FYI- HBRK never received in the mail. I have been checking on it all week. I just emailed Cecile again asking where we stand with it. Apparently there have been issues with ballots not arriving in the mail. At one point, Cecile mentioned maybe it could be emailed. ..

I spoke to Ms. Douglas and she said that they are getting a lot of calls about not ballots being delivered in the mail. She asked that I give her an hour or two to get back to me with the solution.

With warm regards,

Cecile

I called and they said that they have been getting calls about folks not receiving their ballots by mail. The ballots were bulked mailed (as political mail) on October 21st. They said that if he does not have it by tomorrow afternoon to contact them and they may be able to email it.

With warm regards,

Cecile
