### A Guide to Your Monthly Nextel Statement

Your Monthly Nextel Account Statement is organized into the following sections:

<b>Your Monthly Account Statement</b>	The first page of your bill summarizes your payments, new charges, and amount due. <i>Nextel News</i> will give you information about products, features, and promotions. Use the remittance slip at the bottom of the page to pay your bill. Use the reverse side of the remittance slip to pay by credit card or to change your billing address.
<b>Your Nextel Account Summary</b>	The account summary is a tool to help you quickly see monthly charges for each user. The summary shows the user's name (if available) and mobile telephone number. It also provides the user's adjustments to new charges, access charges and breaks out usage by product or feature, such as Telecommunications Services, Messaging, Nextel Online® and third party charges, Nextel Direct Connect® and associated Taxes, fees and assessments.
<b>Your Nextel Retail Stores - Charges &amp; Services</b>	This section itemizes activities at your local Nextel Retail Stores that were charged to your existing Nextel account. The total from this page is reflected on your summary of new charges as Nextel Retail Stores Charges.
<b>Nextel Direct Connect® Summary</b>	Refer to this section for information on Nextel Direct Connect®, Nationwide Direct Connect(TM), and Nextel Group Connect(TM) including billable Group Connect(TM) call duration and usage.
<b>Additional Account Information</b>	Depending on the activity in your account, this section includes summary information about payments, taxes, adjustments, and Nextel equipment and third party charges billed at the account level.
<b>Detail of Access and Usage by User</b>	Refer to this section for information on monthly adjustments, access and other charges. In addition, this section includes call detail, usage and associated Taxes, fees and assessments. Details about charges made for third party products are also contained in this section.
