To Whom it may concern,

I am contacting you in relation to the first two recent contacts regarding being a targeted victim of Epstein and Maxwell and a connected Criminal Network involved and connected to Epstein and Maxwell and is still operational in Australia and endangering my life. I have attached a copy of the last contact made on the 2nd November 2022 for you review and connection to my previous contacts

2nd November 2022

To whom it may concern,

I am contacting you concerning recent contact dated 3rd October 2022 and reporting that I am a direct target of Epstein and Maxwell that had remained undiscovered, and I reside in South Australia , Australia.

In the previous correspondence I supplied 2 USB flashdrives containing Constructed Legal Case Files containing constructed documented evidence of being a target of a Criminal Network involving multiple connected individuals and prominent powerful people, which also included Government sources and Police sources.

I have now obtained documented evidence of the involvement of the Dark web/ Black market involvement in the targeting of an individual / myself by the Criminal Network involved.

I have submitted this evidence to Esafety in Australia and have requested an investigation into the report and requested their assistance.

Contact person of Esafety : Julie Inman Grant

I am contacting you to submit this final piece of evidence that was missing from the already submitted evidence, which is now conclusive to the final answer of how the Criminal network that has targeted me for over a 30 year period is operating.

I am submitting 1 USB Flashdrive with this report labelled Dark Web-Black Market and contains the files :

1. Identity Theft
2. Social media
3. Intellectual property Theft
4. Sexual Abuse Ring
5. Conspired Murder

6. Blocked assistance
7. Seeking assistance

The files listed above are the files I recently submitted to Esafety, Julie Inman Grant on 1st November 2022.

I am contacting you to provide more documented evidence I have discovered in my possession concerning an email dated 21st May 2009 of correspondence between myself and ADAM GURGLY Fake Identity of Epstein and Maxwell and name used by Epstein and Maxwell during the period of 2006-2013 Directly targeting the targeted victim, and contains details of the predatory behaviour by Epstein and Maxwell and what the interaction involved, and that they used the Fake Identity ADAM Gurgly as reported in previous contact and documented evidence involving the M.S.I.C design of the logo, and the documented evidence of the Australian Government sources involved and connected to Epstein and their involvement in the Sexual Abuse Ring.

I have also discovered the source of the commencement of the targeting which commenced at age 14 years of age while residing in Kadina and the motive behind the commencement, which involves an Australian Government source as the source, Attorney General of SA Vickie Chapman, and involves a connected Criminal Network involved in the continual 30 year targeting of an individual and involving multiple illegal criminal and immoral acts of criminality and against human rights and humanity.

I have attached and provided a USB containing 11 files and a report. The 11th file contains documented evidence of the motive and source of the targeting and the reason it began and continued for over a 30 year period involving Attorney General of SA Vickie Chapman. The provided evidence in this file is the final explanation of how and why the targeting began and the motive as to why I in particular had become this target.

I am requesting this final part of the evidence be conclusive to the previous contacts and extensive documented files Character Reference, Stage`1, Stage 2, Stage 3, Stage 4 and the Esafety file submitted previously and am requesting your URGENT attention and assistance in this matter, as my life is so impacted by this criminal targeting I am still residing in my parents home in isolation from employment, business development and any form of social contact due to the persistence of the criminal targeting, which followed me from location to location in 2018 and is still currently active and not resolved, the report of Black Market involvement involving my Identity being stolen confirmed in 2022 and confirms the targeting is still endangering my life and active.

I would appreciate your time, consideration and urgent attention and assistance regarding this matter.

Yours Sincerely
[REDACTED]

Victim of Epstein and Maxwell

1 message

8 August 2022 at 10:29

TO: [Redacted]

Dear [Redacted]

I am contacting you to request urgent attention.

I am a victim of targeting of Epstein and Maxwell connected to a sexual abuse ring involving prominent people including government and police sources.

I have comprehensive extensive documented evidence of being targeted by these sources in Australia involving the Australian government and police sources and connected individuals involved. I have documented evidence of being directly targeted online via email by Maxwell and Epstein in the years of 2006 - 2013 and their connection to the Australian government sources involved.

The targeting over a 30 year period involves multiple intell prop theft / destruction of career for sex demand/ sexual abuse ring, money laundering, police targeting, conspired acts of grooming through sexual targeting, conspired falsified charges and allegations resulting in a threat to my life. I have all evidence to support my report and the illegal targeted activity has been confirmed by multiple various sources.

I am currently residing in Kadina sa in my parents house self isolating from society for my own protection and have shut down all business developments to stop the targeted activity.

I have been seeking assistance for over a 10 year period but to no avail as the higher power government sources involved have covered it up and denied it which has resulted in myself being entrapped in the targeting. The targeting is still active and has been active since the age of [Redacted] am now [Redacted] years of age.

I am requesting your urgent attention and assistance regarding this matter. I am residing in South Australia, Australia.

I can be contacted via phone or email.

Yours Sincerely

Yes of course you'll do it baby I have total faith in you because your so passionate and smart!

Yes I'd like to change jobs ideally but nows not a good time with the economy so fooked, not many jobs about. I'd like to have more options in a years time maybe. Nikki works up the road from me actually yes, which works out well because we car share.

Nothing solid planned next week depends on the weather which has been good in spells recently. One thing we do have is a hospital appt. can tell you this because we are still close - we are now on and IVF programme and going to get the drugs to start with that (not telling anyone by the way) because you get too many questions but I know your cool and I'll tell you if there's any news. Hey you never know you may have to give me the low down on twins someday. What else...oh yes I'm training for a charity bike ride so will try and get out next week.. I'm doing it in memory of Danni and it's 54 miles in June.

BACK on the subject of work Niks hours have been cut and she losing one day a week but its across the whole dept. and it was either that or look for reduncies. times are tough right now. So what else have you been doing to keep busy other than the business plan?

The stuff about Shaun and what his mum said, I think maybe you guys just need more time together, you'd be mad to rush in to marriage again but you know that and I think your response was natural, you'd be the same at the thought of marrying anyone. Your a lovely lady and have had some shit but that history I'm sure your future is rosy

Yes you have always believed in me, never doubted me at all. Can you tell that i'm very persistent and a determined women. You know some men find me a little confronting, even intimidating. I must admit though i am a strong women, not the shy type,lol!

Thats true what you said about the economy , but i'm not scared to venture out because, well have you ever heard of a broke doctor? The medical system doesnt go into recession. Think about it babe??!!

Thats soo cool about the IVF hun, i hope you really get your hopes and dreams this time babe.

I wish you both the best of luck with that. xxxx
Thanks for sharing babe, that made me feel pretty special.Mwah!

Been getting ready to move again, same town but different part. So been packing again which really sucks but its necessary as well. Smaller place, less rent and in town more. Shaun recons i'm a city girl and like being around the middle of town better. I said yeah, closer to the shops, lol!
Hes a real country boy, loves bush camping and fore wheel driving, which i love to , i think i'm city / country, a good mix of both, what do you think??

STUFF THAT!!! I know its for a good cause babe which is such a nice thing to do. But personally between you and me, i'm glad thats you riding not me, i'd be so sore and worn out,lol!! You must be really fit hey??

* Adam, i've been doing lots of thinking and i think ,well , because i'm in a committed relationship and , well, now i find out this wonderful news about you and Nikki, i do think its time to let us go. We really do need to concentrate on our real lives, don't you think? I don't regret meeting you and i will forever treasure and remember all our times together, i will always have a special place for you in my heart.
But i need to be true to Shaun and respect him and our relationship. I feel guilty about doing this and it gets that little bit harder all the time. I need to be a honest good women to shaun as he really is a good guy, kind hearted and loves me, just the way i am. But i need to give us a proper chance and give our relationship the full attention it deserves.
I hope you can understand this babe, i dont want to hurt you, i do love you. But i cant live with loving to men. like you said if we had have lived close to each other it would have been different. But this is the way it is.
I'm sorry we have to say goodbye honey , but it think for all its the right thing to do, dont you. (i want you to be completely honest with me cause this is last chance to be ok)

I have to be able to concentrate on my real life here babe, you know. So i think we should end it tonight ok.

3rd January 2023

Dear [REDACTED]

I am contacting you in relation to the first two recent contacts regarding being a targeted victim of Epstein and Maxwell and a connected Criminal Network involved and connected to Epstein and Maxwell and is still operational in Australia and endangering my life. I have attached a copy of the last contact made on the 2nd November 2022 for you review and connection to my previous contacts

2nd November 2022

To whom it may concern,

I am contacting you concerning recent contact dated 3rd October 2022 and reporting that I am a direct target of Epstein and Maxwell that had remained undiscovered, and I reside in South Australia , Australia.

In the previous correspondence I supplied 2 USB flashdrives containing Constructed Legal Case Files containing constructed documented evidence of being a target of a Criminal Network involving multiple connected individuals and prominent powerful people, which also included Government sources and Police sources.

I have now obtained documented evidence of the involvement of the Dark web/ Black market involvement in the targeting of an individual / myself by the Criminal Network involved.

I have submitted this evidence to Esafety in Australia and have requested an investigation into the report and requested their assistance.
Contact person of Esafety : Julie Inman Grant

I am contacting you to submit this final piece of evidence that was missing from the already submitted evidence, which is now conclusive to the final answer of how the Criminal network that has targeted me for over a 30 year period is operating.

I am submitting 1 USB Flashdrive with this report labelled Dark Web-Black Market and contains the files :

1. Identity Theft
2. Social media
3. Intellectual property Theft
4. Sexual Abuse Ring
5. Conspired Murder

6. Blocked assistance
7. Seeking assistance

The files listed above are the files I recently submitted to Esafety, Julie Inman Grant on 1st November 2022.

I am contacting you to provide more documented evidence I have discovered in my possession concerning an email dated 21st May 2009 of correspondence between myself and ADAM GURGLY Fake Identity of Epstein and Maxwell and name used by Epstein and Maxwell during the period of 2006-2013 Directly targeting the targeted victim, and contains details of the predatory behaviour by Epstein and Maxwell and what the interaction involved, and that they used the Fake Identity ADAM Gurgly as reported in previous contact and documented evidence involving the M.S.I.C design of the logo, and the documented evidence of the Australian Government sources involved and connected to Epstein and their involvement in the Sexual Abuse Ring.

I have also discovered the source of the commencement of the targeting which commenced at age 14 years of age while residing in Kadina and the motive behind the commencement, which involves an Australian Government source as the source, Attorney General of SA Vickie Chapman, and involves a connected Criminal Network involved in the continual 30 year targeting of an individual and involving multiple illegal criminal and immoral acts of criminality and against human rights and humanity.

I have attached and provided a USB containing 11 files and a report. The 11th file contains documented evidence of the motive and source of the targeting and the reason it began and continued for over a 30 year period involving Attorney General of SA Vickie Chapman. The provided evidence in this file is the final explanation of how and why the targeting began and the motive as to why I in particular had become this target.

I am requesting this final part of the evidence be conclusive to the previous contacts and extensive documented files Character Reference, Stage 1, Stage 2, Stage 3, Stage 4 and the Esafety file submitted previously and am requesting your URGENT attention and assistance in this matter, as my life is so impacted by this criminal targeting I am still residing in my parents home in isolation from employment, business development and any form of social contact due to the persistence of the criminal targeting, which followed me from location to location in 2018 and is still currently active and not resolved, the report of Black Market involvement involving my Identity being stolen confirmed in 2022 and confirms the targeting is still endangering my life and active.

I would appreciate your time, consideration and urgent attention and assistance regarding this matter.

Yours Sincerely

EVIDENCE: BLOCKED CONTACT TO ASSISTANCE

Victim of Epstein and Maxwell

1 message

8 August 2022 at 10:29

To: [Redacted]

Dear [Redacted]

I am contacting you to request urgent attention.

I am a victim of targeting of Epstein and Maxwell connected to a sexual abuse ring involving prominent people including government and police sources.

I have comprehensive extensive documented evidence of being targeted by these sources in Australia involving the Australian government and police sources and connected individuals involved. I have documented evidence of being directly targeted online via email by Maxwell and Epstein in the years of 2006 - 2013 and their connection to the Australian government sources involved.

The targeting over a 30 year period involves multiple intell prop theft / destruction of career for sex demand/ sexual abuse ring, money laundering, police targeting, conspired acts of grooming through sexual targeting, conspired falsified charges and allegations resulting in a threat to my life. I have all evidence to support my report and the illegal targeted activity has been confirmed by multiple various sources.

I am currently residing in Kadina sa in my parents house self isolating from society for my own protection and have shut down all business developments to stop the targeted activity.

I have been seeking assistance for over a 10 year period but to no avail as the higher power government sources involved have covered it up and denied it which has resulted in myself being entrapped in the targeting. The targeting is still active and has been active since the age of 14, I am now 51 years of age.

I am requesting your urgent attention and assistance regarding this matter. I am residing in South Australia, Australia.

I can be contacted via phone or email.

Yes of course you'll do it baby I have total faith in you because your so passionate and smart!

Yes I'd like to change jobs ideally but nows not a good time with the economy so fooked, not many jobs about. I'd like to have more options in a years time maybe. Nikki works up the road from me actually yes, which works out well because we car share.

Nothing solid planned next week depends on the weather which has been good in spells recently. One thing we do have is a hospital appt. can tell you this because we are still close - we are now on and IVF programme and going to get the drugs to start with that (not telling anyone by the way) because you get too many questions but I know your cool and I'll tell you if there's any news. Hey you never know you may have to give me the low down on twins someday. What else...oh yes I'm training for a charity bike ride so will try and get out next week.. I'm doing it in memory of Danni and it's 54 miles in June.

BACK on the subject of work Niks hours have been cut and she losing one day a week but its across the whole dept. and it was either that or look for reduncies. times are tough right now.
So what else have you been doing to keep busy other than the business plan?

The stuff about Shaun and what his mum said, I think maybe you guys just need more time together, you'd be mad to rush in to marriage again but you know that and I think your response was natural, you'd be the same at the thought of marrying anyone. Your a lovely lady and have had some shit but that history I'm sure your future is rosy

Yes you have always believed in me, never doubted me at all. Can you tell that i'm very persistent and a determined women. You know some men find me a little confronting, even intimidating. I must admit though i am a strong women, not the shy type, lol!

Thats true what you said about the economy, but i'm not scared to venture out because, well have you ever heard of a broke doctor? The medical system doesnt go into recession. Think about it babe??!!

Thats soo cool about the IVF hun, i hope you really get your hopes and dreams this time babe.

I wish you both the best of luck with that. xxx
Thanks for sharing babe, that made me feel pretty special. Mwah!

Been getting ready to move again, same town but different part. So been packing again which really sucks but its necessary as well. Smaller place, less rent and in town more. Shaun recons i'm a city girl and like being around the middle of town better. I said yeah, closer to the shops, lol!
Hes a real country boy, loves bush camping and fore wheel driving, which i love to, i think i'm city / country, a good mix of both, what do you think??

STUFF THAT!!! I know its for a good cause babe which is such a nice thing to do. But personally between you and me, i'm glad thats you riding not me, i'd be so sore and worn out, lol!! You must be really fit hey??

* Adam, i've been doing lots of thinking and i think, well, because i'm in a committed relationship and, well, now i find out this wonderful news about you and Nikki, i do think its time to let us go. We really do need to concentrate on our real lives, don't you think? I don't regret meeting you and i will forever treasure and remember all our times together, i will always have a special place for you in my heart.
But i need to be true to Shaun and respect him and our relationship. I feel guilty about doing this and it gets that little bit harder all the time. I need to be a honest good women to shaun as he really is a good guy, kind hearted and loves me, just the way i am. But i need to give us a proper chance and give our relationship the full attention it deserves.
I hope you can understand this babe, i dont want to hurt you, i do love you. But i cant live with loving to men, like you said if we had have lived close to each other it would have been different. But this is the way it is.
I'm sorry we have to say goodbye honey, but it think for all its the right thing to do, dont you. (i want you to be completely honest with me cause this is last chance to be ok)

I have to be able to concentrate on my real life here babe, you know. So i think we should end it tonight ok.
