Ohhh I was worried it was a hacking email:)  
Sorry but last month the email of philippe send us strange messages.  
So I was verifying.

On my website we only put our furniture and very few interiors because pictures where not good enough.  
But yes our office does very high end custom made Space design and Furniture and even Objects and accessories.

We work everything like a couture because we take very few projects in the same time. I like developing ideas and vision for a home or any other space.

I would love if you can tell me more about what you need.

I will be in paris from the 8 of november till the 19th.  
If you are around we could meet and discuss ideas.

Karen
