According to this cartoon, posted on the website of Fatah's Information and Culture Commission this week, both the US and Israel behave like terror organizations, executing the innocent. Titled "Summary executions!", the cartoon shows an Israeli soldier executing Palestinian children who are tied up and blindfolded, while an American soldier stands next to him reading from a piece of paper, apparently announcing and justifying the execution. [Website of Fatah's Information and Culture Commission, Dec. 12, 2015]

The scene in the cartoon is reminiscent of different terror organizations' execution videos in which a statement is often read aloud before the execution of hostages. The flags in the background are also typical of such promotional videos by terror organizations.

The cartoon repeats two libels promoted by the PA and Fatah, which and never attacked anyone. Nearly all Palestinian attacks are presented to the Palestinian public as Israeli fabrications. <http://www.palwatch.org/main.aspx?fi=157&doc_id==5985> ."
