Criminal Division

3rd October 2022

To Whom it may concern,

I am contacting you as a direct victim of Jeffery Epstein and Ghislaine Maxwell that had remained undiscovered and revealed for over a 40 year period, and is connected to Government and Police sources in Australia and the Commonwealth.

I first discovered unusual activity involving multiple counts of Fraudulent activity in my accounts in the year 2013 and commenced reporting the illegal targeted activity in the year 2015. During the year of 2013 I discovered a Criminal network revolving in the township of [REDACTED], my place of residence at that time, involving multiple individuals involved and connected to each other, and who were targeting me with various forms of illegal activity, which also included multiple counts of Intellectual Property Theft.

During the period of 2014-2015 following Extreme Fraudulent and Malicious activity in my Telecommunication Systems resulting in blocked contact, blocked and altered text messages, Excessive rise in billing, which over a 2 year period resulted in Conspired created isolation I began to encounter Extreme Sexual Targeting by individuals involved in the Criminal Network and connected to one another, of which I began to document due to my suspicions that something was wrong, although I did not understand what was happening or what criminal activity actually was, having never encountered it before or ever being involved in any form of illegal criminal activity through out my whole life.

In 2013 I discovered the Intellectual Property Theft of my first business plan development, The Specialist Medical Centre and [REDACTED] a communication tool and digital referral system designed for Medical Professionals, and was contained within the original first business plan developed in the period 2006-2009. During these business plan developments I was under the guidance of a business advisor of the Regional Development Board, [REDACTED] as a registered client, [REDACTED]. In 2013 I proceeded to Contest the Intellectual Property Theft of the two business plan developments with an Intellectual Property Lawyer, [REDACTED] Lawyers and submitted Official Letters Of Involvement of the individuals involved in the two business developments obtained directly from the parties involved and was seeking legal representation. Following submitting the official Letters of Involvement to the contacted lawyer of [REDACTED] Lawyers, [REDACTED] the lawyer denied the individuals contained within the Official Letters of Involvement were involved or connected to the business plan developments and I was denied legal Representation to contest the Intellectual Property Theft of the two business plans.

EFTA01725955

Following contesting the Intellectual Property Theft of the two business plans I then encountered an Extreme attack involving the Criminal Network and individuals involved, which included :

- Extreme Fraudulent activity - Money laundering through every service or account
- Extreme Sexual Targeting - Conspired grooming and destruction of the targeted victim - Which involved 1 individual who was directly connected to my business advisor of the two business plan developments, [REDACTED] his nephew [REDACTED], who threatened me with Government Prostitution and who was also connected to the first act of Conspired Sexual Targeting that occurred during the business developments in 2007-2009 involving [REDACTED], half brother to [REDACTED], who introduced me to [REDACTED] following [REDACTED] targeting me in an act of Conspired Portrayed friendship

All individuals are involved in motorcycle gangs which I discovered during the Conspired Sexual Targeting of Shaun Steele and the reason I ended the relationship

- Extreme Police Targeting 2014-2016 - Which involved one police officer who was connected to [REDACTED] and [REDACTED] - Extreme Police targeting involved multiple counts of falsified charges and fines and severe police physical assault / brutality which resulted in sustained permanent injuries, one which included a suspected fractured neck, and also involved Police Sexual Targeting

Police officer connected to [REDACTED] and [REDACTED] - Officer [REDACTED] - Father in law to [REDACTED] and who's daughter had a child with [REDACTED] and had been jailed in the Port Augusta correction institution charged with prostitution

- Extreme Police targeting of 2014-2016 resulted in court proceedings involving denied legal aid for a lawyer that was not involved which resulted in a lawyer [REDACTED], [REDACTED] lawyers, [REDACTED] who was connected to an individual involved in the business plan developments and whose name was submitted in the Official Letters of Involvement in 2013 to the Intellectual Property lawyer - [REDACTED] and [REDACTED], who was [REDACTED] Executive Assistant in 2009 when I was applying for funding for the business plan with [REDACTED]

- During the court proceedings 2015-2016 I encountered the illegal conduct of the lawyer [REDACTED] involving Illegal Representation and illegally obtaining falsified medical records from a doctor of [REDACTED], Dr [REDACTED] without my authority / withdrawn authority and withdrawn legal representation 1 month prior to her illegal representation in a court of law, of which she submitted the illegally submitted the obtained medical record and proceeded to order a Mental Health evaluation, which resulted in me being detained in a Mental Health Institution / Glenside in January 2017 on my birthday , 12th January

The Forensic Mental Health Service and Glenside Mental Health Institution in 2017 was connected to a Government source, [REDACTED], Attorney General of SA - Dr [REDACTED] is connected to [REDACTED]

- The illegal detainment in Glenside mental Health Institution resulted in a falsified diagnosis of Schizophrenia / a delusional condition and ordered medication of Aripiprazole 400mg injection / monthly for 16 months, ordered by SACAT and Dr [REDACTED] of Glenside mental Health Institution

The ordered medication of injections/ straight into the bloodstream contains the side effects of causing harm to oneself / ending their lives / suicidal tendencies

Conspired attack of Attempted murder of the targeted victim by lethal injection to appear as suicide following the targeted victims awareness of the illegal targeted activity and contesting the Intellectual property Theft of the two business plan developments in 2013

- During the course of the Conspired illegally ordered injections I was prescribed the medication Benzatropine to combat the extreme overwhelming side effects of the ordered medication, which included confusion, inability to think or speak, seizure like stiffening in my limbs and feet, clenching of my hands, clenching of my jaw resulting in fractured teeth, inability to sit still and stop my limbs and feet from moving constantly, hair loss, suicidal thoughts, a my mind that

felt fragmented and disconnected to any form of thinking structures, speech, creativity and thought processes

- Following the prescribed Benzatropine to combat the extreme overwhelming side effects of the ordered injections the medication prescribed proceeded to elevate some of the side effects but the suicidal thoughts remained and on one occasion I took an over dose of Benzatropine to end my life but was not successful. I threw away the Benzatropine following this event and began to combat the side effects naturally through disciplined activities and thought processes

I was on the ordered medication / injections for a period of 16 months and also an ordered Community Treatment order for 12 months of which all of my rights were stripped away from me

During this time I relocated from [REDACTED] to [REDACTED] in February 2017, following my release from the illegal detainment in Glenside, which I was illegally detained for a period of 6 weeks.

Unbeknown to me in 2006-2013 I was a targeted victim by a man online, my first online presence in my whole life by a man who claimed his name was [REDACTED], who also claimed he resided in London, UK, but used the email address [REDACTED] and signed off every email with an initial "G" not [REDACTED] or used a surname, as did Ghislaine Maxwell, who signed her name with "G", not her full name or surname.

During constant and continual email contact with maxwell, which occurred every night, London time in the periods of 2006-2013, and during the year of 2010 during the business development [REDACTED]; I asked maxwell if he could assist me with designing the business logo for my business development, of which he agreed. The business logo design [REDACTED] was conducted online via email in 2010 and I received the business logo design from maxwell via email as attachments as [REDACTED].

During the business development plan The Specialist medical Centre in 2009 I was involved in email contact with the Australian Government Department NEIS, a business support and training program that also financially supports small business start up - The funding of the business plan was denied by NEIS during this development

In 2011, during the business development of [REDACTED] and a fashion design business [REDACTED] I was involved in email contact with the Australian Government Department NEIS seeking funding and business support

During this email contact with the Australian Government Department NEIS I received an email containing email attachments which was received as

NEIS%20Training

Exact format as received from maxwell in 2010 via email attachments during the business logo design of [REDACTED]

Documented evidence of the Australian Government and Australian Government Departments connected to Epstein and Maxwell who were involved in direct targeting of the targeted victim in 2006-2013 and involved portraying a deep meaningful friendship tactic of gaining trust.

During the constant and continuous email interaction between myself and maxwell in 2006-2013 the interactions contained sexual overtones of maxwell's encouragement to interact sexually and engage in sexual conversations and requested and encouraged me to send explicit sexual material, of which as a naive, sexually inexperienced mother of 4 children who had just separated from a 17 year abusive relationship of which I was isolated under his control from any form of contact outside of the household found intriguing and curiosity fuelled the situation and I complied and supplied sexual material to maxwell under his encouragement, and this fact of my naivety was played upon by Epstein and Maxwell by making the targeted victim / me feel sexually attractive, something g I had not felt before, having been in a marriage that was not of a loving or sexual nature, and my husband at the time was my third partner, having met him at the age of 20 years old.

In the period of 2015-2017 I continued to constantly and continuously seek assistance by reporting the recognised illegal targeted activity in my accounts and life to every authority available to me but was constantly and continuously met with denied assistance, denied investigations and the reported illegal targeted activity provided in documented evidence form supplied with every report denied.

In 2018 following relocating from [REDACTED] to [REDACTED] and believing the illegal targeted activity of a Criminal Network was contained to the location of [REDACTED] only I began to rebuild my life in [REDACTED] by gaining employment, continuing with the development of a manuscript of my first novel of which I commenced in 2013 and gained a publishing contract in 2018 with [REDACTED] Publishers, London UK and started to seek a relationship by creating an online dating site profile on numerous online dating sites.

In 2018 I was once again targeted by a repeated pattern of Conspired Sexual Targeting involving a Professor of the [REDACTED] University, [REDACTED], who over the period of the relationship 2018-2019 displayed the Exact same Pattern of behaviour / conduct as previous individuals / partners involved in Conspired Sexual Targeting which occurred in 2007-2009 [REDACTED] and again in 2011-2012 [REDACTED].

Every act of the Conspired Sexual Targeting occurred during the periods of every business development that resulted in either Intellectual Property Theft or Sabotage of Career / Destruction of Career.

[REDACTED] was also involved in encouraging me to seek Psychological counselling claiming I had a mental Health issue in 2019 as occurred previously in 2017 / Lethal Injection under a falsified mental Health diagnosis/ Glenside.

[REDACTED] was connected to [REDACTED] and called himself [REDACTED] when first meeting, and [REDACTED] whose brother is a motorcycle gang member of the Hells Angels, [REDACTED] and is connected to [REDACTED], [REDACTED], [REDACTED] and [REDACTED]. [REDACTED] knew details of my first manuscript Reality that was still under development and details that I had kept confidential even from [REDACTED], who was Portraying my partner at the time.

[REDACTED] is connected to [REDACTED], Sweden Government, France and France Government, Australian Government and [REDACTED] and [REDACTED] in 2019 during the time of encouraging me to seek Psychological counselling

Second Conspired Attempt on my life by Lethal injection involving Mental Health services [REDACTED] Family history / Grandfather involves Murder

In 2019 I ceased all contact with [REDACTED] and remained permanently in [REDACTED] residing with my parents, who are both suffering from Terminal health conditions and commenced construction of all documented evidence in my possession pertaining to the illegal targeted activity and commenced reporting, seeking assistance once more.

In 2019 I sought Government Assistance with [REDACTED], Premier of SA and [REDACTED] Attorney General of SA and submitted extensive documented evidence to support the submitted report, personally delivered to the offices of both parties.

In 2020 I received reply letters from both contacted Government sources, [REDACTED] and [REDACTED] containing the Exact same wording and advice, which involved ;

- Denied assistance
- Denied illegal targeted activity
- Denied it was a case for the corruption commissioner ICAC/OPI
- And advised to contact a law firm [REDACTED] and [REDACTED] for legal assistance

Following receiving the reply letters I began to research the advice involving the law firm [REDACTED] and [REDACTED]. My research revealed a lawyer employed in this law firm named [REDACTED]

In 2017 involving the Conspired attack of Attempted murder by lethal injection to appear as suicide as a result of an illegal act by a connected lawyer, [REDACTED] who ordered a Mental Health Evaluation the Forensic mental Health Service that was connected to [REDACTED]. Attorney General of SA involved the name [REDACTED] who conducted the Mental Health Evaluation and detained me into Glenside within 1 hour of completing the evaluation.

Further research of the law firm Slater and Gordon revealed a Government source connected to this law firm, [REDACTED], Ex Prime Minister of Australia, who was also involved and connected to the [REDACTED] university, [REDACTED] Campus in 2019 during the period of Conspired Sexual Targeting of [REDACTED] and his encouragement of seeking Psychological counselling, claiming I had a Mental Health issue / Second Conspired attempt on my life involving [REDACTED].

Conspired lawyers / Conspired Falsified diagnosis / Conspired Government sources connected and involved and conspiring in another attempt on my life involving 2017 [REDACTED] and 2019 - 2020 [REDACTED], [REDACTED] and [REDACTED] all involving Mental Health services and lethal injections to appear as suicide, and including Deformation of Character of the targeted victim / falsified diagnosis of delusional conditions or mental health conditions occurring following 2013 contesting Intellectual Property Theft and reporting illegal targeted activity / Whistle blower

Confirmed documented evidence of Government sources involved in Criminal Network targeting of an individual, Conspired sexual assaults of Conspired Sexual Targeting and Conspired attempts on my life

In the periods of 2019-2022 following continuous reporting of the illegal targeted activity I obtained reports from the contacted sources Confirming the illegal targeted activity as illegal as illegal targeted activity and involved Government and Police sources, and involved Organised Crime, while residing in [REDACTED] in my parents home.

In the period of 2019-2022 I continued to construct all documented evidence into legal Case files. During this process it was revealed that the targeting commenced in [REDACTED] when I was 14 years of age and continued until the year of 2022, age 51, and contained a repeated pattern of illegal targeted activity, which included :

- Multiple Intellectual Property Theft / destruction of Career 1989-2021
- Money laundering involving Police sources and Government Departments
- Conspired Sexual Targeting - Grooming and emotional destruction
- Police targeting
- Fraudulent and Malicious activity
- Identity Theft
- Fraudulent activity in Telecommunication Systems and Computer Systems
- Denied assistance, Denied activity - Conspired Cover ups
- %20 email received from maxwell and Australian Government Department NEIS - Directly connected / Epstein, Maxwell, Australian Government sources
- Corporation TELCO connected to Multiple counts of illegal activity and connected to Government sources
- Sources and individuals involved in any act connected to one another

All illegal targeted activity occurring during the rebuild of my life and all business developments of career opportunities in a repeated pattern from the age of 14 years old until 2022, 51 years of age.

Documented evidence revealed I was a direct target of Epstein and Maxwell online via email / computer systems, who have been legally documented as being consultants for Governments and were involved in sexual abuse rings involving Government sources and prominent powerful people, and were involved in grooming victims and Destruction of their careers for sexual demand of Sexual abuse rings involving these sources. All activity has been conducted in a repeated pattern involving targeting of an individual over a 40 year period and is contained within the constructed legal Case files submitted with this report.

All acts of Destruction of Career involving Multiple Intellectual Property Theft are in the possession of Government sources and prominent powerful people who are involved in this Conspired Organised illegal targeted Criminal Network, that is connected to Epstein and Maxwell.

I am contacting you to report this extensively documented crime involving Epstein and Maxwell and involves a Sexual Abuse Ring and a Criminal Network in Australia, America, France and worldwide sources, but is being conducted against me in Australia, mainly South Australia, and occurring in every location of my residential address.

The targeting involves Illegal Surveillance of the Privacy of my own home and Privacy and involving Multiple Intellectual Property Theft / Stage 4 of hand written business concepts and businesses dating commencement 1993 and continuing until 2021, and all individuals and sources involved in targeting are in Exact location at the exact moment I am in that location and are connected to one another in some form.

In 2019 I became aware that the illegal targeted activity was not contained to the Port Pirie location only and involved Government and Police sources and a Criminal Network connected to Epstein and Maxwell.

I am currently hiding in my parents home in Kadina SA in self isolation for my own protection from Conspired Sexual Targeting, I have no online presence, no contact with society and have shut down all business developments, employment opportunities or career opportunities for my own protection and the protection from Intellectual property Theft occurring.

All reported illegal targeted activity has continued to be denied resulting in Obstruction of Justice, Conspired Cover ups and Entrapment in the targeting and denied assistance to be released from the entrapment and seek conviction and justice for this continuous crime that has been committed against me for over a 40 year period. My life is still currently under threat from any form of Conspired attacks including Conspired attempted murder by any means and I am under extreme psychological stress which I fear if this issue remains unresolved will eventually cause me to take my own life due to the ongoing threat and distress I suffer on a daily basis, and the entrapment has been continuous over a 10 year period of reporting and being denied assistance and justice.

I am seeking your URGENT assistance and attention to this report of targeting of an individual by a Criminal Network in Australia and connected to Epstein and Maxwell, and the report and documented evidence that I was a direct target of both parties criminal activity and involvement in Sexual Abuse Rings, contained within the supplied evidence contained on the USB's.

I have supplied the Constructed legal Case Files containing all documented evidence in my possession to support this criminal report of this extensively conducted crime against me that has been targeting my life for over a 40 year period.

As all contact has been blocked by these sources involving Telecommunication Systems, Computer systems and Postal systems contact regarding this report will have to be conducted in person and I can be located at the address supplied at the top of this letter.

I am requesting your IMMEDIATE URGENT ATTENTION regarding this matter.

Yours Sincerely

[REDACTED]
