Hi Bruce,

Mr. Tartaglione was meeting with another member of your defense team earlier today. The plan was to have him remain in attorney conference after that meeting so he could review his discovery through the count. (It would also ensure he would already be down there when you arrived.) Without going into details, we're doing a special, more detailed count today at 4:00 PM for security procedures. I called attorney conference to make sure your client was still there, but they advised me that they had to send him back upstairs for this particular count.

I will likely still be here when count clears so I'll try to assist in getting him down to attorney conference as quickly as possible, but I wanted to let you know that you may unfortunately have a wait tonight. If you want to reschedule for tomorrow evening, let me know and I'll make sure things go smoother.

Thanks,

Good afternoon,

Can I meet with Nick on Thursday, August 15<sup>th</sup> at 5:00 p.m?

By the way, I am imagine you have seen some of my comments repeating the complaints about MCC that I have been making for years. Please know that none of that was directed at you. You both have been professional, courteous and responsive to me, even in the face of my numerous complaints and emails. The press does not write about the good, but I have mentioned how much I admire the legal staff at MCC on several occasions.

>>> [REDACTED] 12/19/2019 11:13 AM >>>

As an update, I spoke with the AUSAs. They advised the Court there was no video because the FBI had the DVR (pulled for the 8/10 incident) which went back to the 7/23 attempt. The FBI reported the DVR footage was corrupted as to the 7/23 video and, thus there was no footage. The AUSAs are asking that SIS check to see where Pina preserved the 7/22-23 video to see if that copy is not corrupted. They will be reaching out to her directly.

The AUSAs also want to know where the orange rope from the 7/23 attempt is preserved.

Good morning all,

Per the above article, the Court was advised by the USAO that MCC did not preserve video from outside the cell shared by Tartaglione and Epstein at the time of Epstein's alleged first suicide attempt. However, per the attached, SIS advised the footage was preserved. What search for the footage was performed prior to advising the USAO the footage could not be found? I would recommend searching again for the missing video. I have a call with the AUSAs in 20 minutes and will advise as to what other issues arose at yesterday's hearing.

Thank you. The first thing is that Inmate Epstein incorrectly wrote his reg. # on his request for the religious diet, so Sentry didn't recognize the number. Just before Chaplain [REDACTED] was leaving yesterday, we realized the inmate had transposed two of his numbers, and I told him I'd take care of putting him on the religious diet designation. FSA [REDACTED] is aware of the inmate's dietary needs and has been providing the religious diet since last Friday I've been told.

I also have another religious diet interview scheduled, which will require data entry.

Thanks again,

10-4. FSA [REDACTED] confirmed that he has his staff providing the religious diet for inmate Epstein, Jeffrey (76318-054). If the other inmate is approved for the religious diet, I will send Mr. [REDACTED] his information as well.

>>> [REDACTED] 7/19/2019 7:01 AM >>>

Chaplain,

Friendly reminder..... [REDACTED] will ensure the diets are provided. Please send him a confirmation email at the earliest convenience with the name and register number of the inmate/s. Please maintain a record of those inmates approved to be placed on religious diet. They can be entered at a later date.

Thank you. The first thing is that Inmate Epstein incorrectly wrote his reg. # on his request for the religious diet, so Sentry didn't recognize the number. Just before Chaplain [REDACTED] was leaving yesterday, we realized the inmate had transposed two of his numbers, and I told him I'd take care of putting him on the religious diet designation. FSA [REDACTED] is aware of the inmate's dietary needs and has been providing the religious diet since last Friday I've been told.

I also have another religious diet interview scheduled, which will require data entry.

Thanks again,  
Chap

I spoke w Computer Svcs. They have informed HR to submit a request to establish a TDY account for you. Upon receipt, Comp Svcs will submit a ticket to Central Office to grant you access to our server. In the meantime, what transactions do you need? Depending on the type of transaction, it may be possible to ask a staff member to login SENTRY and provide the information you need.

AW Edge,

Chaplain [REDACTED] had asked me to take care of some Sentry responsibilities while he was out, but a request for Sentry access has not been received by Comp. Svcs. If necessary, [REDACTED] says I can request Unit Team staff to make Sentry transactions for me. Please advise.

Thanks,

Hi Bruce,

Mr. Tartaglione was meeting with another member of your defense team earlier today. The plan was to have him remain in attorney conference after that meeting so he could review his discovery through the count. (It would also ensure he would already be down there when you arrived.) Without going into details, we're doing a special, more detailed count today at 4:00 PM for security procedures. I called attorney conference to make sure your client was still there, but they advised me that they had to send him back upstairs for this particular count.

I will likely still be here when count clears so I'll try to assist in getting him down to attorney conference as quickly as possible, but I wanted to let you know that you may unfortunately have a wait tonight. If you want to reschedule for tomorrow evening, let me know and I'll make sure things go smoother.

Thanks,

Good afternoon,

Can I meet with Nick on Thursday, August 15<sup>th</sup> at 5:00 p.m?

By the way, I am imagine you have seen some of my comments repeating the complaints about MCC that I have been making for years. Please know that none of that was directed at you. You both have been professional, courteous and responsive to me, even in the face of my numerous complaints and emails. The press does not write about the good, but I have mentioned how much I admire the legal staff at MCC on several occasions.

Hi Bruce,

Mr. Tartaglione was meeting with another member of your defense team earlier today. The plan was to have him remain in attorney conference after that meeting so he could review his discovery through the count. (It would also ensure he would already be down there when you arrived.) Without going into details, we're doing a special, more detailed count today at 4:00 PM for security procedures. I called attorney conference to make sure your client was still there, but they advised me that they had to send him back upstairs for this particular count.

I will likely still be here when count clears so I'll try to assist in getting him down to attorney conference as quickly as possible, but I wanted to let you know that you may unfortunately have a wait tonight. If you want to reschedule for tomorrow evening, let me know and I'll make sure things go smoother.

Thanks,

Good afternoon,

Can I meet with Nick on Thursday, August 15<sup>th</sup> at 5:00 p.m?

By the way, I am imagine you have seen some of my comments repeating the complaints about MCC that I have been making for years. Please know that none of that was directed at you. You both have been professional, courteous and responsive to me, even in the face of my numerous complaints and emails. The press does not write about the good, but I have mentioned how much I admire the legal staff at MCC on several occasions.

Hi Bruce,

Thanks for the kind words. [REDACTED] and I know you and the rest of the defense bar have a job to do, as do we. That may put us at odds sometimes, but it doesn't mean we all can't respect each other.

No problem on Thursday; we'll pull Tartaglione down before the count and he can review his discovery until count clears.

Thanks,
