**BENJAMIN & AARONSON'S
LEGAL XPERTISE
NATIONAL NEWS**

Benjamin & Aaronson represent many adult businesses both locally and nationally. They can be reached at 954-779-1700 for consultation. If you are an attorney or business owner and would like to contribute information to this column please call.

Freedom of speech can come under attack in a number of different ways. There are of course Governmental imposed restrictions on speech often known as prior restraints. These laws prevent people from expressing themselves before they have had an opportunity to do this expression. Laws preventing what people can say or where they can say it additionally fall under the prior restraint concept. In non-adult entertainment situations these laws prevent the dissemination of Governmental secrets or in the private sector employment contracts and agreements prevent corporate information from being revealed.

There are other restraints on speech and expression that we all live with on a daily basis. These laws although not prohibiting the speech, subject the speaker to either criminal or civil sanctions. An example of these types of laws would be slander laws. You can say whatever you want to say, but you might just get sued for what you have said.

Not only can laws or agreements prohibit our freedom of speech, but

access to the media can limit speech just as well. For Example, there is the "Downing Street Memo", which apparently details the fact that our Government or should we say our President planned to go to war with Iraq, prior to any justification to do so. In fact, the memo showed we needed to trump up the charges to legitimize an illegitimate effort. This document has gotten very little play in the United States. Whether it is self censorship on the part of the media, or its pressure from the political party in power, here in the United States we have not received this information and the truth has effectively been censored from our ears.

Another type of censorship or restriction on First Amendment freedoms occurs

when a person has the right to speak, has the ability to speak, but it is silenced because of critical review of that speech. In these situations, the backlash from the speech usually causes the speaker to recant that speech and the message of the speech gets lost. Criticism and the recantation of that speech becomes the story. In the end, the speech is effectively silenced, as the message is not heard because the messenger has been silenced.

The fireworks are happening. It's the 4th of July! It's summertime and the party is right here in Broward country! Let's all go out and celebrate all month long. Look for some outstanding parties this month: Forth of July Parties with Southern Style Barbeque at the *Cheetah Hallandale* and *Cheetah Pompano*. Wild Wild West with a free Tex-Mex Buffet at the Cheetah Hallandale on July 14-16. *Booby Trap* in Pompano and Hallandale both have VIP parties on July 20. A sexy Pajama Party with open bar at *Diamond Dolls* on July 21. Celebrate Christmas in July - twice! On July 20 it's the *Porthole Pub* with free drinks and July 21 *Scores* has open bar and a Christmas feast. Customer Appreciation night with open bar at *Goldfinger Cabaret*, July 26. Now how's that for a month's lineup of parties, hope we didn't miss anybody!

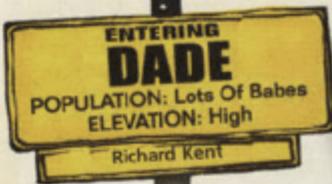

Every Tuesday night round about midnight, *Scarlett's Cabaret* presents the wildest amateur night you'll find anywhere. With \$1,000 cash up for grabs you never know who'll come out to compete, and with so much cash, you know the girls go all out to win.

Congratulations go out to *Kelly Taylor*, who we photographed at the Cheetah Pompano. Kelly recently competed at the Exotic Dancer National Championships held at the *Pink Pony* in Atlanta, Georgia. Kelly was crowned Master's Division, Grand Champion. She brought her crown and trophy along so we were happy to take her picture.

The *Cheetah Pompano* and the *Cheetah Hallandale* both present the best in feature entertainers Tuesday through Saturday. Log into Cheetahsouthflorida.com to find out who is appearing this week.

It's been a long time since we've seen former *Xcitement* cover girl *Jennifer Worthington*, so we're pleased to announce that she will be at *Booby Trap* on July 12-16. Recently we saw Mary Cary and *Exotica*. *Exotica* was proud to show off her first venture into the porn world and brought her first video and box cover for "Tight and Round"

The *Porthole Pub* is under new management and has lots of new entertainers. Here are pictures of just a few. Remember when the other clubs in Pompano Beach close, the Porthole remains open for two more hours. They're at [REDACTED] 501 E. Sample Rd., Pompano Beach.

Just as we were preparing to celebrate the 25th Anniversary of *Treasure Island*, word came to us that the club was sold! The good news is that *Treasure Island* was purchased by an outstanding organization that owns the *Platinum Plus* gentlemen's clubs in Memphis, Tennessee; Portland, Maine and Columbia, Greenville, and Myrtle Beach, South Carolina, along with *Hearbreakers* in Columbia, South Carolina. *Treasure Island* remains open as the club is given a complete makeover both inside and out. We at *Xcitement* will certainly miss *Whitey* and we wish him the best in the future. We look forward to a long relationship with the new owners. To get an idea what you might expect, the platinumplus.com will give you info on the chain of clubs. It looks very, very *Xciting* to us!

What would Miami be without *South Beach* and what would *South Beach* be without *Club Madonna*? From six in the evening to six in the morning *Madonna* is your place to party. Book yourself into *Cleopatra's Exotic Suites* for a one on one experience you'll always remember. *Club Madonna* is located at 1527 Washington Ave., *South Beach*

Have you been to the new *Scores Miami*? Well it's time you go. You'll be quite pleased with the international array of talent that awaits you - the selection is outstanding! The new staff is wonderful and we assure you, you'll return over and over again. *Scores* is at 17450 Biscayne Blvd.,

The absolutely gorgeous *Patrick* is coming to Miami and performing live at the Pre-Internext Party at *Solid Gold*, Thursday, August 4. More XXX stars will be there that weekend. *Solid Gold* is located at the corner of 163rd and Biscayne Blvd.

For those of you that can never get enough of the nightlife we recommend *Goldrush Showbar*, the club that never quits. From Wednesday to Saturday *Goldrush* never closes. It can be your last stop on the way home, or for you early birds, your first stop of the day. Seriously, is there any other place you can get a lap dance at 8:00 in the morning? *Goldrush* is located at 29 NE 11St., Miami,

Have a great 4th of July!

Summertime is here and the only thing hotter than the temperature are the girls in the Palm Beach Gentlemen's clubs! There are all kinds of Summertime parties coming up so check the various club ads for details and get your Summer started right! These are just some of the great clubs in Palm Beach.

Cheetah Palm Beach just held it's 2nd annual golf tournament to benefit the American Cancer Society and we had an absolute blast there! The club is always throwing a themed party that you should make a point to attend. You can find them at 3342 Shawnee Ave.

██████████ www.cheetahsouthflorida.com.

Peek-A-Boo has FULL LIQUOR now and they also have two full bars for their patrons to enjoy. The club looks great and is as fun as it's always been. The Peek-A-Boo girls are as hot as they come and there's literally always something for everyone at the 'Boo. Stop in at 3174 Lake Worth Road #██████████

Sugar Daddys just turned 10 years old and had a great party to celebrate. Anytime you go to Sugar Daddys you'll have a great time with the extremely sexy Sugar Daddy's dancers and 2-4-1 drink and dance specials. Check them out at 704 S. Military Trail

██████████ T's Lounge is the club in town to catch all of the top name feature entertainers and porn stars live on stage. From Tuesday 'til Saturday night there are the best in the biz taking the stage for 18 shows a week. T's is the place to go if you want to have a damn good time! T's is located at 312 S. Congress Ave.

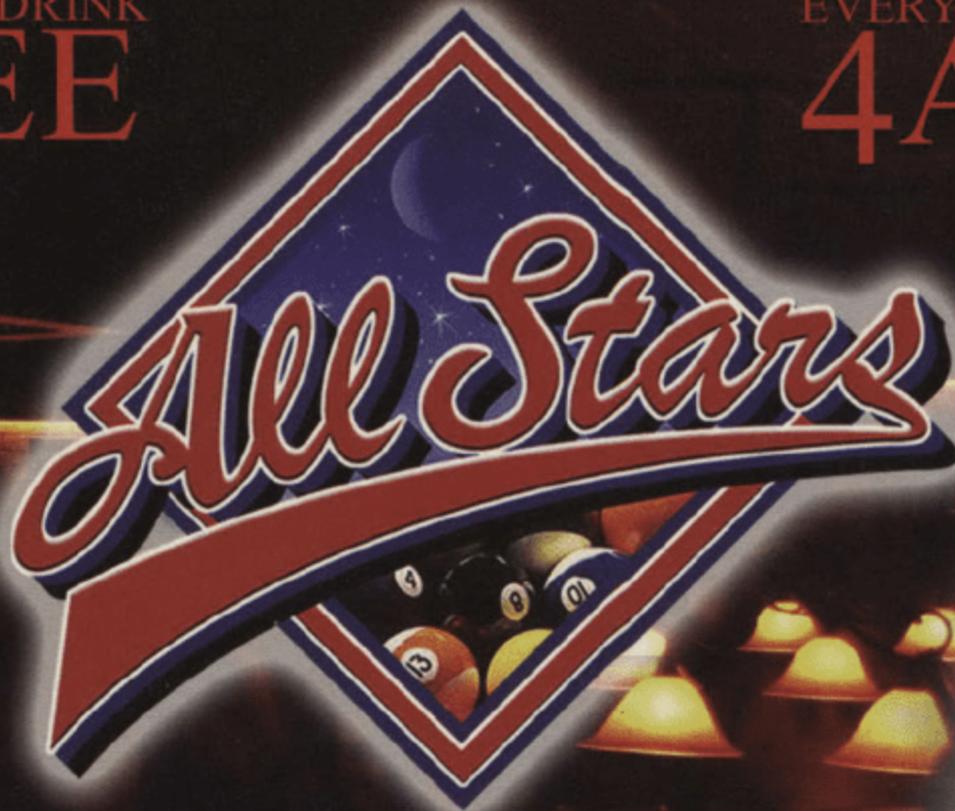

██████████ Platinum Gold is simply fantastic! The club has been completely renovated and the girls are plentiful and sexier than ever. There's no cover from noon-7pm, they have a stretch limo that will pick you up from Atlantic Ave for free, with free entry to the club, and all kinds of drink specials. Platinum Gold is 1.5 miles north of Atlantic Ave. on US1 #561.369.0733.

Diamonds just celebrated ten years in Palm Beach with a big party including Victoria Givens and Lexxus from Real Radio. Fun was had by all well in to the night and they had all kinds of giveaways. Make sure you stop in and visit them at 1000 N. Congress Ave.
