Hi Rich!

I hope all is good with you. I am writing again just to check in on how it is going with the iPhone? I tried calling you a while ago and I left a voice message but then I realized it was during the Jewish Holiday so you were probably busy and missed it! Sorry if I was disturbing you during your Holiday!!

Anyways just asking because my 6 is not working pretty well it dies at 50%. I think the battery is broken :(

And since I did not receive it or open it yet let me know if we can switch to a 7 plus instead. If it's complicated let me know!

Thank you and take care

PS. I'm in class and I have a midterm soon so please email me back I won't be able to answer calls for the next couple of hours.
