cardmember Agreement is amended by deleting the first two paragraphs of the *Using the card* sub-section and replacing them with the following:

> You may use the card to make purchases. At our discretion, we may permit you to make cash advances.
>
> We decide whether to approve a charge, including cash advances subject to *Limits on Cash Advances* below, based on how you spend and pay on this Account and other accounts you have with us and our Affiliates. We also consider your credit history and your personal resources that we know about.

About using your card in Part 2 of the Cardmember Agreement is further amended by adding the following new sub-section called *Limits on Cash Advances*:

Limits on Cash Advances	Your Cash Advance balance may not exceed: Zync Card® $3,000 Green Card $3,000 Gold Card $6,000 Platinum Card® $8,000 Centurion® Card $10,000	You agree to manage your Account so that your Cash Advance balance (including fees and interest) is not more than the Limit on Cash Advances. For purposes of the Limits on Cash Advances, your Cash Advance balance will be determined by adding new cash

	There may also be a limit on the amount of cash and number of times you can obtain cash from ATMs in a given period.	advance transactions to the ending Cash Advance balance of the prior day. In addition, we may not approve a cash advance transaction if it would cause the total of your Cash Advance balance and your Pay Over Time balances to go over your Pay Over Time limit.

About using your card in Part 2 of the Cardmember Agreement is amended in the *More About Pay Over Time* sub-section by replacing the second sentence of the fourth paragraph with the following:

> We will not place any charge into a Pay Over Time balance if it would cause the total of your Pay Over Time balances and your Cash Advance balance to go over your Pay Over Time limit.

About your payments in Part 2 of the Cardmember Agreement is amended in the *When you must pay* sub-section by replacing the second sentence of the first paragraph with the following:

> If a statement includes a Pay Over Time balance and/or Cash Advance balance, it will show a Minimum Payment Due.

About your payments in Part 2 of the Cardmember Agreement is amended by deleting the *How we apply payments and credits* sub-section and replacing it with the following:

How we apply payments and credits	If a statement includes a Pay Over Time and/or Cash Advance New Balance, it will show a Minimum Payment Due. The Minimum Payment Due is the Pay In Full New Balance plus the Pay Over Time and/or Cash Advance Minimum Due. Your Account may have balances with different interest rates. For example, a Pay Over Time balance may have a lower interest rate than a Cash Advance balance. If your Account has a Pay Over Time or Cash Advance balance, here is how we generally apply payments in a billing period: • We apply your payments - up to the Minimum Payment Due - first to the Pay Over Time and/or Cash Advance balances and then to the Pay In Full New Balance. When applying a payment, up to the amount of the Pay Over Time and/or the Cash Advance Minimum Due, we apply it first to the balance with the lowest interest rate and then to balances with higher interest rates.	In most cases, we apply a credit to the same balance as the related charge. We may apply payments and credits within balances, and among balances with the same interest rate, in any order we choose.

	• After the Minimum Payment Due has been paid, we apply payments first to the balance with the highest interest rate and then to balances with lower interest rates.

About your Minimum Payment Due in Part 2 of the Cardmember Agreement is amended by deleting the *How we calculate your Minimum Payment Due* sub-section and replacing it with the following:

How we calculate your Minimum Payment Due	The Minimum Payment Due is the Pay In Full New Balance plus any Pay Over Time and/or Cash Advance Minimum Due on your statement. To calculate the Minimum Due for your Pay Over Time and/or Cash Advance New Balance for each statement, we start with the *higher* of: **(1)** interest charged on the statement plus 1% of the Pay Over Time and/or Cash Advance New Balance (excluding interest on the statement); or **(2)** $35. Then we round to the nearest dollar and add any Pay Over Time and/or Cash Advance amount past due. Your Pay Over Time and/or Cash Advance Minimum Due will not exceed your Pay Over Time and/or Cash Advance New Balance. You may pay more than the Minimum Payment Due, up to your entire outstanding balance, at any time.	***EXAMPLE:*** *Assume that you have a Pay Over Time and/or Cash Advance New Balance of $3,000, interest of $29.57, no amounts past due, and a $400 Pay In Full New Balance.* **(1)***$29.57 + 1% multiplied by ($3,000 - $29.57) = $59.27* **(2)** *$35* *The higher of (1) or (2) is $59.27, which rounds to $59.00. The Pay Over Time and/or Cash Advance Minimum Due of $59.00 plus the Pay in Full New Balance of $400 together make up the Minimum Payment Due of $459.00.*

About interest charges on Pay Over Time balances in Part 2 of the Cardmember Agreement is amended by changing the section heading to read *About interest charges on Pay Over Time and Cash Advance balances* and by adding the following as an introductory paragraph to the *When we charge interest* sub-section:

> We charge interest on Pay Over Time Balances as described below. For cash advances, we charge interest from the transaction date. You cannot avoid paying interest on cash advances.

About interest charges on Pay Over Time and Cash Advance balances in Part 2 of the Cardmember Agreement is further amended by replacing the second sentence in the first paragraph of the *How we calculate interest* sub-section with the following sentence:

> Cash Advance balances and balances within the Pay Over Time feature -such as Select and Direct - may have different interest rates.

Notice of Important Changes to Your Agreement for Transferring Funds Electronically

We are making changes summarized below to the Your Agreement for Transferring Funds Electronically (the *EFT Agreement*). We are discontinuing the Express Cash service and are amending the EFT Agreement in order to delete references to Express Cash. We encourage you to read this notice, share it with any Additional Cardmembers on your account, and file it for future reference. If you have any questions, please call the number on the back of your Card or on your billing statement.

The following is a summary of changes that are being made to the EFT Agreement. These changes will take effect on **May 1, 2019 at 12:01 a.m. MST**. For more detailed information, please see the Detail of Changes below.

Summary

We are discontinuing the Express Cash service and are amending the EFT Agreement in order to delete references to Express Cash. Instead, when you use your Card to obtain cash, we will treat those transactions as cash advances subject to the terms of your Cardmember Agreement.

ID12712

Detail of Changes to the EFT Agreement

This notice amends Your Agreement for Transferring Funds Electronically ("EFT Agreement") as described below. We have the right to amend as described in the EFT Agreement. Any terms in the EFT Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. If you have any questions, please call the number on the back of your Card or on your billing statement.

Effective May 1, 2019, the EFT Agreement will be amended as follows:

The *How Express Cash works* section is deleted.

The *Limits on amounts and frequency of withdrawals* section is deleted.

The *Unauthorized transactions* section is deleted and replaced with the following:

> **Unauthorized transactions**
>
> Tell us AT ONCE if you believe that a transaction has been made without your permission using your card or information about your card account. Calling us is the best way of keeping your possible losses down. You could lose all of the money in your bank account (plus your maximum overdraft line of credit, if applicable).
>
> Call anytime at 1-800-528-4800 (or 1-336-393-1111 collect, if not in the U.S.) You may also write to us at American Express, Electronic Funds Services, P.O. Box 981532, El Paso, TX 79998-1532.

The third bulleted sentence of the *Improper transactions or payments* section is deleted.

The *How to contact us about the services* section is deleted and replaced with the following:

> **How to contact us about the services**
>
> You can call us at 1-800-IPAY-AXP for Pay By Phone questions, at 1-800-528-2122 for Pay By Computer questions, and at 1-800-528-4800 for AutoPay questions. You may also write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531.

The *We may end the service* section is amended by deleting the first sentence of that section.

Notice of Important Changes to Your Cardmember Agreement

We are making changes to your American Express Cardmember Agreement referenced in this notice. We encourage you to read this notice, share it with Additional Card Members on your account, and file it for future reference. The detailed change(s) to your Cardmember Agreement can be found after the below summary chart.

Summary of Changes, Effective Immediately	
ExpressPay	**Effective Immediately**, we are modifying the language concerning ExpressPay in your Cardmember Agreement to reflect the current terminology and explain how the capability works.

ID12742

Detail of Changes to Your Cardmember Agreement

This notice amends your American Express Cardmember Agreement ("*Agreement*") as described below. Any terms in the Cardmember Agreement conflicting with this change are completely replaced. Terms not changed by this notice continue to apply. If you have any questions, please call the number on the back of your Card or log into your account at **americanexpress.com**.

ExpressPay

Effective Immediately, the *ExpressPay* sub-section included in Part 2 of the Cardmember Agreement is deleted in its entirety and replaced with:

Contactless Transactions	Cards issued on your Account may be equipped to enable you to make tap and pay charges using contactless technology. You can request Cards that are not equipped with this capability. Also, we may deactivate this capability at any time.

Notice of Important Changes to the Membership Rewards® Program Terms

We are making a change to the Membership Rewards Program Terms & Conditions. We encourage you to read this notice, share it with Additional Card Members on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. A summary of the changes appear below. The detailed changes can be found after the summary chart.

Summary of Changes, effective Immediately	
About The Program and Getting Points	We are adding information about earning additional points with the new American Express® Business Gold Card.

ID12708

Details of Changes to the Membership Rewards Program Terms & Conditions

This notice amends the Membership Rewards Program Terms & Conditions (the "Terms & Conditions") as described below. We have the right to amend as described in the Terms & Conditions. Any terms in the Terms & Conditions conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

Effective immediately, your Terms & Conditions will be amended as follows:

ABOUT THE PROGRAM: WHO CAN USE THE PROGRAM & ANNUAL FEES, GETTING POINTS: GETTING ADDITIONAL POINTS and GETTING POINTS: BUYING POINTS

The American Express® Business Gold Card will be added to the *Who Can Use the Program & Annual Fees* sub-section under the *About the Program* section and *Buying Points* sub-section under the *Getting Points* section. In the *Getting Additional Points* sub-section of the *Getting Points* section, the American Express Business Gold Card will be added with the following:

American Express Business Gold Card

Subject to these Terms and Conditions, you get at least one Membership Rewards® point for each dollar you spend on your Card for eligible purchases. You also get 3 additional points per dollar (for a total of 4 points), on the 2 categories (of 6) where you spend the most each billing cycle, up to the first $150,000 in combined eligible purchases from these 2 categories each calendar year. Eligible purchases in excess of $150,000 in a calendar year will receive only one point per dollar spent.

Determining Your Top 2 Categories

To calculate your top 2 categories each billing cycle, we use your posted account transactions that fall into the 6 categories below and issue additional points based on your 2 highest categories of total spend less returns and credits in that same billing cycle. You will only earn 3 additional points in 2 categories each billing cycle even if you have equal spend in more than 2 categories.

The 6 categories that qualify for additional points are:

- Airfare on a scheduled flight charged directly with passenger airlines (charter flights and private jet flights are excluded);
- Advertising purchased in the U.S. to promote your business online, on television, or on the radio;
- Computer hardware, software, and cloud computing purchases in the U.S. made directly from select technology providers (the current list of select technology providers is available at: americanexpress.com/rewards-info);
- Gasoline at gas stations located in the U.S. (superstores, supermarkets and warehouse clubs that sell gasoline are not considered gas stations);

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Pay Over Time Select
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

Take control of your identity. We'll be here if you need us.

Get comprehensive credit and identity monitoring, plus dedicated fraud assistance when you need it most.

Only $1 for the first 30 days and $16.99 every month thereafter.

Information on Pay Over Time

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Pay Over Time Select
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

Take control of your identity. We'll be here if you need us.

Get comprehensive credit and identity monitoring, plus dedicated fraud assistance when you need it most.

Only $1 for the first 30 days and $16.99 every month thereafter.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time and/or Cash Advance balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month. We will, however, charge you interest on cash advances beginning on the transaction date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time and/or Cash Advance balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month. We will, however, charge you interest on cash advances beginning on the transaction date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Information on Pay Over Time

There is no pre-set spending limit on your Card
No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is $35,000.00
We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time and/or Cash Advance balance. For more information about Pay Over Time features please visit **americanexpress.com/payovertime.**

You are currently enrolled in Pay Over Time Select
You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay the Account Total New Balance, pay the minimum due, or pay any amount in between, with interest.

Renewal Notice

Your Account renews next month. The following terms will be in effect when your Account renews, unless we tell you otherwise. Please refer to Page 2 for more information about your Account, including How We Calculate Your Balance and Paying Interest.

Please refer to page 2 for further important information regarding your account

Payment Information: All charges made on this card, that are not included in a Pay Over Time and/or Cash Advance balance, are due and payable by the Payment Due Date.

Annual Membership Fee: The annual membership fee for your Account is $2,500.00. When you receive the statement in which the annual fee is billed, you can avoid paying the annual fee by calling the Customer Care phone number on Page 2 to cancel your Account.

APR Information: The Annual Percentage Rates (APRs) for each billing period may vary based on the Prime Rate. We use the Prime Rate published in the rates section of *The Wall Street Journal* on the Closing Date of the billing period. *The Wall Street Journal* may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published.

The Penalty APR may apply to a Pay Over Time Feature if you make one or more late payments or if your payment is returned. We may also consider your creditworthiness in determining whether or not to apply the penalty APR to the Pay Over Time feature(s) on your Account. If the Penalty APR is applied, it will apply for at least 6 months. We will review your Account every 6 months after the Penalty APR is applied. The Penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

You may have access to one or more Pay Over Time Features on your Account. If you are enrolled in a Feature or have a Feature balance, the APRs that apply will be noted below as of the Closing Date of this statement.

(v) Indicates variable rate

Notice of Important Changes to the Membership Rewards® Program Terms

We are making changes to the Membership Rewards® Program Terms & Conditions referenced in this notice. We encourage you to read this notice and file it for future reference. The detailed changes to your Membership Rewards Program Terms & Conditions can be found after the below summary chart.

Summary of Changes	
Effective Immediately	
About The Program	We are removing the option for a Basic Business Card Member to allow their Additional Business Card Members to have their own Membership Rewards program account.
Effective June 6, 2019	
Getting Points	Card Members with an American Express® Gold Card will be eligible to earn three (3) additional points (for a total of four (4) points) at restaurants worldwide; three (3) additional points (for a total of four (4) points) on the first $25,000 of eligible purchases per calendar year at supermarkets located in the U.S. (superstores and warehouse clubs are not considered supermarkets); and two (2) additional points (for a total of three (3) points) for airfare on a scheduled flight charged directly with passenger airlines or at amextravel.com (Charter flights and private jet flights are excluded).
About The Program, Getting Points, Using Points	The Blue for Students® Card will no longer be part of the Membership Rewards program.
Effective September 1, 2019	
Forfeiting and Getting Points Back	Effective for billing periods having payment due dates on or after **September 1, 2019**, we are changing the Membership Rewards Terms and Conditions to provide that, for certain eligible Cards, we must receive your payment of the amount due on your Linked Account by the payment due date for a billing period, instead of by the closing date of the next billing period, in order for you to avoid forfeiting the points that you would have earned for that billing period.
Using Points	We are changing the Membership Rewards Terms and Conditions to provide that an Additional Card must be issued to an Additional Card Member at least 90 days prior to linking your Membership Rewards program account to that Additional Card Member's frequent customer program account.
Effective September 28, 2019	
We will be cancelling existing Additional Membership Rewards program accounts held by Additional Business Card Members. Enrolled Additional Business Card Members will have until **October 31, 2019,** to redeem accumulated points. All Additional Business Card Members who currently have their own additional program account will receive notification regarding the cancellation of their account. Beginning **September 28, 2019**, purchases charged on Additional Business Cards will earn points for the Basic Business Card Member's program account.	

Effective October 31, 2019	
About The Program, Getting Points, Forfeiting and Getting Points Back, Using Points	We are deleting all references to Additional Business Card Member program accounts in the Membership Rewards Terms & Conditions.

Detail of Changes to the Membership Rewards Program Terms & Conditions

This notice amends the Membership Rewards Program Terms & Conditions (the "Terms & Conditions") as described below. Any terms in the Terms & Conditions conflicting with this change are completely replaced. Terms not changed by this notice continue to apply. If you have any questions, please call the number on the back of your Card.

A. **Effective Immediately,** the second paragraph of the *Who Can Use The Program & Annual Fees* sub-section of the *About The Program* section is amended by deleting the following sentences:

> For a Business Card account, any Additional Business Card Members can be permitted to have their own separate program account by the Basic Business Card Member. In order to permit any Additional Business Card Members to have their own separate program account, the Basic Business Card Member must be enrolled in the program.

B. **Effective June 6, 2019**, the *Getting Additional Points* sub-section of the *Getting Points* section is amended by deleting the bullets in the **American Express® Gold Card** section and replacing with the following:

- Three (3) additional points (for a total of four (4) points) at restaurants worldwide.
- Three (3) additional points (for a total of four (4) points) on the first $25,000 of eligible purchases per calendar year at supermarkets located in the U.S. (superstores and warehouse clubs are not considered supermarkets).
- Two (2) additional points (for a total of three (3) points) for airfare on a scheduled flight charged directly with passenger airlines or at amextravel.com (Charter flights and private jet flights are excluded).

C. **Effective June 6, 2019,** the terms and conditions of the Membership Rewards® program are amended to delete all mentions of the Blue for Students® Card.

D. **Effective September 1, 2019**, the first paragraph of the *For Making Late Payments* subsection of the *Forfeiting and Getting Points Back* section is amended and restated as follows:

> If your Linked Account is a consumer Card account or a Blue for Business Credit Card account, a Blue for Business Plus Credit Card account, a Platinum Business Credit Card account, a Business Management Credit Card account, or a Business Membership Rewards Credit Card account, you must pay the amount due on your Linked Account statement so that we receive your payment by the payment due date shown on that statement. If your Linked Account is any other kind of Business Card account or a Corporate Card account, you must pay the amount due on your Linked Account statement so that we receive your payment by the closing date of the next billing period. If you don't, you may forfeit all the points that you earned during the period covered by the statement.

E. **Effective September 1, 2019**, the last paragraph of the *Who can transfer points* of the *Transferring Points To Frequent Customer Programs* subsection of the *Using Points* section is amended and restated as follows:

> If you are eligible to transfer points, you'll see this option listed in the Travel category on membershiprewards.com. The frequent customer program account that you transfer points into must be held by you or an Additional Card Member linked to your program account provided that an Additional Card must be issued to the Additional Card Member at least 90 days prior to linking your program account to that Additional Card Member's frequent customer program account.

F. **Effective October 31, 2019**, we are deleting all references to Additional Business Card Member program accounts in the Membership Rewards Terms & Conditions:

1. The second paragraph of the *Who Can Use The Program & Annual Fees* subsection of the *About The Program* section is amended by deleting the following sentence:

   > We will cancel an Additional Business Card Member's participation in the program and, if applicable, separate program account if the Basic Business Card Member exits the program.

2. The third paragraph of the *Who Can Use The Program & Annual Fees* subsection of the *About The Program* section is amended by deleting the following sentence:

   Additional Business Card Members who have a separate program account may not link other program-eligible Cards to the separate program account created for them as an Additional Business Card Member.

3. The first paragraph of the *Buying Points* subsection of the *Getting Points* section is amended by deleting the second sentence in its entirety.

4. The third sentence of the second paragraph of the *Buying Points* subsection of the *Getting Points* section is amended to read:

   If you have a Card enrolled in Membership Rewards when you enroll a second Card, the Cards may be linked to the same program account.

5. The third paragraph of the *For Making Late Payments* subsection of the *Forfeiting and Getting Points Back* section is deleted in its entirety.

6. The second paragraph of the *For Canceling Your Account* subsection of the *Forfeiting and Getting Points Back* section is amended to read:

   If you voluntarily cancel your enrollment in the program, but you keep at least one American Express® Card open and is not past due or canceled, you'll have up to 30 days from the date of cancellation to use any points in your program account.

7. The third paragraph of the *For Canceling Your Account* subsection of the *Forfeiting and Getting Points Back* section is amended to read:

   If you voluntarily cancel your enrollment in the program and you don't keep open any American Express Cards, all points in your program account will be immediately forfeited.

8. The second sentence of the second paragraph of the ***Who can transfer points*** sub-subsection of the *Transferring Points To Frequent Customer Programs* subsection of the *Using Points* section is amended to read:

   If you have a Card enrolled in Membership Rewards when you enroll another Card, the Cards may be linked to the same program account.

9. The last sentence of the ***Excise tax offset fee*** sub-subsection of the *Transferring Points to Frequent Customer Programs* subsection of the *Using Points* section is deleted in its entirety.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time and/or Cash Advance balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month. We will, however, charge you interest on cash advances beginning on the transaction date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at PO Box 981535, El Paso TX 79998-1535. In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first $50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at PO Box 981535, El Paso TX 79998-1535. While we investigate, the same rules apply to the disputed amount as discussed above.

After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Annual EFT Error Resolution Notice

This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You can call us at 1-800-IPAY-AXP for Pay By Phone questions, at 1-800-528-2122 for Pay By Computer questions, at 1-800-528-4800 for AutoPay questions, and at 1-800-CASH-NOW for Cash Advance questions. You may also write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531 or contact us online at www.americanexpress.com/inquirycenter. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose.

AMEX001724

When you contact us, please provide the following information:
(1) Your name and card account number.
(2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information.
(3) The dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call.

We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your bank account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

AN/CC/EFT/05-2019

Notice for residents of Washington State
In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of interest charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your account within three working days of our receipt of the credit.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time and/or Cash Advance balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month. We will, however, charge you interest on cash advances beginning on the transaction date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Changes to Your Cardmember Agreement

We are making changes to your American Express Cardmember Agreement referenced in this notice. We encourage you to read this notice, share it with Additional Card Members on your account, and file it for future reference. The detailed changes to your Cardmember Agreement can be found after the below summary chart.

Summary of Changes, Effective Immediately	
Claims Resolution and Claims Resolution for Covered Borrowers	We are making changes to the claims resolution sections in your Cardmember Agreement. These changes will be reflected on your billing statements received on or after **September 1, 2019**.
Summary of Changes, Effective November 1, 2019	
Words we use in the Agreement	We are updating this sub-section under *Introduction* in Part 2 of the Cardmember Agreement to define what we mean by person-to-person transaction when we use this word in your Cardmember Agreement. We are also updating this sub-section to reflect that a purchase includes a person-to-person transaction.
Using the card	We are updating this sub-section under *About using your card* in Part 2 of the Cardmember Agreement to reflect that we may allow you to make person-to-person transactions at our discretion.
Limits on person-to-person transactions	We are adding a new sub-section called *Limits on person-to-person transactions* under *About using your card in* Part 2 of the Cardmember Agreement to explain the limits on person-to-person transactions based on the Card you have.

ID 12816

See the following page(s) for the Detail of Changes to your Cardmember Agreement

Detail of Changes to Your Cardmember Agreement

This notice amends your American Express Cardmember Agreement ("*Agreement*") as described below. Any terms in the Cardmember Agreement conflicting with these changes are completely replaced. Terms not changed by this notice continue to apply. If you have any questions, please call the number on the back of your Card.

A. Effective Immediately, the Claims Resolution and Claims Resolution for Covered Borrowers sections in Part 2 of the Cardmember Agreement are amended as follows:

Mediation

The seventh sentence is deleted and replaced with: All applicable statutes of limitation will be tolled from the date you or we send the claim notice until termination of the mediation.

Arbitration

The sixth sentence in the Claims Resolution section and seventh sentence in the Claims Resolution for Covered Borrowers section are deleted and replaced with: The arbitrator's authority is limited to claims between you and us alone. Claims may not be joined or consolidated unless you and we agree in writing. An arbitration award and any judgment confirming it will apply only to the specific case and cannot be used in any other case except to enforce the award. The arbitrator's decisions are as enforceable as any court order and are subject to very limited review by a court.

Limitations on Arbitration

The third, fourth, and fifth sentences in the Claims Resolution section and second, third and fourth sentences in the Claims Resolution for Covered Borrowers section are deleted.

Arbitration Procedures

The fifth sentence is deleted and replaced with: You and we agree that the arbitration will be confidential. You and we agree that we will not disclose the content of the arbitration proceeding or its outcome to anyone, but you or we may notify any government authority of the claim as permitted or required by law.

The eighth and ninth sentences are deleted and replaced with: The arbitrator's award will be final and binding, subject to each party's right to appeal as stated in this section and/or to challenge or appeal an arbitration award pursuant to the FAA. To initiate an appeal, a party must notify the arbitration organization and all parties in writing within 35 days after the arbitrator's award is issued. The arbitration organization will appoint a three-arbitrator panel to decide anew, by majority vote based on written submissions, any aspect of the decision objected to. The appeal will otherwise proceed pursuant to the arbitration organization's appellate rules.

Additional Arbitration Awards

The section is deleted and replaced with: If the arbitrator rules in your favor for an amount greater than any final offer we made before the final hearing in arbitration, the arbitrator's award will include: (1) any money to which you are entitled, but in no case less than $5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees.

B. Effective November 1, 2019, your Cardmember Agreement will be amended as follows:

How Your American Express Account Works in Part 2 of the Cardmember Agreement is amended by deleting the second paragraph in the *Words we use in the Agreement* sub-section and replacing it with the following:

> ***Card*** means any card or other device that we issue to access your Account. A ***charge*** is any amount added to your Account, such as purchases, cash advances, fees and interest charges. A ***purchase*** is a charge for goods, services, or person-to-person transactions. A ***cash advance*** is a charge to get cash or cash equivalents, including travelers cheques, gift cheques, foreign currency, money orders, casino gaming chips, race track wagers or similar offline and online betting transactions. A ***person-to-person transaction*** is a charge for funds sent to another person.

About using your card in Part 2 of the Cardmember Agreement is amended by deleting the second paragraph of the *Using the card* sub-section and replacing it with the following:

> We decide whether to approve a charge, including cash advances subject to *Limits on Cash Advances* and person-to-person transactions subject to *Limits on person-to-person transactions* below, based on how you spend and pay on this Account and other accounts you have with us and our Affiliates. We also consider your credit history and your personal resources that we know about.

About using your card in Part 2 of the Cardmember Agreement is further amended by adding the following new sub-section called *Limits on person-to-person transactions*:

Limits on person-to-person transactions	Your person-to-person transactions may not exceed the following limits within any 30-day period: **One from American Express® $2,000** **Zync Card® $2,000** **Green Card $2,000** **Gold Card $2,000** **Platinum Card® $4,000** **Centurion® Card $5,000**	You agree to manage your Account so that the total of your person-to-person transactions in any 30-day period do not exceed the limit on person-to-person transactions. We may not approve a person-to-person transaction if it would cause your Account to exceed the applicable person-to-person transaction limit.

Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number on page 3 for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time and/or Cash Advance balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month. We will, however, charge you interest on cash advances beginning on the transaction date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:
American Express, PO Box 981535, El Paso TX 79998-1535
You may also contact us on the Web: www.americanexpress.com
In your letter, give us the following information:
- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.
You must notify us of any potential errors in writing [or electronically]. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.
While we investigate whether or not there has been an error, the following are true:
- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.
To use this right, all of the following must be true:
1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.
If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically at:
American Express, PO Box 981535, El Paso TX 79998-1535
www.americanexpress.com
While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number on page 3 for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time and/or Cash Advance balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month. We will, however, charge you interest on cash advances beginning on the transaction date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:
American Express, PO Box 981535, El Paso TX 79998-1535
You may also contact us on the Web: www.americanexpress.com
In your letter, give us the following information:
- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.
You must notify us of any potential errors in writing [or electronically]. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.
While we investigate whether or not there has been an error, the following are true:
- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.
To use this right, all of the following must be true:
1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.
If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically at:
American Express, PO Box 981535, El Paso TX 79998-1535
www.americanexpress.com
While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Notice of Updates to Additional Benefits of your Card

As described below, we will be making updates to your card benefits. These benefits are provided to you at no additional charge as part of your Card Membership. We encourage you to read this notice and file it for future reference. If you have any questions, please visit the website for each benefit below, or call the number on the back of your Card.

Trip Cancellation and Trip Interruption Insurance

Effective 1/1/2020, if a round-trip is purchased with your Covered Card on or after the effective date and is cancelled or interrupted due to a Covered Loss, you can be reimbursed for the non-refundable Card payments to a Travel Supplier or other Common Carrier, up to $10,000 per Covered Trip / $20,000 per Eligible Account per 12 consecutive month period. Coverage is secondary to and in excess of any other applicable insurance or benefit. For more information about the coverage you may be eligible to receive, please visit **americanexpress.com/TCITerms** to see benefits specific to your Card*.

*Benefits are subject to terms, conditions and limitations, including limitations on the amount of coverage. Coverage is provided by New Hampshire Insurance Company, an AIG company.

Trip Delay Insurance

Effective 1/1/2020, if a round-trip is purchased with your Covered Card on or after the effective date and is delayed for more than six (6) hours due to a Covered Loss you can be reimbursed up to $500 per Covered Trip for certain reasonable additional expenses, including meals and accommodations during your delay. Coverage is secondary to and in excess of any other applicable insurance or benefit. For more information about the coverage you may be eligible to receive, please visit **americanexpress.com/TDTerms** to see benefits specific to your Card*.

*Benefits are subject to terms, conditions and limitations, including limitations on the amount of coverage. Coverage is provided by New Hampshire Insurance Company, an AIG company.

Premium Roadside Assistance

Effective 1/1/2020, Premium Roadside Assistance will be discontinued and will no longer be a benefit provided on this Card Account. Premium Roadside Assistance can still be used until **12/31/2019**. For terms and conditions, please visit **americanexpress.com/raterms**.

Travel Accident Insurance*

Effective 1/1/2020, Travel Accident Insurance will no longer be a benefit provided on this Card Account. This means any eligible travel purchases made on or after **1/1/2020** will not be covered by Travel Accident Insurance. Eligible travel purchases made prior to **1/1/2020** will still be covered by Travel Accident Insurance.

*Travel Accident Insurance is underwritten by AMEX Assurance Company and Tokio Marine Pacific Insurance Limited. Subject to additional terms, conditions and exclusions. For terms and conditions, please visit **americanexpress.com/taiterms**.

Notice of Important Changes to the Membership Rewards® Program Terms

We are making a change to the Membership Rewards Program Terms & Conditions. We encourage you to read this notice, share it with Additional Card Members on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. A summary of the changes appear below. The detailed changed can be found after the summary chart.

Summary of Changes Effective Immediately	
About the Program	We are changing the terms that concern the annual enrollment fee for certain Corporate Card Members to participate in the program. **Effective March 6, 2020**, the Membership Rewards annual enrollment fee for American Express Corporate Gold Cards will be $0. If an American Express Corporate Gold Card is enabled by your company to participate in the Membership Rewards® program it will be automatically enrolled in the program. **Effective March 6, 2020**, the Membership Rewards annual enrollment fee for American Express Corporate Green Cards will be reduced from $90 to $55. If an American Express Corporate Green Card has been enabled by your company to participate in the Membership Rewards® program, you may choose to enroll in the Program and the annual fee will be charged to your Card. **Effective March 6, 2020**, the Membership Rewards annual enrollment fee for Global Dollar Card - American Express ® Corporate Executive Gold Card will be $0. If a Global Dollar Card - American Express ® Corporate Executive Gold Card is enabled by your company to participate in the Membership Rewards® program it will be automatically enrolled in the program. **Effective March 6, 2020**, the Membership Rewards annual enrollment fee for Global Dollar Card - American Express® Corporate Card will be reduced from $75 to $55. If a Global Dollar Card - American Express® Corporate Card has been enabled by your company to participate in the Membership Rewards® program, you may choose to enroll in the Program and the annual fee will be charged to your Card.
Getting Points	We are changing the terms that concern the number of points that a Corporate Card Member earns per dollar of eligible spend (referred to in this paragraph as the "earn rate"). If you are a Corporate Card Member, effective **March 6, 2020**, your company will have the choice to determine if you earn one Membership Reward® point per dollar or one Membership Reward point per two dollars of eligible spend on your enrolled Card. Initially, your company will be able to select the earn rate until March 31, 2020, which earn rate would be activated for you on May 1, 2020. Beginning in the fall of 2020, your company will be able to select the earn rate annually during the earn rate enrollment period in October and November of each year, which would be activated for you on January 1 of the following year. If your company does not make a selection during the annual enrollment period, then the earn rate will remain unchanged. If you are enrolled in the Membership Rewards Program you will be notified by American Express if your company decides to change the earn rate for its Corporate Card Program.

Important Notices continued on next page.

Getting Additional Points	We are changing how additional points are awarded on the American Express® Green Card to award additional points for purchases on travel including transit, and global restaurants.
Arbitration (Claims Resolution)	We are making changes to the claims resolution sections of your Membership Rewards Terms & Conditions.

See the following page(s) for the Detail of Changes to the Membership Rewards Program Terms & Conditions.

Important Notices continued on next page.

Detail of Changes to the Membership Rewards Program Terms & Conditions

This notice amends the Membership Rewards Program Terms & Conditions (the "Terms & Conditions") as described below. We have the right to amend as described in the Terms & Conditions. Any terms in the Terms & Conditions conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

A. **Effective Immediately**, the *Who Can Use the Program & Annual Fees* subsection of the *About the Program* section of the Membership Rewards Terms & Conditions will be amended as follows:

The $90 annual program fee for the American Express® Corporate Gold Card will be deleted and replaced with $0 (Effective March 6, 2020).

The $90 annual program fee for the American Express® Corporate Green Card will be deleted and replaced with $55 (Effective March 6, 2020).

The $75 annual program fee for the Global Dollar Card - American Express ® Corporate Executive Gold Card will be deleted and replaced with $0 (Effective March 6, 2020).

The $75 annual program fee for the Global Dollar Card - American Express® Corporate Card will be deleted and replaced with $55 (Effective March 6, 2020).

B. **Effective Immediately** the *Using Your Card* subsection of the *Getting Points* section of the Membership Rewards Terms & Conditions will be amended as follows:

The following sentence will be added to the first paragraph:

Effective March 6, 2020, Corporate Card Members enrolled in the Membership Rewards Program will earn either one point for every dollar, or one point for every two dollars charged on the Corporate Card, depending on the earn rate selected by the company for its employees enrolled in the Membership Rewards Program. The earn rate selected will apply to all eligible charges made on the Corporate Card.

C. **Effective immediately**, the *Getting Additional Points* subsection of the *Getting Points* section of the Membership Rewards Program Terms & Conditions will be amended with the addition of the following new section:

American Express® Green Card

Subject to these Terms and Conditions, for each dollar charged for an eligible purchase in each billing period on your American Express Green Card you will earn:

- Two (2) additional points (for a total of three (3) points) for each dollar charged on eligible travel purchases including airfare, hotels, cruises, car rentals, campgrounds, trains, taxicabs, rideshare services, tours, ferries, tolls, parking, buses, subways, on third party travel websites, and on amextravel.com. You will not earn additional points for purchases of timeshare properties.
- Two (2) additional points (for a total of three (3) points) for each dollar charged at restaurants worldwide. You may not earn additional points for purchases at a restaurant located within another establishment (e.g., a restaurant inside a hotel, casino, or event venue). For example, purchases made at a restaurant located within a hotel may be recognized as a purchase at a hotel, not a restaurant. You will not earn additional points for purchases at bars, nightclubs, cafeterias, and convenience stores.

D. **Effective immediately,** the *Claims Resolution* section under the *Arbitration* section of the Membership Rewards Program Terms & Conditions are amended as follows:

Mediation

The seventh sentence is deleted and replaced with:

All applicable statutes of limitation will be tolled from the date you or we send the claim notice until termination of the mediation.

Arbitration

The sixth sentence in the Claims Resolution section is deleted and replaced with:

The arbitrator's authority is limited to claims between you and us alone. Claims may not be joined or consolidated unless you and we agree in writing. An arbitration award and any judgment confirming it will apply only to the specific case and cannot be used in any other case except to enforce the award. The arbitrator's decisions are as enforceable as any court order and are subject to very limited review by a court.

Limitations on Arbitration

The third, fourth, and fifth sentences in the Claims Resolution section are deleted.

Arbitration Procedures

The fifth sentence is deleted and replaced with:

You and we agree that the arbitration will be confidential. You and we agree that we will not disclose the content of the arbitration proceeding or its outcome to anyone, but you or we may notify any government authority of the claim as permitted or required by law.

The eighth and ninth sentences are deleted and replaced with:

The arbitrator's award will be final and binding, subject to each party's right to appeal as stated in this section and/or to challenge or appeal an arbitration award pursuant to the FAA. To initiate an appeal, a party must notify the arbitration organization and all parties in writing within 35 days after the arbitrator's award is issued. The arbitration organization will appoint a three-arbitrator panel to decide anew, by majority vote based on written submissions, any aspect of the decision objected to. The appeal will otherwise proceed pursuant to the arbitration organization's appellate rules.

Additional Arbitration Awards

The section is deleted and replaced with:

If the arbitrator rules in your favor for an amount greater than any final offer we made before the final hearing in arbitration, the arbitrator's award will include: (1) any money to which you are entitled, but in no case less than $5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number on page 3 for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time and/or Cash Advance balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically *(for example, Pay Over Time Travel and Pay Over Time Direct)* if you pay the Account Total New Balance by the due date each month. We will, however, charge you interest on cash advances beginning on the transaction date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:
American Express, PO Box 981535, El Paso TX 79998-1535
You may also contact us on the Web: www.americanexpress.com
In your letter, give us the following information:
- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.
You must notify us of any potential errors in writing [or electronically]. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.
While we investigate whether or not there has been an error, the following are true:
- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.
To use this right, all of the following must be true:
1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.
If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically at:
American Express, PO Box 981535, El Paso TX 79998-1535
www.americanexpress.com
While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

The Tap Project Launches on March 16th!

Clean and safe water is a daily privilege millions take for granted. Yet the lack of clean and accessible drinking water is the second largest killer of children under five worldwide. To address this situation, the Tap Project, which launches nationwide on March 16 and runs through World Water Day on March 22, 2008, will support UNICEF's efforts to ensure all children have access to clean, safe drinking water. Just $1 provides one child with safe drinking water for 40 days.

To participate in the Tap Project, go to **www.tapproject.org/aexp**. American Express is a proud national supporter of the Tap Project.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Centurion® Card Statement of Account

Notice of Changes to Your Agreement

We are making **Important Changes** to your American Express Cardmember Agreement ("Agreement") governing the American Express® Card Account identified on this Notice.

These changes become effective on the dates indicated below, whether or not you receive a billing statement. This Notice formally amends your Agreement, and any contrary or conflicting language in that Agreement is replaced fully and completely. Note that the terms of your Account are subject to change (including increasing APRs/DPRs and fees, changing fixed APRs/DPRs to variable APRs/DPRs, and adding new terms) in accordance with the Agreement governing your Account. All terms of the Agreement not amended herein remain in full force and effect.

This is an important Notice of changes to your Agreement. You should carefully review these changes, share them with any Additional Cardmembers on your Account, and then keep this Notice for future reference. If you have questions regarding this Notice, please call the telephone number listed on the back of your American Express Card.

Buyer's Assurance Plan

The Buyer's Assurance Plan is changing for covered purchases made on or after May 1, 2008. Accordingly, effective May 1, 2008, the information below summarizes the terms and conditions of the plan, now called **Extended Warranty.**

EXTENDED WARRANTY is underwritten by AMEX Assurance Company, Administrative Office, Green Bay, WI. Coverage is determined by the terms, conditions, and exclusions of Policy AX0953 and is subject to change with notice. This document does not supplement or replace the Policy. **Please call us at the number on back of your American Express Card for a complete copy of your terms and conditions.** When you charge the entire cost of a covered product to your Card Account, Extended Warranty will extend the terms of the original manufacturer's warranty for a period of time equal to the duration of the original manufacturer's warranty, up to one (1) additional year (Centurion Cardmembers up to three (3) additional years) on warranties of five (5) years or less that are eligible in the United States of America.

DESCRIPTION OF BENEFITS: Where a loss has occurred during this plan's extended warranty time period of up to one (1) additional year (Centurion Cardmembers up to three (3) additional years), we will provide a benefit equal to the coverage of the original manufacturer's warranty on warranties of up to five (5) years. We will pay up to the actual amount charged to your account for the product for which a loss is claimed, but not to exceed $10,000. If the product also is covered by a purchased service contract, this plan's extended warranty time period begins at the end of the service contract and extends the original manufacturer's warranty for a period of time equal to that warranty, up to one (1) additional year (Centurion Cardmembers up to three (3) additional years). If the combined coverage of the original manufacturer's warranty and the purchased service contract exceed five (5) years, the product purchased is not eligible under this plan and no coverage applies. Extended Warranty does not reimburse for shipping and handling expenses or installation, assembly, professional advice, maintenance or other service charges. If you experience more than one loss in a calendar year, we will pay an amount not to exceed $50,000 for all losses in a calendar year. Our benefit payment will not include any product rebates, discounts or money received from the lowest price comparison programs that reduced the original cost of the property.

EXCLUSIONS: Benefits are not payable if the loss for which coverage is sought was directly or indirectly, wholly or partially, contributed to or caused by: 1. any physical damage, including, but not limited to, damage as a direct result of natural disaster or a power surge, except to the extent the original manufacturer's warranty covers such damage; 2. mechanical failure covered under product recall; or 3. fraud or abuse or illegal activity of any kind by the cardmember.

PURCHASES NOT COVERED: The following are not covered: 1. products covered by an unconditional satisfaction guarantee; 2. motorized vehicles (including, but not limited to, passenger cars, trucks, motorcycles, boats, airplanes) and their parts, subject to high risk, combustible, wear and tear or mileage stipulations (including, but not limited to, batteries, carburetors, pipes, hoses, pistons, brakes, tires, or mufflers); 3. motorized devices and their parts used for agriculture, landscaping, demolition or construction; 4. motorized devices and their parts which are permanent additions or fixtures to a residential or commercial building; 5. business fixtures, including, but not limited to, air conditioners, refrigerators, heaters; 6. land or buildings; 7. consumable or perishable items; 8. animals or living plants; 9. more than one article in a pair or set. Coverage will be limited to no more than the value of any particular part or parts, unless the articles are unusable individually and cannot be replaced individually, regardless of any special value they may have had as part of a set or collection; 10. items still under installment billing; 11. additional service contract or extended warranty coverage for a computer, computer component or part that you buy which already comes with an original United States of America manufacturer's warranty, unless such coverage is provided and administered by the original manufacturer; and 12. items purchased for resale, professional, or commercial use (this does not apply to OPEN Cardmembers).

GENERAL PROVISIONS

Excess Coverage: If any loss under this policy is insured under any other valid and collectible policy, then this policy shall cover such loss, subject to its exclusions, conditions, provisions and other terms herein, only to the extent that the amount of such loss is in excess of the amount of such other insurance which is payable or paid.

Termination or Cancellation: Coverage will cease on the earliest of the following: 1. the date you no longer maintain a permanent residence in the 50 United States of America, the District of Columbia, Puerto Rico or the U.S. Virgin Islands; 2. the date we determine that you or someone on your behalf intentionally misrepresented or fraud occurred; 3. the date the policy is cancelled; 4. the date you are no longer a cardmember; 5. the date your account ceases to be current and in good standing; or 6. the date the plan is not available in the location where you maintain a permanent residence. Termination or cancellation of coverage will not prejudice any claim originating prior to termination or cancellation subject to all other terms of the policy. The company has the right to cancel the policy at any time by sending a written notice at least forty-five (45) days in advance to you at your last known address. The notice will include the reason for cancellation.

Centurion® Card Statement of Account

An Important Notice Concerning Cardmember Privacy

This Privacy Notice is addressed to United States holders of personal American Express® Charge Cards or accounts, Optima® Cards or accounts, other personal credit card accounts that we issue, and to United States holders of business charge and credit cards from OPEN from American Express. This Notice explains how we collect, use and safeguard information about you and how to limit the use and disclosure of your information.

In this Notice, "American Express," "we," "our," and "us" refer to American Express Travel Related Services Company, Inc., American Express Centurion Bank and American Express Bank, FSB. These entities are "Affiliates" of each other, which are companies in the American Express family that are related to each other by common ownership or control. Our Affiliates also include publishers, travelers cheques issuers, travel agents and providers of Card-related insurance services. The cards and accounts that we issue are called "Cards" or "Card accounts." Holders of those Card accounts are called "Cardmembers" or "you(r)."

What Information Do We Collect?

We obtain information about you from a variety of sources. You provide us with information about yourself, for example, by completing Card applications. This includes your name, address, social security number, and income and asset information. Your use of the Card and your other transactions with us and our Affiliates provide us with additional information, such as your spending and payment history. Other sources, such as credit reporting agencies and providers of marketing information, furnish us with additional information about your credit history, purchasing preferences, and other matters. We also obtain information about you in connection with our efforts to protect against fraud. We call all of this information "Cardmember Information."

What Do We Do with Cardmember Information?

We use Cardmember Information in connection with delivering products and services to you. To do this it is often necessary to share it with our Affiliates and other companies we work with. These include companies that manage Card accounts, offer affinity, frequent-user, and reward programs, companies that perform marketing services and other business operations for us, and companies whose products or services are provided as a benefit of your Card account. We may also share Cardmember Information with other financial institutions with whom we jointly offer products and services. And we may disclose it to other third parties as permitted by law. For example, we disclose Cardmember Information in response to subpoenas, to credit reporting agencies, and to help prevent fraud.

Information We Share with Our Affiliates

You can inform us not to share with our Affiliates credit-related information (except as permitted by law), such as your credit history as shown on a consumer report. If you make this choice, we are permitted by law to share with our Affiliates information about our transactions and experiences with you, such as your payment history.

Valuable Partner Offers

We work with carefully selected business partners, such as merchants that accept the Card, so that you may receive offers for their products and services. We use Cardmember Information to help make these offers more relevant and valuable to you. If you respond to one of these offers, the business partner will know certain information about you, such as your name, that you are a Cardmember, and that you met the qualifications established for the offer. You can inform us not to send you these offers.

Your Choices

Please let us know if you do not want us to use your Cardmember Information to communicate with you about offers, including exclusive partner offers, by mail, telephone and/or e-mail, or share your credit-related information with our Affiliates, by visiting us at: **www.americanexpress.com/communications**. You can also inform us of your choices (except for e-mail communications) by calling us at **1-800-297-8378**. If you make these choices, you may not learn about products, services and features, including discounts and other special offers, we believe may be of interest to you and add value to your Card membership.

If you have other Card accounts with us, you will receive additional privacy notices that apply to those accounts. **Please note that any choices you make will only apply to this account.**

If you are the primary Cardmember on your Card account, any choices you make in accordance with this Notice will also apply to any other Cardmember on this account (except for e-mail communications). If you make choices not to receive offers as indicated above, we may still include notices and information about the Card and other products and services when communicating with you about your Card account and related products and services.

Information Security

We use reasonable administrative, technical and physical security measures to protect your Cardmember Information.

Former Customers

If you cancel your Card, or your Card account(s) are closed, we will continue to treat and safeguard Cardmember Information about you as described in this Notice.

For Vermont Cardmembers Only

If your Card account has a Vermont billing address, we will automatically treat your account as if you had informed us not to share your credit-related information with our Affiliates.

Annual EFT Error Resolution Notice

This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including Express Cash transactions, or electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please telephone us at 1-800-IPAY-AXP for Pay By Phone and Pay By Computer questions, and at 1-800-CASH-NOW for Express Cash and Automatic Payment questions. Alternatively, you may write to us at American Express Travel Related Services Company, Inc., Electronic Funds Services, P.O. Box 297815, Ft. Lauderdale, FL 33329-7815, or e-mail us by clicking on the Customer Service link online at www.americanexpress.com. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose. When you contact us, please provide the following information:

(1) Your name and account number. (2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information. (3) The date and dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call. We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving new accounts, point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Notice of Amendment to Cardmember Agreement

The last clause of the third sentence of the **Transactions Made in Foreign Currencies** section of the Cardmember Agreement should appear in boldface type. Accordingly, the last clause of that sentence, as amended, reads as follows: **"in each instance increased by 2%."** We are not changing the method used to convert Charges made in foreign currencies into U.S. dollars and we are not changing the method for determining the conversion rate used to convert those Charges into U.S. dollars.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Baggage Insurance Plan

Travel is more complicated than ever these days. Nothing can ruin a trip faster than losing your baggage. Membership means you can focus more on enjoying your trip and worry less about where your baggage might end up. The Baggage Insurance Plan* will cover you for lost, stolen, or damaged carry-on and checked baggage up to a combined maximum of $3,000 when you use your Card to purchase a scheduled flight, cruise, train, or bus ticket.

*American Express® Card Baggage Insurance Plan is underwritten by AMEX Assurance Company, Administrative Office, Green Bay, WI. Coverage is determined by the terms, conditions, and exclusions of Policy AX400 and is subject to change with notice. This document does not supplement or replace the Policy.

IndymacBank®

Indymac Bank® is now offering the Express Rewards Mortgage℠ Program in which you can earn valuable rewards on eligible new purchase or refinanced loans by paying your monthly mortgage payments with your rewards-eligible American Express® Card. Plus, Indymac Bank offers competitive rates and fast closing times, making your loan process simple and hassle-free.

It is important to understand the features associated with the loan program you choose and how it may impact your financial situation. To qualify, you must close on an eligible new purchase or refinance loan and be authorized by American Express for the anticipated monthly payment. Subject to Program terms/conditions, underwriting approval, and loan-related closing costs including an initial Program fee. American Express and Indymac Bank are not affiliated and neither is responsible for financial services offered by the other.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Important Notice

Renewal Notice

Your membership renews next month. The following account terms are in effect at time of renewal, unless otherwise indicated.

Please refer to page 2 for further important information regarding your account

Statement Information: The amount due on any statement is payable upon receipt of the statement and must be paid by the closing date of the next statement to keep your account current.

Annual Fee: The annual fee is $2,500.00 for the Basic Centurion Card and $1,500.00 for each Additional Centurion Card. The annual fee is $175.00 for up to three Additional Platinum Cards on your Account and $175.00 for each Additional Platinum Card on your Account after the first three, $45.00 for up to five Additional Gold Cards on your Account and $45.00 for each Additional Gold Card on your Account after the first five. You can avoid paying the annual fee by discontinuing your membership by calling the Customer Service telephone number on Page 2 when you receive the statement on which the annual fee is billed. The $5.00 annual subscription fee for *Departures* magazine is included in the annual fee for your Centurion membership. f you do not wish to receive *Departures* magazine, please call **1-877-509-3993,** Monday through Friday, 9am - 5pm EST.

Grace Period for Purchases on Flexible Payment Features: 30 days on average if previous balance is paid in full, for enrollees in Sign & Travel® or Extended Payment Option Flexible Payment Features - otherwise, no grace period.

Method of Computing the Balance Subject to Finance Charge for Purchases on Flexible Payment Features: Average Daily Balance (including new purchases, excluding new purchases made on the Sign & Travel or Extended Payment Option Flexible Payment Feature by Cardmembers enrolled in such Features).

APR Information: The Annual Percentage Rates **(APRs)** and Daily Periodic Rates **(DPRs)** for each billing period may vary based on the applicable Prime Rate. The Prime Rate used to determine the variable **APRs** and **DPRs** is the Prime Rate published in *The Wall Street Journal* (a) on the first day of that billing period or (b) two days prior to the Closing Date of that billing period, whichever is higher. For either of those dates that is not a customary publication day for *The Wall Street Journal*, we will substitute the closest preceding customary publication day. Please see your Cardmember Agreement. Any promotional rate will terminate if you fail to pay the minimum amount due by the payment due date or upon any condition that causes a default or other penalty rate to apply to your account and then the applicable default or penalty rate will apply.

You may have access to one or more Flexible Payment Features as part of your Card account. Any **APRs** and **DPRs** listed below are applicable to the following as of the Closing Date of this statement.

Something Good Is Going to Happen

Members Project® is your chance to help advance the causes that matter most to you with $2.5 million in funding from American Express. Last year, American Express® Cardmembers brought clean drinking water to children across Africa. What happens this year is up to you. Submit your idea for a project that could make a difference by August 19, 2008. Whether or not you submit an idea, you get to vote on which projects win, starting September 9, 2008. The winning projects get funding from American Express. It's easy for you to make a difference. Visit **membersproject.com** and learn more.

Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Centurion® Card Statement of Account

Important Notice:

We are making several changes to our card products in response to the challenging environment and the increasing costs of doing business. These changes include raising interest rates on some American Express cards and increasing the conversion rate for Charges made in foreign currencies. Please see below for details.

American Express offers a number of tools and resources designed to help you take advantage of all the benefits and features your Card offers, including the ability to make payments electronically or by phone free of charge, free alerts by e-mail or phone, and tips for using your Card. For more information, visit www.americanexpress.com.

Notice of Changes to Your Account

The terms of your Account are subject to change in accordance with the American Express Cardmember Agreement ("Agreement") governing your Account (including increasing rates and fees, changing fixed rates to variable rates, and adding new terms). Any language in your Agreement contrary to or conflicting with terms amended herein is replaced fully and completely. All terms of the Agreement not amended herein remain in full force and effect. These changes apply to existing balances and future balances on your Account. We urge you and any Additional Cardmembers on your Account to read this notice carefully and file it along with your Agreement in a safe place for future reference.

APR for Default

For billing periods that begin on or after December 2, 2008, the last sentence of subsection D of the Finance Charges section of your Agreement is replaced with the following:

"The Default Rate is a DPR which corresponds to an **APR** equal to the Prime Rate plus 23.99%."

This is a variable rate. As of October 13, 2008, the Prime Rate plus 23.99% is an **APR** of 28.49% and a **DPR** 0.0781%.

Dishonored Payment

If one payment on your Account is not honored, the Default Rate will apply. Accordingly, for billing periods that begin on or after December 2, 2008, clause (iii) of sub-section D of the Finance Charges on Features section of your Agreement is deleted and replaced with the following:

"(iii) a payment submitted on your Account is not honored."

Late Fees

We are changing the day upon which late fees may first be assessed as a result of late payment. If you have not paid the Amount Due on this statement before the 20th day after the Closing Date of your next statement, you will be assessed a $35 late fee (Iowa $15). For billing periods that begin on or after December 2, 2008, we are replacing the Late Fees section of your Agreement with the following:

"If any portion of the Amount Due on a billing statement is not credited to your Account before the 20th day after the next Closing Date, we may assess a fee of $35 (Iowa $15). In addition, if any portion of that Amount Due is not credited by the following Closing Date, we may assess an additional fee in that same billing period of the greater of $35 or 2.99% of any amount past due (Iowa $15). If any amount past due is not credited to your Account by successive Closing Dates, we may assess a fee equal to the greater of $35 or 2.99% of any amount past due (Iowa $15)."

Transactions Made in Foreign Currencies

Effective January 11, 2009, the bolded clause in the Transactions Made in Foreign Currencies section of your Agreement is replaced with the following:

"in each instance increased by 2.7%."

Electronic Funds Transfer (EFT) Agreement

Effective December 2, 2008, we are adding a sentence to the last paragraph of the "In Case of Errors or Questions About Your Transactions" section of your EFT Agreement. The following is added after the third sentence:

"You authorize us or an agent to debit your Bank Account for this amount.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about atransaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7% (except for transactions processed prior to 01/11/09, increased by 2%).** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

In this Notice, "American Express," "we," "our," and "us" refer to American Express Travel Related Services Company, Inc., American Express Centurion Bank and American Express Bank, FSB. These entities are "Affiliates" of each other, which are companies in the American Express family that are related to each other by common ownership or control. Our Affiliates also include publishers, travelers cheques issuers, travel agents and providers of Card-related insurance services. The cards and accounts that we issue are called "Cards" or "Card accounts." Holders of those Card accounts are called "Cardmembers" or "you(r)."

What Information Do We Collect?

We obtain information about you from a variety of sources. You provide us with information about yourself, for example, by completing Card applications. This includes your name, address, social security number, and income and asset information. Your use of the Card and your other transactions with us and our Affiliates provide us with additional information, such as your spending and payment history. Other sources, such as credit reporting agencies and providers of marketing information, furnish us with additional information about your credit history, purchasing preferences, and other matters. We also obtain information about you in connection with our efforts to protect against fraud. We call all of this information "Cardmember Information."

What Do We Do with Cardmember Information?

We use Cardmember Information in connection with delivering products and services to you. To do this it is often necessary to share it with our Affiliates and other companies we work with. These include companies that manage Card accounts, offer affinity, frequent-user, and reward programs, companies that perform marketing services and other business operations for us, and companies whose products or services are provided as a benefit of your Card account. We may also share Cardmember Information with other financial institutions with whom we jointly offer products and services. And we may disclose it to other third parties as permitted by law. For example, we disclose Cardmember Information in response to subpoenas, to credit reporting agencies, and to help prevent fraud.

Information We Share with Our Affiliates

You can inform us not to share with our Affiliates credit-related information (except as permitted by law), such as your credit history as shown on a consumer report. If you make this choice, we are permitted by law to share with our Affiliates information about our transactions and experiences with you, such as your payment history.

Valuable Partner Offers

We work with carefully selected business partners, such as merchants that accept the Card, so that you may receive offers for their products and services. We use Cardmember Information to help make these offers more relevant and valuable to you. If you respond to one of these offers, the business partner will know certain information about you, such as your name, that you are a Cardmember, and that you met the qualifications established for the offer. You can inform us not to send you these offers.

Your Choices

Please let us know if you do not want us to use your Cardmember Information to communicate with you about offers, including exclusive partner offers and offers from our Affiliates, by mail, telephone and/or e-mail, or share your credit-related information with our Affiliates, by visiting us at: **www.americanexpress.com/communications**. You can also inform us of your choices (except for e-mail communications) by calling us at **1-800-297-8378**. If you make these choices, you may not learn about products, services and features, including discounts and other special offers, we believe may be of interest to you and add value to your Card membership.

If you have other Card accounts with us, you will receive additional privacy notices that apply to those accounts. **Please note that any choices you make will only apply to this account.**

If you are the primary Cardmember on your Card account, any choices you make in accordance with this Notice will also apply to any other Cardmember on this account (except for e-mail communications). If you make choices not to receive offers as indicated above, we may still include notices and information about the Card and other products and services when communicating with you about your Card account and related products and services.

Information Security

We use reasonable administrative, technical and physical security measures to protect your Cardmember Information.

Former Customers

If you cancel your Card, or your Card account(s) are closed, we will continue to treat and safeguard Cardmember Information about you as described in this Notice.

For Vermont Cardmembers Only

If your Card account has a Vermont billing address, we will automatically treat your account as if you had informed us not to share your credit-related information with our Affiliates.

Annual EFT Error Resolution Notice

This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including Express Cash transactions, or electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please telephone us at 1-800-IPAY-AXP for Pay By Phone and Pay By Computer questions, and at 1-800-CASH-NOW for Express Cash and Automatic Payment questions. Alternatively, you may write to us at American Express Travel Related Services Company, Inc., Electronic Funds Services, P.O. Box 297815, Ft. Lauderdale, FL 33329-7815, or e-mail us by clicking on the Customer Service link online at www.americanexpress.com. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose. When you contact us, please provide the following information:

(1) Your name and account number. (2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information. (3) The date and dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call. We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving new accounts, point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Centurion® Card Statement of Account

Important Notice:

We are making several changes to our card products in response to the challenging environment and the increasing costs of doing business. These changes include raising interest rates on some American Express cards. Please see below for details.

American Express offers a number of tools and resources designed to help you take advantage of all the benefits and features your Card offers, including the ability to make payments electronically or by phone free of charge, free text and email alerts, and tips for using your Card. For more information, visit www.americanexpress.com.

Notice of Changes to Your Account

The terms of your Account are subject to change in accordance with the American Express Cardmember Agreement ("Agreement") governing your Account (including increasing rates and fees, changing fixed rates to variable rates, and adding new terms). Any language in your Agreement contrary to or conflicting with terms amended herein is replaced fully and completely. All terms of the Agreement not amended herein remain in full force and effect. These changes apply to existing balances and future balances on your Account. We urge you and any Additional Cardmembers on your Account to read this notice carefully and file it along with your Agreement in a safe place for future reference.

Flexible Payment Features

Your Account may be eligible for Features, as described in your Agreement. In no event may the total of outstanding Feature balances exceed $35,000, unless we notify you of a different amount. Consequently, any Charges that would cause your Feature balances to exceed that amount will be due in full. Please note that a Charge may be ineligible for extended payment even if it would not cause your Feature balances to exceed that amount. Accordingly, effective April 2, 2009, the fourth paragraph of the **Flexible Payment Features** section of your Agreement is deleted and replaced with the following:

"We may change our designation of what Charges are eligible for the Sign & Travel Feature and/or the Extended Payment Option at any time. However, any Charge that would cause the total of outstanding Feature balances to exceed $35,000 (unless we notify you of a different amount) will not be eligible for extended payment. Any Charges that are not eligible for extended payment, or any otherwise eligible Charges for which you have elected not to extend payment, will be due in full upon your receipt of the billing statement. Additionally, any Charges incurred by a Cardmember who is not eligible to use one of the Features will also be due in full upon your receipt of the billing statement."

Telephone Communications

Effective April 2, 2009, the **Telephone Monitoring/Recording** section of your Agreement is deleted and replaced with the following:

"**Telephone Communications**

You agree that from time to time we may monitor and/or record telephone calls between you (or Additional Cardmembers on your Account) and us to assure the quality of our customer service or as required by applicable law.

You authorize us to call or send a text message to you at any number you give us or from which you call us, including mobile phones. You authorize us to make such calls using automatic telephone dialing systems for any lawful purpose, including but not limited to: suspected fraud or identity theft; Account transactions or servicing; offers of American Express products and services; and collecting on your Account.

You authorize us to place prerecorded calls in connection with the status of your account, or security and identity theft matters.

You agree to pay any fees or charges you incur for incoming calls or text messages from us without reimbursement."

In addition, effective April 2, 2009, the reference to "Telephone Monitoring/Recording" in the **Status of and Responsibility for Additional Cardmembers** section of your Agreement is deleted and replaced with "Telephone Communications."

American Express® Card Baggage Insurance Plan

The American Express Card Baggage Insurance Plan is changing for Covered Trips made on or after May 31, 2009. Accordingly, effective May 31, 2009, the information below summarizes the terms and conditions of the Plan. The terms and conditions may vary by state. American Express Card Baggage Insurance Plan is underwritten by AMEX Assurance Company, Administrative Office, Green Bay, WI. Coverage is determined by the terms, conditions, and exclusions of Policy AX0400 or Policy BIP-IND and is subject to change with notice to you. This document does not supplement or replace the Policy. **Please call us at the number on the back of your American Express Card for a complete copy of your terms and conditions.** The American Express Card Baggage Insurance Plan provides benefits for a Covered Person's damaged, stolen or lost baggage, whether checked or carry-on, when the entire fare for common carrier conveyance tickets are purchased and charged to your eligible American Express Card account. **Covered Person means:** a) the basic Cardmember, each additional Cardmember, and each of these Cardmembers' spouses or domestic partners and dependent children under 23 years of age; or b) officers, partners, proprietors, employees, consultants or employment candidates authorized by a sponsoring organization, to have common carrier conveyance fares charged to that sponsoring organization's account for a bona fide business trip. All Covered Persons must have a permanent residence within the 50 United States of America, or the District of Columbia. All other persons are not Covered Persons under the policy. **Platinum Cardmember** means a Cardmember who has a Platinum Charge Card (required to be paid in full monthly), a Corporate Platinum Card, or a Fidelity American Express Platinum Card. Any other Card which may reference the Platinum name or has Platinum colored plastic will not receive higher coverage limits or benefits. The capitalized terms used herein shall have the meaning assigned to such terms in the policy. Certain terms contained in this summary are defined within the full policy document. You may file a claim by calling toll-free stateside 1-800-645-9700 or, if from overseas, by calling collect 1-303-273-6498. You may also write to Baggage Insurance Plan, PO Box 683, Golden, CO 80401.

DESCRIPTION OF BENEFITS: We will pay a benefit to a Covered Person for a loss up to the applicable limits and under the circumstances described below. For New York State residents, there is a $10,000 aggregate maximum limit for all Covered Persons per covered trip.

Carry-on Baggage Benefit: We will pay a benefit for the replacement cost, up to $1,250, for each Covered Person on a covered trip for loss of carry-on baggage. A Covered Person is eligible for this benefit if the loss occurs while the Covered Person is upon a common carrier's terminal premises designated for passenger use, but only when the Covered Person is upon such premises immediately before boarding or immediately after alighting from a common carrier conveyance or while riding solely as a passenger in or boarding or alighting from a common carrier conveyance while on a covered trip.

Checked Baggage Benefit: We will pay a benefit for the replacement cost, up to $500, for each Covered Person on a covered trip for loss of checked baggage. (Bicycles are covered when checked as baggage with a common carrier conveyance.)
High-risk Items Benefit: We will pay a maximum benefit of $250, for each Covered Person on a covered trip for loss of high risk items. High-risk items include, but are not limited to: jewelry; sporting equipment; photographic or electronic equipment; and computers and audio/visual equipment.
Common Carrier Conveyance Benefit: We will pay a benefit for the replacement cost, up to $1,250, for each Covered Person on a covered trip, when a common carrier conveyance ticket is purchased in advance of a covered trip, for loss to baggage while the Covered Person is riding solely as a passenger on a common carrier conveyance when going directly to a common carrier's terminal for the purpose of boarding a common carrier conveyance or when leaving from a common carrier's terminal directly after alighting from a common carrier conveyance.
Platinum Cardmembers Carry-on and Checked Baggage Benefit: We will pay a benefit for the replacement cost of carry-on baggage up to a maximum of $3,000 for each Covered Person on a Covered Trip. We will pay a benefit for the replacement cost of checked Baggage up to a maximum of $2,000 for each Covered Person on a Covered Trip. If a Covered Person's loss on a covered trip includes the replacement cost for both carry-on and checked baggage, the benefit under this plan is limited to a combined total of $3,000. **For New York State residents:** We will pay a benefit for the replacement cost of carry-on baggage up to a maximum of $2,000 for each Covered Person on a covered trip. The $10,000 aggregate maximum limit for all Covered Person per covered trip also applies.
Platinum Cardmembers Common Carrier Conveyance Benefit: We will pay a benefit for the replacement cost, up to $3,000, for each Covered Person on a covered trip, when a Common Carrier Conveyance ticket is purchased in advance of a covered trip. **For New York State residents:** We will pay a benefit for the replacement cost, up to $2,000, for each Covered Person on a covered trip, when a common carrier conveyance ticket is purchased in advance of a covered trip.
EXCLUSIONS: Benefits are not payable if the loss for which coverage is sought was directly or indirectly, wholly or partially, contributed to or caused by the following: war or any act of war, whether declared or undeclared; any act by customs or other governmental authority whether involving your consent or by confiscation or requisition (except the Transportation Security Administration); defective workmanship, normal wear and tear and gradual deterioration, or any illegal act by or on behalf of the Covered Person.
Items Not Covered: This plan does not insure: cash or its equivalent, notes, accounts, bills, currency, deeds, food stamps or evidences of debt or intangible property; credit cards and other travel documents (including, but not limited to, passports and visas); securities; tickets and documents; plants and animals; automobiles and equipment; motorcycles and motors; aircraft, boats or other conveyances; or property shipped as freight or shipped prior to the covered trip departure date.
EXCESS COVERAGE: If any loss under this plan is insured under any other valid and collectible policy, then this plan shall cover such loss, subject to its exclusions, conditions, provisions and other terms herein, only to the extent that the amount of such loss is in excess of the amount of such other insurance which is payable or paid.
TERMINATION OR CANCELLATION: Coverage will cease on the earliest of the following: the date you no longer maintain a permanent residence in the 50 United States of America, or the District of Columbia; the date we determine that you or someone on your behalf intentionally misrepresented or fraud occurred; the date the Policy or any benefit under the Policy is cancelled; the date you terminate your account and are no longer a cardmember or your account is cancelled by American Express; the date your account ceases to remain current and in good standing; or the date the plan is not available in the location where you maintain a permanent residence. Termination or Cancellation of coverage will not prejudice any claim originating prior to termination or cancellation subject to all other terms of the Policy. We have the right to cancel the Policy at any time by sending a written notice at least sixty (60) days in advance to you at your last known address. The notice will include the reason for cancellation.

Travel Accident Insurance

Travel Accident Insurance is changing for Covered Trips made on or after May 31, 2009. Accordingly, effective May 31, 2009, the information below summarizes the terms and conditions of the Plan. The terms and conditions may vary by state.
Travel Accident Insurance is underwritten by AMEX Assurance Company, Administrative Office, Green Bay, WI. Coverage is determined by the terms, conditions, and exclusions of Policy AX0948 and is subject to change with notice to you. This document does not supplement or replace the Policy. **Please call us at the number at 1-800-437-9209 for a complete copy of your terms and conditions or if you need to file a claim.** Travel Accident Insurance provides accidental death and dismemberment insurance while traveling on a Common Carrier Conveyance (plane, train, helicopter, ship, or bus) when the entire fare has been charged to the Card. As a benefit of Cardmembership, the Covered Person will receive a benefit level of coverage depending on the type of American Express Card account to which the entire fare for

the Common Carrier Conveyance was charged for the covered trip. Covered Persons include the basic Cardmember, each additional Cardmember, and each of these Cardmember's spouses or domestic partners and dependent children under 23 years of age. All Covered Persons must have a permanent residence within the 50 United States of America or the District of Columbia. All other persons are not Covered Persons under the Policy. The capitalized terms used herein shall have the meaning assigned to such terms in the Policy. Please note that certain terms contained in this summary are defined within the full policy document.

DESCRIPTION OF BENEFITS: **Accidental Death and Accidental Dismemberment**. The Plan provides coverage for accidental death and dismemberment due to a loss from an injury while coverage is in force under the Policy, but only if such loss occurs within 100 days after the date of the accident which caused the injury. If more than one loss is sustained, benefits will be paid for the greatest loss.

Benefits are paid according to the following schedule: • Loss of Life - 100% • Loss of both hands or both feet - 100% • Loss of one hand and one foot - 100% • Loss of entire sight of both eyes - 100% • Loss of entire sight of one eye and one hand or one foot - 100% • Loss of one hand or one foot - 50% • Loss of the entire sight of one eye - 50%.

Common Carrier Benefit. This benefit is payable if the Covered Person sustains accidental death or dismemberment as a result of an accident which occurs while riding solely as a passenger in, or boarding, or alighting from, or being struck by a Common Carrier Conveyance on a covered trip.

Exposure and Disappearance. If the Covered Person is unavoidably exposed to the elements because of an accident on a covered trip which results in the disappearance, sinking or wrecking of the common carrier conveyance, and if as a result of such exposure, the Covered Person suffers a loss for which benefits are otherwise payable under the Policy, such loss will be covered under the Policy; if the Covered Person's body has not been found within 52 weeks after the date of such accident, it will be presumed, subject to there being no evidence to the contrary, that the Covered Person suffered loss of life as a result of injury covered by the Policy.

BENEFICIARY: The basic Cardmember may designate a beneficiary or change a previously designated beneficiary for himself or herself and his or her spouse or domestic partner and dependent children who are not additional Cardmembers. An additional Cardmember may designate a beneficiary or change a previously designated beneficiary for himself or herself and his or her spouse or domestic partner and dependent children who are not also the basic Cardmember, the basic Cardmember's spouse or domestic partner or children, or additional Cardmembers. If no beneficiary is designated benefits will be paid to the surviving person or equally to the surviving persons in the first of the following classes: spouse or domestic partner; children, equally per stirpes; and the estate.

EXCLUSIONS: The Policy contains the following exclusions: • suicide or self-destruction or any attempt thereat, while sane or insane; intentionally self-inflicted injury, suicide or any attempt thereat, while sane • war or any act of war whether declared or undeclared; however, any act committed by an agent of any government, party, or faction engaged in war, hostilities, or other warlike operations provided such agent is acting secretly and not in connection with any operation of armed forces (whether military, naval or air forces) in the country where the injury occurs shall not be deemed an act of war • injury to which a contributory cause was the commission of or attempt to commit an illegal act by or on behalf of the Covered Person or his/her beneficiaries • injury received while serving as an operator or crew member of any conveyance • injury received while driving, riding as a passenger in, boarding or alighting from a rental vehicle • injury received during or as a result of commutation • sickness, physical or mental infirmity, pregnancy, or any medical or surgical treatment for such conditions, unless treatment of the condition is required as the direct result of an injury.

TERMINATION OR CANCELLATION: Coverage under the Policy will cease on the earliest of the following: • the date the Covered Person no longer maintains a permanent residence in the 50 United States of America or the District of Columbia • the date we determine that the Covered Person or someone on the Covered Persons' behalf intentionally misrepresented or fraud occurred • the date the policy is cancelled • the date the basic Cardmember's account ceases to remain current and in good standing • the date the Plan is not available in the location where the Covered Person maintains a permanent residence. The Company has the right to cancel the Policy at any time by sending a written notice at least forty five (45) days in advance to you at your last known address. The notice will include the reason for cancellation.

Form Numbers: TAI-DOC 03/07

Forms in addition to those listed above are also applicable to residents in the following states:

New York, Form Number TAI-RDR1-NY 03/07. Covered Persons does not include language requiring a permanent residence within the 50 United States of America or the District of Columbia. The following replaces the exclusions found in the Exclusion section: • suicide, attempted suicide or intentionally self-inflicted injury • war or any act of war, whether declared or undeclared; participation in a felony, riot or insurrection; service in the Armed Forces or units auxiliary thereto • injury in which a contributing cause was the Covered Person's commission of or attempt to commit a felony or to which a contributing cause was the Covered Person's being engaged in an illegal occupation • sickness, except for an infection that was the result of an Injury • mental or emotional disorder • pregnancy, except complications of pregnancy and except to the extent coverage is required pursuant to Section 3221 of the New York Insurance Law • the consequence of the Covered Person's being intoxicated or under the influence of any narcotic unless administered on the advice of a physician. In the Termination and Cancellation section the following is removed in its entirety: the date the Covered Person no longer maintains a permanent residence in the 50 United States of America or the District of Columbia. In the Termination and Cancellation section the following replaces the language regarding misrepresentation or fraud: the date we determine that the Covered Person or someone on the Covered Persons' behalf intentionally misrepresented or fraud occurred in a written instrument signed by the Covered Person.

North Carolina, Form Number: TAI-RDR1-NC 03/07

Oklahoma, Form Number: TAI-RDR1-OK 03/07. In the Exclusions section the following replaces the exclusion regarding war: war or act of war, declared or undeclared, while serving in the military service or any auxiliary unit attached thereto.

Texas, Form Number: TAI-RDR1-TX 03/07. Covered Persons include dependent children under 25 years of age who are stepchildren; adopted or a party to a suit to be adopted children; grandchildren who are unmarried and dependent on the Cardmember for tax purposes at the time the application for coverage is made; and physically or mentally handicapped children who are unmarried, cannot self-support themselves, and are beyond the termination age.
Vermont, Form Number TAI-RDR1-VT 03/07. In the Exclusions section the following replaces the exclusion regarding suicide: suicide or self-destruction or any attempt thereat, while sane; intentionally self-inflicted injury, suicide or any attempt thereat, while sane. In the Exclusions section the following replaces the exclusion regarding specific conditions: sickness, physical infirmity, pregnancy, or any medical or surgical treatment for such conditions, unless treatment of the condition is required as the direct result of an injury.

Car Rental Loss and Damage Insurance

Effective May 31, 2009, we are adding the following to the end of Car Rental Loss and Damage Insurance:
The following form numbers are applicable to residents in the following states:
Arizona and Indiana, Form Numbers: CRLDI-IND-CCSG 11/05; CRLDI-IND-OSBN 11/05; CRLDI-IND-PLAT 11/05; CRLDI-IND-CEN 11/05; CRLDI-IND-OSBN-PLAT 11/05; CRLDI-IND-End1 10/08

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Redeem for an IWC Father & Son Watch Set!

MEMBERSHIP rewards

Like father and son, these watches make a great Father's Day gift. Both have the same rhodium-plated, light-coloured dial of the pilot's watches, the same user-friendly onion-shaped crown of the early pilot's watches from IWC, and the same brown alligator leather strap and characteristic steel rivets. Wear it and stand out from the crowd. Individually and even more so together. The only difference between the two watches is their size. Redeem 4,900,000 points for reward code **CMP4394.**

Centurion® Card Statement of Account

Notice of Changes to The Membership Rewards Program Terms and Conditions

We are making **Important Changes** to the Membership Rewards® program associated with your American Express® Card Account identified on this Notice.

These changes become effective on the dates indicated below, whether or not you receive a statement. This Notice formally amends your Terms and Conditions, and any contrary or conflicting language in those Terms and Conditions is replaced fully and completely.

This is an important Notice of changes. We recommend that you carefully review these changes, share them with any Additional Cardmembers on your Account, and then keep this Notice for future reference. If you have any questions, please call the telephone number listed on the back of your American Express Card.

Membership Rewards Excise Tax Offset Fee

We are changing the excise tax offset fee per point and the maximum fee that will be applied to your Card account for conversion of points into the Frequent Flyer program of a U.S. airline. Accordingly, paragraph 2 of the **Frequent Customer Programs** section of the Membership Rewards Terms & Conditions is changed to read:

"For each conversion of points into the Frequent Flyer program of a U.S. airline, an excise tax offset fee of $0.0005 per point, with a maximum fee of $75 (effective 09/01/2009, $0.0006 per point, with a maximum fee of $99), will be charged to your Card account. We charge this fee to offset the federal excise tax we must pay on such conversions. The fee may be more or less than the actual amount of the excise tax we pay on any individual conversion. We may offer you the option to redeem points to pay this fee."

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Important Notice

Renewal Notice

Your membership renews next month. The following account terms are in effect at time of renewal, unless otherwise indicated.

Please refer to page 2 for further important information regarding your account

Statement Information: The amount due on any statement is payable upon receipt of the statement and must be paid by the closing date of the next statement to keep your account current.

Annual Fee: The annual fee is $2,500.00 for the Basic Centurion Card and $1,500.00 for each Additional Centurion Card. The annual fee is $175.00 for up to three Additional Platinum Cards on your Account and $175.00 for each Additional Platinum Card on your Account after the first three, $45.00 for up to five Additional Gold Cards on your Account and $45.00 for each Additional Gold Card on your Account after the first five. You can avoid paying the annual fee by discontinuing your membership by calling the Customer Service telephone number on Page 2 when you receive the statement on which the annual fee is billed. The $5.00 annual subscription fee for *Departures* magazine is included in the annual fee for your Centurion membership. f you do not wish to receive *Departures* magazine, please call **1-877-509-3993,** Monday through Friday, 9am - 5pm EST.

Grace Period for Purchases on Flexible Payment Features: 30 days on average if previous balance is paid in full, for enrollees in Sign & Travel® or Extended Payment Option Flexible Payment Features - otherwise, no grace period.

Method of Computing the Balance Subject to Finance Charge for Purchases on Flexible Payment Features: Average Daily Balance (including new purchases, excluding new purchases made on the Sign & Travel or Extended Payment Option Flexible Payment Feature by Cardmembers enrolled in such Features).

APR Information: The Annual Percentage Rates **(APRs)** and Daily Periodic Rates **(DPRs)** for each billing period may vary based on the applicable Prime Rate. The Prime Rate used to determine the variable **APRs** and **DPRs** is the Prime Rate published in *The Wall Street Journal* (a) on the first day of that billing period or (b) two days prior to the Closing Date of that billing period, whichever is higher. For either of those dates that is not a customary publication day for *The Wall Street Journal*, we will substitute the closest preceding customary publication day. Please see your Cardmember Agreement. Any promotional rate will terminate if you fail to pay the minimum amount due by the payment due date or upon any condition that causes a default or other penalty rate to apply to your account and then the applicable default or penalty rate will apply.

You may have access to one or more Flexible Payment Features as part of your Card account. Any **APRs** and **DPRs** listed below are applicable to the following as of the Closing Date of this statement.

Centurion® Card
Statement of Account

Notice of Changes to Your Account

The terms of your Account are subject to change in accordance with the American Express Cardmember Agreement ("Agreement") governing your Account referenced in or with this notice (including increasing rates and fees, changing fixed rates to variable rates, and adding new terms). Any language in your Agreement contrary to or conflicting with terms amended herein is replaced fully and completely. All terms of the Agreement not amended herein remain in full force and effect. These changes apply to existing balances and future balances on your Account. We urge you and any Additional Cardmembers on your Account to read this notice carefully and file it along with your Agreement in a safe place for future reference.

Point Forfeiture For Late Payment

Effective for billing periods beginning in September 2009, forfeiture of Membership Rewards points for late payment will apply to your enrolled credit Card accounts. Accordingly, paragraph 1 of the Point Forfeiture for Late Payment section of the Program Terms & Conditions is changed to read:

1. If the amount due on any Linked charge Card account or the minimum amount due on any Linked credit Card account is not paid in full within one month of the closing date on the billing statement for that Linked account, points accrued in the program for that Linked account for that billing period will be forfeited.

Centurion® Card Statement of Account

An Important Notice Concerning Card member Privacy

This Privacy Notice is addressed to United States holders of personal American Express® Charge Cards or accounts, Optima® Cards or accounts, other personal credit card accounts that we issue, and to United States holders of business charge and credit cards from OPEN from American Express. This Notice explains how we collect, use and safeguard information about you and how to limit the use and disclosure of your information.

In this Notice, "American Express," "we," "our," and "us" refer to American Express Travel Related Services Company, Inc., American Express Centurion Bank and American Express Bank, FSB. These entities are "Affiliates" of each other, which are companies in the American Express family that are related to each other by common ownership or control. Our Affiliates also include publishers, travelers cheques issuers, travel agents and providers of Card-related insurance services. The cards and accounts that we issue are called "Cards" or "Card accounts." Holders of those Card accounts are called "Cardmembers" or "you(r)."

What Information Do We Collect?
We obtain information about you from a variety of sources. You provide us with information about yourself, for example, by completing Card applications. This includes your name, address, social security number, and income and asset information. Your use of the Card and your other transactions with us and our Affiliates provide us with additional information, such as your spending and payment history. Other sources, such as credit reporting agencies and providers of marketing information, furnish us with additional information about your credit history, purchasing preferences, and other matters. We also obtain information about you in connection with our efforts to protect against fraud. We call all of this information "Cardmember Information."

What Do We Do with Cardmember Information?
We use Cardmember Information in connection with delivering products and services to you. To do this it is often necessary to share it with our Affiliates and other companies we work with. These include companies that manage Card accounts, offer affinity, frequent-user, and reward programs, companies that perform marketing services and other business operations for us, and companies whose products or services are provided as a benefit of your Card account. We may also share Cardmember Information with other financial institutions with whom we jointly offer products and services. And we may disclose it to other third parties as permitted by law. For example, we disclose Cardmember Information in response to subpoenas, to credit reporting agencies, and to help prevent fraud.

Information We Share with Our Affiliates
You can inform us not to share with our Affiliates credit-related information (except as permitted by law), such as your credit history as shown on a consumer report. If you make this choice, we are permitted by law to share with our Affiliates information about our transactions and experiences with you, such as your payment history.

Valuable Partner Offers
We work with carefully selected business partners, such as merchants that accept the Card, so that you may receive offers for their products and services. We use Cardmember Information to help make these offers more relevant and valuable to you. If you respond to one of these offers, the business partner will know certain information about you, such as your name, that you are a Cardmember, and that you met the qualifications established for the offer. You can inform us not to send you these offers.

Your Choices
Please let us know if you do not want us to use your Cardmember Information to communicate with you about offers, including exclusive partner offers and offers from our Affiliates, by mail, telephone and/or e-mail, or share your credit-related information with our Affiliates, by visiting us at: **www.americanexpress.com/communications**. You can also inform us of your choices (except for e-mail communications) by calling us at **1-800-297-8378**. If you make these choices, you may not learn about products, services and features, including discounts and other special offers, we believe may be of interest to you and add value to your Card membership.

If you have other Card accounts with us, you will receive additional privacy notices that apply to those accounts. **Please note that any choices you make will only apply to this account.**

If you are the primary Cardmember on your Card account, any choices you make in accordance with this Notice will also apply to any other Cardmember on this account (except for e-mail communications). If you make choices not to receive offers as indicated above, we may still include notices and information about the Card and other products and services when communicating with you about your Card account and related products and services.

Information Security
We use reasonable administrative, technical and physical security measures to protect your Cardmember Information.

Former Customers
If you cancel your Card, or your Card account(s) are closed, we will continue to treat and safeguard Cardmember Information about you as described in this Notice.

For Vermont Card members Only
If your Card account has a Vermont billing address, we will automatically treat your account as if you had informed us not to share your credit-related information with our Affiliates.

Annual EFT Error Resolution Notice

This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including Express Cash transactions, or electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please telephone us at 1-800-IPAY-AXP for Pay By Phone and Pay By Computer questions, and at 1-800-CASH-NOW for Express Cash and Automatic Payment questions. Alternatively, you may write to us at American Express Travel Related Services Company, Inc., Electronic Funds Services, P.O. Box 297815, Ft. Lauderdale, FL 33329-7815, or e-mail us by clicking on the Customer Service link online at www.americanexpress.com. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose. When you contact us, please provide the following information:

(1) Your name and account number. (2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information. (3) The date and dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call. We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving new accounts, point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

USE POINTS FOR EVERYDAY CHARGES

The following Terms and Conditions apply to this feature, available on or about 08/14/2009:

To use this feature and redeem points, visit **membershiprewards.com/everydaycharges**

(MR Message 2991) and (MR Message 2993)

This is an online capability available only to Basic Consumer and OPEN Cardmembers enrolled in the U.S. Membership Rewards® program. Authorized agents, authorized account managers, Additional Cardmembers and Authorized Additional Cardmembers are not eligible. All Linked Card accounts must be in good standing. A minimum of 1,000 Membership Rewards points is required and each charge must be offset in full.

Use Points for Everyday Charges - Continued:
American Express in its discretion will select and display charges eligible for offset with Membership Rewards points. Determination of eligible charges is made by American Express in its sole discretion and can be changed at any time without notice.

American Express is under no obligation to make charges available to offset with Membership Rewards points. For each transaction, points will be debited immediately from your Membership Rewards program account and a credit will be issued to your Card account for the corresponding dollar amount within 48 hours. Credits processed after the Card account's statement closing date will appear in the following billing period. You are responsible for payment of the amount due on your Card account by the due date even after using this feature.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

This is an online capability available only to Basic Consumer and OPEN Cardmembers enrolled in the U.S. Membership Rewards® program. Authorized agents, Authorized account managers, Additional Cardmembers and Authorized Additional Cardmembers are not eligible. All Linked Card accounts must be in good standing. A minimum of 1,000 Membership Rewards points is required and each charge must be offset in full.

Use Points for Everyday Charges - Continued:
American Express in its discretion will select and display charges eligible for offset with Membership Rewards points. Determination of eligible charges is made by American Express in its sole discretion and can be changed at any time without notice.

American Express is under no obligation to make charges available to offset with Membership Rewards points. For each transaction, points will be debited immediately from your Membership Rewards program account and a credit will be issued to your Card account for the corresponding dollar amount within 48 hours. Credits processed after the Card account's statement closing date will appear in the following billing period. You are responsible for payment of the amount due on your Card account by the due date even after using this feature.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Centurion® Card Statement of Account

Message Regarding Changes to Your Account

Thank you for your Cardmembership with American Express. We are making changes to the terms of your account, some of which are necessary to comply with new Federal Credit Card Regulation.

For more details about the changes we are making and their effective dates, please see below.

You can find useful tips and information about managing your account, as well as making payments any time, free of charge, by visiting americanexpress.com/managemyaccount.

Notice of Changes to Your Account

We are making important changes to the terms of your account. These changes apply to existing balances and future balances on your account. Please read this notice carefully and have any Additional Cardmembers read it as well. File it in a safe place along with your agreement.

The terms of your account are subject to change under the American Express Cardmember Agreement ("Agreement") that governs your account. Any language in the Agreement contrary to or conflicting with this notice is replaced. All terms not changed by the notice still apply.

Application of Payments

We are changing how we apply payments on your account. Generally, payments above the total minimum amount due will be applied first to balances with higher interest rates. Accordingly, effective with payments processed on or after February 19, 2010, the last paragraph of the **Payments** section of your Agreement is deleted and replaced with the following:

"*Subject to applicable law, we will apply and allocate payments up to the total Minimum Amount Due and any credits on your Account among balances and Charges in any order and manner determined by us in our sole discretion.* You agree that we have the unconditional right to exercise this discretion in a way that is most favorable or convenient to us. In most cases, we will apply payments up to the total Minimum Amount Due to the minimum amount due on Feature balances (first to the Feature balance bearing the lowest APR and then to Feature balances bearing successively higher APRs), then to amounts due in full. After the total Minimum Amount Due has been credited to your Account, the amount of payments remaining will be applied to the Feature balance bearing the highest APR and then to Feature balances bearing successively lower APRs. In most cases, credits will be applied first to the balance from which the corresponding debit originated."

Finance Charges

We are making changes to how the penalty interest rate and finance charges work, including:

- how paying late can cause the penalty interest rate to apply to your account;
- when interest is not charged on Features;
- how we refer to the penalty interest rate. (We are replacing "Default Rate" or similar phrases with "Penalty APR.")

Any penalty interest rate on your account when these changes go into effect will continue to apply. Also, the penalty interest rate could be extended under the new terms.

Accordingly, effective with billing periods beginning on or after January 22, 2010, the **Finance Charges on Features** section of your Agreement is deleted and replaced with the following:

"**A.** For Charges that are added to a Feature balance automatically Finance Charges begin to accrue as of the date of the Charge, except as provided below. For Charges that are added to a Feature balance at your request Finance Charges begin to accrue as of the date the Charge is added to a Feature balance.

Finance Charges will not accrue for Charges in a Feature balance during a billing period, except for Charges added to a Feature balance during that billing period at your request, if the Total Previous Balance for that billing period is zero or a credit balance or payment in full of the Total Previous Balance is credited to your Account by the Closing Date of that billing period.

In addition, if (i) a payment of less than the Total Previous Balance for a billing period is credited to your Account by the Closing Date of the billing period and (ii) the Total Previous Balance for the immediately preceding billing period was zero or a credit balance or payment in full of that Total Previous Balance was credited to your Account by the Closing Date of that billing period, then Finance Charges will not accrue during the billing period on the portion of Charges that were added to a Feature balance automatically to which the payment referred to in (i) is allocated.

B. The standard APR for Features is the Prime Rate plus 5.9%. The DPR and APR for a Feature will be provided on a supplement at the time the Feature is added to your Account. The Penalty APR is the Prime Rate plus 23.99%. A DPR is 1/365th of the APR, rounded to the nearest one ten-thousandth of a percentage point. The DPRs for Features and the Penalty APR are each based on APRs which vary with the Prime Rate as described in subsection F below.

C. The Penalty APR will apply under the following conditions: (i) three times in any twelve consecutive billing periods any Amount Due is not credited to your Account by the Closing Date of the billing period in which it is due; (ii) any Amount Due is not credited to your Account by the Closing Date of the billing period following the billing period in which it was due; or (iii) a payment on your Account is not honored by your financial institution. For any Feature balance not already at the Penalty APR, the Penalty APR will apply to Charges incurred and added to that Feature balance fifteen or more days after we send you a Penalty APR notice, and will apply until the billing period after your Account does not meet any of these conditions for twelve consecutive billing periods (starting with the billing period after the one in which the Penalty APR is imposed). For Feature balances already at the Penalty APR, the Penalty APR will continue to apply until the billing period after your Account does not meet any of these conditions for twelve consecutive billing periods.

D. Notwithstanding the foregoing, if a Minimum Amount Due is not credited to your Account within 60 days after its Payment Due Date, we reserve the right to impose the Penalty APR on any Feature balance not already at the Penalty APR. We will send you a notice if

we exercise this right. A Penalty APR applied to a Feature balance pursuant to this subsection D will continue to apply to that Feature balance until you make timely payments for six consecutive billing periods.

E. In our sole discretion, we may choose not to apply the Penalty APR to one or more Feature balances on your Account, even if you have met a condition described above. If we do this, it shall not constitute a waiver of our right to apply the Penalty APR on another occasion.

F. The "Prime Rate" is determined once with respect to each billing period. The Prime Rate for each billing period is the Prime Rate published in the Money Rates section (or successor section) of *The Wall Street Journal* on (a) the first day of that billing period or (b) the day that is two days prior to the Closing Date of that billing period, whichever is higher. In each case, if such a day is not a customary publication day for *The Wall Street Journal*, we will substitute the closest preceding day that is a customary publication day. If *The Wall Street Journal* ceases or suspends publication, we may refer to the Prime Rate published in any other newspaper of general circulation in New York, New York, or we may substitute a similar reference rate at our sole discretion. Any increase or decrease to an APR resulting from a change in the Prime Rate takes effect as of the first day of the billing period. An increase in the Prime Rate means that the variable APRs (and corresponding DPRs) applicable to your Account will increase and you may incur higher Finance Charges and may have a higher Minimum Amount Due."

Average Daily Balance

We are updating the description of how we calculate Average Daily Balance. The changes provide that more than one interest rate could apply to a balance during a billing period. Accordingly, effective with billing periods beginning on or after January 22, 2010, the **Average Daily Balance Method for Calculating Finance Charges** section of your Agreement is deleted and replaced with the following:

"We use the Average Daily Balance method to calculate periodic Finance Charges on your Account. Under this method, we calculate Finance Charges on your Account by applying the DPR to the Average Daily Balance (including current transactions) separately for each Feature balance subject to Finance Charges (as described below). Different DPRs may be used for different Features (such as Sign & Travel and Extended Payment Option). Within the same Feature there may be multiple balances ("Feature balance(s)") with different DPRs within the same billing period.

To get an Average Daily Balance for a Feature balance, we (1) take the beginning balance for each day (including unpaid Finance Charges from previous billing periods), (2) add any new transactions, debits, or fees, (3) subtract any payments or credits credited as of that day, and (4) make any appropriate adjustments. *For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the previous day's DPR for that Feature balance.* This gives us the daily balance for the particular Feature balance for that day and the beginning balance for that Feature balance for the next day. If this balance is negative, it is considered to be zero. For each Feature balance, we add up the daily balances for each day a particular DPR was in effect for that balance and divide by the number of days that DPR was in effect for that balance. This gives us the Average Daily Balance for each Feature balance.

If you multiply the Average Daily Balance for a Feature balance by its DPR, then multiply the result by the number of days of the billing period that the DPR was in effect, the result will be the periodic Finance Charge for that Feature balance, except for variations caused by rounding. The total periodic Finance Charges for the billing period is the sum of the periodic Finance Charges assessed on each Feature balance. *This method of calculating the Average Daily Balance and Finance Charges results in daily compounding of Finance Charges.* We may use mathematical formulas which produce equivalent results to calculate the Average Daily Balance, periodic Finance Charges, and related amounts. For example, we may utilize computer programs or other computational methods that are designed to produce mathematically equivalent results while using fewer and/or simpler computational steps than are described in this Agreement.

At our discretion, we may exclude certain categories of debit transactions or fees from the calculation of the daily balances. Unless we elect to use a later date, we add a Charge to the daily balance as follows: For Charges that are added to a Feature balance automatically, we add the Charge to the appropriate daily balance as of the date of the Charge. For Charges that are added to a Feature balance at your request, we add the Charge to the appropriate daily balance for the Feature as of the date we process the request. Periodic Finance Charges are added to the Feature balance on the last day the applicable DPR was in effect for each Feature balance in the billing period. In our sole discretion, we also may round any calculations made in determining the Finance Charges on your Account in any way that is convenient to us."

Foreign Transaction Fee

We are not increasing your cost for foreign currency transactions. But we are changing the way they appear on your billing statement. Now, when we convert a charge in a foreign currency into U.S. dollars we increase the conversion rate by 2.7%. For charges in foreign currencies that we process on or after July 1, 2010, we will itemize this 2.7% amount as a fee on your statement. Accordingly, effective July 1, 2010, the **Transactions Made in Foreign Currencies** section of your Agreement is deleted and the following is added to the end of the "Other Fees" section of your Agreement:

"**Foreign Transaction Fee:** If you incur a Charge in a foreign currency, it will be converted into U.S. dollars on the date it is processed by us or our agents, and **we will charge a foreign transaction fee of 2.7% of the converted U.S. dollar amount**. This fee is a Finance Charge. Unless a particular rate is required by applicable law, you authorize us to choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day. This conversion rate may differ from rates in effect on the date of your Charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use."

Also effective July 1, 2010, we will itemize the 2.7% amount for ATM transactions in foreign currencies as a fee on your statement. The following paragraph will be added to the **Fees** section of the *Agreement Between American Express Cardmember and American Express Travel Related Services Company, Inc. Concerning Electronic Fund Transfer Services*:

"If you obtain foreign currency through an Express Cash transaction at an ATM, we or our agents will convert it into US dollars on the day it is processed using a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. Currently, the conversion rate we use is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day. This conversion rate may differ from rates in effect on the date of your ATM transaction. We will charge a fee of 2.7% of the converted US dollar amount."

Using the Card

We want to remind you that even if your Account is current and in good standing, we may decline a Charge. To clarify this point, we are deleting the second to last sentence of the second paragraph of the **Using the Card** section of your Agreement and replacing it with the following:

"We reserve the right to deny any request for authorization for a Charge, even if your Account is current and not in default."

Arbitration Forum

Since the National Arbitration Forum no longer does consumer arbitrations, we are replacing them with another organization. We are also adding a procedure for you to select an arbitration organization not listed in the Agreement. Effective immediately, we are deleting the Initiation of Arbitration Proceeding/Selection of Administrator subsection of the **Arbitration** section of your Agreement and replacing it with the following:

"**Initiation of Arbitration Proceeding/Selection of Administrator:** Any Claim shall be resolved, upon the election by you or us, by arbitration pursuant to this Arbitration Provision and the code of procedures of the national arbitration organization to which the Claim is referred in effect at the time the Claim is filed (the "Code"), except to the extent the Code conflicts with this Agreement. Claims shall be referred to either JAMS or the American Arbitration Association ("AAA"), as selected by the party electing to use arbitration. If a selection by us of either of these organizations is unacceptable to you, you shall have the right within 30 days after you receive notice of our election to select the other organization listed to serve as arbitration administrator. For a copy of the procedures, to file a Claim or for other information about these organizations, contact them as follows:

- JAMS at 1920 Main Street, Suite 300, Irvine, CA 92614; website: www.jamsadr.com.
- AAA at 335 Madison Avenue, New York, NY 10017; website: www.adr.org.

In addition to the arbitration organizations listed above, Claims may be referred to any other arbitration organization that is mutually agreed upon in writing by you and us, or to an arbitration organization or arbitrator(s) appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. sections 1-16, provided that any such arbitration organization and arbitrator(s) will enforce the terms of the Restrictions on Arbitration provision set forth below."

Assignment of Accounts

We will no longer transfer accounts to American Express Centurion Services Corporation. Accordingly, effective January 1, 2010, the last sentence of the **Changing this Agreement/Assignment of this Agreement** section of your Agreement is deleted.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

IMPORTANT NOTICE ABOUT PRIME RATE: As a result of new federal credit card regulations, we are simplifying the way that the Prime Rate is determined for variable interest rates. Accordingly, effective April 8, 2010, the second and third sentences of the subsection about the Prime Rate in your Cardmember Agreement are deleted and replaced with: ''The Prime Rate for each billing period is the Prime Rate published in The Wall Street Journal 2 days before the Closing Date of the billing period. The Wall Street Journal may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published.''

Use Membership Rewards® Points for Donations to Haiti

MEMBERSHIP rewards®

American Express® Cardmembers enrolled in the Membership Rewards program can redeem points to support charities aiding the relief effort in Haiti. For every 1,000 points, $10 will be donated to your charity of choice. You can choose from a list of organizations that are dedicated to the Haiti earthquake relief effort.

There is no limit to the number of Membership Rewards points you can donate, provided you have the available points balance in your Membership Rewards account. You can donate points in increments of 1,000, 5,000, 10,000, 50,000, and 100,000. Cardmembers can also charge a donation on their American Express Card.

To donate, go to **http://amex.justgive.org/disaster/haiti_quake.jsp**

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. **Allocation of Payments and Credits:** Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 5:00 p.m. may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using the American Express Pay By Computer, Pay By Phone or any other American Express electronic payment service, you will be authorizing American Express to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. To use Pay By Computer, please visit us at www.americanexpress.com. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Departmentat to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

SOUTHWEST.COM RAPID REWARDS

Important Change to the Membership Rewards® - Southwest Airlines® Point Transfer Program

Effective July 1, 2010, Southwest Airlines will no longer be a participating point transfer airline in the Membership Rewards program. Therefore, please complete any Membership Rewards point transfers into the Southwest Rapid Rewards® program before June 30, 2010, by visiting **membershiprewards.com/travel**

Points transferred to the Rapid Rewards® program are considered final and subject to that program's terms and conditions. From the everyday to the extraordinary, visit membershiprewards.com to explore a wide array of reward opportunities. For complete terms and conditions on all redemption options please visit **membershiprewards.com/terms**

To transfer points to Southwest Rapid Rewards®, another frequent flyer program or use Pay with Points to fly with no blackout dates or seat restrictions, visit **membershiprewards.com/travel** (MR Message 3817)

MEMBERSHIP rewards

Use Membership Rewards® Points Towards Tax Payments

Membership Rewards points are more flexible than ever. Make your tax payment using an eligible enrolled American Express® Card. You can then use points towards the balance due.

For more information, visit **membershiprewards.com/taxes**

To use Membership Rewards points for government payments, charge payment to an eligible, enrolled Card. Points debited from program account and credit for corresponding dollar amount issued to Card account used. If points redeemed do not cover full charge amount, balance of payment remains on Card account. Minimum redemption of 200 points. Some government payments made with Card are subject to service provider convenience fee. Acceptance of state, local taxes varies by service provider. Service providers are approved IRS payment processors. Fees, participating states and municipalities provided by service provider online or by phone. Terms and conditions for the Membership Rewards® program apply.

Visit **membershiprewards.com/terms** or call **1-800-AXP-EARN (297-3276)** for more information. Participating partners and available rewards are subject to change without notice. (MR Message 3834)

Payments: Payments received after 5:00 p.m. may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using the American Express Pay By Computer, Pay By Phone or any other American Express electronic payment service, you will be authorizing American Express to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. To use Pay By Computer, please visit us at www.americanexpress.com. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Departmentat to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Statement of Account

Notice of Changes to Your Membership Rewards Program Account

Effective July 1, 2010, Southwest Airlines will no longer be a point transfer partner in the Membership Rewards program. Any Membership Rewards point transfers or redemptions for the Southwest Rapid Rewards program must be made by June 30, 2010. These transfers or redemptions will be considered final, non-refundable, and subject to the Southwest Rapid Rewards program terms and conditions.

You will still be able to redeem points for flights using Membership Rewards® Pay with Points. With Pay with Points, you can fly any airline without seat restrictions or blackout dates, and can pay for all or part of your trip with points. You can also transfer points into over 20 frequent flyer and guest programs, or redeem points toward our airline and hotel travel certificate partners.

To transfer points to a participating frequent flyer program or to use Pay with Points, please visit membershiprewards.com/travel. Please remember to make any final point transfers or redemptions for the Southwest Rapid Rewards program by June 30, 2010.

Payments: Payments received after 5:00 p.m. may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using the American Express Pay By Computer, Pay By Phone or any other American Express electronic payment service, you will be authorizing American Express to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. To use Pay By Computer, please visit us at www.americanexpress.com. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Departmentat to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Payments received after 5:00 p.m. may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using the American Express Pay By Computer, Pay By Phone or any other American Express electronic payment service, you will be authorizing American Express to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. To use Pay By Computer, please visit us at www.americanexpress.com. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. ***For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature.*** This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional **FC** on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. ***This method of calculating the ADB and FC results in daily compounding of FC.*** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.7%.** This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is $1.00 or more. **New York residents** may contact the New York Banking Departmentat to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Receive a $50 TaylorMade Gift Card with Redemption!

TaylorMade

TaylorMade's most forgiving iron ever is engineered to help slower swingers launch the ball higher and carry it longer. The iron is ultra-forgiving on every type of off-center hit and the wide beveled sole offers great playability while establishing a low CG. The generous offset helps straighten a slide and promote a distance-enhancing draw, and the low-profile long-iron design makes it easy to launch on a high, long, soft-landing flight. Redeem now and receive a $50 TaylorMade gift card!

Fall for You

BERGDORF GOODMAN

The season's best looks have begun to arrive, and Bergdorf Goodman invites you to check out the trends from some of the world's top designers. Sharp shoulders, laser-cut leather leggings, and short skirts paired with over-the-knee boots give fashion its rock 'n' roll edge, while touches of neon add a jolt of color to an otherwise neutral palette. Visit the Bergdorf Goodman store or BergdorfGoodman.com for a close-up of the latest and greatest for fall.

Payments: If your payment is received after 5:00 p.m. it may not be credited to your Account until the next day. If your payment does not meet the following requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Payments must: (1) be sent to the payment address shown on your statement and must include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. **We will charge a fee of 2.7% of the converted US dollar amount.** We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

New York residents may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Important Notice

Renewal Notice

Your Account renews next month. The following terms are in effect when your Account renews, unless we tell you otherwise. Please refer to Page 2 for more information about your Account, including How We Calculate Your Balance, Paying Interest, and Foreign Currency Charges.

Please refer to page 2 for further important information regarding your account

Payment Information: All charges made on this charge card, that are not included in a Pay Over Time balance, are due and payable when you receive your periodic statement.

Annual Membership Fee: The annual membership fee for your Account is $2,500.00. When you receive the statement in which the annual fee is billed, you can avoid paying the annual fee by calling the Customer Service phone number on Page 2 to cancel your Account.

APR Information: The Annual Percentage Rates (APRs) for each billing period may vary based on the Prime Rate. We use the Prime Rate published in *The Wall Street Journal* 2 days before the Closing Date of the billing period. *The Wall Street Journal* may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published.

The Penalty APR will apply to a Feature if you make a late payment or a payment that is returned. If the Penalty APR is applied for either of these reasons, it will apply for at least 12 billing periods in a row and will continue to apply until after you have made timely payments, with no returned payments, for 12 billing periods in a row. The 12 billing periods in a row must occur after the one in which the Penalty APR is first applied.

You may have access to one or more Pay Over Time Features on your Account. The following APRs apply to the Features noted as of the Closing Date of this statement.

An Important Notice Concerning Cardmember Privacy

This Privacy Notice is addressed to United States holders of personal American Express® Charge Cards or accounts, Optima® Cards or accounts, other personal credit card accounts that we issue, and to United States holders of business charge and credit cards from OPEN from American Express. This Notice explains how we collect, use and safeguard information about you and how to limit the use and disclosure of your information.

In this Notice, "American Express," "we," "our," and "us" refer to American Express Travel Related Services Company, Inc., American Express Centurion Bank and American Express Bank, FSB. These entities are "Affiliates" of each other, which are companies in the American Express family that are related to each other by common ownership or control. Our Affiliates also include publishers, travelers cheque issuers, travel agents and providers of Card-related insurance services. The cards and accounts that we issue are called "Cards" or "Card accounts." Holders of those Card accounts are called "Cardmembers" or "you(r)."

What Information Do We Collect?
We obtain information about you from a variety of sources. You provide us with information about yourself, for example, by completing Card applications. This includes your name, address, social security number, and income and asset information. Your use of the Card and your other transactions with us and our Affiliates provide us with additional information, such as your spending and payment history. Other sources, such as credit reporting agencies and providers of marketing information, furnish us with additional information about your credit history, purchasing preferences, and other matters. We also obtain information about you in connection with our efforts to protect against fraud. We call all of this information "Cardmember Information."

What Do We Do with Cardmember Information?
We use Cardmember Information in connection with delivering products and services to you. To do this it is often necessary to share it with our Affiliates and other companies we work with. These include companies that manage Card accounts, offer affinity, frequent-user, and reward programs, companies that perform marketing services and other business operations for us, and companies whose products or services are provided as a benefit of your Card account. We may also share Cardmember Information with other financial institutions with whom we jointly offer products and services. And we may disclose it to other third parties as permitted by law. For example, we disclose Cardmember Information in response to subpoenas, to credit reporting agencies, and to help prevent fraud.

Information We Share with Our Affiliates
You can inform us not to share with our Affiliates credit-related information (except as permitted by law), such as your credit history as shown on a consumer report. If you make this choice, we are permitted by law to share with our Affiliates information about our transactions and experiences with you, such as your payment history.

Valuable Partner Offers
We work with carefully selected business partners, such as merchants that accept the Card, so that you may receive offers for their products and services. We use Cardmember Information to help make these offers more relevant and valuable to you. If you respond to one of these offers, the business partner will know certain information about you, such as your name, that you are a Cardmember, and that you met the qualifications established for the offer. You can inform us not to send you these offers.

Your Choices
Please let us know if you do not want us to use your Cardmember Information to communicate with you about offers, including exclusive partner offers and offers from our Affiliates, by mail, telephone and/or e-mail, or share your credit-related information with our Affiliates, by visiting us at: **www.americanexpress.com/communications**. You can also inform us of your choices (except for e-mail communications) by calling us at **1-800-297-8378**. If you make these choices, you may not learn about products, services and features, including discounts and other special offers, we believe may be of interest to you and add value to your Card membership.

If you have other Card accounts with us, you will receive additional privacy notices that apply to those accounts. **Please note that any choices you make will only apply to this account.**

If you are the primary Cardmember on your Card account, any choices you make in accordance with this Notice will also apply to any other Cardmember on this account (except for e-mail communications). If you make choices not to receive offers as indicated above, we may still include notices and information about the Card and other products and services when communicating with you about your Card account and related products and services.

Information Security
We use reasonable administrative, technical and physical security measures to protect your Cardmember Information.

Former Customers
If you cancel your Card, or your Card account(s) are closed, we will continue to treat and safeguard Cardmember Information about you as described in this Notice.

For Vermont Cardmembers Only
If your Card account has a Vermont billing address, we will automatically treat your account as if you had informed us not to share your credit-related information with our Affiliates.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at PO Box 981535, El Paso TX 79998-1535. In your letter, give us the following information:

- *Account information*: Your name and account number.
- *Dollar amount*: The dollar amount of the suspected error.
- *Description of problem*: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake*: You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake*: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first $50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at PO Box 981535, El Paso TX 79998-1535. While we investigate, the same rules apply to the disputed amount as discussed above.

After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Annual EFT Error Resolution Notice

This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including Express Cash transactions, or electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You can telephone us at 1-800-IPAY-AXP for Pay By Phone and Pay By Computer questions, and at 1-800-CASH-NOW for Express Cash and Automatic Payment questions. Alternatively, you may write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531, or contact us online at www.americanexpress.com/inquirycenter. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose. When you contact us, please provide the following information:
(1) Your name and card account number. (2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information. (3) The dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call. We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your bank account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

Payments: If your payment is received after 5:00 p.m. it may not be credited to your Account until the next day. If your payment does not meet the following requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Payments must: (1) be sent to the payment address shown on your statement and must include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. **We will charge a fee of 2.7% of the converted US dollar amount.** We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

New York residents may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. **We will charge a fee of 2.7% of the converted US dollar amount.** We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

New York residents may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. **We will charge a fee of 2.7% of the converted US dollar amount.** We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

New York residents may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Dear G MAXWELL:

We've made an update to our Uber Program Terms & Conditions.

We're writing to let you know about some important changes to the Terms & Conditions of the Uber Membership Rewards Program. The updates will take effect 30 days from the date on this letter. The changes, outlined below, are meant to clarify certain aspects of the program and provide you with additional value when riding with Uber.

- Program engagement is eligible only for rides requested in the United States and US Territories.
- Transactions will not qualify to earn 2x Membership Rewards Points if your Enrolled Card is not the selected payment method for Uber services within the Uber App. In addition, if your transaction is made with an electronic wallet or through a third party, you will not be presented with the "Use Points" option, and in most cases, you will not receive bonus points.

Please be assured that your enrollment status has not changed. You can view the full current Program Terms at **amex.co/uber** at any time.

Thank you for your Card Membership

Sincerely,

American Express Customer Care

G Maxwell
[redacted]

For Account Ending In: [redacted]

Dear G Maxwell,

Thank you for being a loyal American Express Card Member.

We are writing to inform you of some important changes that we are making to your Business Gold Rewards Card. We have added some benefits and taken others away. We hope that these changes will allow us to provide you with more value when you use your Card.

This letter contains a brief summary of these upcoming changes. For more details, please see the enclosed Summary Table and Detail of Changes to your Agreement.

Your Annual Membership Fee will be changing.

On your next renewal date on or after May 08, 2015, your Annual Membership Fee will increase to $175 for the Basic Business Gold Rewards Card (previously, this fee was $125).

For Additional Business Gold Rewards Cards, the Annual Fee will be $50 for the first Additional Card and there is no fee for Additional Cards after that (previously, this fee was $45 per Card). This Additional Card fee change will take effect in your first billing cycle on or after May 08, 2015. The Annual Fee for Additional Business Green Rewards Cards will remain $0.

You will be able to choose a category to earn 3X points.

You currently receive additional Membership Rewards® points when you reach an annual spend threshold (25,000 additional points for spending more than $50,000 over the applicable year). We are replacing that annual points benefit with the ability to earn additional points on select business purchases.

Now, you will be able to choose how to earn more points for your business each year. Choose one of the five categories below in which to receive 3X points:

- **Airfare** purchased directly from airlines
- U.S. purchases for **advertising in select media**
- U.S. purchases at **gas stations**
- U.S. purchases for **shipping**
- U.S. **computer hardware, software, and cloud computing** purchases made directly from select providers

You will receive 2X points on purchases in the remaining four categories, and 1X point on other purchases.

3X points and 2X points apply to the first $100,000 in purchases in each of the five categories per year, 1X point per dollar thereafter.

You will be getting a new Business Gold Rewards Card.

We will send a new Basic Card to the address we have on file for you after May 08, 2015.

- Once you receive your new Card, please activate it, choose a 3X points category, and destroy your old Card.
- In order to protect your account, your Card will have a new 4-digit security code and expiration date. If you have recurring payments set up with any businesses, please update those providers.
- Your account number will remain the same.

As a reminder, your annual fee will not change until your next renewal date on or after May 08, 2015.

More details about these changes can be found on the following pages. *If you have any questions, please call us using the number on the back of your Card.*

Please note: If your account is canceled for any reason or enters a pay-down program (CARE) between now and May 08, 2015, it will not be affected by these changes at this time.

If your account is currently receiving the Servicemembers Civil Relief Act (SCRA) benefits, we will not increase your Annual Membership Fee at this time, and it will continue to be waived while you are in active military status. Please call or contact us using online Click to Chat if you have any questions.

We hope that your new Business Gold Rewards Card will be even more rewarding for you and your business.

Thank you for your Card Membership.

Sincerely,
American Express Customer Care

Important Changes to Your Business Charge Card Account

We are making changes to your Card account and benefits. If your account is canceled for any reason or enters a pay-down program (CARE) between now and May 08, 2015, it will not be affected by these changes at this time.

The detailed changes to your Cardmember Agreement and the relevant benefits can be found after the following summary chart.

Summary of Changes	
Annual Membership Fee	The Annual Membership Fee for your new Business Gold Rewards Card will be $175 (previously, this fee was $125). You will be charged this new fee upon your next renewal on or after May 08, 2015. **How to Avoid This Fee Increase:** You can avoid paying this new annual fee by transferring to another Card or cancelling your Business Gold Rewards account before your renewal date. If you cancel, you won't be able to use your Card for new transactions. In addition, you may forfeit any Membership Rewards points, so you should redeem those points before calling us to cancel. *You can cancel by calling the number on the back of your Card.* If you are covered by the Servicemembers Civil Relief Act (SCRA), we will not increase your Annual Membership Fee at this time, and it will continue to be waived while you are in active military status.
Additional Card Annual Fee	The fee will be $50 annually for the first Additional Business Gold Rewards Card on your account and no fee for other Additional Gold Cards (up to 99). (Previously, the fee was $45 for each Additional Business Gold Rewards Card.) The fee will remain $0 for Additional Business Green Rewards Cards. If you currently have any Additional Business Gold Rewards Cards on your account, you will be charged a prorated annual fee for the first card at the new rate in the first billing cycle after May 08, 2015. The prorated fee will be based on the time remaining until the anniversary date of your first Additional Business Gold Rewards Card. If you have more than one (and up to 99) Additional Business Gold Reward Cards, you will receive a prorated refund for any annual fees paid for your Additional Business Gold Rewards Cards at the old rate.

How You Earn Membership Rewards® Points	We are changing how you earn additional Membership Rewards points. Previously, you received additional points when you reached an annual spend threshold (25,000 additional points for spending more than $50,000). We are replacing that annual points benefit with a new approach that allows you to earn additional points on select business purchases. Effective May 08, 2015, you will be able to choose a category in which to receive **3X** points from the following list: **Airfare** purchased directly from airlines US purchases for **advertising in select media** US purchases at **gas stations** US purchases for **shipping** US **computer hardware, software, and cloud computing** purchases made directly from select providers You will receive **2X** points on the remaining four categories and **1X** point on other purchases. If you do not choose a category, you will receive 3X points on airfare purchased directly from airlines, 2X on the remaining four categories, and 1X on other eligible purchases. 3X points and 2X points apply to the first $100,000 in purchases in each of the five categories per year, 1X point per dollar thereafter. If your annual spend threshold year is in progress as of May 08, 2015, you will continue to receive additional points after reaching annual spend thresholds for the remainder of the applicable annual spend threshold year. Afterward, this benefit will no longer be available.

See the additional pages for the Detail of Changes to Your Agreement and for important terms and limitations.

Detail of Changes to Your Agreement

The terms of the account referenced in or with this notice are subject to change in accordance with the Cardmember Agreement (the "Agreement") and the Business Gold Rewards Card Terms and Conditions (the "Terms and Conditions") governing the account. This notice formally amends the Agreement as described below. Any terms in the Agreement conflicting with these changes are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Card members on your account, and file it for future reference. If you have any questions about these changes, please call the number on the back of your Card.

Annual Membership Fee

Effective May 08, 2015, the *Annual Membership Fee* section on page 1 of Part 1 of your Cardmember Agreement is replaced with the following:

Annual Membership Fee	**$175**

Annual Fee for Additional Cards

Effective May 08, 2015, the *Annual Membership* row of the *How Rates and Fees Work* table on page 2 of Part 1 of your Cardmember Agreement, is replaced with the following:

Annual Membership	This fee is on the *Rates and Fees Table* on page 1 of Part 1. We will charge $50 for the first Additional Gold Card and no annual membership fee for each Additional Gold Card thereafter. The maximum number of Additional Cards on an Account is 99.

Membership Rewards Points

Effective May 08, 2015, the terms of the annual points benefit are deleted and replaced with the following:

With your Business Gold Rewards Card from American Express, you earn at least one Membership Rewards® point for each dollar you spend on your Card for eligible purchases. For the first $100,000 in eligible spending in each calendar year in each of the five categories specified below, you can earn additional points, as follows: you can earn: (1) 2 additional points (for a total of 3 points) in one category of your choice from the five categories specified below; and (2) 1 additional point (for a total of 2 points) in the remaining four categories. The five categories are: (1) airfare on a scheduled flight charged directly with passenger airlines (charter flights and private jet flights are excluded); (2) advertising purchased in the U.S. to promote your business online, on television, or on the radio; (3) gasoline at gas stations located in the U.S. (superstores, supermarkets and warehouse clubs that sell gasoline are not considered gas stations); (4) shipping services purchased in the U.S. for courier, postal, and freight; and (5) computer hardware, software, and cloud computing purchases in the U.S. made directly from select providers. (The current list of select computer hardware, software, and cloud computing providers is available at: americanexpress.com/rewards-info.) Eligible purchases in excess of $100,000 in the applicable category in a calendar year will earn only one point for each dollar spent on eligible purchases.

You may select the category in which to earn 3X points within the first two months of becoming a Card Member. Thereafter, you can change your selection only once during the annual selection period which runs from December 1st to January 31st each year. You can only change your category once annually. You can make your category selection by either calling the number on the back of your Card or going to www.open.com/businessgold. If you do not make a selection during the initial enrollment period, you will receive 3X points on airfare purchased directly from airlines. If you do not change your election during the annual selection period, your category will remain the same as the previous year. Only the Basic Card Member or Authorized Account Manager with Full Access may make the selection and their selection will apply to purchases made by all Card Members on the account.

Eligible purchases are purchases for goods and services minus returns and other credits. Eligible purchases do NOT include fees or interest charges, balance transfers, cash advances,

purchases of travelers checks, purchases or reloading of prepaid cards, or purchases of other cash equivalents. Additional terms and restrictions apply.

Merchants are assigned codes based on what they primarily sell. A purchase will not earn additional points if the merchant's code is not eligible. Purchases made through third-parties (including resellers and online marketplaces) or through a third-party payment account will not earn additional points. A purchase may not earn additional points if the merchant submits the purchase using a mobile or wireless card reader or if you use a mobile or digital wallet.

Terms and Conditions for the Membership Rewards® program apply. Visit membershiprewards.com/terms or call 1-800-AXP-EARN (297-3276) for more information. Participating partners and available rewards are subject to change without notice.

THE BILLING INQUIRY PROCESS:
Frequently Asked Questions

How long does the process usually take•
We always try to resolve investigations in less than one month, but complex cases sometimes require additional time.

How does it affect my account•
We will remove the amount under review from your required payment due so that you do not have to pay the disputed amount while under investigation. Once the investigation is complete, depending on the outcome, the amount under review will be:
-replaced with credit issued by American Express or
-replaced with a credit from the merchant or
-reapplied to your account if the questioned charge is found to be valid.

Can I contact American Express if I'd like to cancel the investigation or have additional questions•
To cancel the investigation, please call the toll-free phone number on the back of your American Express Card and speak with a customer care professional. We are available 24/7. Any questions you have may be answered on our website at **www.americanexpress.com/inquirycenter**.

How will I know when the billing inquiry process is complete•
We will send you a communication explaining the outcome of the investigation and any effect it may have on your account.

Dear G Maxwell,

We are writing to let you know that we are crediting your account with Membership Rewards® points that you earned, but did not receive. Due to a technical error, we were unable to issue bonus points for eligible Limo Program transactions you made between January 1, 2013 and August 31, 2015. We apologize for the delay in issuing these points, and any confusion it may have caused.

You will see the points reflected on an upcoming billing statement. For your convenience, you can always go to **membershiprewards.com** to view your points balance and activity, and learn about all the ways to redeem points for travel, gift cards, and more.

At American Express, we are committed to providing you with the best possible experience, and that means letting you know when an error occurs. If you have any questions about this error, please call the number on the back of your Card and we will be happy to assist you.

Thank you for your Card Membership.
