Read it

His english in awkward and stiff. Was wondering until I saw he was British . Their language style has not evolved since the time of King Edward .

He is a physicalist at heart .

The hard problem only exists if you believe that the ontological primitive is matter

I'm beginning to realize that the main preoccupation of scientists and philosophers is to keep reinforcing their world view .

I am neither a philosopher nor scientist but I tend to do the same .

I'm hoping to live the rest of my life without any constructs whatsoever .

Let's see

Home with my family until Tuesday morning

Tomorrow I do Conan OBrien and have a dinner with Maria Shriver

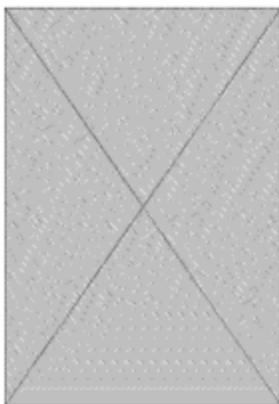

Then Nashville and Las Vegas
