Hey Jeffrey! So Peggy she postponed the meeting at 4 because she had to go to the doctor. She was really nice, I mean she was a bit suspicious at the beginning like she asked me how do I know you, where I was leaving, why I was in New York, and then she asked me if it was my idea or your idea but then I explained her a bit that I went to the French school in Rome and I studied in London and she said I am more than happy if you wanna come here and see how you like it and there was the assistant with us and she said that they have already 3-4 interns but I can come 3 days per week and she will email me this week which days they need more help.

But I really liked her and the assistant also the office is quite small which I think is better in order to learn and see how the industry work.
