Hi Jeffrey,

Peggy asked me to e-mail you and let you know a couple of things. The African safari is all organized, with details coming today or tomorrow. Peggy's an extra on Wall Street 2 on Monday. She's assuming she'll be finished in time to bring William Astor to your house for drinks. How does 6-6:30 sound? Then she's taking him to Adam Lindemann's art dinner at about 8 o'clock at Sant Ambroeus.

Thanks,

Margaux
