### (U//FOUO) Travel Records Regarding Jeffrey Epstein, Main Subject in a Child Sex Trafficking Investigation, Establishes Travel Pattern to Posture for an Arrest

#### (U) Executive Summary

(U//FOUO) FBI New York C-20 is investigating Jeffry Epstein as a main subject in a child sex trafficking investigation based on information regarding several victims reportedly sexually abused by Epstein in the mid-2000s. Epstein owned four residences located in New York, Florida, the Virgin Islands, and New Mexico and was known to travel extensively via his own private accommodations. FBI New York conducted extensive research on Epstein’s travel history in order to establish a pattern for his arrest. [This TIR addresses FBI New York Criminal Division Band II Threat – Crimes Against Children.](#)

- (U//FOUO) Epstein most commonly used Teterboro, New Jersey International Airport for INBOUND flights from various locations.
- (U//FOUO) Paris, France is identified as Epstein’s most frequented travel destination secondary to locations where he resides.
- (U//FOUO) Epstein maintains three United States Passports, but only one remains active.
- (U//FOUO) Epstein owns and travels on private aircrafts.
- ~~(U) This TIR addresses FBI New York Criminal Division Band II Threat – Crimes Against Children.~~

Commented [REDACTED] (6): The date of information collected should encompass the dates of all the information in the TIR. You have info from 2017 and I changed the dates of the biographical section because I am sure that information was more recently searched than 2018. So the make this paper not look too dated I change them all to 27 October which was the date you turned in your first version of this TIR.
