Mr. Epstein,

Thank you for new laser information saw clinic this morning and got quotes(pain not included).

Freelancing today for Usher if you would like to offer tickets to any of your staff, please let me know happy to have them taken care of for you. The concert is tonight in Brooklyn.

I will be working diligently on getting you the best possible beautiful, calm, tranquil options for November dining room presentation.

With Regards,
Amanda

P.S. if you do decide to do an election party I am at your disposal should you like to bring in key fun elements.
