This is all very interesting... "Saudi Arabia is different" said Aziza... The fact Karyna is female and under 40 is an issue... Aziza can not ask for a government visa for Karyna (if Karyna was male she could)... she wants to try and obtain a visa for Karyna through her own company but because Aziza is female and Karyna is female, she can't!! She wants to try and get someone from her company to invite Karyna... she says she will have an answer for us in one hour. This all being said, she still thinks if Karyna comes 'as one of the crew', 'in uniform' and with a 'crew ID' she should not have a problem (and Aziza will be there to assist)

On another note, I asked Dave if the issue with the visa and Karyna as a crew member was just Doha, Qatar or also Riyadh as it looks to me as it is Doha that is the problem...

Wanted to let you know that there may be a problem with Karyna being from Belarus and getting a VISA. Universal is trying again emphasizing Crew Member, but I wanted to give you as much notice as possible.
