Got a message from [REDACTED] (Lithuanian in Paris), translating:

"I am well, thank you. I have got back to Paris recently.

I postponed my studies for a year cause it became more expensive with Lithuania entering the EU. I have decided to work for one more year to save money for a small business and for my studies. I also went to Dubai to work. I now have a boyfriend, he is very kind. So now we both work in order to have a future together.

Let me know if you guys come to Paris, would love to get together.

ps Sorry my email was blocked and I couldn't get the messages. Here is my French nb.. "
