three years old when she met Epstein, anything that happened was between two consenting adults. I explained to her that she was not in any trouble however as part of this investigation, I needed to ask certain questions. [REDACTED] stated that there were times that Epstein would ask her to perform during the massage. [REDACTED]

[REDACTED] stated she felt "grossed" about the behavior but as she was getting paid, she just continued. [REDACTED] also advised she would on occasion perform the massages [REDACTED] Epstein would on occasion, [REDACTED]

[REDACTED] explained that Epstein never exposed himself to her as he maintained himself covered under the towel he would be wearing. [REDACTED]

I asked if [REDACTED] ever received any gifts, or any gratuities from Epstein. [REDACTED] advised aside from being paid well, she advised Epstein took care of her tuition from [REDACTED] She received a rental car for a week when her [REDACTED] broke down.

Additionally she received other gifts from Epstein. Epstein also recommended her to another client who resides at Breakers Row in Palm Beach. The client she was referred to was "Glenn" unknown last name, and his wife, who she provided a massages to. The statement was concluded and placed into evidence upon our return to the Palm Beach Police Department.

While at the police station, I researched Florida tag [REDACTED] which was also previously seen on the property when there was physical surveillance being done at the property. The vehicle is registered to [REDACTED] of Lake Worth, Florida. Researching [REDACTED] and the vehicle revealed that his daughter, [REDACTED] had been driving the vehicle and was cited for unlawful speed in Lake Clark Shores. The vehicle is a [REDACTED] I researched [REDACTED] date of birth, [REDACTED], resides at [REDACTED] in Lake Worth. [REDACTED] has a my space page called www.myspace.com/[REDACTED]. In her web page, shows various photos of [REDACTED] photographed at a beach. An interview is forthcoming.

A review of the video disks which was extracted at the Palm Beach County Sheriff's Office Computer Crime Unit revealed that only one hidden camera was functional at the time. Several images of Epstein working at his office were seen. Additional footage of [REDACTED] and [REDACTED] was seen. There was other footage of females seen. The identity of the females is unknown at this time, until such time as I meet with certain females to show the video footage to confirm if, in fact, it is them on the video. At this time it appears that [REDACTED] and [REDACTED] are seen sitting with Epstein beside his desk in the evening hours. Due to poor lighting, a direct confirmation cannot be made at this time.

yo. good talking yesterday. I'm glad you were up at 6am. I've missed talking to you. sorry I couldn't understand you half the time, either it's my lack of coverage or your new iPhone....??? I'm still jealous. so I'm trying to figure out this vegas trip. my friends [redacted] and I wanted to go sometime in september, and I just found out that Justin Timberlake is going to be at mandalay bay on saturday the first!!! I'm not even sure if there are still tickets, since they went on sale in april (!!!) but I would LOVE to surprise them with that, they would die, and I might actually pass out. I've only recently become a fan since his new album came out. What Goes Around is definitely one of my favorite songs of the summer... Anyway, enough about JT. That is my potential "window" of travel, I guess it's my ideal time if I can figure out the concert thing... let me know what you think and if you'll be there and if you can skip work and go to the show. haha. have you ever skipped work? I doubt it.

I'll thanks for your message and concern. I've decided to stay up north for the summer. It's been nice getting away from the "daily grind" and just slow down for while. Life here is a bit similar to the Bahamas... slower. It's a good break. I do have to resign from my job in florida however to be up here, and I'm trying not to feel premature stress about that before I even go back. at this point I am not sure what I will be doing when I return in september. I'll admit there's a bit of the unknown. but it's better to embrace it when there's a mortgage to pay. I hope things with you are well. thanks for checking up on me. I may be coming to vegas eventually. so I'll look you up if I do. love to see a show again. you can bring my friend up and cut her head off or something.

Keep me posted on your trip. I wish I had some contacts w/ Just. Timb. but I don't know anyb w/ his managen firm. let me kn if your coming on it would be good to catch up.

David,
I tore my house apart yesterday searching for my passport. Apparently it really is lost. I've looked into replacing it quickly, but without proof of foreign travel I may have to wait the normal few weeks. I am trying to make an appointment at the agency in Miami, but of course "due to a high volume of calls" I haven't yet been able to get through. I'm trying not to get frustrated, because the more I think about it, the more I want to come to Masha Cay! so that's the status on that.

My friend [REDACTED] and I were drooling over the video and website. She's a personal trainer/gym manager, so of course she wanted to know what kind of fitness room was there, and I was trying to see what kind of potential there was for a mini spa/salon, haha. we have big ideas for opening a gym/spa/salon together, and have been talking about locations and size, etc. maybe Masha Cay needs a kickass trainer and really hot stylist/massage therapist to revamp one of the 11 islands..(nudge nudge wink wink)
:)
that would be awesome.

anyway, thanks so much for thinking of me, and (maybe) inviting me to come see this paradise!!! I'll keep you updated on this passport nightmare.
hope your day goes well, and don't stress out!!!! that's what zanax is for, haha.
