Transitory

Good afternoon,

For everyone's awareness, I'm attaching the final version of the memo that was supplied to DOJ with the Epstein Transparency Project classified records today.

Through the review process, three documents were identified that remain classified (two [REDACTED] documents and one FBI document which is classified when see-through) and three were declassified.

I'm not sure who else may need this information, so please forward as necessary. Please let me know if you need anything.

Respectfully,

[REDACTED]
