Next Friday the 28. I am so happy yesterday I shoot a scene and my teacher for acting for film she said to me that it was excellent and I have to continue with acting and she told me also at the beginning I was thinking you were just a pretty girl but I can see that when you do your homework you do really great and you have a lot of talent . She also said to me of course your look will help you on audition but you have to focus on your skills and talent which is what makes the different.
