Dirty Johnny's parents take him to see Santa Claus, and Johnny climbs up on his knee.
Santa says, "What do you want for Christmas?"
He taps Johnny on the nose as he says, "Some t-o-y-s?"
Johnny taps Santa's nose the same way and says, "No, I've got lots of t-o-y-s."
Santa taps, "Do you want some c-a-n-d-y?"
Johnny taps back, "No, I got tons of stupid c-a-n-d-y."
Santa says, "Well, what do you want?"
Johnny taps on Santa's nose, "Some p-u-s-s-y, and I know you can get me some, because can I smell it on your fingers."

Guisseppi's an old lumberjack.
He walks into a garden store and says, "Everybody, they keep-a say, 'Guiseppe, you gotta get-a you a chainsaw. You gotta get-a you a chainsaw, make-a you job much-a more easy. It make your job much-a more easy.' "
The salesman sells him a chainsaw.
A few days later, Guisseppi walks back into the store and says, "This-a chainsaw no make-a Guisseppi job-a no more easy. It no make-a Guisseppi job-a no easy."
The salesman figures maybe it's not working, so he pulls the cord and starts it up, "Vrrrooommm!"
Guisseppi says, "Whats-a that noise?"

last Christmas I got a shirt, a jacket, and a piece of ass ...
... and they were all too big.

A little old lady gets on an elevator, and she's all alone, so she rips a huge fart, and then sprays Pine Scented Air Freshener.

The elevator doors open at the 28th floor, a guy gets in, and he says, "Pee-yoo."

She says, "What's wrong? Don't you like the air freshener?"

The guy says, "Air freshener? It smells like somebody shit a Christmas tree."

Friedman says to Greenstien, "My wife thinks she's a Christmas card."

Greenstien says, "Why don't you send her to your psychiatrist?"

Friedman says, "Why should I? He never sends me one."

The great actor Peter O'Toole's father was a very thirsty bookie named Spats.

He came home wasted one Christmas Eve, burst a paper bag, and told little Peter that Santa Claus had just shot himself.

It's Christmas Eve, and a little old lady goes into the butcher shop and walks over to where all the turkeys are hanging.

She lifts up a turkey's wing and sniffs it. She lifts up another wing and sniffs it. She lifts up a leg and sniffs it.

The butcher says, "Hey, lady, you think you could pass that test?"

I've always jerked off. I blame my father.

One Christmas when I was a kid, I told him I wanted a jacket, and he showed me how.

Sabean wakes up one morning and there's a bear on his roof, so he looks in The Yellow Pages, and sure enough, there's an ad for "Bubba The Bear Remover." He calls the number, and Bubba says he'll be right over. In a little while, Bubba pulls up in a little van, opens the back, and unloads a ladder, a baseball bat, a shotgun, and a flea-bitten old pit bull.

Sabean says, "What are you going to do?"

Bubba says, "I'm gonna climb up there and knock the bear off the roof with this here baseball bat. After the bear falls off, this here pit bull, Booie, he's gonna grab the bear's testicles in his teeth, and ain't nothing make Booie let go. At that point, the bear'll be manageable enough for me to get him into the cage I got in the back of the van."

Then Bubba hands the shotgun to Sabean.

Sabean says, "What's the shotgun for?"

Bubba says, "If the bear knocks me off the roof instead, shoot fucking Booie."

What'd the mink want for Christmas?

A Spanish guy comes before a judge, and the judge says, "Why are you here?"
The Spanish guy says, "I'm accused of starting my Christmas shopping early."
The judge says, "That's not a crime. How early did you do it?"
He guy says, "Before the store was open."

Minervini says to Hawthorne, "How's your wife?"
Hawthorne says, "Better than nothing."

A lady says to her husband, "I had a dream last night. It was Christmas, and the tree was decorated with penises.
Long ones, short ones, white ones, black ones, circumcised, un-circumcised...and at the top of the tree was the perfect
penis."
The husband says, "Was that mine?"

She says, "No, yours was being hid by one of those little lights."

He says, "You know, I had a dream, too."

She says, "Really?"

He says, "Yep. It was Christmas, and the tree was decorated with vaginas. Little ones, big ones, shaved ones, bushy ones ... and at the top of the tree was the perfect vagina."

She says "Was that mine?"

He says, "No, they were using yours as the tree stand."

speaking of Astrology, my sister-in-law is a cancer ...
and coincidentally, it's also her her star-sign.

Abraham's walking through the desert and he hasn't eaten for days.

On Christmas Day, he comes across a church, goes in, kneels at the altar, and prays, "God, please give me some food."

A lump of meat drops at his feet and he eats it. He comes back every day with the same request, and every day he's rewarded, until one day a hand drops at his feet. He looks up, and he sees a leper painting the ceiling.

DePace is working at a checkout counter over the Christmas Holidays to make a little extra cash because InDemand television doesn't pay him very well.

He says to a customer, "Jesus Christ, lady, you're about the ugliest broad I've ever seen."

She says, "I didn't come here to be insulted."

He says, "Really? Where do you usually go?"

Late last year I was getting out the Christmas decorations when I found a beautifully wrapped box that must have fallen behind some junk in the attic when I was bringing down the presents on Christmas Eve the year before. I couldn't wait to give it to my kids.

You should have seen their faces on Christmas Eve when they unwrapped the box and found their puppy.

It's Christmas Eve, Jena's late for a party, and she's in line buying a last-minute Christmas present. When she finally gets to the front, the clerk has his back to her.

Jena says, "Hey, I'm in a hurry, could you please check me out?"

The clerk turns around, looks her up and down, and says, "Great tits, lady."

A liquor store.

this is the Bad Section:

It's Christmas morning and two brothers come downstairs.

The first one says, "Ah-hah, I got more toys than you."

The second one says, "Ah-hah, I don't have cancer."

A kid says to his father, "I want a mountain bike for Christmas."

His father says, "Not only are you a paraplegic, but you're stupid, too."

I have a black eye.

Last night we were lying in bed when my wife said, "I'm wide awake."

I said, "You're wide when you're asleep, too."

My Uncle Louie was the worst ventriloquist ever. He used to stick two fingers up my ass and tell me not to say anything.

Last Christmas my Aunt Sadie hung herself. Being part of a traditional family, we didn't take her down until the fifth of January.

Minervini buys his mother-in-law a cemetery plot for a Christmas present. The next year, he doesn't get her a gift. She says, "Why didn't I get a Christmas gift from you this year?" He says, "You never used the one I got you last year."

The kids all bring in Christmas presents for the teacher. The supermarket manager's daughter walks up and gives her a basket of fruit. Then the florist's son gives her flowers, and the candy store owner's daughter gives her a box of candy. Then the liquor store owner's son brings up a big, heavy box. The teacher lifts it up and notices the box is leaking.

She touches a drop of the liquid with her finger and tastes it.
She says, "Is it wine?"
The kid says, "No, it's a puppy."

for the kids:

What should you say when you meet a ghost?
"How do you boo?"

What part of a tree scares a cat?
The bark.

Why did the turkey cross the road?
Because the chicken needed a day off.

Why do cows enjoy jokes?
Because they like being amused.

Mrs. Jones says to her neighbor, "Our dog's just like one of the family."
Her neighbor says, "Really? Which one?"

END of KIDS' SECTION

Why'd the gay guy nickname his lifemate Fido?
he likes burying his bone in the back, in the mud ...

Late one very cold Eve in the early 1600's, Santa was having a rough time. He was very hung over and dealing with a nasty bout of diarrhea, Mrs. Claus was very moody from hot flashes, there was reindeer crap all over the front yard of his North Pole workshop, the elves were all drunk and nothing was getting done. Dolls were breaking, train sets weren't working, his tools had been scattered all over the place, he was out of rum, and Santa was really on edge, at his wit's end.

Then there came a knock on the door. Santa answered it, and there was an angel.
She said, "Santa, what would you like me to do with this one last Christmas tree?"

What's Oprah getting for Christmas?
Even fatter.

Did you hear about the guy who's addicted to Viagra?

... too hard to quit.

A farmer and his kids are watching out the window on Christmas Eve when they hear a big crash behind the house. The farmer runs out onto the back porch and sees that Santa's sleigh and eight tiny reindeer had crashed into the outhouse and are covered from head to toe in poop.

Then he hears Santa exclaim as they ride out of sight, "Damn it, Rudolph, I told you the Schmidt house."

thanks for enjoying this month's crop of fun ...
