## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 10/24/2006

██████████ was interviewed in West Palm Beach, Florida, regarding a federal investigation involving the sexual exploitation of minors. After being advised of the identity of the interviewing agents and the nature of the interview, ██████ provided the following information:

██████████ stated she was seventeen years old when she first started providing JEFFREY EPSTEIN with massages. EPSTEIN asked ██████ how old she was, and ██████ responded that she would turn eighteen in ██████. According to ██████ EPSTEIN said that when she turned eighteen he wanted to take her on vacation with him. ██████ went to EPSTEIN's residence approximately eight to ten times. ██████ believed that one of the last times she went to EPSTEIN's residence was after Hurricane Wilma in 2005. ██████ recalled discussing the damage Hurricane Wilma had caused to his Palm Beach home.

When the interviewing agent inquired as to why ██████ had stopped providing EPSTEIN with massages, ██████ stated that she felt disgusted by what she was doing and that she was not into it. ██████ stated that she did not want to talk dirty to him anymore. She said that EPSTEIN began to inquire if she was "ok" and she would respond by telling him that she was fine. However, ██████ said that her actions were totally different from what she would say to him. According to ██████ it was then that "they stopped calling".

██████████ stated that EPSTEIN asked for her telephone number after the first massage. Located in EPSTEIN's room was a pink and green couch, and an orange book. Beside the orange book was a pad of personalized note paper. EPSTEIN's name was written out on the note pad. ██████ believed his name was on the top of the note pad. EPSTEIN wrote ██████ telephone number on the note pad.

██████████ stated that ██████ known to the agent as ██████ was the individual that primarily called her to arrange the massages for EPSTEIN. She believed ██████ (known to the agent as ██████) telephoned her on one occasion to make an appointment. ██████ would set up the appointments in advance, sometimes a day, sometimes days in advance. ██████ believed occasionally when ██████ would call to set up an appointment, EPSTEIN was still to arrive in town. ██████ informed the

█████ said Epstein did this for approximately one minute until she told him to stop. █████ said Epstein did stop and no more penetration took place. █████ said Epstein would ask her on occasion if she would have intercourse with him but she always denied his requests. █████ said Epstein offered her more money for sex but she repeatedly declined.

█████ said Epstein told her she should be a model and he would help her become a model. █████ said Epstein told her he could not wait until she turned 18 years of age so he could fly her to Paris, France. █████ said she last had contact with Epstein or his assistant █████ was in May of 2005.

█████ said she told two friends about what she did at Epstein's home. These two friends, █████ and █████ WF DOB █████ and █████ WF DOB █████, both agreed to meet with Epstein and provide massages. █████ said she told both girls that they would have to massage this man and possibly get undressed. █████ told both girls they would receive approximately \$200 for these massages. █████ said she is unaware how many times █████ or █████ went to Epstein's house. █████ advised she did not tell █████ or █████ she was reporting these actions to the police.

█████ had in her possession two tubes of Bath and Body Works lotion she said came from Epstein's home. █████ said she did not remember when she got these lotions from Epstein's home but she no longer wanted to possess them. I completed a property receipt which █████ signed and placed the lotions into evidence.

█████ signed an affidavit stating she wished to prosecute Epstein based on his actions. █████ reiterated she told Epstein on numerous occasions she was only 17 years of age when the above took place. This affidavit was placed into the attachment file.

This video tape of the interview was placed into evidence.
