Notice of Changes to Your Agreement

We are making **Important Changes** to your American Express Cardmember Agreement governing the American Express® Card Account identified on this Notice. We urge you and any Additional Cardmembers on your Account to read this Notice carefully.

The changes made to the Cardmember Agreement will become effective as indicated below. This Notice formally amends that Agreement and any contrary or conflicting language in that Agreement is replaced fully and completely. Note that the terms of your Account are subject to change (including increasing **APRs** and fees and changing fixed **APRs** to variable **APRs**) in accordance with the Agreement governing your Account. All terms of the Agreement not amended herein remain in full force and effect.

This is an important Notice of changes to your American Express Card Account Agreement. We recommend that you carefully review the changes, and then file this Notice for future reference. If you have questions regarding this Notice, please call the telephone number listed on the back of your American Express Card.

Dishonored Payment Fee (Effective May 8, 2004)

We are increasing the fee to \$38 whenever any check, similar instrument, electronic payment order that we receive, or a check presented at an American Express Travel Services Office or other authorized location is not honored by your bank or other financial institution. Accordingly, we are amending the **Other Fees** section of your Cardmember Agreement applicable to Dishonored Payments by replacing "\$29" with "\$38." We are also replacing the "\$29" with "\$38" in the **Fees** section of your "Agreement between Cardmember and American Express Travel Related Services Company, Inc. Concerning Electronic Funds Transfer Services."

APR Applicable to Sign & Travel® and/or Extended Payment Option Accounts (Effective with billing periods ending in June 2004)

We are amending the **Finance Charges** section of your Sign & Travel and/or Extended Payment Option Agreement as follows:

Determining the Prime Rate Applicable to Your Account: We are changing the timing of when we determine the Prime Rate used to calculate the variable **APRs** applicable to your Account to the higher of the 1st or 25th day of the month prior to the month in which your billing period ends. Accordingly, the subsection of the **Finance Charges** section of your Sign & Travel and/or Extended Payment Option Agreement that describes the Prime Rate is revised to replace "20th day" with "25th day."

APR Applicable to Accounts in Default: We are changing the Default Rate applicable to your Sign & Travel and/or Extended Payment Option Account from a fixed **APR** of 23.99% to a variable **APR** equal to the Prime Rate plus 21.99%. This change will apply to Accounts that are at the Default Rate as of the effective date as well as Accounts that go into default in the future.

Accordingly, the sentence in the **Finance Charges** section of your Sign & Travel and/or Extended Payment Option Agreement that describes the Default Rate is replaced with the following sentence:

"The Default Rate is a DPR which corresponds to an **APR** equal to the Prime Rate plus 21.99%."

Monthly Payment-Minimum Payment (Effective with billing periods ending in June 2004)

We are changing the calculation of the Minimum Payment on your Sign & Travel and/or Extended Payment Option Account. In some cases, as described below, we will increase the Minimum Payment by \$15. Accordingly, we are revising your Sign & Travel and/or Extended Payment Option Agreement by replacing the third paragraph of the **Billing Statement-Minimum Payment** section with the following:

"Each Account statement will reflect a Minimum Payment due upon your receipt of the Account statement. The Minimum Payment for any Charges will be the total of (i) any previous billed Minimum Payments that remain unpaid on the Closing Date of the statement and (ii) the greatest of:

- (1) 1/50th of the New Balance shown on your Account statement on the Closing Date of the billing statement (the calculation of which is rounded up to the nearest whole dollar),
- (2) the current month's billed Finance Charges, or
- (3) \$20 (or the New Balance if it is less than \$20).

If the greatest of the three calculations immediately above is the current month's billed Finance Charges, then we will add \$15 to the calculation of the Minimum Payment.

You may pay more than the Minimum Payment, up to the entire New Balance, at any time."

You may ask for copies of the documents that we used in our investigation.

An Important Notice Concerning Cardmember Privacy

This Privacy Notice is addressed to United States holders of personal American Express® Charge Cards or accounts, Optima® Cards or accounts, and other personal credit card accounts that we issue, and to United States holders of business charge and credit cards from OPEN: The Small Business Network™ from American Express. This Notice explains how we collect and safeguard information about you and how to tell us your opt out choices. In this Notice, American Express Travel Related Services Company, Inc., American Express Centurion Bank, and American Express Bank, FSB are called "American Express," "we," "our," and "us." The cards and accounts that we issue are called "Cards" or "Card accounts." Holders of those Card accounts are called "Cardmembers" or "you." "Affiliates" refers to other companies in the American Express family, related to us by common control or ownership.

What Information Do We Collect?

We obtain information about you from a variety of sources. You provide us with information about yourself, for example by completing Card applications. This includes your name, address, social security number, and income and asset information. Other sources, such as credit reporting agencies and providers of marketing information, furnish us with additional information about your credit history, purchasing preferences, and other matters. We also obtain information in connection with our efforts to protect against fraud. We call all of this information "Cardmember Information."

What Do We Do with This Information?

These include companies that manage Card accounts, offer affinity, frequent-user, and reward programs, companies that perform marketing services and other business operations for us, and companies whose products or services are provided as a benefit of your Card account. We may also share Cardmember Information with other financial

institutions with whom we jointly offer products and services. And we may disclose it to other third parties as permitted by law. For example, we disclose Cardmember information in response to subpoenas, to credit reporting agencies, and to help prevent fraud.

Your Opt Out Choices

You have "opt out" choices about offers that may be sent to you and how those offers may be delivered to you. You may also opt out from certain disclosures of Cardmember information. Your opt out choices and how to opt out are explained below.

Offers for Products and Services of Other Companies

We work with other companies, such as merchants that accept the Card, so that you may receive offers for their products and services. We use Cardmember information to help make these offers more relevant and valuable to you. If you respond to one of these offers, the other company will know certain information about you, such as your name, that you are a Cardmember, and that you met the qualifications established for the offer.

Your choice: You may opt out from receiving these offers by calling us at 800-297-8378 or by filling out the attached form and returning it to the address on the form. You may also include the form with your regular payment.

Please Note: You may receive additional privacy notices that provide information and different opt out choices for other Card accounts that are applicable only to those accounts.

Please complete this form if you choose to opt out and wish to mail your response rather than use the toll-free number, which is 800-297-8378. If you have already given us your choices, you don't need to respond unless you want to change your choices. Return this form to American Express along with your payment coupon using the payment envelope enclosed with your statement.

How to Save up to 15% Off a Shopping Bill in Europe

When shopping in the European Union countries, VAT (equivalent to sales tax) is included in the prices that you see, rather than added on at the cash register. As a resident outside of the European Union, one can reclaim up to 15% off the purchase price when leaving the country. And, so not to waste time at the airport foreign exchange desks, one can simply indicate on the form that they would like the refund to be credited to their American Express® Card.

To find out more about tax-free shopping, please visit www.americanexpress.com/traveltips. Please don't forget to ask a representative from Customs and Excise to stamp the form upon final departure.

(CE 104591)

A person must be resident outside of the European Union in order to benefit from tax-free shopping. VAT rates and minimum spending requirements vary by country. Please refer to www.americanexpress.com/traveltips for further details.

Billing Rights Summary: In Case of Errors or Questions About Your Bill: If you think your bill is wrong, or if you need more information about a transaction which appears on your statement, write or call the Customer Service department as indicated on your paper statement, or click on the Customer Service link online. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. Although you may telephone us, doing so will not preserve your rights.

What We Need From You When You Have A Billing Inquiry: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your inquiry, we cannot report you as delinquent or take any action to collect the amount in question. Please retain any receipts pertinent to your claim.

Special Rules For Charge Card Purchases: If you have a problem with the quality of goods or services that you purchased with the Card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

In Case of Errors or Questions About Your Electronic Transfers: Please contact us by clicking on the Customer Service Link online at www.americanexpress.com, or you can call us at 1-800-IPAY-AXP for Pay By Phone and Pay By Computer issues, or 1-800-CASH-NOW for Express Cash and automatic payment issues. You can also write to the Express Cash Operations address indicated on your statement. If you think your statement, receipt, or transaction is wrong, please contact us as soon as possible. We must hear from you no later than 60 days after we sent you the FIRST statement on which the problem or error appeared.

When contacting us: 1. Tell us your name and account number; 2. Provide the dollar amount of the suspected error; 3. Describe the error or the transfer you are unsure of, and explain as clearly as you can why you believe there is an error or why you need more information. We will investigate your complaint and correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

Credit Balance: If a credit balance (designated "CR") is shown on this statement, it represents money owed to you. You may make charges against the credit balance or request a refund. Requests for refunds should be made in writing to the Refund Unit at the Customer Service address indicated on your paper statement, or click on the Customer Service link online. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance in your account if the amount is \$1.00 or more. **Important Notice to North Dakota Residents:** If an account is past due for two or more billing cycles, a late payment fee of 1.75% of all past due amounts will be added.

We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. Although you may telephone us, doing so will not preserve your rights.

What We Need From You When You Have A Billing Inquiry: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your inquiry, we cannot report you as delinquent or take any action to collect the amount in question. Please retain any receipts pertinent to your claim.

Special Rules For Charge Card Purchases: If you have a problem with the quality of goods or services that you purchased with the Card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

In Case of Errors or Questions About Your Electronic Transfers: Please contact us by clicking on the Customer Service Link online at www.americanexpress.com, or you can call us at 1-800-IPAY-AXP for Pay By Phone and Pay By Computer issues, or 1-800-CASH-NOW for Express Cash and automatic payment issues. You can also write to the Express Cash Operations address indicated on your statement. If you think your statement, receipt, or transaction is wrong, please contact us as soon as possible. We must hear from you no later than 60 days after we sent you the FIRST statement on which the problem or error appeared.

When contacting us: 1. Tell us your name and account number; 2. Provide the dollar amount of the suspected error; 3. Describe the error or the transfer you are unsure of, and explain as clearly as you can why you believe there is an error or why you need more information. We will investigate your complaint and correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

Credit Balance: If a credit balance (designated "CR") is shown on this statement, it represents money owed to you. You may make charges against the credit balance or request a refund. Requests for refunds should be made in writing to the Refund Unit at the Customer Service address indicated on your paper statement, or click on the Customer Service link online. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance in your account if the amount is \$1.00 or more. **Important Notice to North Dakota Residents:** If an account is past due for two or more billing cycles, a late payment fee of 1.75% of all past due amounts will be added.

Support Tsunami Relief Efforts

At American Express, we are committed to supporting relief efforts in the Asian countries devastated by the recent earthquake and resulting tsunamis. Given the enormity of the recent disaster in Southeast Asia, we want to maximize the support given to the many relief organizations that are collecting funds at this time of great need. Therefore, we have decided to waive all fees associated with accepting American Express® Card charges for tsunami disaster relief organizations that have all been recognized by the U.S. government as providing assistance to people affected by the earthquake and tsunamis.

To support tsunami relief, you can donate through the American Express Tsunami Relief page located off of the American Express home page at www.americanexpress.com. Please click on the "Help Support Tsunami Relief Efforts" link.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. Authorization for Electronic Debit: We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. Authorization for Electronic Payments: By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 5:00 p.m. MST may not be credited until the next day. Allocation of Payments and Credits: Subject to applicable law, we will apply and allocate payments between your Card Account and your Sign & Travel and/or Extended Payment Option Account (if that account has been activated) ("Extended Payment Account") (referred to as "Account" in the Sign & Travel and/or Extended Payment Option Agreement) and, within each of these accounts, to Charges in any order and manner determined by us in our sole discretion. In most cases, if you have a credit balance on your Card Account we will not apply or allocate any part of that credit balance to any Extended Payment Account unless you contact us at a time the credit balance exists and instruct us in writing how you want us to apply that credit balance. Charge Card and Statement Information: The Annual fee is \$395.00 for the Basic Card and \$175.00 for each Additional Card. An additional \$5 is charged for billing addresses outside the US. Payment is due on receipt of your statement. You may discontinue your membership by contacting Customer Service. Transactions Made in Foreign Currencies: If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, in each instance increased by 2%. This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. Billing Rights Summary: In Case of Errors or Questions About Your Bill: If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. Special Rule for Credit Card Purchases: If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) Credit Balance: If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is \$1.00 or more. Important Notice to North Dakota Residents: If the Account is past due for two or more billing periods, a late payment fee of 1.75% of all past due amounts will be added.
