Re: Case Number: 31E-MM-108062

Dear [REDACTED]

Your name was referred to the FBI's Victim Assistance Program as being a possible victim of a federal crime. We appreciate your assistance and cooperation while we are investigating this case. We would like to make you aware of the victim services that may be available to you and to answer any questions you may have regarding the criminal justice process throughout the investigation. Our program is part of the FBI's effort to ensure the victims are treated with respect and are provided information about their rights under federal law. These rights include notification of the status of the case. The enclosed brochures provide information about the FBI's Victim Assistance Program, resources and instructions for accessing the Victim Notification System (VNS). VNS is designed to provide you with information regarding the status of your case.

This case is currently under investigation. This can be a lengthy process and we request your continued patience while we conduct a thorough investigation.

As a crime victim, you have the following rights under 18 United States Code § 3771:

- (1) The right to be reasonably protected from the accused;
- (2) The right to reasonable, accurate, and timely notice of any public court proceeding, or any parole proceeding, involving the crime or of any release or escape of the accused;
- (3) The right not to be excluded from any such public court proceeding, unless the court, after receiving clear and convincing evidence, determines that testimony by the victim would be materially altered if the victim heard other testimony at that proceeding;
- (4) The right to be reasonably heard at any public proceeding in the district court involving release, plea, sentencing, or any parole proceeding;
- (5) The reasonable right to confer with the attorney for the Government in the case;
- (6) The right to full and timely restitution as provided in law;
- (7) The right to proceedings free from unreasonable delay;
- (8) The right to be treated with fairness and with respect for the victim's dignity and privacy.

We will make our best efforts to ensure you are accorded the rights described. Most of these rights pertain to events occurring after the arrest or indictment of an individual for the crime, and it will become the responsibility of the prosecuting United States Attorney's Office to ensure you are accorded those rights. You may also seek the advice of a private attorney with respect to these rights.

The Victim Notification System (VNS) is designed to provide you with direct information regarding the case as it proceeds through the criminal justice system. You may obtain current information about this matter on the Internet at WWW.Notify.USDOJ.GOV or from the VNS Call Center at 1-866-DOJ-4YOU (1-866-365-4968) (TDD/TTY: 1-866-228-4619) (International: 1-502-213-2767). In addition, you may use the Call Center or Internet to

██████████ was interviewed in West Palm Beach, Florida, regarding a federal investigation involving the sexual exploitation of minors. After being advised of the identity of the interviewing agents and the nature of the interview, ██████████ provided the following information:

██████████ stated she was seventeen years old when she first started providing JEFFREY EPSTEIN with massages. EPSTEIN asked ██████████ how old she was, and ██████████ responded that she would turn eighteen ██████████. According to ██████████, EPSTEIN said that when she turned eighteen he wanted to take her on vacation with him. ██████████ went to EPSTEIN's residence approximately eight to ten times. ██████████ believed that one of the last times she went to EPSTEIN's residence was after Hurricane Wilma in 2005. ██████████ recalled discussing the damage Hurricane Wilma had caused to his Palm Beach home.

When the interviewing agent inquired as to why ██████████ had stopped providing EPSTEIN with massages, ██████████ stated that she felt disgusted by what she was doing and that she was not into it. ██████████ stated that she did not want to talk dirty to him anymore. She said that EPSTEIN began to inquire if she was "ok" and she would respond by telling him that she was fine. However, ██████████ said that her actions were totally different from what she would say to him. According to ██████████ it was then that "they stopped calling".

██████████ stated that EPSTEIN asked for her telephone number after the first massage. Located in EPSTEIN's room was a pink and green couch, and an orange book. Beside the orange book was a pad of personalized note paper. EPSTEIN's name was written out on the note pad. ██████████ believed his name was on the top of the note pad. EPSTEIN wrote ██████████ telephone number on the note pad.

██████████ stated that ██████████ known to the agent as ██████████ was the individual that primarily called her to arrange the massages for EPSTEIN. She believed ██████████ known to the agent as ██████████ telephoned her on one occasion to make an appointment. ██████████ would set up the appointments in advance, sometimes a day, sometimes days in advance. ██████████ believed occasionally when ██████████ would call to set up an appointment, EPSTEIN was still to arrive in town. ██████████ informed the
