I did not do my best for me. learn to make chicken is for me, not for you. You don't give a shit about food... You told me that. Having sex is for you, making sure you are ok is for you, making you breakfast in the morning is for you, buying fresh flowers to put on your desk is for you, taking you for a massage on the beach is for you, coming to wake you up with a big hug in the morning is for you... Not the chicken.

I thought you would appreciate if I had sex with you and I did it, but now I realize not even this satisfies you... When I was with you I did all my best to make you happy. Maybe you never saw it or maybe you forgot it. Ok that I didn't do anything about me of what I said I would do but for you I always did everything I could. Thank you for telling me those things... You can't imagine how much you just hurted me.

Nooooo :( I've asked you this question several times before and all the time you told me the same answer "I want you to be happy"... Also when I was with you in Paris, island and ranch I kept asking you this question... I feel bad that you don't even remember it. How can I know if you never tell me ? If there is anything I can do for you Jeffrey, I told you already, it only makes me happy.
