Consciousness and its excitations are all that exist
The rest is a human construct
Mind Body Universe God are human constructs
Sleep is consciousness in its default mode , so is meditation - error correction is therefore correct
Stuart speaks like he is in default mode :) - robotic :)
He is kind to me though
Just left his wife
Has a new girlfriend
I met him last month
Leaving for El Salvador
Hope to see you soon xo

if consioiusness is nothing more than a error correction mechanism . it makes sense that when it is off. your body sleeps to protect itself. . is a plant aware of the sun, ? i had stuart hameroff to the house . . he often went on auto pilot. and had his girlfrined with him. oy
