Mahmoud A=bas' Fatah movement apparently sees biting and chewing on a snake as a sig= of military prowess - and included it in a new terror promotion video it =osted on its Facebook page. It seems that the snake eating exemplifies wha= it takes to be "heroes of a mighty people" - the lyrics of the song in th= background as the Fatah fighter eats the snake. [Official Face=ook page of the Fatah Movement, Nov. 16, 2015]

Palestina Media Watch <

The following are the words of an excerpt from the Fatah video:

"These are the soldiers of the Nida Division Sons of Yasser [Arafat], Abu Amar [Visual: Practicing kidnapping of Israeli soldier] Lions standing guard in the battlefield... They inflicted disasters upon the oppressor They are the heroes of a mighty people... Volcanoes and fires against the oppressor A sniper unit in the battalions does not fear death... They are the heroes of a mighty people... Using RPGs and booby-traps, they do not leave even one settlement." [Official Facebook page of the Fatah Movement, Nov. 16, 2015]
