Dear Mr. Epstein:

Several of us are wanting to challenge the registry especially the addition of restrictions to our lives. This will be a fight to stop retroactive sentencing. This will directly affect you as the state has been able to add additional restrictions at will to all sex offenders. This will be an Ex Post Facto fight For Sex Offenders as mentioned on

<http://www.pattisblog.com>

Article Time to Revisit Ex Post Facto Cause for Sex Offenders.

We are attempting to organize and are looking for people who are interested in organizing donations for this cause. Our cause will directly affect the lives of all people who have the label sex offenders and other Americans. Left unchecked, additional restrictions may be imposed on other groups and labeled non punitive.
