To amend Title 18, United States Code, to provide clearer coverage over threats against former Presidents and members of their families, and for other purposes. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled.

**SEC. 5**

(a) IN GENERAL- Section 3486(a) of title 18, United States Code, is amended --

(1) so that paragraph (1) reads as follows:

(1)(A) In any investigation of-- (i)(I) a Federal health care offense; or (II) a Federal offense involving the sexual exploitation or abuse of children, the Attorney General; or (ii) an offense under section 871 or 879, or a threat against a person protected by the United States Secret Service under paragraph (5) or (6) of section 3056, if the Director of the Secret Service determines that the threat constituting the offense or the threat against the person protected is imminent, the Secretary of the Treasury, may issue in writing and cause to be served a subpoena requiring the production and testimony described in subparagraph (B).

(B) Except as provided in subparagraph (C), a subpoena issued under subparagraph (A) may require -- (i) the production of any records or other things relevant to the investigation; and (ii) testimony by the custodian of the things required to be produced concerning the production and authenticity of those things.

(C) A subpoena issued under subparagraph (A) with respect to a provider of electronic communication service or remote computing service, in an investigation of a Federal offense involving the sexual exploitation or abuse of children shall not extend beyond -- (i) requiring that provider to disclose the name, address, local and long distance telephone toll billing records, telephone number or other subscriber number or identity, and length of service of a subscriber to or customer of such service and the types of services the subscriber or customer utilized, which may be relevant to an authorized law enforcement inquiry; or (ii) requiring a custodian of the records of that provider to give testimony concerning the production and authentication of such records or information.

(D) As used in this paragraph, the term 'Federal offense involving the sexual exploitation or abuse of children' means an offense under section 1201, 2241(c), 2242, 2243, 2251, 2251A, 2252, 2252A, 2260, 2421, 2422, or 2423, in which the victim is an individual who has not attained the age of 18 years.;

(2) in paragraph (3)--

(A) by inserting 'relating to a Federal health care offense' after 'production of records'; and

(B) by adding at the end the following: 'The production of things in any other case may be required from any place within the United States or subject to the laws or jurisdiction of the United States.'; and

(3) by adding at the end the following:

(5) At any time before the return date specified in the summons, the person or entity summoned may, in the United States district court for the district in which that person or entity does business or resides, petition for an order modifying or setting aside the summons, or a prohibition of disclosure ordered by a court under paragraph (6).

(6)(A) A United States district court for the district in which the summons is or will be served, upon application of the United States, may issue an ex parte order that no person or entity disclose to any other person or entity (other than to an attorney in order to obtain legal advice) the existence of such summons for a period of up to 90 days.

(B) Such order may be issued on a showing that the things being sought may be relevant to the investigation and there is reason to believe that such disclosure may result in--

- (i) endangerment to the life or physical safety of any person;
- (ii) flight to avoid prosecution;
- (iii) destruction of or tampering with evidence; or
- (iv) intimidation of potential witnesses.

(C) An order under this paragraph may be renewed for additional periods of up to 90 days upon a showing that the circumstances described in subparagraph (B) continue to exist.

(7) A summons issued under this section shall not require the production of anything that would be protected from production under the standards applicable to a subpoena duces tecum issued by a court of the United States.

(8) If no case or proceeding arises from the production of records or other things pursuant to this section within a reasonable time after those records or things are produced, the agency to which those records or things were delivered shall, upon written demand made by the person producing those records or things, return them to that person, except where the production required was only of copies rather than originals.

(9) A subpoena issued under paragraph (1)(A)(i)(II) or (1)(A)(ii) may require production as soon as possible, but in no event less than 24 hours after service of the subpoena.

**Law Enforcement Agencies:  
Welcome to metroPCS!  
Please read for new information!!!**

MetroPCS gives its customers **Permission to speak freely.®** with unlimited calls for one flat fee paid in advance of service. MetroPCS currently operates in the greater metropolitan areas of Atlanta, Dallas/Ft. Worth, Detroit, Sacramento and San Francisco as well as central and southern Florida.

The Subpoena Compliance Group consists of a Manager, one Supervisor and four Excellent Compliance Analysts. We receive, review, and process all law enforcement requests centrally in the Corporate Office in Dallas, TX. We handle 911 calls, exigent/emergency situations, routine subpoena and court order requests, pen registers, Title III wiretaps and fraud cases. We represent MetroPCS in all state and federal trials as evidentiary witnesses/custodians of records.

MetroPCS retains call detail records for up to 6 months; after which they are no longer available. Because MetroPCS allows its customers unlimited use of its service, call detail reports are typically much more voluminous than reports by other carriers. Therefore, beginning April 15, 2006 MetroPCS will charge \$50 for call detail records for more than 15 days. Call detail records without cell site location can be obtained with a subpoena. Call detail records with cell site location will require a court order.

MetroPCS is highly motivated to attain its goal of responding as quickly as possible to legal requests, however, technical issues do arise that sometimes lead to delays. To further assist us in expediting your request, please provide contact information, fax number and an email address with your subpoena. **Email is the fastest method of receiving results.**

**Voicemail:** Voicemails are kept for approximately seven (7) days unless deleted by the customer.  
**Text Messages:** MetroPCS does not store text messages.  
**Cell site location** requires a court order. Cell site address lists are updated frequently as sites are added and are available upon request.

**MetroPCS charges a fee for some services:**

- \$50 for call detail records for more than 15 days
- \$50 for each voicemail password reset
- Pen Registers: \$200 set up-fee, plus \$20 per day maintenance with a minimum fee of \$500
- Wire Taps: \$400 set up fee, plus \$40 per day maintenance
- Court Ordered Requests for On-going Weekly Call Detail Records: \$200 per target number (e.g., fugitive situations)
- \$200 for CFID changes for pen registers and/or wire taps

All requests received by fax or email generate an automatic receipt of request. The automatic response will provide a link to a website that has been created for checking status. **Email is the fastest method of receiving results.** Because MetroPCS allows unlimited calls, a call detail report can easily be too large to fax, so it is advised that you narrow your timeframe as much as possible.

DECLARATION FOR METROPCS RECORDS

[Redacted]  
Security Compliance  
[Redacted]  
Suite 800  
Dallas, Texas 75231

Re: LERMS #27017

I, [Redacted] hereby declare:

I am employed by MetroPCS Inc. and have been designated as Custodian of Records with responsibility for MetroPCS' compliance with the subpoena duces tecum, search warrant or court order.

The attached records are true copies of all the records described in the legal process (subpoena, search warrant, or court order). I personally have conducted or supervised compliance by MetroPCS with the subpoena duces tecum, search warrant or court order.

The records are either call detail or subscriber records, employee records, or other wireless records, depending upon the legal process (subpoena duces tecum, search warrant, or court order) request.

The subscriber records were prepared by MetroPCS personnel in the ordinary course of business at or near the time of the act, condition, or event. Account information is entered into the MetroPCS Billing System where the data is stored. The Custodian of Records retrieves the stored data from the MetroPCS Billing System via billing software for compliance purposes.

MetroPCS allows its customers' unlimited use of their services and therefore does not need call detail records for billing purposes. Call detail records are maintained solely for the purpose of complying with legal processes as mandated by CALEA. MetroPCS selected Verisign to store call detail records for the purpose of complying with legal processes as mandated by CALEA. Verisign is a secure third-party provider and is an active consultant to federal agencies and the Office of Homeland Security.

Call detail is recorded at the MetroPCS switch at the time of the event. MetroPCS makes it a regular business practice to have the records stored for the purpose of meeting requirements for assisting government agencies with lawful subpoena requests for subscriber records. The call detail is electronically transmitted to Verisign where the data is stored. Verisign provides a static IP address through a dedicated secure circuit for retrieval of these records. The call detail files are maintained for approximately 6 months depending on size and quantity, after which they are automatically purged.

- Certification of No Records:** That a thorough search of our files revealed no documents, records or other materials called for in the subpoena. \* [Redacted] for the time period requested.\*
- Requested call detail records existed at one time but all or some of the records have since been purged.

I declare, under penalty of perjury, that the foregoing is true and correct.

AN ACT

To amend Title 18, United States Code, to provide clearer coverage over threats against former Presidents and members of their families, and for other purposes. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled.

## SEC. 5

(a) IN GENERAL- Section 3486(a) of title 18, United States Code, is amended --

(1) so that paragraph (1) reads as follows:

(1)(A) In any investigation of-- (i)(I) a Federal health care offense; or (II) a Federal offense involving the sexual exploitation or abuse of children, the Attorney General; or (ii) an offense under section 871 or 879, or a threat against a person protected by the United States Secret Service under paragraph (5) or (6) of section 3056, if the Director of the Secret Service determines that the threat constituting the offense or the threat against the person protected is imminent, the Secretary of the Treasury, may issue in writing and cause to be served a subpoena requiring the production and testimony described in subparagraph (B).

(B) Except as provided in subparagraph (C), a subpoena issued under subparagraph (A) may require -- (i) the production of any records or other things relevant to the investigation; and (ii) testimony by the custodian of the things required to be produced concerning the production and authenticity of those things.

(C) A subpoena issued under subparagraph (A) with respect to a provider of electronic communication service or remote computing service, in an investigation of a Federal offense involving the sexual exploitation or abuse of children shall not extend beyond -- (i) requiring that provider to disclose the name, address, local and long distance telephone toll billing records, telephone number or other subscriber number or identity, and length of service of a subscriber to or customer of such service and the types of services the subscriber or customer utilized, which may be relevant to an authorized law enforcement inquiry; or (ii) requiring a custodian of the records of that provider to give testimony concerning the production and authentication of such records or information.

(D) As used in this paragraph, the term 'Federal offense involving the sexual exploitation or abuse of children' means an offense under section 1201, 2241(c), 2242, 2243, 2251, 2251A, 2252, 2252A, 2260, 2421, 2422, or 2423, in which the victim is an individual who has not attained the age of 18 years.

(2) in paragraph (3)--

(A) by inserting 'relating to a Federal health care offense' after 'production of records'; and

(B) by adding at the end the following: 'The production of things in any other case may be required from any place within the United States or subject to the laws or jurisdiction of the United States.'; and

(3) by adding at the end the following:

(5) At any time before the return date specified in the summons, the person or entity summoned may, in the United States district court for the district in which that person or entity does business or resides, petition for an order modifying or setting aside the summons, or a prohibition of disclosure ordered by a court under paragraph (6).

(6)(A) A United States district court for the district in which the summons is or will be served, upon application of the United States, may issue an ex parte order that no person or entity disclose to any other person or entity (other than to an attorney in order to obtain legal advice) the existence of such summons for a period of up to 90 days.

(B) Such order may be issued on a showing that the things being sought may be relevant to the investigation and there is reason to believe that such disclosure may result in--

(i) endangerment to the life or physical safety of any person;

(ii) flight to avoid prosecution;

(iii) destruction of or tampering with evidence; or

(iv) intimidation of potential witnesses.

(C) An order under this paragraph may be renewed for additional periods of up to 90 days upon a showing that the circumstances described in subparagraph (B) continue to exist.

(7) A summons issued under this section shall not require the production of anything that would be protected from production under the standards applicable to a subpoena duces tecum issued by a court of the United States.

(8) If no case or proceeding arises from the production of records or other things pursuant to this section within a reasonable time after those records or things are produced, the agency to which those records or things were delivered shall, upon written demand made by the person producing those records or things, return them to that person, except where the production required was only of copies rather than originals.

(9) A subpoena issued under paragraph (1)(A)(i)(II) or (1)(A)(ii) may require production as soon as possible, but in no event less than 24 hours after service of the subpoena.

(10) As soon as practicable following the issuance of a subpoena under paragraph (1)(A)(ii), the Secretary of the Treasury shall notify the Attorney General of its issuance.

**Taxes, Surcharges and Assessments**

This section includes applicable federal, state and local taxes, surcharges and assessments that have been imposed on you or T-Mobile related to your service. We collect these taxes, surcharges and assessments as permitted or required by law and remit them to the appropriate governmental entity. This section also includes the Regulatory Programs Fee that T-Mobile elects to collect and retains.

**Federal Universal Service Fund**

The Federal Universal Service Fund (FUSF) is not a tax or government assessment imposed directly on the customer. Carriers are permitted, but not required to charge their customers for FUSF. We charge the FUSF based on a percentage of your wireless service charges. A contribution factor provided by the Federal Communications Commission (FCC)(which the FCC may change) is one factor used to calculate the percentage.

**Regulatory Programs Fee**

The Regulatory Programs Fee is an additional charge that T-Mobile elects to collect. We collect and retain the fee to recover our costs related to government mandates and programs including, without limit, wireless number pooling, local number portability and E911.

We may impose the Fee whether or not all or some services are used, or available to you, or in your location.

**Primary Place of Use**

We are required to use the residential or business street address you provided, which must be within our licensed service area, to determine certain taxes and surcharges. If you give us an address (such as a PO box) that is not a recognized street address, you will be assigned a default location for tax calculation, which may result in a higher or lower charge for certain taxes and surcharges.

**Easy Pay Option-Automatic Monthly Payment Term and Conditions**

With Easy Pay you authorize T-Mobile to collect payment for your monthly statement by automatically withdrawing the amount due from your checking or savings account or charging a designated credit/debit card. You can enroll in Easy Pay by: 1) Visiting our website at www.T-Mobile.com; or 2) Completing and mailing the Easy Pay application form below; or 3) Calling customer care at 800-937-8997 or dialing 611 from your T-Mobile phone. You agree to review each statement to check for any errors and to give T-Mobile timely notice of any errors. After notice, T-Mobile will attempt to correct errors prior to your next statement. T-Mobile shall bear no responsibility for any losses of any kind that you may incur as a result of an error in your statement. Funds will be transferred from your checking or savings account or charges will be made to your debit/credit card 3 days before the due date of your bill (settlement date). Under federal law, you have the right to stop an electronic fund transfer provided you give your financial institution or credit card issuer notice of at least 3 business days before the scheduled transfer date. T-Mobile is not liable for any losses due to a delay in the date your funds are transferred or account is charged. If any changes occur in the information on your Easy Pay application you must immediately notify T-Mobile in writing of such changes. T-Mobile shall bear no liability for any losses incurred due to your failure to give such notice. T-Mobile's sole liability to you shall be to make any appropriate changes once in receipt of your written notification. T-Mobile reserves the right to change these Terms and Conditions at any time. Notice may be given on or with your bill or by other methods. Either you or T-Mobile may terminate Easy Pay at any time by giving written notice to the other reasonably in advance of the date of termination and of any scheduled settlement date. Termination shall not reverse a debit transaction authorized before any notice of termination. You agree to be bound by any rules your financial institution or credit card issuer requires for pre-authorized electronic funds transfer or credit card charges. Check with your financial institution to see if there are any fees associated with the pre-authorized payment option.

**Disputed Charges**

If you believe your bill contains any incorrect charges (including taxes, fees and surcharges) you must notify us of such disputed charges within 60 days of the first bill on which the charge first appears or you waive your right to dispute the charge. Questions about your bill? Please call us at (800) 937-8997 or dial 611 from your T-Mobile phone. You may also write to T-Mobile Customer Relations, PO Box 37380, Albuquerque, NM 87176-7380 or send an email via our website at <http://www.t-mobile.com/contact>. You may also contact the Federal Communications Commission at (888) 225-5322.
