Subject: New Technology Investment
From: "Jabor Y." <[REDACTED]>
To: Jeffrey Epstein <jeevacation@gmail.com>

Shk Hamad is interested in investments in new technology. He expressed special interest in the virtual reality Holo lense technology that you has sent for Shk Fahad. He would like to know of possible investment in such technology. He is also interested in medical technology and can consider any other potential technology investments you can recommend. If you have any information to this regard, please forward to Mr. Shahzad.
