Roam Usage and Charges represent charges for airtime used outside your home area. Airtime minutes used while roaming are not a part of your Calling Plan airtime allowance unless your Calling Plan specifies otherwise. Billing for roaming minutes may be delayed depending on when that carrier bills us. For incoming and outgoing calls while roaming, in addition to your airtime charges, you may incur landline, regional calling, toll and wireless long distance charges, and charges for incomplete calls, busy signals or unanswered calls. Charges may also include daily surcharges, taxes and automatic call delivery charges.
