### EXPLANATION OF SUMMARY OF BILLING CHARGES CATEGORIZED:

- **Monthly Service Charges** - The recurring charge(s) for your Sprint Service Plan(s) and other services, some of which may be billed one month in advance.
- **Additional Usage Charges & Purchases** - This includes additional voice or roaming minutes or kilobytes/megabytes data usage not in your main service plan. This column may also contain charges for Call Forwarding and, depending on your plan, Call Waiting, Three Way Calling, Voice Command and certain Operator Services.
- **Other Charges** - One time charges such as an activation fee or late fee will appear here if applicable.
- **Other Credits and Adjustments** - Special offers or pricing promotions appear as credits on your bill here or in other sections. A disputed charge, when corrected, will appear on your bill as an adjustment.
- **Government Fees and Taxes** - These include applicable federal, state, city, and county taxes.
- **Surcharges and Fees** - The surcharges in this section include certain charges assessed on Sprint that we pass through to our customers, as well as those that recover the costs incurred by Sprint in complying with various federal and state mandates. Charges that appear in this section of your invoice, e.g. gross receipts, Federal Wireless Number Porting and Portability, Federal and State Universal Service Funds (USF) and Federal E911\*, charges, are neither taxes nor government-mandated assessments. The Federal USF charge is calculated using the FCC-prescribed contribution factor, which may change on a monthly basis. For more information on cost recovery surcharge and the current Federal USF charge, call 1-888-770-8890. \*Please note that current availability of E911 services is very limited. E911 service is dependent upon several factors, including the ability of your local public safety agency to receive and process this information and the capabilities of your equipment.
