EXPLANATION OF SUMMARY OF INDIVIDUAL PHONE CHARGES (PAGE 2)

- Monthly Service Charges** - The recurring charge(s) for your Sprint PCS Service Plan(s) and other services, some of which may be invoiced one month in advance.
- Additional Usage Charges** - This column will show additional voice or roaming minutes or PCS Vision kilobytes/megabytes usage not in your main service plan. This column may also contain charges for Call Forwarding and, depending on your plan, Call Waiting, Three Way Calling, Sprint Voice Command and certain Operator Services.
- Other Charges** - Charges that are not included in the Monthly Service Charges section will appear here if applicable.
- Promotions, Credits and Adjustments** - Special offers or pricing promotions appear as credits on your invoice here or in other sections. A disputed charge, when corrected, will appear on your invoice as an adjustment.
- Government Fees and Taxes** - These include applicable federal, state, city, and county taxes.
Surcharges and Fees - The surcharges in this section include certain charges assessed on Sprint that we pass through to our customers, as well as those that recover the costs by Sprint in complying with various federal and state mandates. Charges that appear in this section of your invoice, - e.g. gross receipts, Federal Wireless Number Pooling and Portability, Federal and State Universal Service Funds (USF) and Federal E911, charges, are neither taxes nor government-mandated assessments. The Federal USF charge is calculated using the FCC-prescribed contribution factor, which may change on a monthly basis. For more information on cost-recovery surcharge and the current Federal USF charge, call 1-866-770-6660.

*Please note that current availability of E911 services is very limited. E911 service is dependent upon several factors, including the ability of your local public safety agency to receive and process this information and the capabilities of your equipment.

EXPLANATION OF SUMMARY OF INDIVIDUAL PHONE CHARGES (PAGE 2)

- **Monthly Service Charges** - The recurring charge(s) for your Sprint PCS Service Plan(s) and other services, some of which may be invoiced one month in advance.
- **Additional Usage Charges** - This column will show additional voice or roaming minutes or PCS Vision kilobytes/megabytes usage not in your main service plan. This column may also contain charges for Call Forwarding and, depending on your plan, Call Waiting, Three Way Calling, Sprint Voice Command and certain Operator Services.
- **Other Charges** - Charges that are not included in the Monthly Service Charges section will appear here if applicable.
- **Promotions, Credits and Adjustments** - Special offers or pricing promotions appear as credits on your invoice here or in other sections. A disputed charge, when corrected, will appear on your invoice as an adjustment.
- **Government Fees and Taxes** - These include applicable federal, state, city, and county taxes.
- **Surcharges and Fees** - The surcharges in this section include certain charges assessed on Sprint that we pass through to our customers, as well as those that recover the costs by Sprint in complying with various federal and state mandates. Charges that appear in this section of your invoice, - e.g. gross receipts, Federal Wireless Number Pooling and Portability, Federal and State Universal Service Funds (USF) and Federal E911*, charges, are neither taxes nor government-mandated assessments. The Federal USF charge is calculated using the FCC-prescribed contribution factor, which may change on a monthly basis. For more information on cost recovery surcharge and the current Federal USF charge, call 1-888-770-6660.

*Please note that current availability of E911 services is very limited. E911 service is dependent upon several factors, including the ability of your local public safety agency to receive and process this information and the capabilities of your equipment.

EXPLANATION OF SUMMARY OF INDIVIDUAL PHONE CHARGES (PAGE 2)

- **Monthly Service Charges** - The recurring charge(s) for your Sprint PCS Service Plan(s) and other services, some of which may be invoiced one month in advance.
 - **Additional Usage Charges** - This column will show additional voice or roaming minutes or PCS Vision kilobytes/megabytes usage not in your main service plan. This column may also contain charges for Call Forwarding and, depending on your plan, Call Waiting, Three Way Calling, Sprint Voice Command and certain Operator Services.
 - **Other Charges** - Charges that are not included in the Monthly Service Charges section will appear here if applicable.
 - **Promotions, Credits and Adjustments** - Special offers or pricing promotions appear as credits on your invoice here or in other sections. A disputed charge, when corrected, will appear on your invoice as an adjustment.
 - **Government Fees and Taxes** - These include applicable federal, state, city, and county taxes.
- Surcharges and Fees** - The surcharges in this section include certain charges assessed on Sprint that we pass through to our customers, as well as those that recover the costs by Sprint in complying with various federal and state mandates. Charges that appear in this section of your invoice, - e.g. gross receipts, Federal Wireless Number Pooling and Portability, Federal and State Universal Service Funds (USF) and Federal E911*, charges, are neither taxes nor government-mandated assessments. The Federal USF charge is calculated using the FCC-prescribed contribution factor, which may change on a monthly basis. For more information on cost recovery surcharges and the current Federal USF charge, call 1-888-770-6860.

*Please note that current availability of E911 services is very limited. E911 service is dependent upon several factors, including the ability of your local public safety agency to receive and process this information and the capabilities of your equipment.
