PALM BEACH POLICE DEPARTMENT
Incident Report

Page: 66
Program: CMS301L

Case No. : [REDACTED] (Continued)
responded to [REDACTED] also known as the [REDACTED]
[REDACTED] I located the [REDACTED] I located [REDACTED]
[REDACTED] inside the foundation and informed her that I was
investigating a case against Jeffrey Epstein and knew she had been at
the house. [REDACTED] started to cry and advised she had put that part
of her life behind her. I explained that although she is seventeen
years old I needed to inform her parents that she would be
interviewed. She provided her home telephone number. I attempted
contact and left voice mail messages at the house to speak with her
parents.

Det. Caristo and I then located [REDACTED] at her residence located
at [REDACTED] in West Palm Beach. I attempted to interview her
about Jeffrey Epstein. She advised she is so in love with Jeff
Epstein and would do anything for him. She further explained that she
would not speak with us about him either negative or positive. She
asked us to leave her property. I informed her that although she did
not wish to speak with us, I had sufficient information at this point
in the investigation to know she was at Epstein's house and provided
girls to Epstein to work. I also explained that prior to our arrival
at her residence I had telephone contact with her father, [REDACTED]
[REDACTED], who was told she would be interviewed. [REDACTED] is
currently seventeen years old and as a juvenile, parental notification
would be required. We then left the area and returned to the police
station.

While at the police station, I left another telephone message for
[REDACTED]'s parents. I began an analysis of [REDACTED] Cellular
telephone. The telephone number [REDACTED] is assigned to [REDACTED]
[REDACTED] and the financially responsible party is Jeffrey Epstein of 457
Madison Ave. in New York City, New York. The time frame which was
subpoenaed was September 2005, through October 2005. There were
eighty seven pages of calls made either to the cell phone or from the
cell phone. The local (561) numbers were analyzed. A spread sheet
was prepared and placed into the attachment file of who was called.

The unknown numbers were researched using FoneFinder.com and subpoenas
were requested to determine subscriber information. This was done to
identify additional victims or witnesses. The analysis revealed that
[REDACTED] had called the victim/witnesses frequently when Epstein was in
the Town of Palm Beach to "work." This confirms what the girls
interviewed had previously stated. [REDACTED] would notify them when
Epstein was in town and their willingness to "work." The CD was placed
into evidence.

Investigation Continues.

A review of the telephone message books, which were obtained during the search warrant, was conducted in which various messages from different dates were made to Jeffrey Epstein. The telephone message books have a duplicate copy (Carbon Copy) which, once a phone message is written into the book, the top copy is then torn on the perforated edge and the carbon copy is left in the book. First names of girls, dates and telephone numbers were on the copy of the messages. I recognized various numbers and names of girls that had already been interviewed. The body of the messages was time of the day that they called for confirmation of "work." Other names and telephone numbers were located in which the body of the messages were, "I have girls for him" or "I have 2 girls for him." These messages were taken by [REDACTED] for Jeffrey Epstein. Based on the context of the body of the messages, I requested subpoenas for subscriber information on the telephone numbers and the time frame involved. Copies of the messages were made for evidentiary purposes.

I obtained [REDACTED] yearbooks for 2005, 2004 and 2003. I first reviewed the 2005 yearbook and located most of the girls I had spoken with. Additionally, I located [REDACTED] Based on the corrected name spelling, I was able to locate her to her residence in Loxahatchee. On December 8, 2005, Det. [REDACTED] and I responded to [REDACTED] in Loxahatchee. I located [REDACTED] at her home. She advised she is attending [REDACTED] and is participating in the early release program so she can maintain her part time job. As she is still a minor, I left my business card to have her mother return my call to request an interview with her daughter. We then left the area.

I also had previously researched the telephone number for [REDACTED] and telephone number [REDACTED]. A subpoena had been issued for the information on [REDACTED]. The telephone number was registered to [REDACTED] of [REDACTED]. A query of [REDACTED] revealed that she is the daughter of [REDACTED] and is currently residing at [REDACTED] in West Palm Beach. Det. [REDACTED] and I attempted contact with [REDACTED] with negative results. I left my business card on her front door requesting she return my call. We then responded to [REDACTED] in West Palm Beach. I also attempted contact with Mr. [REDACTED] with negative results. I left my business card for him to return my call.

Re: Grand Jury Subpoena for [REDACTED] [REDACTED]

Dear [REDACTED]

As always, it was a pleasure speaking to you the other day. Pursuant to our telephone conference I am writing this letter to proffer my concerns for [REDACTED] should she testify without immunity before a federal grand jury. Therefore, allow me to reiterate that Ms. [REDACTED] will refuse to voluntarily cooperate with the federal government. She has a good faith basis for her position under the Fifth Amendment to the United States Constitution.

We, of course, do not live or work in a vacuum. We have read many inflammatory remarks the Town of Palm Beach Police Chief has made to the media about the state court's handling of the Jeffrey Epstein investigation. The police chief's remarks frighten both myself and my client. I am aware that the town police have prepared documents to charge at least one of Mr. Epstein's lady friends in state court. If they can push to have one lady charged I remain unconvinced that they do not have the ability or political clout to push to have other ladies such as Ms. [REDACTED] charged.

The proffered facts that raise my concerns are being provided via this proffer letter. Pursuant to our telephone conference agreement, this letter and its contents cannot be used against Mr. [REDACTED]

Ms. [REDACTED] is not at all certain of dates. She does remember meeting Mr. Epstein about three years ago. She is not certain of her age, it could have been when she was sixteen. A girlfriend asked her if she wanted a job giving massages. Ms. [REDACTED] agreed because she had knowledge of massages through her mother, who was a masseuse.

Ms. [REDACTED] went to Mr. Epstein's house via taxi. [REDACTED] girlfriend instructed Ms. [REDACTED] that, if asked, she had to tell Mr. Epstein that she ([REDACTED] was eighteen years old. The friend was nineteen years old and [REDACTED] looked old for her age, so passing for eighteen was not a problem. At

the home Ms. [REDACTED] met Mr. Epstein and later gave him a massage. The friend had told Ms. [REDACTED] to give the message topless. Mr. Epstein told [REDACTED] that if she were at all uncomfortable being topless, not to do it and it was not a requirement of employment as a masseuse. Ms. [REDACTED] never touched Mr. Epstein in a sexual way and Mr. Epstein never touched Ms. [REDACTED] at all. At one point, Mr. Epstein did ask Ms. [REDACTED] her age. Ms. [REDACTED] insisted that she was eighteen years old.

Ms. [REDACTED] continued to see Mr. Epstein over time and massages were given in a similar fashion. She was later asked if her friends wanted to work in a similar way and she asked some girls who did give Mr. Epstein massages. Ms. [REDACTED] was never asked to bring girls of any age to Mr. Epstein's home. When she did have her friends come over, she instructed all of them that if asked, they insist that they were eighteen years old. She is not certain at all of any of these girls' real ages.

In summary, our concern is that if the government believes that Mr. Epstein committed some federal offense, then Ms. [REDACTED] could be considered a co-conspirator. We believe no crime was committed. The Fifth Amendment was not intended to protect the guilty, however. It was enacted to protect citizens who fear prosecution notwithstanding their innocence. Our fear of any prosecution, especially in light of the Town police chief's public remarks, is clearly in good faith.

Sincerely,

JAMES L. EISENBERG

[REDACTED] provided names of girls that she knew of that have gone to Epstein's house. [REDACTED] provided the name of [REDACTED] and feels she still may be going to the house to massage Epstein. According to [REDACTED] "[REDACTED]

When asked if she had been recently contacted by anyone of the house, [REDACTED] advised she received an email from [REDACTED] from [REDACTED] which is her email account. The email was just a hello, how are you doing type of email. There had been no other contact from the house. The interview was concluded and [REDACTED] left the area. The tapes and drawing were submitted into evidence.

NA Reported By: [REDACTED] 11/01/05
Entered By: [REDACTED] 11/07/05

On October 12, 2005, Det. [REDACTED] and I traveled to the Orlando area and made telephone contact with [REDACTED] [REDACTED] agreed to meet with us as we were in the Orlando area. [REDACTED] provided directions to her apartment. Det. [REDACTED] and I met with [REDACTED] who stated, during a sworn taped statement that nothing happened between her and Epstein. [REDACTED] appeared nervous during the interview. I assured her that I had spoken with other people who advised differently. [REDACTED] stated she only went a couple of times and provided a massage to Epstein. She stated she was brought to the Epstein house in March of 2005. [REDACTED] brought her to work. [REDACTED] has no formal training in providing massages. [REDACTED] stated she provided a massage, fully clothed for \$200.00. As I sensed hesitancy in her answers, I asked [REDACTED] if she had been contacted by anyone from the house. [REDACTED] stated she was interviewed already by an investigator for Epstein. He met with her on October 8, 2005, at a Roadhouse in Orlando. He identified himself as Paul and inquired about the police investigation and left his telephone number [REDACTED] for additional contact. [REDACTED] provided no additional information, as it appeared her responses were almost scripted. We left the area and returned to Palm Beach Police Department.

Based on the information acquired during the interviews, a search warrant was prepared for entry at the Epstein home. On October 18, 2005, I met with Judge Laura Johnson who reviewed the warrant request. She found there was sufficient probable cause and signed the warrant request. On October 20, 2005, at approximately 9:36 am, members of the Palm Beach Police Investigations Unit executed the search warrant at 358 El Brillo in Palm Beach. Members of the Investigations Unit included Capt [REDACTED] Sgt [REDACTED] Det. [REDACTED] Det. [REDACTED] Det. [REDACTED] Det. [REDACTED] the crime scene unit and myself.
