About me:
it's (means hehehe nice of you to READ my profile darling!! I guess you really wanna know about me... so let's see... I'm 18... I graduated from highschool a year early so that I could work my slightly unusual job in miami for a year. i like it :) i lived in Milan, Italy for 2 months 2 years ago, and I learned to speak Italian... hmmm... I write my own songs. I love kittens, mango is my fav fruit, though I'll eat almost anything... love crab... I'm taking a hip hop dance class currently to keep in shape, oh yes (and pilates sometimes) I was a varsity cheerleader my freshman year at and I ran track for two years... I'll be going to in the fall... and I'm so in love with my incredibly wonderful, perfect Spaniard boyfriend... because he is just that. blame me? hehe basically my life rocks, (yeah)...

Who I'd like to meet:

Hayden Christianson--major hottie... that guy on Prison Break-- my new fav show!! :D

You Are An Iris

You are a unique woman who needs a lot of novelty in her life. An
 inspiration seeker, you often have to change scenery to recharge. You
 don't deal well with structure or rules; you need to do it your own way.
 Your ideal relationships are free and flowing; no one can tie you down.

You are a: Gentle Love Master (DGLM)

Appreciated for your kindness and envied for all your experience, you
 are The Maid of Honor.

Charismatic, affectionate, and terrific in relationships, you are what
 many guys would call a "perfect catch"--and you probably have many
 admirers, each wishing to capture your long-term love. You're careful,
 extra careful, because the last thing you want is to hurt anyone.
 Especially some poor boy whose only crime was liking you.

We've deduced you're fully capable of a
 dirty fling, but you do feel that post-coital
 attachment after hooking up. So,
 conscientious person that you are, you
 do your best to reserve physical
 affection for those you respect...so you

My little sister is just the light of my day, and she doesn't even know it. love her dearly. You touch her, I'll kill you. =)

My buddies [redacted] and [redacted] are all amazing companions. They're there for me when I need them, and they're really funny. heh

Tindre't al meu costat és el millor somni fet realitat.
El teu amor m'alegra el dia.
Somriure és l'únic que ser fer quan em dius que em vols.
Tocar-te com sols jo sé que t'agrada és un privilegi.
I encara no saps del que sóc capaç!
Mirar-te als ulls mentre fem l'amor és inexplicable.
Encara ho és més quan ho fem de forma salvatge.

Just wanted to say that Your life can stop any minule,
for any reason...but really think about it...ur here today
but your gone tomorrow. How many times do you
say "I love You" to your friends? I'm guessing not
much. even if you dont mean it, its always imporant to

Online Now!

feel loved, and love. i bet your really confused right about now, but all i really wanted to say is that i simply love you and im glad your my friend. i wish you the best, and i hope you know that i'll always be your friend no matter the distance, and always know that i'm thinking of u. because like i said before, today u can be here but tommorrow you can be gone. im pretty sure your smiling back at the lifeless computer screen. Now its your turn to spread the love, send this to all your friends, as well as ur enemies, trust me you'll make them happy, at least for a minute or two, ur task is to send it to MORE than 15 friends and send it to the person who send u this 2 u. but beware, thy who breaks the chainletter, and stops spreading the love, will be cursed for 10 years. now go ahead show ur friends u care*

NA Reported By: [REDACTED] 1/30/06
Entered By.: [REDACTED] 1/30/06

On January 25, 2006, Det [REDACTED] and I, responded to [REDACTED] in Lake Worth and met with [REDACTED]. [REDACTED] stated last year, when she was seventeen years of age, she met Jeffrey Epstein through [REDACTED]. [REDACTED] was allegedly dating Epstein at the time. [REDACTED] and [REDACTED] had once [REDACTED] when they modeled. [REDACTED] explained [REDACTED] called her on her telephone and advised her that she was in Palm Beach and requested to see her. [REDACTED] made arrangements to meet with her at Epstein's house. [REDACTED] arrived and met Epstein and [REDACTED] and [REDACTED] went to the Palm Beach Mall together and went shopping. [REDACTED] advised that [REDACTED] and she had received money from Epstein to go to the mall. They visited Victoria's Secret and purchased undergarments from the store utilizing monies given by Epstein. [REDACTED] advised she purchased one item and [REDACTED] purchase various items. The money used to purchase the items was the money given by Epstein.

[REDACTED] and [REDACTED] continued shopping and having a day together. [REDACTED] stated [REDACTED] explained how she and Epstein have been dating each other and he has been paying all of her bills. [REDACTED] claimed [REDACTED] advised they met in New York and had been dating ever since. They later returned to Epstein's home and encountered Epstein. He had a brief conversation with [REDACTED] about her modeling career. He knew of her modeling career from [REDACTED]. He requested to see her modeling portfolio and explained that he could help her with modeling jobs. [REDACTED] had her book with her to show [REDACTED] and showed the book to Epstein. He commented negatively about her photographs and portfolio. [REDACTED] felt uncomfortable with the comments made as she had been working with other professional modeling companies who had offered her work from her photographs. Epstein requested to see what was purchased at the mall. [REDACTED] took out the undergarments which were purchased. She immediately showed Epstein different sets purchased. Epstein then requested to view what [REDACTED] purchased. [REDACTED] was reluctant to show the outfit however since it was Epstein's money that purchased the item, she pulled it out of the bag. Epstein asked [REDACTED]

[REDACTED] returned into the room and told [REDACTED] she would be going home. [REDACTED] scheduled another day for [REDACTED] to return for massages with her.

[REDACTED] stated within that same week, she returned to meet with [REDACTED] and have a massage. [REDACTED] had told her that she would be unable to stay with her as she would be going on a bike ride with Epstein. [REDACTED] explained she could stay at the house and take advantage of the massage.

██████████ stated she met with an unknown massage therapist and had the table already set up in a guest room. ██████████

██████████ removed her self ██████████ got dressed and left the house. ██████████ further stated ██████████ had attempted to call her on several occasions to invite her back to Epstein's house to which ██████████ replied "I'm busy." ██████████ advised she has not had contact with either ██████████ or Jeffrey Epstein. It should be noted that ██████████ was present during the interview. The interview was concluded and we thanked them her for their time.

***** N A R R A T I V E # 38 *****
NA Reported By: RE CAREY, JOSEPH 1/31/06
Entered By.: ALTOMARO, NICKIE A. 1/31/06

On January 27, 2006, I made telephone contact with ██████████ at ██████████. ██████████ is a licensed massage therapist who had frequented the home of Jeffrey Epstein. Ms. ██████████ has been unable to meet with me in Palm Beach County, and because she lives and works in Port St Lucie, a telephone interview was conducted. I explained to Ms. ██████████ that there was an on going investigation involving Jeffrey Epstein.

██████████ stated she knows Epstein and has been employed by him for approximately three years. Epstein has paid ██████████ to perform Swedish Massages (Deep Tissue) on him and other guests. ██████████ explained that approximately three year ago she met Ghislaine Maxwell and Jeffrey Epstein through a mutual friend. Epstein and Maxwell were looking for a massage therapist. ██████████ stated since that time, she is notified when Epstein is coming to Palm Beach. ██████████ stated she comes to his house and provides the massage or massages. ██████████ explained she has also massaged his guests and assistants. ██████████ continued that she is paid \$100.00 and hour for the massage.

I asked ██████████ if anything occurred during the massage that would have made her feel uncomfortable. ██████████ stated she only provided massages and that was it. She never was approached for anything else. I asked if Epstein ever asked her to rub his chest she stated she would not rub his chest as that is not part of her massage. ██████████ explained that she was not Epstein's type. The girls she would see at Epstein's house were very thin, beautiful and without tattoos. ██████████ explained she has several tattoos that are visible. Maxwell and Epstein have commented negatively about her tattoos previously when she has provided massages.

hey hope your doing good! not sure if you would be interested in this but i have 40 bottles of monavie that im trying to sell and they are \$40 each. if you have not heard of this stuff you can check out the website www.monavie.com. its an all natural berry juice made from berries from the rainforest that people take if they have arthritis, joint pain, or if they just want to boost their immune systems. one bottle lasts about a month and you take about a shot glass 2 times a day. it comes in what looks like a wine bottle and it tastes better if its refrigerated rather than if you drink it warm. if you know anyone that wants it send them my way. thank! :)
