Over a decade ago. I made some very poor choices and paid a heavy price for my wholly inappropriate behavior . Those actions were inexcusable. Though I recognize that it is impossible to totally undo the harm I caused . I spent time in jail and paid agreed restitution to those that were injured. . Since that time , I have devoted my unique skills and wealth to finding medical cures. trying to eliminate deep poverty , and helping to advance some of the most rarefied fields of science . This is an honest attempt to give back to the wider world community. Yes, it is true that I am visited by prime ministers presidents captains of industry = nobel prize winners , hopefully future nobel prize winners. politicians techno gurus, philanthropists.
