my best advice=is to pace your self. just like your boat captains, =A0 it is a long long race ahead. too much effort early o=, will make it much harder to compete the task at hand. stealing inc=mpetence is going to be found in many places and drive you crazy. =A0 focus on big long term strategy. DOJ, David NAdine , =egulators and bengjamin are real dangers. new biz. compliance = theft attitudes will take time . staffing is going to be kil=er
