Hi J -

Hope you are good and up to no goodGiven up trying to catch you at home! I know you are not in NY from 19th to 23rd November but would it be possible for my girlfriend, [REDACTED] and I to stay at [REDACTED] please?

I completely understand if you would rather not, bearing in mind you are not in the city - we can always make a plan!

I am sorry to miss you as it would be lovely to catch up - but do let me know if your plans change - miss you, friend - xx
