below is Joi Ito's reply re the birthday request of a one page =ssay...please advise how I should respond:

Sounds like fun!

One question. Most of the interesting stories involve other people I've =et there, but most of his friends are so important I'm not sure how =hey feel about confidentiality. Would this just be a single booklet for =effrey himself or something that would be printed and shared?

Just trying to think about the most appropriate story.
