We can do that  
But that is based on the scope of possible funding

dear Jeffrey  
you did not answer my question whether  
you are still interested to pursue. I am  
still working hard on the idea and it is  
moving. But at the end, funding is the  
most important component: it is very  
difficult for offices supported by the  
chinese government , or even business  
man to send money out of china  
nowadays. Hence supports by you and  
your friends will play a fundamental role.

I may retire from harvard to do the job.
