DECLARATION FOR [REDACTED] RECORDS

[REDACTED]
Security Compliance
[REDACTED]

Dallas, Texas 75231

Re: [REDACTED]
31E-MM-108062

I, [REDACTED], hereby declare:

I am employed by [REDACTED] and have been designated as Custodian of Records with responsibility for [REDACTED] compliance with the subpoena duces tecum, search warrant or court order.

The attached records are true copies of all the records described in the legal process (subpoena, search warrant, or court order). I personally have conducted or supervised compliance by [REDACTED] with the subpoena duces tecum, search warrant or court order.

The records are either call detail or subscriber records, employee records, or other wireless records, depending upon the legal process (subpoena duces tecum, search warrant, or court order) request.

The subscriber records were prepared by [REDACTED] personnel in the ordinary course of business at or near the time of the act, condition, or event. Account information is entered into the [REDACTED] Billing System where the data is stored. The Custodian of Records retrieves the stored data from the [REDACTED] Billing System via billing software for compliance purposes.

[REDACTED] allows its customers' unlimited use of their services and therefore does not need call detail records for billing purposes. Call detail records are maintained solely for the purpose of complying with legal processes as mandated by CALEA. [REDACTED] selected Verisign to store call detail records for the purpose of complying with legal processes as mandated by CALEA. Verisign is a secure third-party provider and is an active consultant to federal agencies and the Office of Homeland Security.

Call detail is recorded at the [REDACTED] switch at the time of the event. [REDACTED] makes it a regular business practice to have the records stored for the purpose of meeting requirements for assisting government agencies with lawful subpoena requests for subscriber records. The call detail is electronically transmitted to Verisign where the data is stored. Verisign provides a static IP address through a dedicated secure circuit for retrieval of these records. The call detail files are maintained for approximately 6 months depending on size and quantity, after which they are automatically purged.

Requested call detail records for [REDACTED] existed at one time but all or some of the records have since been purged.

I declare, under penalty of perjury, that the foregoing is true and correct.

Executed at Dallas, Texas on 8/21/2007.

(B) Except as provided in subparagraph (C), a subpoena issued under subparagraph (A) may require -- (i) the production of any records or other things relevant to the investigation; and (ii) testimony by the custodian of the things required to be produced concerning the production and authenticity of those things.

(C) A subpoena issued under subparagraph (A) with respect to a provider of electronic communication service or remote computing service, in an investigation of a Federal offense involving the sexual exploitation or abuse of children shall not extend beyond -- (i) requiring that provider to disclose the name, address, local and long distance telephone toll billing records, telephone number or other subscriber number or identity, and length of service of a subscriber to or customer of such service and the types of services the subscriber or customer utilized, which may be relevant to an authorized law enforcement inquiry; or (ii) requiring a custodian of the records of that provider to give testimony concerning the production and authentication of such records or information.

(D) As used in this paragraph, the term 'Federal offense involving the sexual exploitation or abuse of children' means an offense under section 1201, 2241(c), 2242, 2243, 2251, 2251A, 2252, 2252A, 2260, 2421, 2422, or 2423, in which the victim is an individual who has not attained the age of 18 years.;

(6)(A) A United States district court for the district in which the summons is or will be served, upon application of the United States, may issue an ex parte order that no person or entity disclose to any other person or entity (other than to an attorney in order to obtain legal advice) the existence of such summons for a period of up to 90 days.

(B) Such order may be issued on a showing that the things being sought may be relevant to the investigation and there is reason to believe that such disclosure may result in--

NOTE:

On an incoming call search, if the calling number is a cellular number, this is normally not the actual cellular customer's number; it is the cellular provider's trunk number. It is the trunk billing number [REDACTED] uses to identify calls originating from a particular cellular telephone carrier. Please contact the cellular carrier to identify the actual originating cellular telephone number. The cellular carrier will have to conduct a search for all calls terminating to the target number. If you have questions on a carrier code, you can access the following web site for information: [http://\[REDACTED\].com/pic/dbsearch.html](http://[REDACTED].com/pic/dbsearch.html)

>> Add a "PIC Freeze" to your account and never worry about "slamming" again!

"Slamming" is the unlawful practice of changing a consumer's long distance carrier without permission and thousands of "slamming" complaints are reported every year. A "PIC Freeze" is a feature that can be added to your account that ensures your local toll and long distance carrier is not changed without your consent. Once you have a PIC freeze on your account, you must call [REDACTED] to remove the PIC freeze if you want to change your long distance carrier. The PIC Freeze procedures are in addition to the procedures used to verify a change in your long distance service. Thus it offers additional protection in that only you can change your long distance carrier and only after you remove the PIC freeze. Plus, there is no additional cost for this service.

Call [REDACTED] and request a "PIC Freeze" on your local toll and long distance service today!

>> At [REDACTED] Long Distance we want your service to be Simple and Carefree.

If you have any questions about your [REDACTED] Long Distance calling plan or your calling needs change, just call and we'll find a plan that better fits your needs. Please note, any check or payment instrument in an amount less than the full amount due that you send [REDACTED] marked "PAID IN FULL" or otherwise tender as full satisfaction of a disputed amount, must be sent to [REDACTED] Accounts Receivable Management, [REDACTED], Nashville, TN 37201 and NOT the payment address shown on the payment return document. Thank you for choosing [REDACTED] for your communications needs.

Returned Check Policy Notice

An important part of [REDACTED] commitment to our valued customers is keeping you informed of policies that may affect your account. If a check is returned to [REDACTED] from your financial institution, a returned check fee up to the amount permitted by law may be charged to your account.

Federal Universal Service Charge Increase

The Federal Communications Commission (FCC) recently announced an increase in the factor that determines how much [REDACTED] contributes to the federal universal service funds. These funds are designed to help keep telephone rates affordable and to expand telephone services to schools and rural areas. You will see a corresponding increase in the Federal Universal Service monthly charge that recovers this increased payment by [REDACTED]. The increase will be effective January, 2005, and will be reflected on January and February 2005 bills. This charge will not be applied to Lifeline accounts.

>> Add a "PIC Freeze" to your account and never worry about "slamming" again!

"Slamming" is the unlawful practice of changing a consumer's long distance carrier without permission and thousands of "slamming" complaints are reported every year. A "PIC Freeze" is a feature that can be added to your account that ensures your local toll and long distance carrier is not changed without your consent. Once you have a PIC Freeze on your account, you must call [REDACTED] to remove the PIC freeze if you want to change your long distance carrier. The PIC Freeze procedures are in addition to the procedures used to verify a change in your long distance service. Thus it offers additional protection in that only you can change your long distance carrier and only after you remove the PIC Freeze. Plus, there is no additional cost for this service.

Call [REDACTED] and request a "PIC Freeze" on your local toll and long distance service today!

>> At [REDACTED] Long Distance we want your service to be Simple and Carefree.

If you have any questions about your [REDACTED] Long Distance calling plan or your calling needs change, just call and we'll find a plan that better fits your needs. We have a wide variety of domestic and international calling plans and there is absolutely no cost to switch plans. We are committed to providing you with excellent service and we want to make absolutely sure that you are fully satisfied.

Low Income Assistance for Telephone Service - Lifeline and Link-Up

Low income support may be available for your home telephone service. Lifeline and Link-Up provide assistance with monthly recurring and connection charges to qualified residential telephone subscribers. These programs make telephone service more accessible to those who otherwise might not be able to afford it. You may be eligible if you currently receive income-based benefits from a plan such as Temporary Assistance to Needy Families (TANF), Food Stamps, Medicaid, Supplemental Security Income (SSI), Low Income Home Energy Assistance Program (LIHEAP), or Federal Public Housing/Section 8. If you are at or below 125% of the poverty level, but not currently receiving benefits from one of the listed programs, you may be able to qualify by contacting the Office of Public Counsel in Tallahassee on 1-800-540-7039. Call 1-888-757-6500 or visit the Lifeline/Link-Up Website www.lifelinesupport.org for more information. If you know others who might qualify, please tell them [REDACTED] may be able to help them get service at the reduced rate even if they have prior unpaid telephone bills. [REDACTED] should be notified within 60 days after receipt of your [REDACTED] bill about any billing discrepancy.
