Jeffrey,

All is ready for next weeks training. I will meet Merwin Monday and get started.

We will do butler training with Merwin the first week and then the full staff the week after.

Regarding fees, then I pay the butler \$300 per day and I'll just charge you at my cost for him.

I normally charge \$800 per day for consulting, but since we have a mutual interest in this, would \$400 be acceptable?

Thank you

John
