I very much appreciate the offer , we are not very far apart , what i would suggest is the following.

Term Sheet changes:

Compensation:

- **Benefits Base Salary of \$200000 per Year**
- **Clinical Supplement of \$440,000 per Year—**
- **Administrative Supplement - \$40,000 –**
- Total Compensation of \$680,000 per Year--**
- **I can earn additional compensation at the end of each calendar year if I personally generate more than \$1,000,000 in collections. I will receive 50% of gross collections above \$1,000,000. --**

To be clear Mount Sinai has agreed to cover all office expenses.

The Mount Sinai academic title will be Professor of Urology, clinical title will be Director of Microsurgery (Urology)

I this is satisfactory , please return a copy for signature.
